The Eagle AnointingWritten by Kathy Pomare / Key of G

The wigged One sits upon His throne
 He is ready for the judgment day
 He's also seen what we have sown
 Taking note of what we do or say
 Yes, the garments of our sins are
 burned

By the fire of the Holy Ghost
 Be not troubled nor concerned
 We are a part of the heavenly host

CHORUS

Oh, hear the message of the hour
 The eagle anointing receive
 For Satan he has not the power
 He is bound by prophecy
 Back in our original condition
 The Bride is glorified
 Stand fast in your elect position
 By His blood we are sanctified

Respect the five-fold ministers
 They are predestinated by the Lord
 To lead us to our Master
 By the Word of the two-edged sword
 A liberated people indeed
 Going back to Eden again
 No longer slaves of sin but freed
 By the Lamb that was slain

(Bridge)

Shekinah Glory Tabernacle
 Where the presence of the King
 Comes to lose the shackles
 Of Satan's deadly sting

Sheltered in His living Word
 Influenced with love
 Soaring like an eagle so high
 Led only by the Dove

(Repeat)
CHORUS

Oh, hear the message of the hour
 The eagle anointing receive
 For Satan he has not the power
 He is bound by prophecy
 Back in our original condition
 The Bride is glorified
 Stand fast in your elect position
 By His blood we are sanctified

The mystery of the Seventh Seal
 Has been opened to His Bride
 The Husband He will soon reveal
 His wife standing by His side
 Dressed in the clothes of immortality
 At the wedding feast
 Your eyes will see reality
 You're the elect and not the least

Present Evil AgeWritten by Teresa Wano

Like it was in the days of Abraham
 When a people were trained by his revelation
 That Elohim came down and revealed His mystery plan
 He said, men have corrupted this world
 And turned it into a vile and sinful state
 Still the promised Son had come forth
 But it will take a body change
 And though judgment angels were sent
 Oh, Abraham display the mercy seat
 So Lord we can see that You sent
 A deliverer in that present evil age

Like it was in the days of Esther
 Seven chamberlains searching for a virtuous bride
 She's been brought up by Mordecai
 He'll reveal to Hatach the reason why
 Though Haman is given the ring
 Mordecai refuses to bow
 A law is set for a genocide
 Hatach reveals to Esther why
 She must go before the king
 Oh, Esther to display the mercy seat
 So Lord we can see that You sent
 A deliverer for that present evil age

We have come to this present world system
 When sacrificial love brought spiritual adoption
 He's called us to display His glory
 That's what we've been raised up for
 It's not a battle against flesh and blood
 But principalities, spiritual powers
 In high places

Traditions and customs have veiled your eyes
Caused you to bow in a prison
Hybrid seed that's the genocide
The 5 fold Ministry told you why
That His Gift in you displays the mercy seat
With the mind of Christ the whole armour of God
That's deliverance from this present evil age

Through The Years

Written by Peggy Henry / Key of G

Through the years God has brought us this far
And blessed us with the Message we hold
Through the good times and the bad
Through the happiest times and the sad

CHORUS

For we are the Bride of Christ
You are a gift that God gave to me
And I thank You Lord with all my heart
For the Word that You gave
You're our Prophet, Priest and King

Looking forward to the rapture to come
We know who and what we are
And what we do know is from our hearts
That in life God gave us special parts

According to the Word of the hour
We will reign in glory and power
When we hear that trumpet sound
The Bride will all receive her crown

A River Went Out From Eden

Written by Malcolm Wano / Key of F

From His thoughts in the garden of Eden
 Born in sin, iniquity, lies
 Flowed by the tower of Babel
 A drifting soul in the sea of life
 Heard the voice of the Lord through Elijah
 'Come out of her' he cried
 Clear waters proceed
 From the throne

CHORUS

A river went out from Eden
 Pure river, the water of life
 The course it wove
 Through the scripture shows
 The flow of the book of my life

The throne in the soul where the river runs by
 Twelve inches between the head and the heart
 A thinking man's filter brought a holy man's taste
 To change Euphrates to a fountain of life
 Now clear waters proceed
 From the throne

Then like our Lord at the well
 Living waters proceed from the throne
 The Bride will drink her cistern to break
 Changing bitter to sweet again
 Come see a man, was her cry
 Who changed the flow of my life
 Now living waters proceed
 From the throne

HeroWritten by Margaret Prime

There are heroes when you look inside the Word
 They did not know defeat when they knew who they were
 In their position they fought giants in their land
 And brought back fruit so sweet to our King

Today's hero comes along with the strength to carry on
 And He casts all fears aside, it is Christ in His Bride
 And She knows who She is, she knows her place in the Word
 And greater is He in Her, than he that's in the world

It's a hard road to Bethlehem and back
 But the wheat must be crushed to make the bread
 You have all you need, it is laying in gene seed
 Go on, discover the truth of who you really are

And let the Hero come along with the strength to carry on
 And cast all fears aside, see Christ in His Bride
 You've got to know who you are
 And what you're raised up for
 And greater is He in you, than he that's in the world

The Lord knows the foes that you face
 But don't let no demon tear you away
 Just hold on to your vision in the Word
 And by the Spirit you'll overcome

Let the Hero come along with the strength to carry on
 And cast your fears aside see Christ in His Bride
 Don't look at circumstances keep your eyes on the Word
 And you'll finally see the truth
 Today's hero now is you

Break That CycleWritten by Teresa Wano

Summer, autumn, winter and spring
 These are the natural cycles we can see
 Elijah spoke, there'll be no dew nor rain
 According to my word

CHORUS

Are you tired of going round and round
 That same cycle that always gets you down
 Only the Spoken Word can break that cycle
 Why cry? Speak!
 And go forward

What about the cycle of moaning and murmuring
 God told Moses to speak to the rock
 Instead of speaking his anger smote it
 He broke the type instead of
 Breaking the cycle

The natural cycle, the rising of the sun
 Joshua commissioned to go and take the land
 The enemy running as it's setting
 He cried, Sun stand still"
 And broke the cycle

So break the cycle of restoring back to your old ways
 Let this mind be in you which is in the Lord
 Speak those thoughts in Spoken Word form
 Let them materialise and
 Break that cycle

Harvest Time

Written by Belinda Evans / Key of Em

We are the seed sown in the field
 Protected from the chaff and husk
 We grow and ripen in the field
 Till the harvest time is come
 Then the Lord of the harvest
 Will take those who are bowing down
 Seeing that they are ripe enough and mature

CHORUS

Precious Lord, Lord of the Harvest
 Put Your sickle in and take us out of the field
 Precious Lord, bring us to the threshing floor
 Hit us on the rock named Jesus Christ
 Precious Lord, take the fan in Your hand
 Blow away the chaff and husk
 That seed may come into plain view

We know the field that is the world
 Where we have been born into
 And the chaff and husk is our carnality
 Let us loosen the old nature
 On the threshing floor
 Let it blow away by the preaching of
 The five-fold ministry

Before the seed can bring forth life
 It must be buried and died
 As Jesus Christ did for us on Calvary
 So let us die to ourselves
 And by the light of the S-O-N
 We will grow into maturity

The book of Ruth is our type
Of Gentile Bride and Jesus Christ
There it is unfolded the mystery of gene seed
Let us approach the Lord, our Kinsman, the Word
In a faith relationship and love intimacy

Babylon System Falling

Written by Larry Cotton G

Babylon is falling, Jerusalem's rising
Death and plague outside of the Word
Red Pyramid in the sky amongst the serpent
The Lord said: "Look up Your redemption is nigh"
(Repeat)

Babylon system falling
Carnage and chaos all over
Palehorse rider is riding
Killing fourth part of the earth
Filth and sin is covering the earth
Judgment poised to strike

But there's still blood on the mercy seat
Blood of Jesus' cleansing
Eagle anointing brought prophecy
A vindicated son of man on the earth

Reality of the seals unveiled
Ezekiel on his side for 390 days
6 shekels for an asses head, 2 Kings 6
Jezebel's after Elijah's head
Malachi 4:5 opens the path
For the return of the Lord

The Code Of Silence

Written by Mal Wark

Nothing's been written on high or on earth
 To detail the scene, when God's sons come to birth
 It's an event which happens in an half-hour space
 It's a time in heaven when a silence takes place

CHORUS

It's been locked in a code of silence
 And clad in mystery
 For ages, never been Spoken
 Sealed by Prophecy
 But now is the revealing to all humanity
 The Children of God appearing
 To reflect His Majesty

Creation groans to witness the plan
 Of God's Sons' manifestation
 But the day and the hour knows no man
 Nor the angels watching from heaven
 Enoch stopped at 2004
 Daniel was forbidden
 Paul could only go so far
 John's secrets were hidden

CHORUS

They were locked in a code of silence
 And clad in mystery
 For ages, never been Spoken
 But sealed in Prophecy
 But now is the revealing to all humanity
 The Children of God appearing
 To reveal His Majesty

So it's not for nothing at this time
That the world has lost control
For through this brief phase you will find
Displayed things never told
And this translation can be heard
Through the silence which thunders out
And set of actions louder than words
Do emphasise its Shout

CHORUS

Once locked in a code of silence
And clad in mystery
For ages, never been Spoken
But sealed in Prophecy
But now is the revealing to all humanity
The Children of God appearing
To reveal His Majesty

Doing Service For The Lord

Written by Phillip Evans / Key of G

It doesn't matter anymore
Virtuous woman heard the call
To trust and obey
The commandments His way
Her price is far above rubies
Eating showbread everyday
It doesn't matter anymore
Doing service for the Lord

God Is LoveWritten by Helen Dykstra

God is love the Bible tells us
 And praise God, it's corrective too
 I've spent some time on the threshing floor
 That's a work only God can do
 The chaff was falling all around
 When the fan came into play
 With wind of the Holy Ghost
 All the chaff's been blown away

CHORUS

With God's love as my weapon
 I am walking with the heavenly Dove
 My Kinsman's never lost a battle
 And His strategy is love
 With God's love as my weapon
 I am walking with the heavenly Dove
 My Kinsman He wins every battle
 And my theme is God is love

All nature's tuned to the love of God
 The charging bull lies down to rest
 Angry hornets become oh so quiet
 When God's love is manifest
 See how sickness, cancer is completely healed
 When the grace of God takes o'er
 Those demons from hell once exposed turn and flee
 Behold the Word, triumphant in power

Now we're standing in His image
 Grains of wheat polished and complete
 We'll be garnered in when the work is o'er
 As we wait at our Lord's feet
 Our Kinsman Redeemer He could not rest
 Till redemption's work was done
 From handfuls of grain to a Wedding Feast
 Then God's House, our heavenly home

Beholding You, Becoming YouWritten by Margaret Prime

Beholding You, becoming You
Bestow further grace on me

That Your mystery be revealed in me
Reproducing You bodily
Continuing Your strategy
Bestow further grace on me

Oh Lord I give You pre-eminence
Expression of Christ is evidence
Progressing in my revelation
Reconciled by elevation
Of my thinking by inspiration
Into Your faith economy
Oh Lord, You're so gracious to me

From Satan's Eden to Your Eden Lord
Transition by simplicity
You manifest when I speak the Word
Once more in co-equality
No defeat, nor fear or anxiety
But safety in You and security
Grace, grace has come to me

That Your mystery be revealed in me
Reproducing You bodily
Continuing Your strategy
Bestow further grace on me

Beholding You, becoming You
Bestow further grace on me

Inspiration Speaks

Written by Malcolm Wano

The Prophets have foretold of prophecies that now unfold
 Exposing Satan's plan
 Designed to destroy all men
 He's built his city on sinking sand
 Just like the foolish man
 And when the judgment falls
 For condemnation or for reward
 And when the judgment falls
 For condemnation or for reward

CHORUS

Though the fourth beast devours and the nations bow
 Inspiration speaks forth to His Bride
 Reconciliation back to a faith civilization
 By His progressive revelation
 Brings perfect submission to raise us to a higher realm of thinking
 We've come back to Edenic condition, Edenic condition

Human behaviour, Satan's strategy
 Condemnation, fear and unbelief
 Two hundred million demons
 His resources to command
 His objective now we can see
 Nations forced to worship the Beast
 He wants to be exalted
 Above the stars of God
 Nations forced to worship the Beast
 He wants to be exalted
 Above the stars of God

Instructions given from the command post
 Apply the strategy of the Captain of the Host
 Eagle anointing with the Word of the hour
 Is overcoming power

Recording angel to the resource room
Bring to our remembrance what He said we should do
And with the token on display
We'll raise to meet the challenge of the day
And with the token on display
We'll raise to meet the challenge of the day

A Battle Of Expression

Written by Teresa Wano

Oh Bride of Christ
Though we're living in this sea of humanity
Goshen, our cleft of the rock
Covered by great eagle wings
It's a battle of expression
Influenced from realms above or below
By the fruits you produce
Indicates who had won the expression

For there's no excuse that outshines eternal life
Not money, being popular flesh and blood
Even a three-fold cord united could justify
God who came in the likeness of sinful flesh
A sacrificial love expressed

The conspiracy is strong
There's famine and sword
Great pestilence throughout the land
Truly the Word and fallen angels
Are being expressed again
Clothed with the sun, moon at your feet
Twelve stars in your crown
A painful desire, travailing in birth
To express that gift, Jesus Christ again

Mighty SwordsmenWritten by Kathy Pomare / Key of F

The mighty swordsman of the great I Am
 Stand fast your position with sword in hand
 Stay sharp your vision with eagle eyes
 Exposing the enemy the father of lies

Break down the strong hold of deceit
 Our Father has ordered His defeat
 Stay dressed in the armour of our Lord
 Till we reach Gilgal, the saints' reward

Chosen of this army are believers
 Tramping down the forces of deceivers
 Conquering with the Holy Spirit its power
 Knowing we are the resource of this hour

Our Sergeant Major holds fast His post
 He hears the voice of the heavenly host
 Advance oh army over enemy lines
 Have faith in Me, your Lord divine

Charge on through
 The channel of the bleeding Word
 Five-fold ministry that we have heard
 Arms that equip us with the very best
 To enter now into our seventh seal rest

The Son of Man ministry we now hear
 An invincible army stands speaks with no fear
 7 thunders on display in our lives
 The last trumpet will sound we'll meet our Lord in the air

Country Cousin

Written by Teresa Wano

God called us from the highways and byways of sin
 We came as we were God did the work within
 And through the prophet oh yes, we could see
 What God had really ordained us to be
 Pakaraka became our waiting place
 For God's called servant to come and take his place
 Received his training in the wilderness
 God ordained this man to see us through

Chorus

So little country cousin so refined
 The Son saw in you a virtuous Bride
 He said, Make yourself ready for soon you will hear
 Galloping horses and the sound
 Of the buckboard drawing near, oh yeah
 To catch away His faithful waiting Bride

They said, What good thing could come out of Moerewa
 This was God's provided place of worship for us
 The transformation that our building had
 The many vessels God had brought from afar
 Shekinah Glory Tabernacle is it named
 The inn for mighty Gentile warriors to come in
 The Spoken Word positionally placed
 The Spirit casting lots, dividing the land

Down through the years God's Word was now becoming flesh
 Another book of Acts again being made manifest
 And since the thundering of the sequence of events
 The Bible's now become an open book
 God called His servant to the missionary fields
 This caused us to activate the 3rd pull ministry
 Oh what the power of prayer can do
 We speak the vision for him to walk into

This little country cousin's waiting for You
To ride this trail once more like You said You would do
I've made myself ready and soon I shall hear
Gallop horses and the sound of
The Buckboard drawing near, oh yeah
To catch away this faithful waiting Bride

Let The Dove Lead This Eagle

Written by Malcolm Wano

The Lord delivered me from enemy's lies
Of all the schemes that he tries
Faith and vision broke doubt and fear
Jehovah Shammah changed the atmosphere
Your token life must be on display
That will keep the death angel away
Now it's clear what we must do
Eat the I Am in haste and be ready to move

CHORUS

Let the dove lead this eagle so high
To heavenly places no man can fly
I'm longing to be with You
Back in Your side as Bride and Groom

The tree of life we have access to
Hidden manna, a new name to keep His Bride true
His Word has revealed we are His attributes
No longer I that liveth but the I Am in you
A Christ-like expression must be on display
That will keep the mamba at bay
We bind him with chains of circumstances too
Liberate Christ, that's living in you

The Glory Of The Lord Is My Defence

Written by Belinda Evans / Key of G

CHORUS

The glory of the Lord is my defence
 (He's my Saviour)
 I'm not tossed about what circumstances bring
 God's cloud upon me shows true headship and I make a stand
 For the Glory of the Lord is my defence

Even when the whole world tries to bring me down
 Great pressures are upon me heavy
 The Lord says: "Look up your redemption is nigh
 For the Glory of the Lord is your defence"

CHORUS

The glory of the Lord is *your* defence...

