**Fill My Way Everyday**

F

Let me walk, blessed Lord  
In the way Thou hast gone  
Leading straight to the land above  
Giving cheer everywhere  
To the sad and the lone  
Fill my way every day with love

*CHORUS*

Fill my way every day with love  
As I walk with the heavenly Dove  
Let me go all the while  
With a song and a smile  
Fill my way every day with love

Keep me close to the side  
Of my Saviour and Guide  
Let me never in darkness rove  
Keep my path free from wrath  
And my soul satisfied  
Fill my way every day with love

Soon the race will be o'er  
And I'll travel no more  
But abide in my home above  
Let me sing, blessed King  
All the way to the shore  
Fill my way every day with love

2

**Jehovah Jireh**

Dm/Em

Jehovah Jireh, my provider  
His grace is sufficient for me  
For me, for me  
Jehovah Jireh, my provider  
His grace is sufficient for me

My God shall supply all my needs  
According to His riches in glory  
He will give His angels charge over me  
Jehovah Jireh cares for me  
For me, for me  
Jehovah Jireh cares for me

3

**I'll Fly Away**

F

Some glad morning when this life is o'er  
I'll fly away  
To my home on God's celestial shore  
I'll fly away

*CHORUS*

I'll fly away, oh glory, I'll fly away  
I won't die, hallelujah, by and by  
I'll fly away

When the shadows  
Of this life have grown  
I'll fly away  
Like a bird from prison bars has flown  
I'll fly away

Just a few more battle days and then  
I'll fly away  
To a land where joys shall never end  
I'll fly away

4

**Not By Might, Nor By Power**

G

It's not by might, nor by power  
But by My Spirit saith the Lord  
It's not by might, nor by power  
But by My Spirit saith the lord

This mountain shall be removed  
This mountain shall be removed  
This mountain shall be removed  
By My Spirit saith the Lord

5

**I've Got The Joy Bells**

C

I've got the joy bells in my heart  
I've got the joy bells in my heart  
I'll sing His praises  
Through all the ages  
I've got the joy bells in my heart

**Just A Closer Walk With Thee** C

I am weak but Thou art strong  
 Jesus keep me from all wrong  
 I'll be satisfied as long as I walk  
 Let me walk close to Thee

*CHORUS*

Just a closer walk with Thee  
 Grant it Jesus, is my plea  
 Daily walking close to Thee  
 Let it be, dear Lord, close to Thee

Through this world of toils and snares  
 If I falter, Lord who cares  
 None but Thee my burden bears  
 None but Thee, dear Lord  
 None but Thee

When my feeble life is o'er  
 Time for me will be no more  
 Guide me gently, safely o'er  
 To Thy kingdom shore, to Thy shore

**Therefore The Redeemed** C

Therefore the redeemed  
 Of the Lord shall return  
 And come with singing unto Zion  
 And everlasting joy  
 Shall be upon their head  
 Therefore the redeemed  
 Of the Lord shall return  
 And come with singing unto Zion  
 And everlasting joy  
 Shall be upon their head

They shall obtain gladness and joy  
 And sorrow and mourning  
 Shall flee away  
 Therefore the redeemed  
 Of the Lord shall return  
 And come with singing unto Zion  
 And everlasting joy  
 Shall be upon their head

**Field Of Souls** F

One is off to foreign soil  
 To work a distant land  
 And another anchors close to home  
 To hold his neighbour's hand  
 Now tell me, who has served  
 The Father most  
 Who has given her best  
 But I tell you  
 The life devoted to our God  
 That devotion will be blessed

*CHORUS*

We'll work the field of souls  
 Together you and I  
 Some fields are blooming now  
 While other fields are dry  
 We are not the same  
 But differences aside  
 We will work the field of souls  
 Together you and I

One shouts the gospel in the streets  
 For everyone to hear  
 He is bold to everyone he meets  
 And the Word is loud and clear  
 Oh and another rises alone and prays  
 In silence on her knees  
 Before the Father's throne  
 Day after day  
 Where human eyes don't see

**Oh Yes, I Love That Man Of Galilee** G

Oh yes, I love that man of Galilee  
 For He's done so very much for me  
 He has taken all my sin  
 Placed the Holy Ghost within  
 Oh yes, I love that man of Galilee

Down on my knees I found my Jesus  
 Down on my knees I found the Lord  
 Not on a mountain, nor in a valley  
 But on my knees, I found the Lord

**Lo, In Her Mouth**

F

We can see the signs of the times  
 Are all around us  
 Unclean spirits like frogs  
 Coming out of the dragon's mouth  
 False prophets are lying  
 And the truth they are denying  
 But we have received  
 Our message of grace  
 On the wings of a snow white dove

*CHORUS*

Lo, in her mouth is an olive leaf  
 That speaks about redemption  
 That speaks about His grace  
 Lo, in her mouth is an olive leaf  
 It speaks about eternal life  
 And fellowship with God

Economic and social  
 Pressures are everywhere  
 Many have been caught unawares  
 The hour of temptation  
 Has come upon everyone  
 But unto us His little Bride  
 His voice whispers Shalom

He said, Fear not My child  
 All your troubles are over  
 Your enemy has been destroyed  
 Your great enemy has been conquered  
 Fear none of these things  
 That shall tear this world apart  
 For the Dove is cooing in our hearts  
 Who are shut up in the ark

**Just Any Day Now**

G

Just any day now  
 Our Lord is coming  
 He'll be returning for you and me  
 Oh I've been watching  
 And I've been waiting  
 Just any day now His face I'll see

**One Of Them**

Bb

They were gathered in the upper room  
 All praying in His Name  
 They were baptised with the Holy Ghost  
 And power for service came  
 Now what He did for them that day  
 He'll do for you the same  
 I'm so glad that I can say I'm one of them

*CHORUS*

One of them, one of them  
 I'm so glad that I can say I'm one of them  
 (Repeat)

Though these people may not claim to be  
 Or boast of worldly fame  
 They have all received their Pentecost  
 Baptised in Jesus name  
 And they're telling now both far and wide  
 His power is yet the same  
 I'm so glad that I can say I'm one of them

Come my brother seek this blessing  
 That will cleanse your heart from sin  
 That will start the joy-bells ringing  
 And will keep your soul on flame  
 Oh it's burning now within my soul  
 Oh glory to His name  
 I'm so glad that I can say I'm one of them

**He's Able, He's Able**

G

He's able, He's able, I know He's able  
 I know my Lord is able  
 To carry me through  
 (Repeat)

He heals the broken hearted  
 And sets the captive free  
 He'll raise the dead to life again  
 And calm the troubled sea  
 He's able, He's able, I know He's able  
 I know my Lord is able  
 To carry me through

**This World Is Not My Home**

C

This world is not my home  
I'm just passing through  
My treasures are laid up  
Somewhere beyond the blue  
The angels beckon me  
From heaven's open door  
And I can't feel at home  
In this world anymore

*CHORUS*

Oh Lord you know  
I have no friend like You  
If heaven's not my home  
Then Lord what will I do  
The angels beckon me  
From heaven's open door  
And I can't feel at home  
In this world anymore

They're all expecting me  
And that's one thing I know  
I fixed it up with Jesus many years ago  
I know He'll see me through  
Though I am weak and poor  
And I can't feel at home  
In this world anymore

Just over in glory land we'll live eternally  
The saints on every hand  
Are shouting victory  
The songs of sweetest praise  
Drift back from heaven's shore  
And I can't feel at home  
In this world anymore

**Isn't He Wonderful**

Bb

Isn't He wonderful  
Wonderful, wonderful  
Isn't Jesus my Lord wonderful  
Eyes have seen, ears have heard  
It's recorded in God's Word  
Isn't Jesus my Lord wonderful

**The Original Life**

Ab

God's attributes were manifested  
To His Bride in this last age  
We have caught the revelation  
By the last prophet's message  
And we know who we are  
And what we are raised up for  
Praise the Lord for the original life

*CHORUS*

The original life, the original seed  
The original Word is what I believe  
The Son of Man is revealed  
The Seventh Seal is unveiled  
The original life, the original seed

We are the Word made flesh today  
This is what the scriptures say  
And our names are seen within  
Redeemed and perfect without sin  
Yes we are anointed and inspired  
By our God, who's the original life