Even like Moses in the wilderness
 Confronted by Korah and Dathan
 The earth opened her mouth and swallowed them up
 For the Glory of the Lord was Moses' defence

CHORUS

The glory of the Lord was *Moses'* defence ...

Even like Queen Esther who went to see the king
 About the plot against her people
 This wicked Haman hung on his own gallow
 For the Glory of the Lord was Esther's defence

CHORUS

The glory of the Lord was *Esther's* defence...

We are manifested sons and daughters of God
 We must take up our responsibility
 And bring forth new life through our headship Jesus Christ
 For the Glory of the Lord is our defence

CHORUS

The glory of the Lord is *our* defence...

Arise ShekinahWritten by Helen Heta / Key of Gm

Arise Shekinah, put on your armour
 We are going to possess our land
 We're moving by faith
 Exercising faith muscles
 To move into Canaan Land

CHORUS

Oh hallelujah, oh hallelujah
 Hallelujah, praise the Lord
 Oh hallelujah, oh hallelujah
 Hallelujah, praise the Lord

We're going back to Eden
 To where Adam walked
 To fulfill the mystery of His will
 Expression, pre-eminence, reconciliation
 To fulfill the mystery of God

We are applying the blood
 On the tip of our right ear
 Our right thumb and the tip of our right toe
 So we can hear the Word
 And grip the sword of the Lord
 And to have the balance of His Word

We are applying the token
 We've moved out the trash
 To step over the brook Zered
 We are His attributes
 The mystery of Christ revealed
 And our redemption draweth nigh

Eagle StrikeWritten by Mal Wark

The lines are drawn precisely, the detail is clear
 The timing and the moves from start to end
 Weapons are uncovered, each one checks their gear
 As the experts, to the final needs attend
 In the closing moments of these lingering prophecies
 Whilst the headsets are tuned to the coded frequencies
 Each command is briefed on signals to be sent
 Battle-stations are taken by every man

CHORUS

Sweeping low, moving fast beneath the radar zone
 Miles behind enemy positions
 Death-defying, first to last
 Dropped, then left alone
 To unfold another 3rd Pull mercy mission

Gliding through the shadows to the mortal eye, unseen
 Guided by precision prophecies
 Spoken Word disarming, every system in between
 As they break in through the Beast's security
 That which is to be, has already been
 And it's written that, they'll take captivity
 For every door before them, they have the Master Key
 And through hell-fire they'll set the prisoners free

And as the rays of Dayspring streak through the pitch black sky
 And dawn upon the Battle of Expression
 Each squad steps out to regroup, the signal sent on high
 For pick-up, at the end of operations
 And closing in the distance, thunder echoes by
 While recovery crews move in for recollection
 Then lifting all to safety, turn for home and fly
 As destroying angels unleash retribution

It's the 3rd part of the 3rd Pull mercy missions
 It's the closing moments of the 3rd Pull mercy missions

Silver TrumpetsWritten by Malcolm Wano

I have surely seen the afflictions of My people
 And have heard their cry
 By reason of their taskmasters
 And I Am come down to deliver them

CHORUS

Hear the Levites sound forth those silver trumpets
 To relay to God's people the battle plan
 Preparing the people to cross over
 To put in practice the lessons that they have learned
 For the battle they'd face in Canaan Land

We were bound in slavery to sin
 But God had placed Gene seed within
 Called out by a token sign now we are justified
 The death angel, he can now pass us by
 The death angel, he can now pass us by

From Egypt to Canaan Land
 The Spoken Word opened up the sea our journey
 Through the wilderness of sin
 Numbers identified hereditary genes
 To break amnesia and positionally place
 By knowing who they are Satan can't prevail

The first battle was Baal-Peor
 Destroying of that hybrid seed
 They numbered that next generation
 Instilling discipline obedience to the Word
 Receive instruction from the Captain of the Host
 Divine strategy from the Captain of the Host
 Now we must possess our land
 Destroy the enemy with the sword in our hand

The gospel trumpet gives a certain sound
We respond from the position we've found
The gates of hell, they shall not prevail
The gates of hell, they shall not prevail

Hear the Levites sound forth the gospel trumpet
To relay to God's people the battle plan
After having done all we are able to stand
Lucifer defeated on every hand

(Repeat first 3 lines)

Our Lord and His Bride with dominion again
Our Lord and His Bride with dominion again

You Have Come

Written by Margaret Prime / Key of D

You have come and by the truth
You set us free
We worship You Lord in that liberty
With the anointing of the great I Am
To defeat the enemy on every hand

All glory and praise to You we bring
Overcoming power by the Word of the hour
Hallelujah! Hosannah to our King
Hallelujah! Hosannah to our King

Elohim, El Shaddai, Jehovah God, Adonai
Lord Jesus, You're the one we magnify
Lord Jesus, You're the one we glorify
Lord Jesus, You're the one we glorify

Watch NatureWritten by Teresa Wano

Watch nature and see God's character
 Expressed through the fowls of the air
 And when the cold winds blow
 There is the instinct to go
 To heavenly places
 Where the wheat overflows

Watch nature and see Gods' character
 Expressed through the four-footed beasts
 And when the night time comes
 There is a cry to its mate
 That's the deep calling unto the deep

CHORUS

No man can serve two masters
 He will hate the one and not the other
 Behold the fowls of the air
 Are ye not much better than they
 But seek ye first the Kingdom of God
 And His righteousness
 And all these things shall be added unto you
 And all these things shall be added unto you

Watch your nature, is it Gods' character
 Is it on display like the apple tree
 It grows by the sun and the rain
 Atmosphere created, fruit manifested
 Oh taste and see that the Lord is good

Watch your nature, is it God's character
 Is it on display like the cactus tree
 So prickly and hard dry from the lack of rain
 Break that atmosphere
 Drink in that Holy Ghost rain

Nature is God's calendar of signs
And when you see the fig tree
Putting forth its buds
The trumpets have sounded
Israel's back in their homeland
Two woes have passed
They're awaiting their feast of Atonement

Nature is God's calendar of signs
Earthquakes are sounding in this creation
The winds and the storms push the Bride into position
To birth forth new life
Behold the Seventh Seal Revelation

A Fountain Opened

Written by Belinda Evans / Key of E

A fountain opened in the house of David
To you and me
It's the blood that flowed from Emmanuel's vein
To set a sinner free

CHORUS

It's the fountain that gives us life
His precious fountain has made us alive
And cleansed us from all sin
That same fountain lets us receive God's Word
And separates from all unbelief
Oh I thank God for His grace

Come thirsting soul and give your life to Jesus Christ
The one who died for you
Remit your sin and be made whole
Be born again and let His Spirit take full control
And lead you on always

Returning To Our First Love

Written by Belinda Evans / Key of G

In great trials of affliction
 The abundance of joy and deep poverty
 Abounded unto riches of liberality
 Beyond power thou art willing
 To give thy own self first to the Lord
 Yes, by the will of God

CHORUS

I know thy works and thy patience
 For my name's sake thou hast laboured and not fainted
 Nevertheless, I have somewhat against thee
 Because thou hast left thy first love
 Thy temple needed to be broken
 Remember therefore whence thou art fallen
 Repent and do the first works
 Lest thy light be removed

In a time of restoration
 The treasures that were laid up in Babylon
 Let these vessels be restored to Zion
 Everyone to his place
 To shine for the Lord's Glory
 Yes, in the house of God

But the Lord is with thee
 Yes, He is the Mighty One
 Therefore thy oppressors shall stumble
 Their confusion is everlasting
 But God, He has delivered thee
 Yes, even thy soul

Faithful Daughter-In-LawWritten by Phillip Evans

God's got a process, it's in the Word
 5th dimension cycle, all to be burnt
 Wheat baked into reality
 Oh, thoroughly purged
 The sickle comes when the grain is mature
 From stage of duty, to intimacy
 Staying in continuity
 God's got a process, it's in the Word

CHORUS

Oh virtuous woman
 Seven thunders roar
 From the sickle to the threshing floor
 Anointed ones the Lord has heard our call

Blessed be he of the Lord
 Recompense thy work and a full reward
 Let me find favour in Thy sight
 7 times brighter is the harvest light
 At evening come, eat of the bread
 And she did and left and bowed her head
 Let her glean amongst the sheaves
 Standing fast by the five-fold ministries

As Boaz goes beyond the requirements of the Lord
 Gives her a handful
 Reapers some have to fall
 She took it up to her mother-in Law
 Another part to the other
 The mystery must unfold
 Taking us from the garner
 To our heavenly home
 Gene-seed crushed by the corner stone

Wheat mixed with oil, harvest loaf in the stove
Baked to perfection but not all alone
7th measure to Naomi waiting at home
Boaz a mighty man said: 'Stop mucking around
Or you will be like stubble, buried into the ground'
Trumpets blowing get over your troubles
Look to Him
Ruth and Boaz back to Bethlehem

The Resurrection Ministry

Written by Teresa Wano

We thank the Lord
He's brought us back
To our Ancient Land Marks
We were caged in Laodicea
Domesticated in Mystery Babylon
Orchestrated by the Prince of the Air
Then we heard a loud voice
From the Resurrection Ministry

Earth quaking experience
Veils are been torn
The Words come into plain view
Headship's come down
The 7th Seal speaking through you

As kings and priests
Access is open to your
Holy of Holiest place
Fruit free for the taking
A little extra revelation
To bring a message of reconciliation
To harvest the ripen grain
Reveal the name in the book

The Great I AmWritten by Teresa Wano

Can You hear the Lord calling
 My Bride where are you in my Word
 You can't hide behind impersonations
 There can be no private interpretation of who I Am
 So examine yourself and see whether ye be
 Holy consecrated unto the Lord

CHORUS

Be strong, hold on
 Don't let the angel depart
 You must prevail until He blesses You
 You will never be the same
 When you can see your name
 The great 'I Am'

With the eyes of circumstances
 And ears of unbelief
 You will stay in 'I was'
 Like Jacob, Abram and Sarai
 The works of the flesh
 Hindered not prophetic prophecy
 Supernaturally they were walking
 In the vision of God's plan
 To bring forth their name change

There's no denying who is the 'I Am'
 The Body Word of Jesus Christ
 With a great ministry
 Gifts that reveal Him, they show His power
 He's in our midst
 He's aware of all things
 Because of our human ability
 God did it supernaturally
 That's the greater works
 In a body Word ministry

Lord, Reveal Yourself To MeWritten by Belinda Evans / Key of G

CHORUS

Lord, reveal yourself to me
 Let me see what you see
 Please take control of me
 I desire to understand all that you show
 Lead me to the places where you want me to go
 Give me wisdom and revelation
 To raise above destruction and come down
 Upon a new creation

Lord, the time and season is right
 Babylon is falling, judgment is about to strike
 I need more of you Lord, more of you in my life
 Jerusalem's rising and I'm a part of that Bride
 As your Word unfolds I pray

Lord, I see how Noah escaped the flood
 He followed the Word
 You asked him: 'Make thee an ark'
 The mystery of Your will opened up to Him
 This vision inspired faith he had within
 Unfold yourself now to me

Lord I see how Rahab escaped destruction
 As the walls of Jericho came tumbling down
 She knew what to do by the Prophet's message she heard
 The token sign showed her obedience to the Word
 May I do what you require today

Lord, I see You revealed yourself every time
 Before the Babylon Kingdom had been destroyed
 Your supernatural has always been made known
 A way of escape to your elected You have shown
 You're still the same today

Hear Ye HimWritten by Teresa Wano

Church of the living God
 You were born to reflect the Bride of Christ
 Washed in the water of the Word
 You moved through the light of the Church Ages
 You understood the sequence of events
 You're the voice with authority
 That's how you took your inheritance

CHORUS

Through a sacrificial love
 Between fallen man and God above
 Brought a fellowship in unity and harmony
 Christ in you, you could stand
 In your lot you desire His command
 Activating the teaching He gave
 Now hear Him say: "This is my Son
 In whom I'm pleased to dwell
 Hear ye Him"

Stories Queen Sheba had heard
 That a greater than Solomon is here
 A cup bearer that tasted good wine
 Called to His Bride come and dine
 Stimulation that flowed from such revelation
 And even behind the scenes
 You were happy to stand in position

Let us prune off this branch
 For there's so much work yet to be done
 Let us help others conquer their land
 To eat fruit from their inheritance
 That's a fellowship in unity ,working in harmony
 Now let us reach out our hand
 To our brethren of other lands

We Lift Up The Hands Of The MinistryWritten by Helen Heta / Key of E

We lift up the hands of the ministry
 Grant them the channel of inspiration
 A greater vision, a greater revelation
 We lift up the hands of the ministry

A higher learning, a higher teaching
 A higher economy
 The strategies and objectives through Your Word
 Or whatever it may be, we lift the hands of the ministry
 Or whatever it may be, we lift the hands of the ministry

We lift up the people who are dying
 Through the ministry of a former age
 False doctrines and creeds, bondage and fear
 Have inspired no faith
 No revelation, bondage

Oh Lord, liberate Your ministers
 Oh Lord, liberate Your people
 To be under the inspiration of Your Holy Spirit
 For Your people

Elevate their thinking Lord
 No more popularity, no more insecurity
 Death to politics
 Or whatever it may be, we lift the hands of the ministry
 Or whatever it may be, we lift the hands of the ministry

We raise up Agapo love
 We raise up faith
 We raise up the value of the Word
 The Seventh Seal revelation on display
 Or whatever it may be, we lift the hands of the ministry
 Or whatever it may be, we lift the hands of the ministry

The ContestWritten by Mal Wark

While a stallion snuffs the battle
 Its rider dipped in Blood
 Points out a certain horse nearby
 Its flanks disguised with mud
 That single mount, surveys this scene
 Its earthly colours blending
 All Hell behind him, follows close
 Their champion they are sending
 The Captain of the Host, mounts up
 The field of war elected
 And turns to Shout His tactics clear
 To those He has selected
 For...The Contest

CHORUS

In the Evening Light
 The Mighty Men, and Stars upon their ride
 Turn as one, and charge the gap
 No baulking in their stride
 And glancing to each other's eye
 The Battle Cry unfurls
 The war is won, "It is done!"
 Behold the Scarlet Token
 All for one, and one for all
 The Vision has been Spoken
 Over the Contest

Death's eyeless gaze is fixed upon
 The course he's bound to tread
 The nations rage, the sides engage
 The quick, and the living dead
 All standards, and all weapons lock
 The elements shaken hard
 All is noise, and smoke, and flame

As darkness swirls around
The Trumpets sound
Who holds which ground
Will shortly be revealed
So fight the fight
Lay hold on that
Which once was Seven Sealed
This is the Contest

Then with a song, "Let there be Light!"
The haze all disappears
The brown horse naked, falls to earth
Death's hordes in disarray
And in dismay its rider views
Through armour now, undone
A steed of white, prancing through
The Vale of Decision
Behold the Contest

CHORUS

In the Evening Light
The Mighty Men, and Stars upon their ride
Turn as one, and charge the gap
No baulking in their stride
And glancing to each other's eye
The battle cry unfurls
The war is won, "It is done!"
Behold the Scarlet Token
All for one, and one for all
The Vision has been Spoken
We win the Contest

While a stallion snuffs the battle
Its rider dipped in Blood
Points out a certain horse nearby

Divine RevelationWritten by Teresa Wano

In this time of economic siege
 Many are struggling financially
 Orchestrated to bring on a squeeze
 As we enter into our New Ministry
 Let's not reject the voice of Elijah
 Kept alive through the five fold Ministry
 Will it take a state of emergency
 To bring a Supernatural Economy

CHORUS

For flesh and blood
 Hath not revealed this to you
 But my Father which is in Heaven
 It's upon this rock, I'll build My Church
 And the gates of hell cannot prevail against it
 It's upon this rock of divine revelation
 Of the Word made flesh in it's time and season

We're building the breaches in troublous times
 Break down the Altars, cast down the idols
 Hezekiah cried 'Be strong and courageous
 Breach for breach, raise up the towers
 Go up to the mountain, get revelation by prayer
 To bring a powerful demonstration
 Of the Holy Ghost

To Him that overcometh will I grant to sit with me
 Oh Father let this cup, pass from me
 Nevertheless not My will but thine be done
 If you continue in My Word the truth shall set you free
 Go up to the mountain, receive the King's sword
 This is the breach before the opening of the seals
 Go up to the mountain Seven thunders are uttering
 It's the return of the Glory of the Lord

Two MitesWritten by Phillip Evans

Two widows on a homeward journey
 Fellowship and sweet communion
 Confession and cleansing
 Staying off the highway
 Signs are clear to see

CHORUS

Holy Spirit upon me
 We've lifted out of poverty
 Continuation of the family tree
 Is our theophany

Entering into Bethlehem the land that's surely mine
 Defying all adversity the Spoken Word divine
 Call me now Mara bitterness lays within
 I've walked the outer boundaries
 Through ten years of sin

Husband and childless I'm burdened in my soul
 Washed and anointed perfection is my goal
 Mark the place go in for He's nearest of kin
 Harvest wheat and oil
 Invisible union, no sin

From emptiness to fullness
 Redemption and reward
 One body, one mind
 Gene seed and new wine
 The Bride, the bloodline
 The servants of the Lord
 From the lineage of David
 A kinsman is born

One People Are Stronger Than The Other

Written by Belinda Evans / Key of C

Why is it that there is a struggle
 When the way I'm on is right
 Why is it that there's darkness coming
 As I'm walking in the light
 Why do I feel down and sad
 A cloud of circumstances is filling my head
 Why, why, why?
 Just keep your eyes on the Word

CHORUS

One people are stronger than the other
 That's us the Bride, my sister and my brother
 We are brave, determined, persistent, we don't give in
 Because Jesus Christ is the living Word within

As in the Garden of Eden
 Twins had been born into the world
 One seed of God and one of Satan
 The devil always gets in first
 So our two natures are spirit and flesh man
 They'll keep on fighting over
 If you let them, then they can
 But why, why, why
 Just keep your eyes on the Word

Abraham's two sons are Ishmael and Isaac
 One was born after promise one after flesh
 They grew both up together
 The same father they both had
 Yet they were different for only one was true gene seed
 So let us recognise our blood line through the calling which God did
 Why, why, why
 To keep our eyes on the Word

As it was with Jacob and Esau
The birthright was for the younger one
There's no time for a legal letter
It all depends the way that we are born
By water and blood so the Spirit can come in
Predestination and adoption
Through the veil we enter in
Why, why, why
To see ourselves in the Word

Seven Compound Names Of Jehovah
Written by Peggy Henry / Key of G

The Lord will provide Himself a sacrifice
God will provide Himself a lamb
For the burnt offering
The Lord our banner, the Lord our healer
The Lord our peace

CHORUS

And the book that the angel had in his hand
Was a book of redemption
It was the title deed for our soul
So lift up your eyes, I Am come down
To redeem us back to Eden
To redeem us back to Eden once again

The Lord is our great shepherd
He will feed the flock
I will fear no evil
The Lord our righteousness
Jehovah Shammah
The Lord is present

The Preaching Of The Word

Written by Teresa Wano

There are times when I need
The Preaching of the Word
And there are times when I need to hear
Encouraging Words
There are times when I need to hear
Those Melancholy songs
Of what the Lord did for me
That day on Calvary

But nothing can compare
With the teaching of the Word
Such incredible joy, Lord
To see my Name written in Your Word
Whether it's Esther, Ruth, David or Samson
Yet Oh Lord we need to hear
The preaching of the Word

There are times when I need to hear
You'll get weary, wore and torn
There are times when I need to hear
The battles won't last to long
There are times I need those songs
Holy Ghost revival, He's a living reality
He died for me

But nothing can compare
With the teaching of the Word
Such incredible Joy Oh Lord
To see my Name written in Your Word
Whether it's Mary, Rahab, Daniel or Joseph
Yet Oh Lord we need to hear
The Preaching of Your Word

Like Boaz to RuthWritten by Phillip Evans

Lo I come, it is written of me
 A new song we sing, many shall see
 Oh my God we delight to do Thy will
 Prophecy will be fulfilled

CHORUS

Out of the pit, oh Lord, out of the clay
 Out of the lies of the Babylon way

Be pleased oh Lord, to deliver me
 Mine ears hast Thou opened
 Mine eyes to see
 You set my feet upon the Rock
 In the volume the scroll is unlocked

You have brought us up
 You have heard our cries
 Thy loving kindness, oh Lord
 In the Spirit and truth
 We rest in the Rest
 Like Boaz to Ruth

Oh my God we delight to do Thy will
 Prophecy will be fulfilled
 You set my feet upon the Rock
 In the volume the scroll is unlocked
 In the Spirit and truth
 We rest in the Rest like Boaz to Ruth

HelpmateWritten by Teresa Wano

And I just I want to say to you
 That I'm glad I'm a helpmate
 Living in this day and age
 No one wants to be a helpmate
 God has revealed to me
 This is the place he foreordained for me
 Lord, I pray you help me to stay
 That sweet and humble helpmate

CHORUS

There's supernatural power
 When I'm in my natural position
 I too can break those strongholds
 By the power of the spoken Word
 There's supernatural power
 When I'm in my natural position
 By the spoken Word
 Through this sweet humble helpmate

And I just wat to say to you
 That there's power in position
 Treat your husband like the King
 And as the Queen you can ask what you will
 And he will give unto you
 All the needs of your heart
 Just to be given that signing right
 To a sweet and humble helpmate

And I just want to say to you
 That I'm not just a helpmate
 God has placed gifts within my life
 To use for His delight
 Lord, help me to yield unto You
 All those things that belong to You
 And I just want to say
 Be it unto me according to Your Word

And I just want to say to you
That I'm a captain of the ten
I've seen the Seventh Seal on display
Never a man spake like this
Revelation lives in my home
I'll learn to master circumstances
And I just want to say
I'm happy to be His Bride

Praise Ye The Lord

Written by Belinda Evans G

CHORUS

Praise ye the Lord
Praise God in His sanctuary
Let every thing that hath breath
Praise the Lord
Praise ye the Lord (Psalm 150)

Isaiah said: "I'm a man of unclean lips
For I have seen the Lord's glory
Then a seraphim came unto me
And touched my lips
With a live coal of the altar
My iniquity was taken
And my sin was purged
I shouted: Here I am Lord, send me" (Isaiah 6)

Jesus said: "I am the true vine
Ye shall abide in me and bring forth fruit
Ye have not chosen me
But I have chosen you
That my father might be glorified in you
And that your fruit should remain
That whatsoever ye shall ask in my name
He will give it to you" (John 15)

The Lion And The Lamb

Written by Mal Wark

What shall we say in this hour
 Being weak in this world as we are
 For thy sake killed all the day long
 As we stand and defy Babylon
 Not my will Lord, but Thine
 Speak now from Your glory divine
 Bring forth each kind from its seed
 Let the Lion and the Lamb
 Both show their deeds

CHORUS

The Lion and the Lamb
 The I Am, that I am
 Take now the Book from His hand
 And make your eternal stand
 Be who you really are
 At one with our Bright Morning Star
 The Godhead made real bodily
 The coming of the Lord clearly seen

There's merit in an office of duty
 But a hero has his own beauty
 Blood-stained and out from the crowd
 Displaying that his King is no coward
 So stand with the strength of the day
 Rather die before we give ground away
 The prize for this fight's victory
 Watch the enemy falter and flee

Watch now, a world without ending
 Set in order by the Word He is sending
 For His Throne room He now contains
 In we who hold fast and remain
 All kingdoms under the skies
 Are ruled now by the Sovereign Most High
 From the hearts that He occupies
 Where the Lion and the Lamb both do lie

Keep RankWritten by Teresa Wano

Many a story has been told
 The acts of bravery when a man stood alone
 To fight for land to set the captives free
 Such bravery didn't come easily
 A foot soldier trained
 Under the eye of a captain
 Scarred from the battle line
 He's military-minded with such integrity
 His vision has won many victories

CHORUS

Keep rank with a perfect heart
 Pray and meditate on the Word of God
 Keep rank in the heat of the battle
 There's no armour for retreat
 Be courageous and stand
 This is the greatest battle every fought
 With the helmet of salvation we can overcome
 Invincible army stand in battle array
 Your two-edged sword is the Spoken Word

Though you have courage alone it can't stand
 Training drills harden you for the battlefields
 Faith muscles built by the Captain's plan
 To decode the enemy's crafty schemes
 Satan's incarnate in that man of sin
 Governments, world council the heads of state
 Nations will bow and worship the beast
 Through politics, religion, the anointing of unbelief

So strengthen your hands for war
 Let's fight through the lines of the Philistines
 To bring back our King a cool drink
 That our lives will shine
 As jewels in His crown
 We'll lift Him to the throne of our heart
 Our faith and vision will be sure

The Rhythm Of The Word

Written by William Barber

This is the end-time prophecy
 When the types have all played out
 We're called to be the final voice
 Now it's time for us to sound
 The last elect among the tares
 We have united to bring them out
 The glorious token has been applied
 To free us of all this worldly trash

CHORUS

We're walking in the vision
 To the rhythm of the Word
 God has wrote this symphony
 It's our privilege to fulfil
 The cry of wounded all around us
 Exploits of many inspire us on
 Let's lift up our countenance
 For victory's in our hand

We're fighting off the enemy
 With our swords all day long
 It's the Word that reveals our boundaries
 It's the Word that makes us strong
 Virtual state's all around us
 The chime of sorrows have begun
 Quickening power hid between the lines
 Reveals the final chorus to be sung

Scripture is unfolding the battle before our eyes
 200 million crying to their captain
 Filling the air with their lies
 The virtuous Bride has the key of David
 Now we got to realise
 Heavenly beings unfold the thoughts of God
 He's ordained our very lives

**Learning To Rule
In The Midst Of Mine Enemies**

Written by Teresa Wano

Would it help you to know
I'm convinced by Prophetic Word
Would it help you to know
How it's caused me to be so concerned
Would it help to know
That cares of life say, it can't be so
Would it help to know
That there are battles raging in my mind

I'm learning to rule
In the midst of mine enemies
Until they're made my foot stool
For I believe I'm the Bride of Christ
Anointed by the Prophet
And through meekness
And thru sweetness
I'm learning to prevail
But like a Lamb to the slaughter
He opened not His mouth

I should've roared like a Lion
When I'm frustrated
And don't go to church
I should've roared like a Lion
When I'm depressed
And stuck in a hole
I should've roared like a Lion
When politics humanize the gift
I should've roared like a Lion
When I'm rejected and misunderstood

Take a look at Joseph
Why trumpets sounded in His life
From the pit to prison house
Isn't that where we're at
The Gift of Prophecy
Now ready to interpret the dream
We'll come into adoption
In this time of Economic Squeeze

(Psalms 2:1-4)
Why do the heathen rage
And the people imagine a vain thing
The kings of the earth set themselves
And the rulers take counsel together
Against the LORD and against
His anointed, saying
Let us break their bands asunder
And cast away their cords from us
He that sitteth in the heavens shall laugh
The Lord shall have them in derision

Lord Come And Reign In Our Hearts (Belinda Evans)

Written by Belinda Evans / Key of C

Lord come and reign in our hearts
Let it be Your throne
Come and reign in us
May everything we do
Be a blessing unto You
Come and reign in us

Lord we have heard about Your supernatural work
And all the things that You have done in distant lands
And now we can see the same things amongst us
When we give ourselves to You completely
We see Your power manifesting in this hour
And we ask You to come and reign in us
(In all of us)

A House For God

Written by Teresa Wano

God revealed himself to His Prophet
 Came down in a cloud
 Showed how to build a sanctuary
 A house for God
 We are the temples of God
 And His spirit dwells in us
 For if any man defiles this temple
 God will destroy

CHORUS

For we are a chosen Generation
 A Royal Priesthood
 A Holy Nation, a peculiar people
 That show forth the praises of God
 For He brought us out of darkness
 Into His marvellous light
 Lord You said "I've sanctified myself for you"