We are called unto adoption  
Full authority and power  
Sleeping saints will awake and join us  
For translation in this hour  
Gentile' days soon will be over  
Glory, hallelujah  
To our God who's the original life

**The Move Is On**

C

The move is on my Lord, the move is on  
The move is on my Lord, the move is on  
I hear the rustling in the mulberry trees  
And I know, I know, I know  
The move is on

Move on brother, move on sister  
This is the moving day  
Move a little closer  
Where the streams are flowing  
Move on brother, move on

**We're Going Up Into High Places** Em

We've been deceived  
By the devil too long  
We're going to tear  
The devil's kingdom down  
What he said was his  
It's been ours all along  
We're going to tear  
That devil's kingdom down

*CHORUS*

We're going up into the high places  
We're going up into the high places  
We're going up into the high places  
To tear that devil's kingdom down

We've got to be strong  
We've got to be bold  
We're going to tear  
The devil's kingdom down  
We're gonna claim everything  
That the devil stole  
We're going to tear  
The devil's kingdom down

We're gonna pull down the altars  
We're gonna tear down the walls  
We're gonna raise up  
The banner of righteousness  
And declare that Jesus is Lord of all

**When Your Cup Runneth Over** C

When your cup runneth over with joy  
When your cup runneth over with joy  
You'll find it easy to pray  
And to sing all the day  
When your cup runneth over with joy

When you're feeling so empty and dry  
And you feel you could sit down and cry  
If the Lord you would please  
Just get down on your knees  
Till your cup runneth over with joy

**Where Eagles Dare**

We've been born in the Eagle Age  
By an eagle prophet's Message  
To manifest the living Word to our day  
And we've been given wings to fly  
Way up in the sky  
Where no other bird can fly  
To live in an heavenly atmosphere  
Where only eagles dare

*CHORUS*

So let's fly so high  
Where the Word of God is a living reality  
To soar so high, true eagles in the sky  
Set your wings, let's fly  
Where eagles dare

We have been gathered by the Shout  
A Message to call us out  
From this world of fear and doubt  
And we've been given eyes to see  
All the mysteries have been revealed  
Our lives are fulfilling prophecy  
We see our positions in God's Word  
To soar where only eagles could

We were not called to be earthbound  
A little chipmunk on the ground  
Not here to be living up and down  
But quickened, changed and lifted up  
On to the mountain top  
Just sitting in the cleft of the Rock  
We're gathered where the carcass is  
In God's provided place to live

**What A Day That Will Be** F

What a day that will be  
When my Jesus I will see  
When I look upon His face  
The one who saved me by His grace  
When He takes me by the hand  
And leads me through the promised land  
What a day, glorious day that will be

**On The Wings Of A Dove**

D

Noah had drifted  
 On the flood many days  
 He searched for land  
 In various ways  
 Troubles he had some  
 But not from above  
 God gave him His sign  
 On the wings of a dove

*CHORUS*

On the wings of a snow-white dove  
 God sends His pure, sweet, love  
 A sign from above  
 On the wings of a dove

Jesus, our Saviour  
 Came to earth one day  
 He was born in a stable  
 In a manger of hay  
 Though here rejected  
 But not from above  
 God gave us His sign  
 On the wings of a dove

Though I have suffered in many a way  
 I cried for healing both night and day  
 Faith wasn't forgotten  
 By the Father above  
 He gave me His sign  
 On the wings of a dove

**Think About His Love**

G

Think about His love  
 Think about His goodness  
 Think about His grace  
 That has brought us through  
 For as high as  
 The heavens above  
 So great is the measure  
 Of our Father's love  
 Great is the measure  
 Of our Father's love

**He's Here, Elijah's God Is Here**

F

He's here Elijah's God is in us today  
 He's here to will and do whatever we say  
 Behold the Bride of Christ in full array  
 He's here, Elijah's God is here

She walks in step with the  
 Revealed Word of the hour  
 She talks and demons flee  
 Before her very power  
 Behold the Bride united with her mate  
 He's here, Elijah's God is here

**I've Got The Joy, Joy, Joy**

C

I've got the joy, joy, joy, joy  
 Down in my heart  
 Down in my heart  
 Down in my heart  
 Glory to His name

*CHORUS*

And I'm so happy, so very happy  
 I've got the love of Jesus in my heart  
 And I'm so happy, so very happy  
 I've got the Love of Jesus in my heart

I've got the love of Jesus, Love of Jesus  
 Down in my heart  
 Down in my heart  
 Down in my heart  
 I've got the Love of Jesus, Love of Jesus  
 Down in my heart  
 Down in my heart to stay

I've got the peace  
 That passeth understanding  
 Down in my heart  
 Down in my heart  
 Down in my heart  
 I've got the peace  
 That passeth understanding  
 Down in my heart  
 Down in my heart today

**Celebrate, Jesus Celebrate**

F

Celebrate Jesus, celebrate  
Celebrate Jesus, celebrate  
(Repeat)

He is risen, He is risen  
And He lives forever more  
He is risen, He is risen  
Come on and celebrate  
The resurrection of our Lord

**Redemption By Blood**

Bm

I felt death's sting  
I had sensed its snares  
Its cruel pain brought bitter tears  
How could I escape  
When judgment was sure  
Who could plead my cause  
And when God saw there was no one  
He sent to die His only Son  
For only through blood  
His wrath could have been appeased  
His justice was satisfied  
When blood flowed from Calvary

Redemption by blood  
Oh, wretched man that I am  
Who shall deliver me  
From this body of this death  
And who should set me free  
Taking me out of this desert  
But I thank God through Jesus Christ  
And His death on Calvary  
It brought for me redemption by blood

I felt the chains bind my soul within  
Serving that slave master sin  
By reason of my bondage I sighed  
And God heard my cry  
Remembering His covenant  
A prophet He did truly send  
With the Word of truth

To break the strongholds within  
And totally deliver me  
From the power of in-dwelling sin

Redemption by power  
Oh wretched slave I was made  
Who shall deliver me  
From the bonds of slavery  
And who shall set me free  
Taking me from my captivity  
But I thank God through Jesus Christ  
And His death on Calvary  
It brought for me redemption by power  
Redemption by blood  
Redemption by power  
In completeness and joy  
Redemption for me

**I Feel Like Traveling On**

F

My heavenly home is bright and fair  
I feel like travelling on  
No pain, nor death can enter there  
I feel like travelling on

*CHORUS*

Yes, I feel like travelling on  
I feel like traveling on  
My heavenly home is bright and fair  
I feel like travelling on

Its glittering towers the sun outshine  
I feel like travelling on  
That heavenly mansion shall be mine  
I feel like travelling on

Let others seek a home below  
I feel like travelling on  
Which flames devour or waves o'er flow  
I feel like travelling on

The Lord has been so good to me  
I feel like travelling on  
Until that blessed home I see  
I feel like travelling on

**Arise Thou Mighty Man Of Valour** E

Arise thou mighty man of valour  
 And brave the fight  
 Victory is in thy favour  
 Go in this thy might  
 The Midianites are running  
 It's spiritual Armageddon  
 Shout the sword of the Lord  
 And of Gideon  
 For the spirit of Gideon is on me  
 Yes, the Spirit of the Lord is on me

Dig deeper in those mysteries  
 Let your seven locks grow long  
 Oh anointing of Samson  
 Let faith muscles become strong  
 Lord lead me to those pillars  
 Let me cast those devils down  
 Let me hear those  
 Seven thunders sound  
 For the spirit of Samson is on me  
 Yes, the Spirit of the Lord  
 Is anointing me

Arise you moping eagles  
 Cease hopping on the ground  
 Can't you hear your Pastor screaming  
 There's virtue in that sound  
 Arise and eat be strengthened  
 For this journey you must be strong  
 You were born to set your eyes  
 On the sun  
 For the spirit of the eagle is on me  
 Yes, the Spirit of the Lord  
 Is anointing me

Speak now My fair lady  
 Touch the sceptre in My hand  
 Make known your desire  
 It's My pleasure to command  
 Lord, my people are dying  
 They must have their liberty  
 Let me go and set the captives free  
 For the spirit of Esther is on me  
 Yes, the Spirit of the Lord  
 Is anointing me