The Vessels of God in this temple
 Uniquely, specifically designed
 But the King of Babylon's thought's
 To defile, dishonour, destroy
 You must possess your vessel
 In sanctification and honour
 For there's seven steps
 Back to oneness with God
 To be a vessel of honour again

As Priests and Kings of His Temple
 We're dressed and washed
 Anointed by Malachi 4 verse 5
 Taught by the High Priest
 How to do service at each Altar
 In its time and season, vessels in position
 Then the Glory of the Lord will return

Engraved In The Palm Of His HandWritten by Phillip Evans**CHORUS**

Oh the glory of the Lord has come down
 Take heed to be strong, pure gold is found
 In God's heart you stand
 A stature of a perfect man
 Your name is engraved in the palm of His hands

Understanding what to use is simple
 Priest and kings rejoiced in earthen vessels
 Moses for the tabernacle
 King David for the temple
 The mysteries been told, you are pure gold
 Engraved in the palm of His hands

For the pattern shows of treasures thereof
 Between the laver, altars of brass and gold
 Shewbread is revelation
 Something is fixing to happen
 God's light in priestly vessels He keeps
 The candlestick, ark and mercy seat

Royal Priesthood our new ministry been told
 Stacte of Myrrh, hardened drops of pure gold
 The book as been found
 Spread the good news around
 Like silver and gold
 Are the young and the old
 Engraved in the palm of His hands

Pray OnWritten by Teresa Wano

We see the nation of Israel
 They're encompassed about
 And we know by prophetic prophecy What will be, will be
 And so, oh spiritual Israel
 You're encompassed about too
 But we have eagle anointing
 Our power is the Spoken Word in prayer

CHORUS

Pray on, for you are who the Lord is looking for
 Pray on, for this will break those mighty strongholds down
 Stay on your knees, for this is where the battle is won
 Very soon you'll have the victory
 Pray on

When Daniel faced the lions for worshiping the Lord
 We could see the conspiracy was strong
 Used to change the law
 By the opening of the Word
 We've seen the political
 And religious scene
 How they'll try and hinder
 Our greatest weapon
 It's the power of the Spoken Word

You may say, I'm predestinated
 Or even play the blame game
 Keep rank with a perfect heart
 We can see the finish line
 Just rest assured
 There's mighty Gentile warriors
 Keeping demons at bay
 For together we can make it
 Come on Bride
 Let's finish the race

Pray on, for you are who the Lord is looking for
Pray on, tear the mighty strongholds down
Stay on your knees, for this is where the battle is won
There's no better place for you to be
Then seeking the Lord prayerfully
Very soon you'll win the victory

Pray on, pray on

Keep The Commandments Of The Lord

Written by Belinda Evans / Key of C

CHORUS

Keep the commandments of the Lord
Keep the commandments of the Lord
Proclaim His name, be a witness to Him
Keep the commandments of the Lord

Behold, I come quickly and my reward is with me
To give every man according as his work shall be
Blessed are they that do My commandments
Saith the Lord, God Almighty

A new commandment I give unto you
That ye love one another as I have loved you
By this shall all man know ye are my disciples
Saith the Lord: Love one another

Know ye not, Ye are the temple of God
His chosen people that are sent from above
Be obedient to the heavenly vision
Not my will, Lord, but thine

Unity

Written by Belinda Evans / Key of C

Hearers of the Word you know
 That it is for you to go
 In all the lands to preach the gospel
 So prepare yourself and seek
 Unity

CHORUS

Unity, unity, unity, unity
 United by one body
 United by one mind
 United by one language
 United side by side
 United by one spirit
 United by one God
 United by the Word
 That's unity

Seek the Lord in all you do
 Always stay faithful and true
 Never lose the vision of the Word
 In every situation seek unity

Cast out all fear and doubt
 Keep all compromising out
 Remove all of your unbelief
 And receive the victory in unity

Love your brother and your sister
 As well as God's called minister
 Behind the veil you'll find the answer
 Love them unconditionally in unity

Man Shall Not Live By Bread Alone

Written by Teresa Wano

Deuteronomy 8:2-3

And thou shalt remember all the way
Which the Lord God led thee
These forty years in the wilderness
To humble thee and to prove thee
To know what was in thine heart
Whether thou wouldest keep
His commandments, or no
And he humbled thee, and suffered thee
To hunger, and fed thee with manna
Which thou knewest not
Neither did thy fathers know
That he might make thee know that

Man shall not live by bread alone
But by every Word that proceeds
From the mouth of God
In a time of economic hardships
Jesus saw His people under pressure, worried
Full of anxiety, so He preached

Take no thought for your life
What ye shall eat or drink, or be clothed
For your Father knoweth that ye
Have need of all these things
But seek ye first the kingdom of God
And His righteousness
And all these things, shall be added
Unto you

I hear the angel say,
“Take the Book and Eat It Up
It shall be sweet in thy mouth
But bitter, in thy belly”
Babylon’s perverted what Joseph’s interpreted
He’s using food as a weapon
So eat the revealed Word
That’s being stored up
It will help you to master
Every circumstance by the Great I AM

Babylon is falling, is falling
Come out of her my people
Be not partakers of her sins
Receive not her plaques
They’re against the Word
Transgressors full of iniquities
They’ll eat by weight
They’ll drink by measure
But see thou hurt not
The oil and the wine

Harmony Between The Priesthood

Written by Phillip Evans

Action of the Priesthood
Ask what you will
The deacon cleans the temple
Pressing on until
The trustee has gone fishing
Gold, frankincense and myrrh
Order of the Priesthood
Deity, service and death

Writing in the sand, from the inner man
You know not what you ask
A testimony from the ark
A pearl of great price
Deep calling to the deep
Vessels over running water
Woman washing His feet

We are the king's Cupbearers
Enforcers of the Word
Like a star in the dark night
Reflecting His light
Lord who is like thee
Compassed about with infirmity
We are the royal priesthood
Faith, hope and charity

God's Invincible Army

Written by William Barber / Key of C

There is a people in this hour
Resting in Jehovah's strength and power
Though we may not be great in numbers
Only the Bride she will not slumber

CHORUS

We are the chosen ones of God
Yes we are the chosen ones of God
How can we go wrong
When we are resting in His arms
He will not let us down

Great eagle is crying from our home
His Word is keeping us healthy and strong
When we know and recognise who we are
Then we will crush those fallen stars

Jesus' Bride is an invincible army
The enemy is powerless before her
Though he may attack with his three-fold cord
We will cut it to pieces with our mighty sword

End-Time Nazarites

Written by Teresa Wano

We're just like Samson, a true Nazarite
Brought up under a certain light
And though he was such a gifted man
Yet his weakness
Hindered his true commission
This Babylon system
Will remove your vision
She'll cut off those seven thunders
She'll bind you in chains of circumstance
The Philistines be upon thee Samson

With child-like faith we will raise up
For on the table of our hearts
Is engrafted the Word of God
Although we're surrounded by unbelief
7 thunders still utter their voices
I feel the resurge of Your Holy Spirit
Oh Lord, just once more

We're Eagle Nazarites of this end time
We have 7 candlesticks for light
We have a more sure Word of prophecy
Yet the Word in each other we fail to heed
These gifts would edify and keep us clean
Once you're a prisoner then you'll see
The strategy of how to possess your land
This Body Word will make her final stand
Then be raptured

Going Beyond The Veil

Written by Christina Torrey / Key of C

I'm going beyond the Veil
 To view the promised land
 To possess my inheritance
 To conquer all that God has given me

I'm going beyond the veil
 Searching deep within
 To identify the colours of my enemy
 I'll cast him down, I'm moving on
 I'm going higher

CHORUS

Don't be afraid my brothers
 My sisters don't be afraid
 God will see us through to eternity
 (Repeat)

I'm going beyond the Veil
 Standing here in this trial
 The spirit's wrestling within
 To find the words to speak

I'm going beyond the veil
 Recognizing His truth
 Waiting patiently for God to come
 And take control
 What a wonderful peace
 Has filled my soul

I'm moving on, I'm going higher
 He's taking control
 What a wonderful peace
 Has filled my soul

Crushed Wheat Mixed With OilWritten by Phillip Evans

Your mine guide
 Your mine acquaintance
 Your mine equal
 Crushed wheat mixed with oil

Things that ought to be
 Walking in transforming power
 Things that are to be, re-discovering hour
 Be who you really are
 Crushed wheat mixed with oil

Your mine guide, You lead the way
 Your mine acquaintance
 On the wings of the dove of the hour
 Your mine equal
 Crushed wheat mixed with oil

We took sweet counsel together
 Be who you really are
 We took sweet counsel together
 Be who you really are
 Crushed wheat mixed with oil

Things that ought to be
 Things that are to be
 Be who you really are
 Crushed wheat mixed with oil

The Evidence Of The Holy Ghost

Written by Teresa Wano

Oh Lord I went looking for You
 Cause I couldn't see You
 Behind the veil of flesh
 Lead by the Spirit to a very good place
 Where an atmosphere
 Of love and compassion
 Released the flood gates of revelation
 And there on my knees
 Under the power of prayer
 I realised who I had been looking for
 Appeared behind the flesh in me

CHORUS

So now no one not even our enemy
 Can take this revelation from me
 For it's an experience that I shall never
 No, never forget
 I now know why we were sitting
 Under the harvest light
 Because I see what the evidence
 Of the Holy Ghost is
 To have a clear understanding of
 The Word made flesh in me

Here in Bethlehem
 Under great expectations
 After tasting such heavenly delights
 In our house of prayer for all nations
 Once again 7 thunders uttered their voices
 Still eternity is trapped in a temporal body
 Just bars of bone that hold my soul
 Oh how I long for these doors of clay
 To burst wide open
 To continue to manifest the 3rd pull ministry

Our King's desire for a greater unity
Those with a clear understanding
Didn't trap eternity
For there's an anointing on the soul
Lead by Joshua
Each tribe positionally placed

Supernaturally we were fulfilling the commission
We were walking in a part of the greater works

Praise His Righteousness

Written by Belinda Evans / Key of G

I prayed to the Lord
Please let me come to You
I said to the Lord
I want to be close to You
He heard my prayers
Believe me it is true
So praising Him is all I want to do

CHORUS

Praise His righteousness, sing
Hallelujah to the Lord
Praise His righteousness, sing
Hallelujah to the Lord
Praise Him, praise Him, amen

Praying, preaching, Word receiving
Strong succession, good believing
Testify and live the Word
Praising our Lord (2x)

The Mighty God Unveiled

Written by Belinda Evans / Key of Am

The veil is rent to reveal the Word
 The seal is broken we can see
 The Book of Redemption in reality form
 God's Character is on display
 My Saviour was born to die
 Humbly He took my sin and shame
 He bought me with His blood to become
 My redeemer, the mighty God unveiled

He sanctified Himself for my sake
 Cleansed from humanity
 He took hardship for my sake
 To set me at liberty
 He was mocked and rejected
 Falsely accused, yet he held His peace
 His own people cried for His blood
 And they failed to see
 The true mercy seat hung on Calvary
 Yes they failed to see
 The mighty God unveiled

Jesus, the anointed one for His day
 All that was in God He poured into Christ
 The Bride, the anointed one for today
 All that was Christ He poured into His Church
 Yes, the Bride is Christ the anointed one today
 She is the mighty God unveiled

The veil is rent to reveal the Word
 The seal is broken we can see
 The Book of Redemption in reality form
 God in you and me

Judgment Or MercyWritten by Teresa Wano

The Word of the Lord came unto Zephaniah
 In the days of Josiah King of Judah
 I will utterly consume all things
 From off the land, saith the Lord
 I will utterly consume Man and Beast
 The fowls and the fishes, the idols you place before me
 I will stretch forth my hand upon false religion
 Those that turn their backs
 That do not seek me, nor require of me

It's Judgment or Mercy in the day of the Lord
 The Wiggged One came down in the opening of the Seals
 In this time of Economic Recession
 The Lord hath prepared a sacrifice
 To unfold the Mystery of Redemption
 And by faith to believe is to receive
 The I AM in flesh uncovering hidden food

The Word of the Lord came unto Brother Branham
 In the days of the Five Fold Ministry
 Sent to perfect you and me
 In the days of the voice of the Seventh Angel
 When He shall begin to sound
 The Mysteries are finished
 Between 1965 to 2008
 We've been eating spiritual food in due season
 Go search through the archives before Judgment strikes
 For it's there that you'll find the secret of the sacrifice

It's time for coming in and going out
 Like Elijah did before the drought
 By the brook he stayed until God said
 "Take this hidden food to my Bride
 While the Judgment are falling teach her
 How to bring forth, Thus saith the Lord

Transforming Power From Within

Written by Teresa Wano

A salutation by angelic visitation
 In the evening time to a virtuous woman
 The spoken Word activated Gene seed within
 He said thou shalt conceive
 And bring forth the Son of God
 Then began her greatest battle ever fought
 She said: "Be it unto me according to Thy Word"
 She's on a journey to discover
 There's transforming power from within

Like Rahab we were locked in harlotry
 In a Babylon system corrupt as can be
 Then we heard about some healing campaigns
 How God came down in a supernatural way
 We heard through the five-fold ministry
 That the Token sign was Christ living in me
 We're on a journey to discover
 There's transforming power from within

We like Joseph have our gifts on display
 Before His bride was raptured away
 In amateur form the gift had been rejected
 Transformed through a pit and prison experience
 Then God uttered 7 thunders
 Only the gift could interpret the voices
 This journey of self discovery
 Has transforming power for my brother
 This journey of self discovery
 Has transforming for my sister
 This journey of self discovery
 Will transport us to the heavenlies

Worshipping You Lord

Written by Phillip Evans

Lord You give us a place
To worship unto Thee
To set us aside, to let there be light

Worshipping You in spirit and truth
Lord You give us a place
So we can worship You

CHORUS

Worshipping You Lord
Yes, worshipping You
With all of our hearts
You are our first love

Your words that are spoken
Quieten the storms
The blood is the token
Transforming power the call

We are here to redeem
The self-discovery seat
To bring forth the twelve fruits
So that we may all eat

The Bridegroom Comes SoonWritten by Belinda Evans / Key of C

See this Bride standing there
 So virtuous and clean
 Waiting for her Groom
 To be picked up by Him
 See this Bridegroom there
 Ready to fulfil, what God has said
 According to His will

CHORUS

Thank You Jesus, thank You Jesus
 That the time is short
 You will come soon
 And take us as Your Bride back home

God You separated us
 From this evil world
 That we may obey You
 And live all by Your Word
 So we create a union
 To be Thy holy Bride
 That when the time is come
 We go back in Jesus side

Then when Your son has come
 And everything is in its place
 And we stand before You
 And see You face to face
 Then we vow unto You
 Like a husband and his wife
 Not just for until death
 But until eternal life

All I Want To DoWritten by Eternity Wano

I got a lot of things I have to do
 All these distractions
 Our time is coming soon
 We're being pulled a hundred different directions
 But whatever happens I know I've got you
 Through every up, through every down
 I know He'll always be around
 Through everything you can count on him

CHORUS

All I want to do
 Is serve my God, serve my God
 I just want to praise him
 For all that he's done (All that he's done)
 There's nothing we can't do
 Just want to be with Him, only God
 No matter where life takes us
 Nothing can break us apart
 You know it's true

You know how life can be
 It changes over night
 Sunny then raining, but it's alright
 When God's in you it'll always make it easy
 I know that you get me every time
 Through every up, through every down
 I know he'll always be around
 Through everything you can count on him

You know the sun will shine in our place of peace
 All these distractions in Satan's world
 Our God can rule all of these nations
 I know that He gets me every time
 Through every up, through every down
 I know He'll always be around
 Through everything you can count on him

There's nothing we can't do
Just want to be with Him only God
(Only God)

We Are The Living Tabernacle

Written by Belinda Evans / Key of C

The tabernacle has one entry
Jesus said "I am the door"
The brazen altar to remember
"Behold the Lamb of God"
Laver for washing, Jesus said
"If I wash thee not"
That's the first part of the tabernacle
Of our God who has made us

CHORUS

We are the living tabernacle
We are going forth to
To our promised land
(Repeat)

The candlestick has 7 candles
Jesus said, "I am the light"
Shewbread means like Jesus said
"I am the bread of life"
Incense altar to redeem
'Cause Jesus said "I pray for them"
That's the second part He gave us
Our God who has made us

Through the veil that is to say His flesh
Mercy Seat, enter into the holiest
By the blood Of Jesus
Glory of God, we beheld His glory
Thank You Lord for making
This covenant with us

We Are The Children Of LightWritten by Belinda Evans / Key of G

CHORUS

We are the children of light
 Filled with Holy Spirit Power
 A Star shining bright
 In this dark evening time hour
 We open our heart and let the SON shine through
 The reflection of the Great I AM
 The Word made flesh in me and you

The Word of the hour gives us a clear understanding
 Of things that were and things that are
 And things that are to be
 Events made clear by vindicated prophecy
 We're not afraid but by faith we see

Keep running the race
 We are the King's Lightbearer
 The Revealed Word of the hour
 Is in His Bride Body
 With our experience
 And fighting on the battle front
 We don't guess but know specifically

We take up our cross
 And follow Him daily no matter what
 Someone may think or
 Someone may do, or someone may say
 The token's applied
 'Me and My household serve the Lord'
 For living 'The Life'
 Is showing others the way

Followest Thou My DoveWritten by Teresa Wano

Thy Word has transforming power
 God Creator of all things
 Twas laying in thine earth
 Just awaiting the spring rain
 Then seven thunders
 Uttered their voices
 Came forth the I Am
 Twas sweet to sup the fruits
 Of them that did bear

Hear ye the Lord
 Hath thou all thine coins
 Take heed, lest I come
 As a thief in the night
 For thou must slay enmity
 Sellest all to obtain
 This thine great treasure
 That's hid in thine earth

Fear not My fair lady
 Followest thou My Dove
 Discard thine old coat
 Robe thyself in pure white
 Come let us rediscover
 Thy transforming power
 For I long to behold you
 My Bride, My faithful Wife

Come my Wife, unite as one
 Faithfully followest thou my Dove
 Take heed mine Word
 From thine keepers of mine flame
 For then thy transforming power
 Creates Eden again
 We'll walk in mine garden
 Amongst Mine trees again

A Message Of Grace

Written by Teresa Wano

Like in the days of Abraham
 Before the vials destroyed Sodom
 A Mighty Angel came down
 Revealed the mystery of His will
 Intercession through Abraham
 7 thunders uttered their voices
 God heard and on the wings of a Dove
 Sent a message of Grace

Hear the message of Grace on the wings of a Dove
 There is an appointed day to be cleansed from leprosy
 God said, I had to separate you
 To keep sin out of the camp
 For there's redemption by running water
 The blood and spirit of Jesus Christ

The inspiration from that prayer meeting
 Sent out the message of Grace
 Not just for those battle scarred
 But for young and old to separate
 God's mercy expressed through the trumpets
 Come into the Ark before the judgments fall
 God sent on the wings of a Dove
 The message of Grace

Hear the message of Grace on the wings of a Dove
 On the 7th day all our rights must be shorn off
 God said, 'Ye are Priests and Kings
 Take eat that ye may speak'
 That we can do the greater works
 On the 8th Day

The Power Of Transformation

Written by Belinda Evans / Key of C

You may have been able
 To give your heart to the Lord
 To forsake the pleasures of this world
 You may have been able
 To hang the old mantle up
 And put the new garment on
 You may have been able
 To give God pre-eminence
 And even to discover yourself

CHORUS

Find out your gifts, possess the land
 Bring forth fruit at all times
 Don't let circumstances come in
 Don't lose your faith
 Hear the Word and renew your mind

Be not conformed to this world
 But, be ye transformed in Christ
 (Let the dove lead you)
 Renew your mind
 Let Christ be your guide
 Be ye transformed in Christ

We being many are one body in Christ
 Having gifts according to His grace
 By using our gifts we are a fruitful tree
 Of whom everyone can eat
 We edify the body and are a blessing to each one
 And a comfort as Bride to our Lord

And if you walked not all the way or you're fallen by the side
 Restore your faith and pray
 Re-discover yourself and bring forth fruit again

Use It Or Lose ItWritten by Teresa Wano

You know at times it seems like the responsibility
 Of the burden of the Word
 Is such a heavy load to bear
 But hey! We're not doing it alone
 I'm so glad for the Body Word ministry
 And especially the angel In the pulpit
 Who's ordained to see us through

It took Hatach to relay 7 thunders to Esther
 Who then knew she was Queen
 She checked out all the rooms to see
 What was in her inheritance
 She sat in her nest of ease
 Not seeing the rising of a conspiracy
 Oh Esther don't you know the power you hold
 You've got to use it or you may lose it

All that's in God he poured into Christ
 All that's in Christ he poured into the Church
 He gave us spiritual gifts and each one has a measure
 But to find your life in Christ
 You got to lose your old ways
 Oh Church, if you have only one talent
 Don't bury it, use it, or you may lose it

Now that you've checked out
 All the rooms in your inheritance
 What doth hinder you
 It's the venom from that Locust invasion
 That's eating down the Bride Tree
 That's the mystery of iniquity
 Don't lose the joy of your salvation
 For I will restore, saith the Lord
 Oh Bride use that joy or you may lose it

It's The KnowingWritten by Teresa Wano

Do you wonder why we go through trials in our lives
 Why at times it seems
 We're put in circumstances that seem
 Oh they seem to be made just for me
 Yet God in His omnipresence
 Orchestrated these tests to see
 If we have learnt to apply the
 Token sign in our lives

CHORUS

For it's the knowing that brings full redemption
 For we know in part and we prophesy in part
 But when that which is perfect is come
 Then that, which is in part shall be done away with

For when I was a child
 I spoke and thought as a child
 But when I became a man
 I put away childish things
 Yes I should have put away childish things
 Yet God in His omnipotence
 Orchestrated these times to see
 If we have learnt to apply the token Instructions for that hour

And though we have the gift of prophecy
 And understand all mysteries
 And though we have all faith
 That we can remove mountains
 And have not charity, we are nothing
 Yet God in his great omniscience
 Prophesied these things to be
 So we would desire to have
 A knowing that brings full redemption

Faith To Follow The DoveWritten by Teresa Wano

I remember that day when the Dove flew into my heart
 And when I looked through His eyes
 And what I saw on the cross that day
 Oh Lord, it completely changed my life
 And when I rose from the water
 Just to know my heavy load of sins had been removed
 And when You sat in the throne of my heart
 Then began our journey of self discovery

CHORUS

It takes faith to follow the Dove
 No matter where He may go
 No need to be afraid
 He said He'll never leave you alone
 For He's going to guide us back
 Yes, He's going to take us back
 To that faith civilization

You must keep your eyes on the dove
 Especially in the wilderness
 For it's there that you learn how to
 Let the Teacher in the inside
 Let the Teacher on the inside take full control
 Wake up little Bride He's cooing
 There's work to be done
 Come speak the vision for my
 Brother and sister to walk in
 That they can rediscover
 Their transforming power

Come let us move as one
 We'll not leave our little ones
 For He's broken those chains of enmity
 The Dove has set you free
 Let that gift step out by faith
 And soar the heavenlies

Can You Hear His Voice

Written by Belinda Evans / Key of C

CHORUS

Can you hear His voice
Cast all reasoning out
No more 'my will' or 'the will of man'
No more popularity
Find your favour with God
Be a servant of all and stand

Don't doubt your faith
God is always near
Just keep your eyes to the unseen
He'll lead you all the way
For He brought you thus far
All you need to do is hear His voice

Wait on the Lord
He'll answer your prayer
In dedication bow before Him
He'll give you what you need
You can rest in Him
All you need to do is hear His voice

You Redeemed MeWritten by Belinda Evans / Key of C

You knew me before I was ever born
 You loved me before I had ever been
 You redeemed me before I fell in sin
 And I'm here to testify what happened back then

You redeemed me
 You've set me free
 You took my sins upon You
 And You showed me my liberty
 (Repeat)

(German Version)

Du hast mich gekannt bevor ich geboren bin
 Du hast mich geliebt bevor ich jemals war
 Du hast mich erloest bevor ich in Suende fiel
 Und ich bin hier zu bezeugen was damals geschah

Du hast mich erloest
 Du hast mich befreit
 Due hast meine Suenden auf Dich genommen
 Und hast mir meine Freiheit gezeigt

Oh lamb of God You redeemed me
 Thank you for your mercy

What About Me Saith The Lord

Written by Belinda Evans / Key of C

Chorus

What about me, saith the Lord
What about me
I've cleansed you and I've set you free
I gave you back your liberty
Besides, I meet your every need
What about me

But Lord, I really want to go
And help these people down the road
Just quickly going here and there
And being busy everywhere
With house, the children, man and wife
So many things to do in life
I'm running, I'm running to please everybody
Lord, I can't find the time to study

But Lord, my friends they need me there
I can't just say that "I don't care"
I know you want me to pray to you
But this thing here I first must do
My neighbours, work, community
I'm rushing and they are pleased with me
Time's running, time's running
I'm tired and weary
Lord, please help me to see clearly

Hail New JerusalemWritten by Hemi Harris / Key of C*Chorus*

Hail New Jerusalem

In the days of freedom cometh the Lord

Hallelujah Tis the end of sin

In the days of joy cometh the Lord

Praise and glory to His holy name

Out of bondage we have come

Crossed the Jordan to Gilgal

To God's promised land

And when we heard the trumpet call

All adhered to what it's for

Sufferings end is nigh

As we bend our knees and bow our head

God's present in our midst

We welcome back Jerusalem, Jerusalem, Jerusalem

Seek the highway undefiled

Named and paved "the sacred way"

All nations to welcome

To espy the Almighty one

In prayer and song

By grace we rejoice

Glory of your love be known

Thou art our God

We welcome back Jerusalem, Jerusalem, Jerusalem

We're Kinsmen Redeemers

Written by Belinda Evans / Key of G

CHORUS

We are able to redeem
For we've been once redeemed
We went through the process ourselves
Now we pray for lost souls
Our prophet said our main objective is
Seeing souls being born into the kingdom
The Kingdom of God
Can a man save a sinner?
A son of God can

Ruth needed to be redeemed
She walked in the field and gleaned
Naomi gave her clear instructions to follow
And on the threshingfloor at Boaz' feet
He promised He would not rest
Until she's claimed as His

Esther needed to be redeemed, yet not for herself
A greater work needed to be done
As Mordecai instructed her she purified herself
And went to see the King to redeem her people

Through Jesus we have been redeemed
We're cleansed by His blood
We followed Acts 2 verse 38
We received the Holy Ghost and now
Are ready to impart
Eternal life to people on our heart

Wounded In The House Of My Friends

Written by Belinda Evans

CHORUS

Wounded, wounded in the house of my friends
I was wounded, wounded in the house of my friends
It wasn't the roman soldier's spear
Or nails that pierced my hands
It wasn't the crown of thorns or stripes upon my flesh
It wasn't the cat of nine tails that tore my body apart
It was the words of those I love the most, saying
"Crucify Him, crucify Him"

"Why has Thou forsaken me?" I cried in my distress
Alone in all this turmoil I can't find peace and rest
They open their mouth wide to devour me
This is my Gethsemane

I am the anointed Messiah, with love I'm coming to you
Can't you see that God in flesh is reaching out to you
But regardless they reject me and condemn me
This is my Gethsemane

Political, religious deceit caused them to believe the lie
An antichrist spirit deceit caused them to believe the lie
"Father, forgive them they don't know what they do
I now commit my soul to you"

My Life For Jesus

Written by Belinda Evans / Key of G

There's a fire burning in my heart for Jesus
There's a fire burning in my heart for Him
All the world can see that I love Jesus
There's a fire burning in my heart for Him

Chorus

All I want to see is Jesus
All I want to see is Him in me
Every day of my life, every footstep on my way
All I want to see is Him in me

There is worship in my soul for Jesus
There is worship in my soul for Him
All the world can see that I praise Jesus
There is worship in my soul for Him

There are souls to be won for Jesus
There are souls to be won for Him
Lord, may my life win many souls to Christ
My testimony set the captives free

Won't You Walk With MeWritten by Belinda Evans / Key of D

People are possessing the kingdom
 For the Ancient of days has come
 And the fullness of the third pull is here
 We are under great expectation
 To see the fruit on all the trees
 As Jesus our Lord is asking
 "Won't you walk with me?"

Chorus

Won't you walk with me (In the garden)
 Won't you walk with me (Back in Eden)
 And bring forth fruit continually
 Won't you walk with me (Full dominion)
 Won't you walk with me (Just like Adam)
 And bring forth new life continually

When the Word came to Nehemiah
 He acted upon that Word
 And He unfolded the mystery that was in his heart
 The restoration work started quickly
 And everyone took their part
 To rebuild the kingdom and to walk with the Lord

When the Lord came to Jeremiah
 He knew that it was the Lord
 When the vision unfolded that he had received
 Then he went and he claimed his land
 To redeem what was rightfully his
 And as a kinsman he was led of the Lord

Now in these last days all the mysteries have been revealed
 And the seals of our lives have opened up
 The title deed on our heart
 Brought full redemption to those we love
 And was purchased at the cross by our Lord

Just To Be More Like You Lord

Written by Belinda Evans / Key of E

Just to talk like You talk
And to act like You act
Just to be more like You Lord
Just to think like You think
And to be like You are
Just to be more like You Lord

Just to live our lives to honour Your name
And to be more like You Lord
Just to die to ourselves and surrender ourselves
And to be more like You Lord

We worship You Lord (in the highest)
We bless Your holy name (holy, holy)
We worship You Lord (in the highest)
We give You all the praise (glory, glory)
We worship You Lord (in the highest)
We magnify Your name (worthy, worthy)
We worship You Lord (in the highest)
We want to be more like You

Just to see like You see
And to hear like You hear
Just to be more like You Lord
Just to judge like You judge
And to love like You do
Just to be more like You Lord

Just to live our lives to honour Your name
And to be more like You Lord
Just to die to ourselves and surrender ourselves
And to be more like You Lord

We worship you Lord...