**Behold He Comes** A

These are the days of Elijah  
 Preparing the Word of the Lord  
 And these are the days  
 Of Your servant Moses  
 Righteousness being restored  
 And these are the days of the harvest  
 The fields are white in the world  
 And we are the voice in the desert crying  
 Prepare ye the way of the Lord

*CHORUS*

Behold He comes, riding on a cloud  
 Shining like the sun at the trumpet call  
 Lift your voice it's the year of jubilee  
 Out of Zion's hill salvation comes

These are the days of Ezekiel  
 Declaring the Word of the Lord  
 And these are the days  
 Of Your servant David  
 Rebuilding the temple of praise  
 And though these are days of great trials  
 Of famine, and darkness and sword  
 Still we are the labourers in Your vineyard  
 Preparing the way of the Lord

**Can You Hear It** Ebm

Can you hear it  
 Thunder in the distance  
 When we worship  
 The Lion of Judah roars  
 Strongholds crumble all around us  
 In the presence of the Lord

*CHORUS*

There'll be victory in the camp  
 At the shout of El Shaddai  
 Every enemy will flee  
 From the fire in His eyes  
 Every captive will be freed  
 In this year of jubilee  
 When we hear the shout of El Shaddai

**Behold**  
**The Third Woe Cometh Quickly** Fm

---

The kings of the earth and their armies  
 Are gathered in the valley of Megiddo  
 Where the grapes of God's wrath  
 Will be trampled  
 The vats of blood will overflow  
 So be not partakers my brother  
 In Belshazzar's drunken feast  
 For his subjects are all deformed  
 Into the image of the beast  
 But stand like Daniel  
 With your garments undefiled  
 Knowing that Christ in you  
 Must be glorified

*CHORUS*

For behold the third woe cometh quickly  
 It's an urgent cry, apply the token or die  
 (Repeat)

Ecological crises  
 Are filling men's hearts with fear  
 With the ozone layer being destroyed  
 Diverse earthquakes are everywhere  
 But isn't it written in scripture  
 The heavens shall depart like a scroll  
 Thus saith the Lord  
 It's exactly what the prophets foretold  
 So stand like Micaiah  
 Stay with the seventh seal vision  
 You just say What Elijah's already said

Now demons in the atmosphere  
 Are pressing their way  
 Into the hearts of men  
 Who are marked by God  
 For their iniquity  
 Rejecting the Prophet  
 Whom God has sent  
 Slaughtering angels are ready  
 To slay the young and the old  
 So watch the cares of this life  
 And remember Lot's wife  
 Who for vanity lost her soul

So stand like Rahab  
 With your token on display  
 For the destroying angels  
 Are already on their way

*Bridge*

But stand like Daniel  
 With your garments undefiled  
 Stand like Micaiah  
 Stay with the seventh seal vision  
 Stand like Rahab  
 With your token on display  
 For the destroying angels are  
 Already on their way

**Treat Him Like A King**

---

When we give the Lord our hearts  
 He deserves every part  
 But very often we hold back some things  
 We should have given from the start  
 Well I just want to be His Bride  
 There is not a thing to hide  
 Every quarter of my life I give  
 To let Him rule and let him in

*CHORUS*

I'm gonna treat Him like a king  
 Make Him Lord of everything  
 All the honour I can bring  
 I'm gonna treat him like a king

Now I pray the world will see  
 He means everything to me  
 I'll spend the rest of my life I live  
 Treating Him like royalty  
 He is free to rule and reign  
 And my heart is His domain  
 While the world is praising other things  
 I'm gonna crown Him King of kings

All the honour I can bring  
 He's the only song I'll sing  
 Oh, let the anthems ring  
 I'm gonna treat Him like a king

**Come And Go With Me**

G

Come and go with me  
 To my Father's house  
 To my Father's house  
 To my Father's house  
 Come and go with me  
 To my Father's house  
 Where there's joy, peace and rest

Jesus will be there  
 In my Father's house  
 In my Father's house  
 In my Father's house  
 Jesus will be there  
 In my Father's house  
 Where there's joy, peace and rest

Christians are the only people  
 In my Father's house  
 In my Father's house  
 In my Father's house  
 Christians are the only people  
 In my Father's house  
 Where there's joy, peace and rest

**Gird Up Your Armour**

G

The Lord hath given  
 A land of good things  
 I will press in and they'll be mine  
 I'll know His power, I'll know His glory  
 And in His Kingdom I will shine

Gird up your armour ye sons of Zion  
 Gird up your armour we're going to war  
 We'll win this battle with great rejoicing  
 And so we'll praise Him more and more

Come on and sing hosanna  
 Sing hosanna  
 Sing hosanna to the King of kings  
 Come on and sing hosanna  
 Sing hosanna  
 Sing hosanna to the King

**By My God**

F

The Lord is my light and my salvation  
 Of whom shall I fear  
 The Lord, even God  
 Is the strength of my life  
 Of whom shall I be afraid  
 When the wicked even my enemies  
 Came upon me they stumbled and fell

*CHORUS*

For by my God I have run  
 Through a troop of death  
 I've leaped over a wall into higher realms  
 I have conquered all the gates of hell  
 It's through faith all these things  
 I have done by my God

In the time of trouble in His Pavilion I'll hide  
 In the secret of His tabernacle  
 Is where I'll abide  
 Though an host should encamp against me  
 My heart shall not fear  
 Though war should rise

**He Promised To Hold My Hand**

He promised to hold my hand  
 He promised to help me stand  
 When the valley's too low  
 And the rivers too wide  
 He promised He would lead me  
 To the other side  
 His promises light my way  
 Never lead my feet astray  
 Living in His Word I will overcome  
 Standing on His promises one by one

I may have to walk  
 Through the valley of death  
 But I may not be sure of my very next step

I may have to walk  
 On the water with Him  
 But I don't have to worry if I sink or swim

**Count Your Blessings**

D

When upon life's billows  
 You are tempest-tossed  
 When you are discouraged  
 Thinking all is lost  
 Count your many blessings  
 Name them one by one  
 And it will surprise you  
 What the Lord hath done

*CHORUS*

Count your blessings  
 Name them one by one  
 Count your blessings  
 See what God hath done  
 Count your blessings  
 Name them one by one  
 Count your many blessings  
 See what God hath done

Are you ever burdened  
 With a load of care  
 Does the cross seem heavy  
 You are called to bear  
 Count your many blessings  
 Every doubt will fly  
 And you will be singing  
 As the days go by

When you look at others  
 With their lands and gold  
 Think that Christ has promised  
 You His wealth untold  
 Count your many blessings  
 Money cannot buy  
 Your reward in heaven  
 Nor your home on high

So amid the conflict  
 Whether great or small  
 Do not be discouraged  
 God is over all  
 Count your many blessings  
 Angels will attend  
 Help and comfort give you  
 To your journey's end

**Dry Bone In The Valley**

Gm

I was a dry bone in the valley  
 When Jesus found me  
 A dry bone in the valley  
 When He put flesh upon me

*CHORUS*

He said, Son of man  
 Can these dry bones live  
 And I answered, Oh Lord Thou knowest

You have given us prophetic eyes  
 So we won't believe Satan's lies  
 Although the world thinks us absurd  
 We'll keep on holding to Your Word

We are the flowers  
 And You are life's essence  
 May oh Lord You have the pre-eminence  
 For that's the reason why You made us  
 To achieve Your greatest purpose

Now I stand justified and do appreciate  
 The outpouring of Your wonderful grace  
 Sanctified from the bondage of sin  
 As the Holy Spirit now dwells within

Now I'm no longer  
 A dry bone in the valley  
 Since Jesus set me free  
 And now I'm growing in His grace  
 And someday soon I'll see His face

**Create In Me**

G

Create in me a clean heart, oh Lord  
 And renew a right spirit within me  
 (Repeat)

Cast me not away  
 From Thy presence, oh Lord  
 Take not Thy Holy Spirit from me  
 Restore unto me the joy of Thy salvation  
 And renew a right spirit within me

**God's Elective Love**

Am

Deep calleth unto deep  
 In the night time I scarcely sleep  
 Why art thou disquieted in me my soul  
 I've found hope in the Lord of glory  
 He has revealed my life's mystery  
 Shown me that I was in His Thoughts From  
 times of old