The Resurrection Of The Bride Is On

Written by Belinda Evans / Key of C

CHORUS

The resurrection of the Bride is on
Soon we will meet Him in the air
The resurrection of the Bride is on
He's here our burdens to bear
Come out of "church", He's called us Bride
Saints can you see that it is evening tide?
The resurrection of the Bride is on
Soon we will meet Him in the air

The sleeping saints will awake
Yes, the dead in Christ will rise
And together we will be with our Lord

Come out of Laodicea
This world is falling apart
And the Bride is ready to meet with her Lord

He's coming to take us home
Oh, saints it won't be long
Our troubles are all gone
Yes, saints it won't be long
Just keep on holding on
He said it won't be long
Jesus is coming to take us home

Through The Lamb's Book Of Life

Written by Belinda Evans / Key of G

We were born in sin shaped in iniquity
Come to this world speaking lies
We were filthy and unclean and couldn't see
The lost state of our lives
But a Kinsman Redeemer came
And revealed to us our name

Chorus:

It's not the book of life anymore
But the lamb's book of life is how God views us
By His blood that was shed He remembers no more
Our sin and all our failures
Hebrews 11 is the faith chapter
And we can see our lives
Through the lamb's book of life
Through the lamb's book of life

We may feel discouraged and sad
With the pressures of life all around us
We may feel so guilty and bad
And even think maybe God doesn't love us
But then when the Word opens up
We can see God's marvellous love

Jesus is not just a carpenter's son
Or the son of Mary and Joseph
He is the Mighty God unveiled
And He lives in us today

To Take Time With JesusWritten by Belinda Evans / Key of G

When the battle is raging
 And the pressure is on
 When all hell is against us
 And we feel we're not strong
 We need to take time with Jesus
 We need to worship Him
 For He won the battle
 Back at Calvary

Chorus

To take time with Jesus
 Is the best thing to do
 To think of His goodness
 The way He sees us through
 To sup with Him at His table
 To have a sweet fellowship
 To take time with Jesus
 Is the best thing to do

Everyday we may worry
 About temporal things
 How to dress and eat
 And how to make ends meet
 But He said: "Do not worry
 About those temporal things"
 Let's take time with Jesus
 Take time to worship Him

He has given us talents
 To occupy till He comes
 To edify the body
 There are souls to be won
 Let's possess our land
 And let us work in the field
 Let's take time with Jesus
 Let us fulfil His Word

Sweet Spirit Of The Lord

Written by Belinda Evans

Lord we come into this place to worship You
And Your presence is amongst us right now
The dove is cooing in our heart
Holy Spirit, lead us eagles on

CHORUS

Sweet spirit of the Lord
As we come together unite us in Your Word
Sweet anointing of the dove in our heart
Holy Spirit, lead us eagles on

In Your presence there is such a liberty
And in fullness of joy we worship Thee
We bow before You in humility
Holy Spirit, lead us eagles on

Holy Spirit, lead us eagles on
All the way to perfection
Holy Spirit, lead us eagles on
To a greater harmony
Holy Spirit, lead us eagles on
Advance us in our ministry
Holy Spirit, lead us on

I Will Be With Thee

Written by Belinda Evans

(Joshua 1:)

As I was with Moses I will be with Thee
I will not fail thee nor forsake thee
Only be thou strong and of a good courage
For the Lord thy God is with thee

Chorus

(2 Chronicles 7:14)

If my people which are called by my name
Shall humble themselves and pray and seek my face
And turn from their wicked ways
Then will I hear from heaven
And will forgive their sin
And will heal their land
(Yes I will be with thee)

(2 Chronicles 7:16)

For I have chosen and sanctified this house
That my name may be there forever
And mine eyes and mine heart shall be there perpetually

Between The LinesWritten by Mal Walk / Key of G

Nothing's as it seems to be in these days and times
 It's hard to see the wood for the trees
 If you read what's been laid on the line
 Information's on all sides, a million points of view
 There's judges for hire, and so many guides
 To translate your life here, for you

Chorus

Yet at the speed of light it's easy
 To leave these crowds behind
 And to fly off through the gaps
 Between the lines

There's chapter and verse, and paragraphs too
 In places the eye overlooks
 Highlights and details you need to sort through
 Never written in ink on a book
 Soundless pauses that are speaking more
 than words can communicate
 Expressions of Life that are kept up in store
 For the moments where you have to wait

Chorus

For the Truth is only there
 In the spaces that you'll find
 When you study life, and read
 Between the lines

"I was taught so little, but I know too much"
 Is the motto for today
 Yet precious few have kept in touch
 With the Word they say they obey
 So there's videos now, and DVD's
 Of experts who know what God meant
 There's tapes and books that will give you the key
 Supplied when your money is sent

Chorus

Yet the Truth's located in a place
That so many will never find
It's engraved in secret codes
Between the lines

A sound recorded can be found
On the ether where it can take rest
What's unseen is always around
Like the page that encircles the text
Life itself is silently borne
On the Breath that fills open spaces
The colour with which a flower's adorned
Springs from it's inner most places

Chorus

Every answer will be found
If your spirit will incline
To the Masterpiece that's there
Between the lines

The Bride Has A Ministry

Written by Belinda Evans / Key of G

The Bride has a ministry of reconciliation
The Bride has a ministry of love and compassion
The Bride has a ministry to reach out to lost souls
And we need every member to express God in Flesh

We need every member in the body
We need every gift on display
Yes the bride has a ministry and we are part of it
And we need every member to express God in flesh

Give Me Now My Mountain

Written by Mal Wark

The footprints made, the earth's been trod
 I've walked the boundaries
 The Vision's vast, the lot's been cast
 Guided by predestiny
 Fulfil now Lord, your prophecies
 Concerning all our enemies
 Fear and dread is upon them
 They are bread prepared by thee
 So let us go at once to possess
 The great and fenced cities

Chorus

So give me now my mountain
 And the land that's surely mine
 A land that flows with milk and honey
 And fountains of new wine
 Where kind of kind, all of one mind
 Bring forth gene-seed lines
 According to, The Spoken Word divine

My strength for war, greater than before
 Both going out, and coming in
 Unite with me, King of Victory
 Drive out the Anakim
 For he who stands and fights for
 Your Promised Land
 And lion-like, drives giants out
 From within its regions
 Will claim by right the promised hand
 With its blood allegiance

Dividing the land, allocated to each band
 Positions a man to take a stand
 For a kingdom strong, must be founded on

A new crops courage, bold
Proving of true unity, defying all adversity
Ensures inheritance throughout, each generation
While battle strategies are told
Redemptive mysteries unfold
And the greater works
Are built upon a sure foundation

That's Why I Love You Lord

Written by Belinda Evans / Key of C

In times of darkness, in times of need
In times of great afflictions and deepest poverty
You've come and showed me the way

In times of pressure and great trials
In times of anxiousness and fearful times
You've come and given me your peace

CHORUS

That's why I love You Lord (x2)

In times of sickness, in times of pain
In times of suffering and great shame
You've come and given me joy and strength

In times of worries and unbelief
In times of feeling lonely and having grief
You've come to comfort me

Have You EverWritten by Mal Wark

Have you ever felt like no one cares and treats you right
 I'm here my child
 Can't seem to find comfort in a living soul
 Put your trust in me
 I thought you were standing by my side
 All the while I was with you through your hard trials
 How come I never felt your presence so near to me
 I was always there

Shelter me more because my heart's still aching
 Lord wrap me in your love
 It's hard to do when you're paralysed
 Eternal life, eternal life
 Sheltered safe within my arms
 You're sheltered safe
 Put me first in your life
 Think of my promise, eternal life, my child
 Think of my Kingdom, paradise

Have you ever heard my cries and listened
 To my prayers, all the time
 Have you ever felt my anger raging inside
 I can feel it now
 Why is life so beautiful yet so hard to live
 Be a testimony
 Why am I still living today
 Because God has a purpose for
 Every living being

Why Do I feel dark inside
 I rebuke you satan in the Name of Jesus
 Jesus, I love you with all my heart
 Eternal life, eternal life
 My child, I love you, you're beautiful to me

Don't let satan deceive you
Put me first in your life
Think of my promise, eternal life, my child
Think of my Kingdom, paradise

You questioned me, why I wasn't in your life
My child it was up to you to knock, seek and find
Why was there only one set of footprints in the sand
My child, it was then that I carried you
Eternal life

God Lives And Speaks

Written by Teresa Wano

When God lives and speaks through us
It brings light and life to His Bride
When God lives and speaks through us
It's the third pull ministry on display
Though this flesh man hinders me, with all his unbelief
The spirit man cries out, "Greater is He, within me"
For His Word will bring them into a greater harmony

This flesh man can't help but see, hear, taste and feel
The spirit man has to bridle his tongue
So God can speak, then we'll know to preserve life
For He's knows what was, is, and is to come

This flesh man is a liar, can't stand any restrictions
The spirit man brings this body under subjection
Ye are the temples of God and His Spirit dwells in you
If any man defiles this temple, him shall God destroy

This flesh man can't come into a state of desperation
Yet the spirit man continues to apply the token
For if this house be dissolved
We have another one waiting
For mortal shall put on immortality

Leave To CleaveWritten by Mal Wark

While bound in captivity
 By paper chains of reality
 To the mystery of iniquity
 The Angel came to me
 The shadow of His beauty
 Like the olive in the breeze
 His Voice speaking comfortably
 Anointed prophecies

CHORUS

I have betrothed thee, unto Me, for eternity
 So leave to cleave, to the Word in camouflage
 Abide for me, I am for thee
 This is, the Jubilee

Hear thou the heavens
 How they hear the earth
 See thou the mystery
 Of the man-child's birth
 It's a thing of Blood, He said, A kindred bond
 You are a part of me
 In flames, the fleshly chains did fall
 I am, at liberty
 Then turning in defiance, with Divine impunity
 He dared the accuser, who stood to disagree
 From the hand of the enemy, I've bought her unto me
 The apple of mine eye, for silver and barley
 Hear thou Oh nations
 I speak the Word
 Behold my revelations
 Come taste my Sword

Come, Oh Daughter of Zion
Deliver thyself to me
I am thy sign, speak the Word
Bring forth abundantly
Your soul's my goal, my tent's enlarged
The host and mighty men, in charge
Rest from all they labours, and the strife
I have come down
I give thee life

Saraiah The Quiet Prince

Written by Phillip Evans

Know who it is who is with you
The Revealed Word in reality form
The instruction of the Word, the voice we have heard
Our uniting time, changing water into wine

CHORUS

Seraiah a quiet prince, shall see and shall read
Babylon is fallen, New Jerusalem redeemed
The Lord of Host, the Capstone of Grace
His Bride is back, the Supernatural Race

We are living Epistles, seen and read of all men
A short and powerful demonstration
Before the rapturing in
Sounding the trumpet, just before the end
Wisdom to master the pale horse disaster

Know who it is who is with you
7 angels revealed a Supernatural Seal
His Glory unfolding, Inspiration and Anointing
Know who you are, the Bright Morning Star

State Of EmergencyWritten by Mal Wark

The game's been set, two players of fame
 Only one will be champion
 To the challenger shame
 Closing moments, the gallery's packed
 Security's tight for the odds have been stacked
 It's the match of matches, life and death
 Pressing the barriers the crowd hold their breath

Chorus

While a council in heaven working the score
 How to fulfil prophecy
 The cover's been blown, the end has been shown
 It's a state of emergency

The lights are flashing, the signs are clear
 The power's are clashing in this atmosphere
 One handles a joker, three 6's a bluff
 The other sits calmly upon a royal flush
 Stakes have been raised, all must be shown
 Tensions increasing in the combat zone

Chorus

Pressing the battle one standard now flies
 It's raising has guaranteed
 That in every camp between heaven and earth
 There's a state of emergency

"Close the books" the referee shouts
 To the players, last card handed out
 Picked up from the table, each hiding the face
 One's a wild card, the other's an ace
 Winner takes all, loser must die
 Thunders and lightnings streak through the sky

Chorus

Smokescreens have flown, the dragon exposed
His tactics we clearly see
We've got his number, his kingdom we'll plunder
It's a state of emergency

The victor leans back clearly smiling
Glancing across at the hireling
Then fairly and squarely displaying the crown
Royalty's laid upon the table
The loser cries "Foul" and tries for the door
But to flee from his end he's unable

Chorus

Because a council in heaven working the score
How to fulfil prophecy
The cover's been blown, the end has been shown
It's a state of emergency

God Has Given Me A Song

Written by Belinda Evans / Key of A

God has given me a song
To praise and worship His wonderful name
And He says: "My child I come
To reveal myself through you in these last days"

CHORUS

Glory and honour be to my King
He's been faithful to me in everything
Jesus Christ is my Lord

Many trials I have faced
God purposed me to give Him higher praise
And I'm coming to that place
Where I understand His love and grace

Enter Into This Tabernacle

Written by Teresa Wano

Just stop and take time to reminisce
On all that we have heard
Through the five-fold ministry
Sent to perfect you and me

CHORUS

Leave your mind full of troubles
Behind you at the gate
Bring a smile filled with gladness
Come with joy and partake
Enter into this tabernacle
With your soul filled with praise
Have your body and spirit cleansed
Through the power of prayer

Can you enter into
How the Levite did it for you
Broke behind enemy lines
To bring back the grapes for you

After the hearing of the Word
Strongholds are broken from this flesh
How our hearts want to sing
Of adoration to our King

So break all those stereo types
And let the clapping and dancing begin
For the King reigns within
The heart of His bride

Give Me That Old Time Religion

Written by Teresa Wano

Give me that old time religion
I'm talking about religion, the one I used to have
Give me that old time religion Lord
Hallelujah good enough for me

Well it was good for Paul and Silas
When they got into trouble
So now I too can praise the Lord
Hallelujah good enough for me

Well it was good for our Pastor
They wanted to throw him into prison
He began to praise and glorify our Lord
Hallelujah good enough for me

It was good for Sister Suzanne
When her husband said, "Honey stay home"
She said, Oh no my love
I've got to go and praise the Lord
Hallelujah good enough for me

Well it was good for Brother Larry
When they told him to take the chorus
He said, Oh yes Lord I will praise your name
Hallelujah good enough for me

It was good for Sister Emily, when we told her
Come sing don't play our song
She said, oh no, I gotta keep rank
Hallelujah good enough for me

Waiting For Your Coming Lord

Written by Teresa Wano

I'm waiting, waiting for Your coming Lord
I'm waiting for Your coming Lord
I'm waiting
I'm waiting for Your anointing Lord
I'm waiting for Your anointing Lord
I'm waiting

We're standing in a doorway between dimensions
Of the Spoken Word and the Word made flesh
We're standing in a doorway between dimensions
Of the Revealed Word and the Reality Form
We're standing in a doorway between dimensions
Of the Supernatural and the Manifestation

I can't hurry the process of Acts 2: 38
I can't hurry the process of 7 steps to oneness with God
I'll yield, I'll wait
And I can't hurry the process of Revelation 10:8 to 11
I'll eat, I'll wait
I can't hurry the process of Ruth chapter 1 and 4
I'll surrender, I'll wait

There's a battle raging in another dimension
God in flesh and satan incarnate
There's a battle raging in another dimension
Eagle anointing combating that Palehorse
There's a battle raging in another dimension
The fleshman against the spiritman

I can't hurry the process of Roman's chapter 6 and 8
I can't hurry the process of 1st Corinthians Chapter 12 and 13
I can't hurry the process of 7 thunders uttering their voices in my life
I can't get ahead of the vision of the Word
I've got to wait till all is in place for 'Thus Saith The Lord'

We're waiting to step into that dimension
From mortal into immortality
We're waiting to step into that dimension
From corruptible into incorruptible
We're waiting to step into that dimension
From Terrestrial into Theophany

I'm waiting, waiting for Your coming Lord
I'm waiting for Your coming Lord
I'm waiting

The King's Chamber

Written by Mal Wark

Deep in, the heart of Paradise lost
Is built a Chamber of stone
Set at a point, where, dimensions have crossed
It hold's a mystery Throne
To enter in there, you must travel
On a journey that's darker than night
And it's all uphill, there's not one place that's level
And you've got to move at the speed of Light

Chorus

But entrance in is guaranteed
If you come the Provided Way
You'll be shown 'round the Universe
If you follow what The Throneroom says
The Shout's gone out so come along
Leave off the dead and dying
The odd's are there to be proven wrong
The enemy, is for defying

There's no way in, except through death
No coming out, but by Vision
And the things you'll see
They'll really make you catch your breath

Yeah, the steps they're steep up the Valley of Decision
There's doors in doors, you must open
There's walls, you're going to have walk right through
And the cries of them, who fall and fail, and then are broken
Call to you, as you step up to, The Throneroom

Chorus

But entrance in is guaranteed
If you come the Provided Way
You'll be shown 'round the Universe
If you follow what The Throneroom says
The Shout's gone out so come along
Leave off the dead and dying
The Truth is your's to settle omn
Your soul's been made for flying

When the Voice that lives within that chamber
Comes once again to Speak with you
Oh the heavens will roll back, and the earth will shake
For the Voice of the King makes all things new
Life for death. Day for night
His future He'll exchange for your past
And oh the views, He'll lead through the heights of
The space within that Chamber is vast

Chorus

But entrance in is guaranteed
If you come the Provided Way
You'll be shown 'round the Universe
If you follow what The Throneroom says
The Shout's gone out so come along
Leave off the dead and dying
The odd's are there to be proven wrong
The enemy, is for defying
The Truth is yours to settle on
Your soul's been made for flying

Power Of The Prophetic Word

Written by Teresa Wano

The Word preached causes us to focus
On what needs to be fulfilled in our lives
Endtime Intercessors
The Supersign of the fruit
Of The Prophetic Word
The Restorer of the Breach
The Angel of The Lord is keeping
Us in the way
To bring us to the next stage of
Our Ministry

Oh The Power of the Prophetic Word
Watch it change; Political, Religious, World Events
Watch it change; Weather patterns
Governments cause recessions
Though it may seem like hardships
The word had to be birthed in
The House of God's Bread
Unbelief or circumstances can not hinder it
Orchestrated by the Power of
The Prophetic Word

Many of us had questions about
The Third Pull, Intercessors
Seeing the Supersign and
The fruit of the Prophetic Word
How to be a Restorer of the Breach
To fulfil Revelation 10:8 to 11
The Reality form of the Word made flesh

I'm looking for that Prophetic sign
The Dove coming to The Lamb
I will open my mouth
To Prophetic Prophecy Inspiration

Farewell Old NatureWritten by Emily Koni

Tests come and struggles follow
 This flesh it fights me from day to day
 Never anything that I can't handle
 Just overcome and leave the Old-man behind

The road to take is so hard to see
 Through these eyes of humanity
 But we'll give Him full control

A darker influence in this dimension
 His aim to cage and domesticate
 The hearts of those whose are not fully married
 To Christ The Word and The Message for this day

We're free to walk in what we believe
 Walk in His Word where we can't be deceived
 The dove will come to us in our troubled times
 He leads the way every day when we watch and pray
 He leads the way every day when we watch and pray
 This world is not our home
 There's still some way to go

An opportunity shines from an open window
 To overcome and leave the old man behind
 Follow the Word and let The Dove lead the eagle
 Into heights where only overcomers fly

We're free to walk in what we believe
 We walk in His Word where we can't be deceived
 The Dove has come to us in our troubled times
 He leads the way every day when we watch and pray
 He leads the way every day when we watch and pray'
 This world is not our home
 There's still some way to go...
 We'll soon be gone, it's just as well
 To the old man I'll say farewell
 We'll soon be gone, just as well
 To the old man I say farewell

Follow Me where I goWritten by Emily Koni

Human understanding can't unfold My heart to you
 And My ways are far above your own
 But a wise and understanding heart with a willingness can
 Follow Me where I go

Takes more than a word that's preached or a song that's sung
 Or a book that's read from beginning to the end
 More than observation of a life that's lived, for you to
 Follow Me where I go

CHORUS

Can you hear Me calling
 Jesus in your soul
 Walking thru your land and
 Tell the half that's not been told
 Searching out the possibilities
 Looking into the unknown
 I'm leading you through your inheritance
 Beyond what you may know

When the trials get hard and
 You feel that all alone you stand
 The heart can speak My Word
 With a faith that's not your own
 For the trials are sent to bring You closer to My heart
 Follow Me where I go

When you find it hard to sleep at night, it's time to pray
 Or in the early morning just before dawn
 If you can be this sensitive to My heart, you may
 Follow Me where I go

Time and season

Written by Emily Koni

CHORUS

We're in the time, We're in the season
We've got to raise up to a higher realm of thinking
For restoration of peace in our land
We need humility and willingness
To be standing in the gap for one another
In this time of Return, Atonement and Jubilee

There is no one great among us
There is none that can fight the fight alone
To lift up one another
We, ourselves must become low
Humility is hard to find
When we're fighting to hold to our pride
And the objective to set one free
The key is compassion and humility

Each gift in the body has access
To the tools that we need
Over the years we've learnt
Experience, wisdom and maturity
An now we realise that we
Fight not against flesh and blood
But our battles are fought on our knees
By the power of the spoken Word

I Need HimWritten by Margaret Prime

I don't need another car
 He has given Phillip's transport
 I don't need more education
 He has taught me who I Am
 I don't need entertainment
 He is my fulness of joy
 I need Him, I need Him, I need Him

I need Him as my Keeper
 Because He is the Way
 I need Him who is the Truth
 Satan's lies to defray
 I need Him who is the Life
 To combat that rider Death
 I need Him, I need Him, I need Him

Oh how I thank Him, praise Him, love Him
 Once a captive, now set free
 I worship and adore Him
 For His Word made flesh in me
 I revere and extol Him
 As His mysteries are being made known
 Causing this bride to be ready
 To be raptured to His throne

I don't need pharmaceuticals
 He's given His Word to heal
 I don't need to fear that 4th beast
 He said "Look and live"
 I don't need to try and suss things
 But to have the mind of Christ
 I need Him, I need Him, I need Him

I need Him as my Head
To unite me with His body
I need Him who is the Giver
To bring fruit to edify
I need Him who is the 7th Seal
To reveal all the rest
I need Him, I need Him, I need Him

Oh how I thank Him, praise Him, love Him
Once a captive, now set free
I worship and adore Him
For His Word made flesh in me
I revere and extol Him
As His mysteries are being made known
Causing this bride to be ready
To be raptured to His throne

As I Look To The Cross

Written by Hemi Harris / Key of C

As I look to the cross I see you my Lord
Your blood that was poured out for many
For forgiveness of sin and healing divine
Salvation and life to bring

Chorus

I praise you my Lord for dying for me
I praise you my Lord for resurrecting me
I glorify you my Lord
For bringing your Word to me

I bow in abject humility
I give you the rest of my life
In total obedience to all you command
Forever I'll walk in your light

I invite you my Lord to dwell in my house
I'll carry you in me endearly
I'll always love you Lord Jesus Christ
Forever thy sanctuary I'll be

Baruch HaShem Adonai

Written by Emily Koni

Who am I to be a part of Your people
The ones that are called by Your Name
Could I be chosen as one of Your own?
Could it be that our blood is the same?
How could a stranger, a remnant of nations
Belong to this Royal Line
You showed Your grace
When the branches were broken
And I grafted into the vine

CHORUS

Baruch HaShem Adonai
Baruch HaShem Adonai
Blessed be the Name of The Lord
Baruch HaShem Adonai

How could You show me such bountiful mercy
By taking the life of The Lamb?
Your love is greater than I can imagine
I bless You with all that I am
Praise to You Jesus the veil has been parted
And what once was secret is known
Now I can cry to You, Abba my Father
And praise You as one of Your own

The MissionWritten by Mal Wark

I knew a man in Christ one time, He came to visit me
 He took my hand and caught me up, into eternity
 Whilst traveling through dimensions, revealing mysteries
 He brought me to a secret place of lingering prophecy

>>

Then stopping there before a door, he gave to me a key
 And said, "Through there is who you are and what you are to be."
 He left me then and as he turned, his parting words to me
 "This is that which is written. The 3rd Pull Ministry"

CHORUS

When all the parts that make the whole are there for the Word to see
 Only then will you be loosed from earth, to join the heavenly
 But whilst you're here beneath the skies it's your pre-destiny
 To seek and find the final Saints who form the Word's Body

Then doors in doors they opened, upon sad scenery
 A group of souls surrounded, who wouldn't bow the knee
 To a woman on a scarlet beast, screaming hysterically
 And a king commanding, "Destroy them wonderfully!"

>>

And as I pondered what to do, a Voice then spoke beside me
 "Behold I give you power over all the enemy;
 "And nothing shall be any means, ever hurt or harm thee!
 "This is John 4's harvest, The 3rd Pull Ministry"

So I spoke across the flames and smoke, the Words,
 "Come, Let there be!"

"A horizontal rainbow to bridge insanity
 "Deliver now these souls detained, and set the captive free
 "These Sons of God ensnared by man, must have their liberty!"

>>>

The prisoners then saw the Light and started fighting bravely
 And back-to-back they took their flight, rebuking all of Hades
 Their voices lifted to the Lord, saying, "Even so come quickly!
 "For without us, the rest can't leave. The 3rd Pull mystery"

The 7th Seal, the Book of Life, the 3rd Pull Ministry

We Need You LordWritten by Helen Heta

Thank you for your gifts
 You've given to the Bride
 Help us trust in each other
 As we trust in you
 Well pray continually
 For a greater love to grow
 We need one another
 To keep each other in harmony

CHORUS

Lord we need you
 To come and reign in our lives
 Fill us Lord with your Holy Spirit
 Lord we need you
 So well pray for one another
 For the Holy Spirit will bring harmony

We will trust in you Lord
 With all that's in our hearts
 We won't lean to our own understanding
 Well respect each other
 And move in harmony

As the word has come to Liberate
 I know with you Lord
 Is where we have to be
 To raise up to an apex of our ministry
 Then it's eternity for me and you
 Oh, Respect and Harmony

Speak the Word and Carry OnWritten by Helen Heta

The word's just the word, till he reveals it to you
 And love isn't love until he gave it away
 Jesus he gave us something to give
 Which made the change

Speak the word on and on
 It's the word that brings the vision
 Be a part catch the heart of our Pastor
 With your revelation, the harmony action
 It will never stop, be strong
 Speak the word and carry on
 Be a part catch the heart of the Preacher
 With your revelation, the harmony action
 It will never stop, be strong
 Speak the word and carry on

Just stand in the word and God will stand with you
 That small act of faith will bring the promises thru
 Let's step forward to change circumstances
 Imagine all we can do

Speak the word on and on
 It's the word that brings the vision
 Be a part catch the heart of our Pastor
 With your revelation, the harmony action
 It will never stop, be strong
 Speak the word and carry on
 Be a part catch the heart of the Minister
 With your revelation the harmony action
 It will never stop, be strong
 Speak the word and carry on

And there's power in all the choices we make
 So I'm starting now there's not a moment to waste!

The word's just the word till he reveals it to you
And love isn't love until he gave it away

Speak the word on and on
It's the word that brings the vision
Be a part catch the heart of our Pastor
With your revelation, the harmony action
It will never stop, be strong

With your revelation, harmony in action
It will never stop, be strong

The Ministry Of Light

Written by Teresa Wano

"Let there light"
Spoke chaos into the garden Eden
Testimonies we'd heard vindicating God's Word
Eating fruits from the Spoken Word

The Ministry of Light shines through our lives
7 thunders uttering their voices
It's a Word revival
And wherever we go living waters will flow
"Behold, the tabernacle of God is with men."

The Pale horse is riding
It's gross darkness again
Here in satan's eden
He's killing with food and Phamacare
Seduced by Spirits the doctrines of men

Let there be
Let there be
Let there be light..