*CHORUS*

It's the rising of the sun  
 When the children of God  
 On the earth are born  
 This evening light from above  
 It's nothing less  
 Than God's elective love

I see Mary, she's walking slowly  
 Along the narrow road that's dusty  
 When the children are born  
 Our sorrow will be gone  
 "Esther, Esther, touch that sceptre  
 With the king You have found favour"  
 Anything you do, do it in that name

Samson's locks are now a little longer  
 Faith muscles are becoming stronger  
 Between the pillars  
 The Lord will strike His masterpiece  
 Now the Headstone is drawing nearer  
 Dynamics are worked  
 In greater measure  
 Pulsations of faith will soon create  
 Let there be

Seven thunders  
 Activating the count down  
 The north star leads  
 The battle stars to the showdown  
 Two hundred million devils  
 Will be on the run  
 Joel's mighty army comes on display  
 The elements will tremble  
 Before them on that day  
 For strong is the Lord  
 That executeth His Word

Our hearts are burning with expectation  
 For the promised eternal vacation  
 Reservations have already been made  
 Next attraction coming soon  
 Bridegroom and Bride leave for honeymoon  
 On the wings of love  
 She'll take her flight through the skies

## 42

**For The Lord Is Marching On**

C

For the Lord is marching on  
 And His army is ever strong  
 And His glory shall be seen upon our land

Raise the anthem sing the victor's song  
 Praise the Lord for the battle's won  
 No weapon formed against us will stand

For the Captain of the Host is Jesus  
 We are following in His footsteps  
 No foe can stand against us in the fray

We are marching in Messiah's band  
 The keys of victory are in His mighty hand  
 Let us march on to take our promised land

## 43

**I've Got A Home In Glory Land**

G

I've got a home in glory land  
 That outshines the sun  
 (Repeat 3 times)  
 Way beyond the blue

*CHORUS*

Do Lord, oh do Lord  
 Oh do remember me  
 (Repeat 3 times)  
 Way beyond the blue

I took Jesus as my Saviour  
 You take Him too  
 (Repeat 3 times)  
 While He's calling you

**Behold What Manner Of Man**

A

Behold what manner of man is this  
 Who stands between God and man  
 His eyes are as the flame of fire  
 His fan is in His hand  
 John saw Him in the seven church ages  
 As the sun in brilliancy  
 Behold what manner of man is this  
 What manner of man is He

*CHORUS*

He's the Lord of glory  
 He is the great I Am  
 He's the alpha and omega  
 The beginning and the end  
 His name is Wonderful  
 The Prince of Peace is He  
 He's the everlasting Father  
 Throughout eternity

Behold what manner of man is this  
 Who speaks to the lame and the halt  
 Behold thy sins are forgiven thee  
 Take up thy bed and walk  
 He stands as the mighty healer now  
 And say's "Look unto me"  
 Behold what manner of man is this  
 What manner of man is He

Behold what manner of man is this  
 Who spoke to the woman at well  
 Everlasting life I give to thee  
 Far richer than tongue can tell  
 And whosoever shall drink of this well  
 Shall live eternally"  
 Behold what manner of man is this  
 What manner of man is He

The spirit of the Lord is upon me now  
 To sound forth the warning call  
 Behold the Bridegroom cometh  
 Prepare ye one and all  
 He's coming in power and glory  
 To harvest the ripening grain  
 Behold the Bridegroom cometh  
 He's coming in the Latter Rain

**God's Eagles**

G

I lived in a world of sin and shame  
 That only caused me grief and pain  
 And I tried so hard to be free  
 Searching for my true identity  
 Didn't know I came from eternity  
 Until God came and revealed it to me

*CHORUS*

On the wings of a snow-white dove  
 God sent His pure sweet love  
 On the wings of a snow-white dove  
 To take His eagle home

I knew somehow I was born to fly  
 Way up in the sky  
 But somehow I couldn't  
 Set my wings free  
 But since that day I heard His voice  
 And made Him My heavenly choice  
 By His grace I can say I've been set free

Now behold what manner of love  
 The Father hath bestowed upon us  
 That we might be called  
 The sons of God  
 Wherever He bids us we will go  
 Wherever He leads us we will follow  
 'Cause whom the Son has set free  
 Is free indeed

**I Will Enter His Gates**

G

I will enter His gates  
 With thanksgiving in my heart  
 I will enter His courts with praise  
 I will say this is the day  
 That the Lord hath made  
 I will rejoice for He hath made me glad

He hath made me glad  
 He hath made me glad  
 I will rejoice for He hath made me glad  
 (Repeat)

**Kick Him Down**

E

Arise and shine  
 King Theophany has come  
 Let's hold to His unchanging hand  
 Praise the Lord, praise His name  
 And be garrisoned by prayer  
 Don't let the devil shake your confidence  
 Or in your heart put fear  
 Don't you hate your brother  
 That's the root of bitterness  
 We've got to walk in that way  
 Of holiness, of holiness

*CHORUS*

Kick him down, kick him down  
 Have the devil on the run  
 A son of God must not be trodden down  
 So kick that mamba down  
 (Repeat)

Cover your face, cover your feet  
 With reverence and humility  
 Let's go into action  
 With God-given ability  
 Stand flat-footed in your trials  
 Though they maybe sometimes mean  
 Always remember to call Jesus  
 On the scene  
 Remember everyday  
 To have the token on display  
 It's an act of love so follow that Dove  
 That snow-white Dove  
 That snow-white Dove

Unconquered by tradition  
 In this day we stand  
 Like Joshua and Caleb  
 We're going to take that land  
 But brother it won't be easy  
 It's not a flowery bed of ease  
 Remember that old devil  
 Will bring on a terrible squeeze  
 Don't let him have you blue  
 Wondering what you're gonna do  
 We're on that seventh peak  
 So we'll just speak, we'll just speak

**Give Me That Old Time Religion**

G

Give me that old time religion  
 Preach us that old time religion  
 Teach us that old time religion  
 It's good enough for me

Makes me love everybody  
 (Repeat 3 times)  
 It's good enough for me

It was good for God's prophet  
 (Repeat 3 times)  
 It's good enough for me

It will take us all to heaven  
 (Repeat 3 times)  
 It's good enough for me

It's the old time Holy Spirit  
 And the devil won't go near it  
 That's the reason people fear it  
 And it's good enough for me

It will make you stop your lying  
 It will save you when you're dying  
 It will send the devil flying  
 And it's good enough for me

It's so good I want no other  
 And it makes me love my brother  
 And it brings things  
 From under cover  
 And it's good enough for me

**Born, Born, Born Again**

Born, born, born again  
 Thank God I'm born again  
 Born, born, born again  
 Thank God I'm born again  
 Born of the water, spirit and the blood  
 Thank God I'm born again  
 Born of the water, spirit and the blood  
 Thank God I'm born again

**Arise, Let's Build Back Jerusalem** G

Your walls have been broken down  
 Oh Jerusalem  
 Your gates have been trodden down  
 And your temple in ruins  
 But how can I, how can I forget you  
 My Jerusalem  
 When you are My holy city  
 My city of truth  
 So that is why I sent  
 My servant (Nehemiah)  
 To strengthen your hands to rebuild  
 So with one tool in hand  
 The other with the sword  
 Let's build back Jerusalem

*CHORUS*

So arise, let's build back our Jerusalem  
 Just be strong and take courage  
 Lo, I'm your God who's with you  
 This work you're ordained to fulfill  
 So let us arise  
 And let's build back Jerusalem  
 Jerusalem, she must stand strong again  
 Oh Jerusalem  
 She must be restored again  
 Oh Jerusalem

The opposition's getting stronger  
 Everyday  
 To discourage us from building  
 The house of God  
 But God has already promised us  
 We'll have the victory  
 So let's not slacken our hands  
 But be determined to complete  
 For thy mountains  
 Shall become a plain (Zerubbabel)  
 Before thine eyes thou shalt see  
 So be not discouraged, just look to Him  
 Jerusalem shall stand complete

## (Bridge)

For behold the city, New Jerusalem  
 Coming down from heaven  
 Filled with the glory of God

**I Just Want To Take A Little Bit Time** G

The whole world's groping in darkness  
 But He gave us the light to see  
 (Repeat 3 times)  
 Imagine how He loves you and me

*CHORUS*

Amen, I just want to take  
 A little bit of time to shout  
 Glory, glory, glory  
 Lord I just want to take  
 A little bit of time to shout  
 Glory, glory, glory  
 Lord I just want to take  
 A little bit of time to shout  
 Glory, glory, glory  
 Glory, glory, glory to the Lord

Well you're working at this  
 And then you're running for that  
 It keeps you busy from morning till night  
 (Repeat 3 times)  
 How 'bout stopping right now  
 And praise the Lord with all of your might

Well I know we'll be shouting  
 On the hills of glory  
 Singing on the streets of gold  
 (Repeat 3 times)  
 So while the enemy's looking on  
 We're lifting praises  
 From our hearts below

Well we've got some loved ones  
 That are out in the world  
 We're praying that the Lord will save  
 (Repeat 3 times)  
 Believing He's the same to them  
 As to us today

Well the train's at the station  
 And it's pointed towards home  
 God's children getting ready to leave  
 (Repeat 3 times)  
 The engineer's blowing the whistle  
 People going only believe

**Such A Time**

G

Such a time like this  
 If I perish, I perish Lord but I must stand  
 Such a time like this  
 I'll execute my Lord's command  
 Such a time like this  
 I'm determined to face my responsibility  
 Such a time like this  
 Consecration I need for full authority  
 Oh Esther you were born a star to shine  
 In the darkness and for a sign  
 In such a time like this  
 You were born a star  
 To shine in the darkness and for a sign  
 In such a time like this  
 Such a time like this  
 Oh glorious time, such a time like this

Such a time like this  
 The Philistines are gathered  
 To make sport again  
 Such a time like this  
 A warrior's perfected in travail and pain  
 Such a time like this  
 The message must live Lord  
 And I must die  
 Such a time like this  
 Quickly Lord, avenge Your elect's cry  
 Oh Samson you were born  
 An instrument of vengeance  
 In My hand  
 For such a time like this  
 You were born an instrument  
 Of vengeance in My hand  
 For such a time like this  
 Such a time like this  
 Oh glorious time, such a time like this

Such a time like this  
 Wherever you go Lord, I will go  
 Such a time like this  
 My love for You will all men know  
 Such a time like this  
 I've chosen the hard way  
 With Your despised few  
 Such a time like this

I cherish the grace, I've found in You  
 Oh Ruth you were born  
 To reflect My life oh virtuous wife  
 In such a time like this  
 You were born  
 To reflect My life oh virtuous wife  
 In such a time like this  
 Oh glorious time, such a time like this

Such a time like this  
 The world is deceived  
 By the powers of darkness  
 Such a time like this  
 Let's be clothed upon  
 With God's righteousness  
 Such a time like this  
 The mysteries of God are made clear To  
 you and me  
 Such a time like this  
 We have the spirit of prophecy

Oh Esther you were born a star  
 To shine in the darkness and for a sign  
 In such a time like this  
 You were born an instrument  
 Of vengeance in My hand  
 For such a time like this  
 You were born  
 To reflect My life oh virtuous wife  
 In such a time like this  
 Such a time like this  
 Oh glorious time, such a time like this

**I Keep Falling In Love With Him**

G

I keep falling in love with Him  
 Over and over, over and over again  
 (Repeat)

He gets sweeter and sweeter  
 As the days go by  
 Oh what a love between my Lord and I  
 I keep falling in love with Him  
 Over and over, over and over again

**Going Back To The Faith**

E

La la la la la la la la la la  
(Repeat 2 times)

*CHORUS*

We're going back to the faith  
The faith of our forefathers  
We're going back to the faith  
Where we will die for eternal life  
We're going back to the faith  
Into the Garden of Eden  
We're going back to the faith  
Where we know we were predestinated  
Before the foundation of the world  
To walk by faith

This is the age  
That Malachi 4:5 is fulfilled  
God sent a prophet  
In this time for this age  
Despised and rejected by denomination  
But God had a people  
On the earth to hear His voice  
Out there I was in Egypt's land  
God called me out by His command  
The way He did with Abraham

This is the age of Laodicea  
Where men and women  
Fight for their rights, for their rights  
False doctrine and creeds  
Feel welcome in this world  
For this is the age  
Satan sits on his throne, on his throne  
Where Jezebel and her harlots celebrate  
Where many are drunken from the wine  
And this is the age where the mysteries  
Go back to the east  
Saints this is the age of the Gentile time  
Make sure you don't get left behind

We're going back to the faith  
Oh, of Abraham and Sarah  
We're going back to the faith  
Yes we are climbing Jacob's ladder

We're going back to the faith  
We're gonna stop the sun like Joshua  
We're going back to the faith  
And like Jesus walked on water  
We're going back to the faith  
We're going to translate like Elijah  
We're going back to the faith  
We're going back, we're going back  
We're going back to the faith  
We're gonna raise the sleeping saints  
We're going back to the faith  
Yes we will thank Him for His Grace  
We're going back to the faith  
We're going back, we're going back

**There Are****Some Things I May Not Know**

Bb

There are some things I may not know  
There are some places I can't go  
But I am sure of this one thing  
That God is real  
For I can feel Him deep within

*CHORUS*

Yes, God is real, He's real in my soul  
My God is real for He has cleansed  
And made me whole  
His love for me is like pure gold  
My God is real  
For I can feel Him in my soul

Some folk may doubt  
Some folk may scorn  
All can go on, and leave me alone  
But as for me, I'll take God's part  
And God is real  
For I can feel Him in my heart

I cannot tell just how you felt  
When Jesus took your sins away  
But since that day; yes, since that hour  
God has been real  
For I can feel His Holy power

**Let The Rain Come Down**

E

We are living in these last days  
 In a harassing and thirsty age  
 God sent Elijah His prophet again  
 That He might come and bring the rain

*CHORUS*

Let the rain come down  
 Let the thunder roll  
 Filling me up, letting me overflow  
 Till I can take no more  
 Filling me up, letting me overflow  
 Till I can take no more

When you are a seed of God  
 You've got to be planted  
 In the Word to die  
 Your body might decay  
 Here in the earth  
 But it will spring to life  
 With eternal growth

In these last days we are living in  
 We know that the life  
 Which is in us will spring again  
 As small as a mustard seed  
 Saints, it will grow  
 As big and wide  
 With branches flowing on the other side

I want the former and the latter rain  
 To rain on you  
 I want the former and the latter rain  
 To rain on me  
 (Repeat)

I want the rain to come and give me  
 Faith  
 I want the rain to come and give me  
 Virtue  
 Let the rain come and give me  
 Knowledge  
 I want the rain to come and give me  
 Temperance  
 Let the rain come and give me  
 Patience

I want the rain to come and give me  
 Godliness  
 Let the rain come and give me  
 Brotherly kindness  
 And Charity, that's the super  
 Anointing power to be seen in me

**It's Manifesting Time**

G

The voice of my Beloved  
 Behold He quickly comes  
 Sweeping over the mountains  
 Over the hills He runs  
 I long to hear His voice  
 I long to hear Him say  
 Arise My love, My fair one come away

*CHORUS*

It's manifesting time  
 The fruits are on the vine  
 And the lovely One  
 Is coming in plain view  
 Oh, to cap God's chosen Bride  
 Redemption draweth nigh  
 He's that lovely One  
 He's coming in plain view

The grapes are yours and mine  
 Little foxes spoil the vine  
 For the vineyard blossoms forth  
 Her harvest time  
 Keep your eyes on things above  
 Don't look at me or you  
 See that lovely One  
 He's coming in plain view

In the cleft of the Rock  
 In the secret place so high  
 Till the daybreak and the shadows  
 Flee away  
 Oh, in that mountain place  
 A sweet smell's coming through  
 He's that lovely One  
 He's coming in plain view

**He Abides**

Ab

I'm rejoicing night and day  
 As I walk the pilgrim way  
 For the hand of God in all my life I see  
 And the reason of my bliss  
 Yes, the secret all is this  
 That the Comforter abides with me

*CHORUS*

He abides, He abides  
 Hallelujah, He abides with me  
 I'm rejoicing night and day  
 As I walk the narrow way  
 For the Comforter abides with me