Beautiful Awakening

Written by Helen Heta

A Beautiful anointing
Is happening in my soul
A Beautiful awakening
That only God can show

Can you imagine turning a junction
And the word becomes plain to see
Your eyes have been opened,
You now see the vision
Now you know what I mean

Can you imagine if you spent your whole life
With a heart beating out of tune
Then one day the Word touched your soul
Now it's all under control

What if you woke up one day
And your eyes could see
The things that have happened to me
Would you believe it if you felt His love
It's with joy, its changing me

When I looked at you my heart already knew
That you have come to
Breathe life into my heart and soul
I was terrified,
But I'm not afraid anymore
Coz I know that you embrace my heart
And now I feel alive

Responsibility Created By The Vision Of The WordWritten by Teresa Wano

The Great I AM has given us
 A fixed vision that won't deviate
 Then it's no longer I that liveth
 But Christ that liveth in me
 With an Eagle Anointing to see my Responsibility
 Created By the vision, the vision of the Word

Chorus

We've taken the book and eaten it
 There's such a stimulation by revelation
 Experimental experience it brought bitterness
 But revelation humbles itself
 The Word will vindicate itself

Gifts and callings are without repentance
 All Moses got was one dead Egyptian
 The I AM revealed His channel of inspiration
 Brought forth fruit in its time and season
 A progressive revelation
 In His channel of inspiration
 Revealed responsibility
 To set Israel free

A 7th Seal coming upon the Bride
 To fulfil final prophecies
 Watchmen over her they have been
 This Body Word Ministry
 Reveals all Mysteries
 Warns of the unseen
 Disempowers enemies
 Jesus Christ on earth again

Bridge:

Oh Body Word Ministry
 Whatever gift you maybe
 Keep watching over her
 Until we're raptured out of here

Divine RevelationWritten by Teresa Wano / Key of Dm

In this time of Economic Siege
 Many are struggling financially
 Orchestrated to bring on a squeeze
 As we enter into our New Ministry
 Let's not reject the voice of Elijah
 Kept alive through the 5 fold Ministry
 Will it take a state of emergency
 To bring a Supernatural Economy

Chorus

For flesh and blood hath not revealed this you
 But My Father, who art in heaven
 It's upon this rock I'll build my church
 And the gates of hell cannot prevail against it
 It's upon this rock of divine revelation
 Of the Word made flesh in this time and season

We're building the 4 breaches in troublous times
 Break down the altars, cast down the idols
 Hezekiah cried, Be strong and Courageous
 Breach for breach, raise up the towers
 Go up to the mountain, get revelation by prayer
 To bring a powerful demonstration of the Holy Ghost

To Him that overcometh will I grant to sit with me
 Oh Father, let this cup, pass from me.'
 Nevertheless not My will but thine be done
 If you continue in my Word the truth shall set you free
 Go up to the mountain, receive the King's sword
 This is the breach before the opening of the Seals
 Go up to the mountain, 7 thunders are uttering
 It's the return of the Glory, of the Lord

Arise And EatWritten by Teresa Wano / Key of A

A carrier of the revelation of the Word
 At a time appointed for life
 Anointed Gene Seed
 Warned of a Pale Horse spewing
 Forth water ready to devour
 The Word made flesh in thee
 The evidence birthed a New Ministry
 He commissioned and instructs thee
 How to raise it to the apex of its ministry

Chorus

Arise and eat those supernatural cakes
 Made by Angels for thee
 Arise and Eat progressive revelation
 To sustain and strengthen thee
 From the 1st Pull to the 3rd Pull Ministry

So we watched the carrier of the Word
 Though many obstacles had hindered our way
 If you see me leave a double portion
 You'll receive Prophetic Ministry
 The Word made flesh in thee
 To anoint one another:
 Reproduce Elisha's Ministry
 Balanced and in harmony:
 The Bride's apex is the 3rd Pull Ministry

Walking In The Teaching Of The Vision

Written by Teresa Wano

After "The Judgment Season"
It brought such a desperation
To those with a heart like Phineas
Could appease the wrath of God
"All that could be shaken had been shaken"
Oh what a revival just before we cross over
The 7th Seal revealed the vision
To humble simple saints
In how to wrap each piece in blue
As we waited for the cloud to move

Chorus

If you will hearken diligently
Unto the voice of the Lord your God
I will give you "Spiritual food in due season
I will deliver you from the spoilers
And bring you back to your ancient landmarks"
Because they "parted my land
And cast lots for my people"
Hear the Shofar sound
"Atonement, Return and Jubilee"

As we cross over into another dimension
"A Supernatural Element" is what we will need
Only be thou strong and very courageous
Remember the Levites are waiting in the Jordan
Keep walking in the teaching of the vision
To become fellow helpers, "Redeeming the time"
To catch "The Leading and teaching of the Spirit"
The Word made flesh, we're ready for another series

Now Walk In ItWritten by Helen Heta

Yet we fight and murmur
 Just like the people of old
 We let the flesh have its way
 But we have a true and living way
 We have taken full counsel
 To grow in revelation
 We must stay teachable
 We must stay humble

Chorus

It takes faith to walk this road
 Let revelation, let it keep us
 We have the vision of the Word
 Now walk, walk in it
 To activate inspiration, wisdom, knowledge
 God's knowledge
 We'll be patient, we'll be long suffering
 It's a new and living way
 Now walk in it

How our circumstances crush us
 Our trials seem so severe
 Faith truly is a substance
 We fail to see it
 How we need you Lord
 Grant us your wisdom
 Your understanding
 To help lead us on

[2nd Chorus]

Help us to see ourselves in Your word
 And not to judge others
 But know our place and position
 And where it lays
 Fruits will show once you know
 So help reproduce the process
 In your brother and in your sister
 And to those who need it

Impart Eternal Life

Written by Teresa Wano

We continue to seek and save
All that was lost
Sent out Prayer Warriors
To find the names in the book
The Endtime Samaritans
Carried back to the Inn
Battle scarred Veteran's
Where appropriate gifts were given
To help heal and strengthen
Under the Headship of the Inn Keepers

Now, you impart eternal life
For heavens and earth will pass away
But God's Word will never pass away
Unfold 7 Thunders
The Word made flesh to believers
With wisdom and understanding
Oh, Impart, impart eternal life

Oh, Gabriel, Make this man to understand
What is the power of prophecy?
The seven seals back on earth again
The Word to the people you are to be
For you've taken the book and eaten
Character produced through bitterness
The Elisha Ministry is ten times wiser
Her supernatural element has creative power

God is present with us

Written by Belinda Evans / Key of G

Our God is here
Do you sense His presence?
He's here to show His power through you
And with the gift that He gave you
He will reveal His presence with us

Chorus

He has delivered us from all our enemies
He has given us all we ever need
His Word is made a living reality
And it's all to show He is present with us

One has a dream, another has a vision
Some speak in tongues, others prophecy
These gifts will help to warn us from danger
And will confirm God is present with us

Wisdom and knowledge will give us sound council
Discernment will show what's wrong and what's right
Prayer of faith finds names in the book
And we can see God is present with us

Praise and worship in exhortation
Will change atmospheres for God to come down
Helps in our midst lift the hands of each ministry
And we are sure God is present with us

The 5-fold ministry will bring us to perfection
Miracles and healing will show us God's power
Mercy intercedes and totally forgives
God in His people shows His presence with us

Help has come your way
Written by Peggy Henry

A woman in the bible days
Her last meal almost gone
But God sent Elijah
To make his Word known
He said: "Woman don't you worry
For God sent me today
And before you even asked him
Help was on the way"

Just hold on a little longer
Help is on the way
A brighter day is coming
For those who believe and pray
He promised he'll be with you
So don't give up today
Just hold on a little longer
Help has come your way

Troubles of this life come by
And burdens get you down
You think no one is listening
You think no one's around
Just remember what his Word says
To trust him and obey
Keep your eyes toward the heavens
Help has come your way

There Is A Wise Man

Written by Selwyn Hati

There is a wise man (in this house)
God sent a prophet (Malachi 4 and 5)
To open up the mysteries (for you and I)
To be (more sincere)

Chorus

If you can get the people
(the people to believe)
All things are possible
(to them that believe)
All things are possible
(to them that believe)
Only believe (only believe)
Only believe (only believe)
Lord I believe (Lord I believe)
(Only believe)

There is a wise man (in this house)
God sent man (a man of God)
To reveal the truth, the son of man
(by the washing of the Word)
He's giving the five-fold ministry
(to edify the body work)
In love and harmony
(the breaking of the bread)

There is a wise man (in this house)
Value what you got (it's evening time)
Revelation 10:1-7
(To walk in the vision of the Word)
Spirit filled sons and daughters
(of the royal seed of Abraham)
Calling me, the elect seed
(Back into his side)

What A Mighty God I Serve

Written by Christina Torrey

Your so good to me
For teaching me your ways
And granting me grace and mercy
To humble myself
To make all my wrongs right
To conquer my own spirit
It's God in simplicity

Chorus

What a mighty God I serve (3x)
There is no one like Him
This Mighty God I serve (Repeat Chorus)

Your so good to me
For teaching me your ways
And granting me grace and mercy
To humble myself
When you believe you're right
And your wrong
He shows you the Word
To conquer your own spirit
It's God simplicity

Your so good to me
For teaching me your ways
And granting me grace and mercy
To humble myself
Proving all things by the Word
And you will never fall
To conquer your own spirit
He's God in simplicity

If My PeopleWritten by Erana Prime

If my people which are called by my name
 Shall humble, themselves, and pray and pray
 And seek my face, and seek my face
 And turn from their wicked ways
 Then will I hear, oh glory, then will I hear
 Then will I hear from heaven
 And will forgive, and will forgive
 Their sin and will heal their land

Ki te whaka iti
 Taku iwi ia ratou
 Kua karanga tenei hoki
 Taku ingoa kia ratou
 Ki te inoa a....
 Ka rapu i toku mata
 Ka tahuri mai o ratou arahi
 Ka whakarongo, mai aha
 Ki te rangi
 Ka muru i o ratou hara
 Ka whaka ora
 Ka whaka ora

The restoration of the supernatural

Written by Belinda Evans

I will restore all things saith the Lord
I will liberate what is within you
If there's no condemnation you can
Ask what you will
So be under expectation for the supernatural

Because you have chosen the harder way
I will give you victory
Because you will seek me with all your heart
I shall be found of thee
I will give you divine love and power
You can ask what you will
Now you have maturity
Go forth and take the land

Only be thou strong
Mighty storms will come
Just stand upon my Word
It will help you overcome

Looking through the eyes of the prophetWritten by Peggy Henry

When you are looking through
 The eyes of a prophet of God
 You are looking through
 The eyes of God himself
 Manifesting his Word to his little bride
 Recognising your day and its message

Chorus

Come up a little higher
 And you will see
 Come up a little higher
 Where you won't be deceived
 Come up a little higher
 He's God in simplicity
 Come up a little higher
 You are the original seed

Now times have changed so much
 Since the age of the prophets of old
 We have a message that's real
 When he opened the seven seals
 He's manifesting his Word, through his little bride
 In the capstone age, in this generation

The prophet was handed the little book
 And revealed the mysteries inside
 To perfect a chosen bride
 That he wants by his side
 He was manifesting
 His Word through his little bride
 When you are looking through
 The eyes of the prophet of God

Enter into the joy of the Lord

Written by Belinda Evans / Key of Bb

I have given you the Holy Ghost
You are baptised in my name
You have worked in your inheritance
And you have confessed my name
I have tested and I've tried you
To see if you would stand
Now it's time for reckoning
Well done thou faithful one

Chorus

Enter thou into the joy of the Lord
Thou hast been faithful
I will make thee a ruler
Come ye blessed of the Lord
Fulfill ye my joy
Enter thou into the joy of the Lord

I have seen your affliction
I have heard your bitter cry
When you're needing deliverance
I am standing by your side
You can ask more abundant
That your joy might be full
At this time of reckoning
I turn your mourning into joy

The power of prophecy and prayer
Written by Teresa Wano

Blessed art thou amongst women
That you have found grace with God
The Lord shall overshadow thee
And you shall, yes you shall have a child
And he shall be called
God with us
But how can these things be?
But by the power of prophecy
And by the power, yes the power of prayer

A humble bride pregnated with Christ
Quantas Airlines her camel ride
A humble marae where God did abide
Angelic singing to herald his coming
Gifts given to this humble bride
Who then imparted eternal life
To do service for the body of Christ
She's then hidden amongst the leaves
Awaiting the power of prophecy
By the power, yes the power of prayer

After Strategic Alliances
Of the 7th Seal headship
The roman seal had been broken
The angel rolled away the seals
Apocalyptic language spoken
Revealed in love and humility
The vision made clear to see
The power of prophecy
And with the power of prayer
The Word to the people they will be

The Eagle's Cry

Written by Teresa Wano

El-Shaddai let me nurse from you
The strength I need to help me stand faithful and true
From defilement of that hybrid seed
In that time of transition
Oh how it vexed my soul to see
The things we once destroyed come back on the scene

Chorus

So hear the eagle's cry: "Stay in line little Bride."
You are a peculiar people to me
And let the Levites wash you by the water of the Word
For cleansing from defilement
Oh be washed by the blood of the lamb

Jehovah Eagle your anointing we need
For long-range vision to see prophetic prophecy
Do we reject King Theophany by man-made program?
Have you raised your own king?
And His painful desire conditioned me
To give unto him the man child to set my people free

There will be joy in the promised land

Written by Des Brown

I have crossed through the river
And I have reached the other side
I'm glad to be in the promise
I feel the joy deep inside
When he broke to me the vision
And I began to rejoice
Lord your Word is eternal
I will have no other choice
For all that you say Lord, I will do
I magnify my office
I am the present tense Word
We'll become an invincible army
And we enter into rest
Lord, liberate the attributes to edify the body of Christ

Chorus

And there will be joy in the promised land
We'll rejoice in the promised land

Can you see yourself becoming the lion and the lamb
The scream of that golden eagle
The cooing dove worshipping him
What a glorious day it will be sitting in true harmony
The vision that he gave me to be a true reality

Hosanna, hosanna

Written by Phillip Evans

There's a fountain filled with blood
Where sin is plunged beneath the flood
At the cross where my Saviour died
There to my heart was the blood applied

Hosanna, hosanna! To the lion and the lamb
Hosanna, hosanna! Calls us to the promised land

Let the weak say: "I am strong"
Let the poor say: "I am rich"
Let the blind say: "I can see"
All your attributes in me

Hosanna, hosanna! The Bride is renewed
Hosanna, hosanna! The mighty conqueror, King of Jews

Lose of fragrance lose of all guilts
To whom we're drawn through Emmanuel's veins
Look what the Lord has done for you
Show Him now what His works can do

Hosanna, hosanna! To the lion and the lamb
Hosanna, hosanna! Calls us to the promised land

If you have rivers you cannot cross
And you have mountains you cannot climb
Just remember the dove specialises
In things others cannot do

Hosanna, hosanna! The Bride is renewed
Hosanna, hosanna! The mighty conqueror, King of Jews

Watchman, what of the nightWritten by Malcolm Wano

Watchman, what of the night
 The enemy's approaching
 Prepare to fight
 It's the voice of the ministers
 Sounding forth God's Word
 Before the total destruction of this world

He said in His Word, come out of her
 Be not partakers of her sin
 (Repeat Chorus)

The voice of many waters
 Seven stars in His hand
 No two-fold purpose of the third pull
 Perfection for the Bride
 Prison for the lost
 Manifesting the fruits of the two vines

He said in His Word, come out of her
 Be not partakers of her sin
 (Repeat Chorus)

We are glory bound
 For the saints of God are found
 We are walking in the light of His Word
 A glorified body thou hast prepared
 We've stepped into eternity
 Where we manifest the Word for our day

He said in His Word I'm still the same
 Yesterday, today and forever
 (Repeat)

Welcome, Oh WelcomeWritten by Teresa Wano

Haere mai, haere mai, haere mai ra
 Na koutou i mau mai te whakamaramatanga
 o nga kupu
 Nga hikoitanga i homai e Te Atua i waenga
 nui i te iwi e hui nei
 Haere mai, haere mai, haere mai ra

Welcome Oh Welcome
 Servants of the Living God
 Fellow helpers of the truth
 (Repeat)
 For God so loved He gave us you
 Welcome back in this time of
 Strategic alliances under the 7th Seal headship

Ye labourers in the fields
 Preaching the gospel for years
 Seeking and saving the lost sheep of Israel
 Using that unique gift to speak
 Coloured with love and humility
 Projected to set captives free
 We salute you, oh fellow labourers

Tribal leaders of the lands
 There's much land yet to possess
 Now you have established
 Your people in the faith
 Seek out the foolish virgin
 Make the oil available
 Go where Jesus would go
 And live in such a way
 That others willingly help you
 To fulfil the 2nd resurrection