Once my heart was full of sin  
 Once I had no peace within  
 Till I heard how Jesus died upon the tree  
 Then I fell down at His feet  
 And there came a peace so sweet  
 Now the Comforter abides with me

He is with me everywhere  
 And He knows my every care  
 I'm as happy as a bird and just as free  
 For the Spirit has control  
 Jesus satisfies my soul  
 Since the Comforter abides with me

There's no thirsting for the things  
 Of the world, they've taken wings  
 Long ago I gave them up and instantly  
 All my night was turned to day  
 All my burdens rolled away  
 Now the Comforter abides with me

**There's A Beautiful Balm**

F

There's a beautiful balm  
 In Jesus my Lord  
 There's a beautiful balm for me  
 It can calm the troubled soul  
 It can make the wounded whole  
 There's a beautiful balm for me

**I Believe God**

F

I believe God, I believe God  
 Ask what you will and it shall be done  
 Trust and obey, believe it and say  
 I believe, I believe God

And if you want salvation now  
 And the Holy Ghost and power  
 Just trust and obey, believe it and say  
 I believe, I believe God

**We Are Heirs**

G

We are heirs of the Father  
 We are joint-heirs with the Son  
 We are people of His kingdom  
 We are family, we are one

We are washed  
 We are sanctified  
 We are cleansed by His blood  
 We are born of the Spirit  
 We are children of the Lord

We are members of His body  
 We are objects of His love  
 We're partakers of His holiness  
 We are citizens of heaven above

We're partakers of His suffering  
 We're partakers of His grace  
 We shall meet Him to be like Him  
 We shall see Him face to face

We are longing for His coming  
 We are looking to the skies  
 We are watching, we are waiting  
 We shall dwell with Him  
 We shall rise

We shall reign with Him forever  
 Men and angels shout and sing  
 For dominion has been given  
 To the family of the King

**Lest I Forget Gethsemane**

D

King of my life, I crown Thee now  
Thine shall the glory be  
Lest I forget Thy thorn-crowned brow  
Lead me to Calvary

*CHORUS*

Lest I forget Gethsemane  
Lest I forget Thine agony  
Lest I forget Thy love for me  
Lead me to Calvary

Show me the tomb  
Where Thou wast laid  
Tenderly mourned and wept  
Angels in robes of light arrayed  
Guarded Thee whilst Thou slept

Let me, like Mary through the gloom  
Come with a gift to Thee  
Show to me now the empty tomb  
Lead me to Calvary

May I be willing, Lord, to bear  
Daily my cross for Thee  
Even Thy cup of grief to share  
Thou hast borne all for me

Fill me, O Lord, with Thy desire  
For all who know not Thee  
Then touch my lips with holy fire  
To speak of Calvary

**From Glory To Glory**

Bb

From glory to glory He's changing me  
Changing me, changing me  
His likeness and image to perfect in me  
The love of God shown to the world

Changing, He's changing me  
From earthly things to the heavenly  
His likeness and image to perfect in me  
The love of God shown to the world

**Burn, Burn Holy Spirit**

F

Burn, burn Holy Spirit, burn in me  
Set my heart on fire

And God's full desire  
Make me like the Christ of old  
Healing and raising the dead  
Give me the power that Jesus had  
Through the blood that was shed

**Come And Dine**

C

Jesus has a table spread  
Where the saints of God are fed  
He invites His chosen people  
Come and dine  
With His manna He doth feed  
And supplies our every need  
Oh tis sweet to sup with Jesus  
All the time

*CHORUS*

Come and dine the Master calleth  
Come and dine  
You may feast at Jesus' table all the time  
He who fed the multitude  
Turned the water into wine  
To the hungry calleth now  
Come and dine

The disciples came to land  
Thus obeying Christ's command  
For the Master called to them  
Come and dine  
There they found their heart's desire  
Bread and fish upon the fire  
Thus He satisfies the hungry every time

Soon the Lamb will take His Bride  
To be ever at His side  
All the host of heaven will assembled be  
O twill be a glorious sight  
All the saints in spotless white  
And with Jesus they will feast eternally

 With great power from above

 We are the soldiers of the light  
 We don't wrestle with flesh and blood  
 But principalities of the dark  
 We too are marching to one beat  
 Crushing the enemy under our feet  
 We are mighty in our stand  
 With God's Word in our hand

Let us reach this generation  
 Every tribe and every nation  
 For we've overcome the world  
 By the blood of Christ the Lamb

 Is our sword and shield  
 The Lord our banner is all we need

 Will meet our needs

 Is our sword and shield  
 The Lord our banner  
 Will meet our needs

**One In A Million (The Challenge)**

C

It's a challenge to accept  
It's a faith to rise into  
It's a way I can show the world  
That Jesus Christ is true  
It's a life to live, a testimony blameless  
Living for Christ, standing every test

*CHORUS*

For we've got to prove  
We're one in a million  
We've got to show  
The power of the blood  
We've got to prove we're not like those  
From Satan's Eden  
And we've got to show that we're a people  
That this world isn't worthy of

True representatives of Christ  
In the field that you've been placed  
The joy of your life with Him  
Always glowing on your face  
Living humbly  
Following the ways He showed  
A true witness of Christ in this day

We are the ones who are going to stand  
And keep our testimonies clean  
In the midst of an unbelieving world  
We'll keep looking to the unseen  
To really know that we will overcome  
And receive His promise  
To sit on His throne

 Who lovingly guardeth my footsteps  
 And giveth me songs in the night

 And He saved my soul

*CHORUS*

Let your light shine in the night time  
 Let it shine, all day through  
 Let it shine, shine for Jesus  
 Let it shine, all day through

 To let the Lord shine through me  
 And if this light should shine on others  
 Then His spirit will surely set them free

Victory is mine, victory is mine  
 Victory today is mine  
 I told Satan, Get behind  
 Victory today is mine

When I rose this morning  
 I didn't have any doubt  
 I knew that the Lord  
 Would bring me out  
 So I got down on my knees  
 And said, Lord help me please  
 I got up praising  
 And shouting the victory

We'll give the glory to Jesus  
 And tell of His love  
 And tell of His love  
 We'll give the glory to Jesus  
 And tell of His wonderful love

**The Great Exodus** Fm

The Lord has called a great exodus  
 In this evil day  
 For He has promised in His Word  
 That a people must be changed  
 And taken away  
 Once again the token is required  
 Of every man  
 As the death angel moves swiftly  
 Throughout the land  
 For the plagues of Egypt are Throughout  
 the land  
 Gross darkness on the people  
 They don't understand  
 We are living in a time of mercy  
 Mercy and judgment  
 We are living in a time of mercy  
 Mercy and judgment

The mystery Cloud has shown  
 The Supreme Judge in our day  
 He'll judge and make war  
 With evil scientists  
 Who have despised His way  
 They are corrupting and  
 Destroying the earth  
 With Satan's wisdom  
 They've made it a time-bomb activated  
 For sure destruction  
 But rejoice you saints who sigh and cry  
 The Cloud has brought  
 Our redemption nigh  
 You shall leap over walls into  
 A new dimension  
 You shall leap over walls into  
 A new dimension

Volcanic lava shall spew forth  
 From the centre of the earth  
 A regeneration to a new civilisation  
 This earth shall give birth  
 But like Noah we shall be lifted above  
 The judgments again  
 When fire and hailstones  
 Fall from the skies like rain  
 For on the ashes of the wicked  
 The righteous shall stand  
 The meek of the earth shall inherit the land  
 Oh rejoice, you citizens of New Jerusalem  
 Oh rejoice, you citizens of New Jerusalem

Your Tormentors and oppressors You shall  
 Wee them no more  
 For the holy fire of God's wrath  
 Shall make your exodus sure  
 No more demons to disrupt  
 And pollute our atmosphere  
 God will purge the earth  
 The rivers of water shall be crystal clear  
 Edenic beauty shall cover the earth again  
 No more sickness, no more sorrows  
 No more pain  
 God and man, heaven and earth  
 Will be one again  
 God and man, heaven and earth  
 Will be one again

**Every Day With Jesus** G

Every day with Jesus  
 Is sweeter than the day before  
 Every passing moment  
 I love Him more and more  
 Jesus saves and keeps me  
 And He's the one I'm waiting for  
 Every day with Jesus  
 Is sweeter than the day before

Follow, I will follow Thee, my Lord  
 Follow every passing day  
 My tomorrows are all known to Thee  
 I will serve and follow Thee

**I've Been Redeemed By Love Divine**

---

I've been redeemed by love divine  
 Oh glory, glory, Christ is mine  
 All to Him I now resign  
 I have been, I have been redeemed

**Arise, Possess Your Inheritance** G

---

Entangled with heavy chains of captivity  
 Bruised and battered by sin  
 Condemned and sentenced  
 To a life of bondage  
 Oh God, there was no peace within  
 Then a sound was heard  
 It was like the abundance of rain  
 Saying, Rejoice  
 You have received the atonement  
 Accept the pardoning word  
 Which was provided for you  
 Because you're not of the bondwoman  
 You're of the free

*CHORUS*

Arise possess your inheritance  
 For this is the year of jubilee  
 Arise be not entangled  
 With the yoke of bondage  
 Understand the liberty  
 By which Christ set you free

Aren't you tired of living underprivileged  
 Saints don't you  
 Don't you hear that sound  
 Saying freedom to the captives  
 Restoration to the blind  
 Setting free those who are bruised  
 Saints, empty your vessels  
 And let Him fill them with oil  
 You are free, you are free, you are free  
 So when the creditor comes  
 To take away your land  
 Show him your account settled long ago  
 By Calvary's Lamb, and say  
 I am free, I am free, I am free

Now I can tell the world that I'm free  
 I have heard the trumpet sound, jubilee  
 Freedom from all burdens and sin  
 The Comforter has given me  
 Peace within  
 And whom the Son has set free  
 Is free indeed  
 And whom the Son has set free  
 Is free indeed  
 And whom the Son has set free  
 Is free indeed

**Have You Been To Jesus** G

---

Have you been to Jesus  
 For the cleansing power  
 Are you washed in the blood of the Lamb  
 Are you fully trusting in His grace this hour  
 Are you washed in the blood of the Lamb

*CHORUS*

Are you washed in the blood  
 In the soul-cleansing blood of the Lamb  
 Are your garments spotless  
 Are they white as snow  
 Are you washed in the blood of the Lamb

Are you walking daily by the Saviour's side  
 Are you washed in the blood of the Lamb  
 Do you rest each moment in the Crucified  
 Are you washed in the blood of the Lamb

When the Bridegroom cometh  
 Will your robes be white  
 Pure and white in the blood of the Lamb  
 Will your soul be ready  
 For the mansions bright  
 Are you washed in the blood of the Lamb

Lay aside the garments  
 That are stained by sin  
 And be washed in the blood of the Lamb  
 There's a fountain flowing  
 For the soul unclean  
 Oh be washed in the blood of the Lamb\_

**Just A Little Longer**

Ab

Just a little longer  
 And the trump of God shall sound  
 Just a little longer  
 And we'll all be glory bound  
 Look away to heaven  
 Your redemption draweth nigh  
 Just a little longer  
 And we'll meet Him in the sky

Just across the bridge  
 There'll be no sorrow  
 Just across the bridge there'll be no pain  
 God's sun is going to shine  
 Across the river  
 And we'll never be unhappy again

Ten thousand years  
 And we'll just be started  
 Ten thousand years  
 And we've just begun  
 When the battle is over  
 Sweet victory's won  
 Ten thousand years and  
 We've just begun

**97****I Feel Like Praising Him**

C

When I wake up in the morning  
 And think of the great things  
 God has done for me  
 In my heart there's such rejoicing  
 To think that a new day  
 Has dawned on me  
 For the glorious mysteries  
 In God's Word that He  
 Has allowed me to share  
 It is only an indication of His great love  
 And how much He cares

**CHORUS**

I feel like praising Him  
 I feel like praising Him  
 (Repeat)

Like unto Abraham He came  
 Down in this day unto me  
 Showing me things that were  
 And things that are, and things  
 Things that are to be  
 What has been hidden from the  
 Eyes of the wise and the prudent  
 He has revealed unto His own  
 A message of preparation  
 To take us to our eternal home

When I think I'm one in a million  
 Chosen by God  
 To stand in this evil day  
 It fills my heart with love  
 For the heavenly dove  
 Who has led me in God's provided way  
 I, who was dead in sins  
 And trespasses so wretched  
 So wretched and so vile  
 It took His amazing grace  
 To lift me to that place  
 He now calls me, calls me His Bride

When I see all hell extending  
 Her borders to swallow up humanity  
 I thank the One with the keys  
 Of death and hell who has opened  
 The prison door for me  
 He has changed my course  
 From the regions of the lost  
 That realm of insanity  
 By anointing my eyes with a heavenly vision  
 To behold and to live eternally

**98****Give Me Oil In My Lamp**

G

Give me oil in my lamp, keep me burning  
 Give me oil in my lamp, I pray  
 Give me oil in my lamp, keep me burning  
 Keep me burning till the break of day

Come on and sing hosannah, sing hosannah  
 Sing hosannah to the King of Kings  
 (Repeat)

**God's Not Dead, He's Alive**

F

God's not dead, He is alive  
 (Repeat 3 times)  
 I feel Him in my hands (clap, clap)  
 I feel Him in my feet (stamp, stamp)  
 I feel Him in my heart (thump, thump)  
 I feel Him all over me

Stand up and shout it  
 If you love my Jesus  
 Stand up and shout it  
 If you love my Lord  
 I want to know, I want to know  
 Do you love my Lord

100

**In The Beginning**

C

He had in his mind  
 Before the foundation  
 That He, the Lamb would be slain  
 To redeem His creation  
 (Oo oo oo )  
 He knew we had fallen  
 From our lofty heights of sin  
 So He had to come in flesh and die  
 To bring us back again  
 To Eden

*CHORUS*

In the beginning, before the beginning  
 The great Elohim had no origin  
 He had no father, no mother  
 The great Jehovah, our God

He came with a shout  
 Revealing His redemption  
 To call and claim His bride  
 From the powers of deception  
 (Oo oo oo )  
 So why should we doubt  
 That His words are in our mouths  
 For He has ordained  
 That we must prophesy again  
 To every nation

We have crossed back  
 The chasm to our lofty heights  
 By seven thundering voices  
 His great evening light  
 (Oo oo oo )  
 We'll be translated  
 To His heavenly domain  
 We'll sit with Him as priests and kings  
 We will reign with Him  
 Forever and ever, and ever

101

**Who I Am**

Bb

O glorious victory  
 That day He set me free  
 And made my heart His very throne  
 My life is no longer mine  
 I'm a prisoner of love divine  
 And now I live to praise His name

*CHORUS*

Who I am Lord, who I am  
 I can see now who I am  
 I'm a part of my Saviour  
 I'm a part of His Word  
 It's a revelation of who I am

On Calvary He died  
 To redeem His lost Bride  
 The King of kings became my Saviour  
 This is God's great mystery  
 Of love expressed to me  
 That Christ and I might be made one

102

**In The Name Of Jesus**

In the name of Jesus  
 There's power to set you free  
 In the name of Jesus  
 There's glorious victory  
 Over sin, disease and sickness  
 Power to walk in liberty  
 Thro' faith in His wonderful name

**Let God Arise**

Bb

Let God arise  
 Let the enemies be scattered  
 Let the righteous be glad  
 Let them rejoice before God  
 Let them rejoice

Make a joyful noise unto our God  
 All ye lands sing forth His honour  
 Of His name make His praises glorious  
 Let us rejoice, let us rejoice  
 Let us rejoice

**Rise And Shine**

Am

We left our past and pleasure  
 Realising never  
 Hidden treasure within our souls  
 That gene of God that was placed within  
 And at a time appointed  
 We were anointed  
 To believe this present Word  
 The only evidence that His life is within  
 Now justified we are free from sin

*CHORUS*

And we were born to rise and shine  
 For the Lord has come  
 We'll rise and shine  
 We're made to overcome  
 We'll rise and shine  
 For the Lord has come  
 We'll rise and shine like the stars above

By holding the vision  
 Before every decision  
 That's how we overcome  
 The Lord is having then  
 The pre-eminence  
 We'll trust Him ever  
 And doubt Him never  
 For the promises He has made  
 Realising there's no need to be afraid  
 For His Word can never fail

To suffer affliction was His confession  
 The scripture has foretold  
 We consider our trials  
 More precious than gold  
 Leaving these worldly pleasures  
 Far behind us  
 For greater riches we must now claim  
 Never mind the reproach  
 That we get for His name  
 Oh God's children won't be ashamed

Amidst this world's frustration  
 We have restoration  
 The earnest of the Promised Land  
 Only be thou courageous and strong  
 We have the hidden manna  
 Six barley measures  
 We're awaiting that final one  
 Our Lord won't rest till His work is done  
 We'll have the fullness of the Son

**I'm Gonna Stay Right  
 Under The Blood**

G

I'm gonna stay right under the blood  
 (Repeat 3 times)  
 Where the devil can do me no harm

No harm, no harm, no harm  
 (Repeat 3 times)  
 Where the devil can do me no harm

I'll walk the streets of heaven praising God  
 I'll walk the streets of heaven praising God  
 There's a light that I can see  
 I'm heading for  
 I'll walk the streets of heaven praising God

It's coming down, down, down  
 (Repeat)  
 The Spirit of the Lord is coming down  
 Oh when the saints begin to pray  
 Then the Lord will have His way  
 When the Spirit of the Lord is coming down

**He Gave Me Beauty For Ashes** F

He gave me beauty for ashes  
 The oil of joy for mourning  
 The garment of praise  
 For the spirit of heaviness  
 That we might  
 Be trees of righteousness  
 The planting of the Lord  
 That He might be glorified

**Ancient Of Days** A

I beheld in the courts of heaven  
 Where great treason was opposed  
 Michael fought the great red dragon  
 Who wanted to take control  
 Kicked out of heaven  
 With a third of the stars  
 Like lightning they fell to the earth  
 They mingled with the seed of men  
 And by deceit, they gained control  
 Until

*CHORUS*

The ancient of days did come  
 With experience, maturity and wisdom  
 The ancient of days has come  
 Restoring full dominion  
 The ancient of days did come  
 With experience, maturity and wisdom  
 The ancient of days did come  
 And we must overcome

## (Monologue)

I beheld this same dragon  
 On the earth was a dreadful beast  
 He plundered and devoured  
 Having the kings to bow at his feet  
 But, I beheld  
 Till the Prince of princes came  
 Great Michael, en morphe  
 As the bloody Lamb that was slain  
 He brought to us the victory  
 He is

I beheld this beast was wounded  
 But his deadly wound was healed  
 He cast down the truth, exalted a lie  
 Having the whole world to be deceived  
 I beheld till a mighty Angel came  
 With an open book in His hand  
 He gave me skill and wisdom  
 To understand  
 God's great mystery plan

## (Monologue)

I stood in the ranks of a great army  
 They were the saints of the most high God  
 We fought the dragon and overcame  
 By Michael's two-edged sword

## 108

**If The Same Spirit** C

If the same spirit  
 That raised Christ from the dead  
 Dwell in you, dwell in you  
 If the same spirit  
 That raised Christ from the dead  
 Dwell in you, dwell in you

It will quicken your mortal body  
 If that spirit dwell in you  
 It will quicken your mortal body  
 If that spirit dwell in you

## 109

**Cast Your Burdens Unto Jesus** F

Cast your burdens unto Jesus  
 For He cares for you  
 (Repeat)

Higher, higher , higher, higher, higher  
 Higher, higher lift Jesus higher  
 (Repeat)

Lower, lower, lower, lower, lower  
 Lower, lower tramp Satan lower  
 (Repeat)

**God Is So Good**

G

God is so good  
(Repeat 3 times)  
He is so good to me

He died for my sins  
(Repeat 3 times)  
He is so good to me

He set me free  
(Repeat 3 times)  
He is so good to me

God is so real  
(Repeat 3 times)  
He is so real to me

**111****I Shall Not Be Moved**

G

Jesus is my Saviour  
I shall not be moved  
In His love and favour  
I shall not be moved  
Just like a tree  
That's planted by the waters  
I shall not be moved

*CHORUS*

I shall, I shall  
I shall not be moved  
I shall, I shall  
I shall not be moved  
Just like a tree  
That's planted by the waters  
I shall not be moved

In my Christ abiding  
I shall not be moved  
In His love I'm hiding  
I shall not be moved  
Just like a tree  
That's planted by the waters  
I shall not be moved

If I trust Him ever  
I shall not be moved  
He will fail me never  
I shall not be moved  
Just like a tree  
That's planted by the waters  
I shall not be moved

On His Word I'm feeding  
I shall not be moved  
He's the one that's leading  
I shall not be moved  
Just like a tree  
That's planted by the waters  
I shall not be moved

Glory hallelujah  
I shall not be moved  
Anchored in Jehovah  
I shall not be moved  
Just like a tree  
That's planted by the waters  
I shall not be moved

In His love abiding  
I shall not be moved  
And in Him confiding  
I shall not be moved  
Just like a tree  
That's planted by the waters  
I shall not be moved

Though all hell assail me  
I shall not be moved  
Jesus will not fail me  
I shall not be moved  
Just like a tree  
That's planted by the waters  
I shall not be moved

Though the tempest rages  
I shall not be moved  
On the Rock of Ages  
I shall not be moved  
Just like a tree  
That's planted by the waters  
I shall not be moved

### I'm Bound, I'm Bound G

I'm bound, I'm bound for higher ground  
Ain't no devil gonna pull me down  
Glad to say I'm on my way  
I'm bound for higher ground

### Who Will Stand For The Lord G

Great is the calling for our day  
For reapers to work for the Lord  
The harvest is ripe  
But the labourers are few  
And the Lord is calling on you  
Let's trim our lamps  
Be on fire for the Lord  
For there's much work to be done  
The kingdom of God is at hand  
And I will glorify my Lord

#### *CHORUS*

Who will stand for the Lord  
Who will stand for the Lord  
My lamp needs trimming  
My bowl has need of oil  
Who will stand for the Lord

Your servant, Lord, Nehemiah  
He laboured to rebuild the wall  
Sanballet and Tobiah  
Are trying to hinder Your call  
But hear the prayers of  
The saints of God  
To see, Lord, true worship restored  
The labourers have gone before us  
And the gospel must be free

Surely the land we've trodden  
Under foot will be your inheritance  
Be not afraid of giants no, no, no  
When we serve the living God  
So who's this uncircumcised Philistine  
To such a man I do flee  
For just as my strength was then  
So now is my strength for war

But we will stand for the Lord  
We will stand for the Lord  
Our lamps need trimming  
Our bowls have the need of oil  
We will stand for the Lord

### Victory in Jesus F

I heard an old, old story  
How the Saviour came from glory  
How He gave His life on Calvary  
To save a wretch like me  
I heard about His groaning  
Of His precious blood's atoning  
Then I repented of my sins  
And won the victory

#### *CHORUS*

Oh, victory in Jesus  
My Saviour forever  
He sought me and He bought me  
With His redeeming blood  
He loved me, 'ere I knew Him  
And all my love is due Him  
He plunged me to victory  
Beneath the cleansing flood

I heard about His healing  
Of His cleansing power revealing  
How He made the lame to walk again  
And caused the blind to see  
And then I cried, 'Dear Jesus  
Come and heal my broken spirit'  
And somehow Jesus came and  
Brought to me the victory

I heard about a mansion  
He has built for me in glory  
And I heard about  
The streets of gold  
Beyond the crystal sea  
About the angels singing  
And the old redemption story  
And some sweet day  
I'll sing up there the song of victory

**There's Power In The Blood**

Bb

Would you be free  
 From your burden of sin  
 There's power in the blood  
 Power in the blood  
 Would you o'er evil a victory win  
 There's wonderful power in the blood

*CHORUS*

There is power, power  
 Wonder-working power  
 In the blood of the Lamb  
 There is power, power  
 Wonder-working power  
 In the precious blood of the Lamb

Would you be free  
 From your passion and pride  
 There's power in the blood  
 Power in the blood  
 Come for a cleansing to Calvary's tide  
 There's wonderful power in the blood

Would you be whiter  
 Much whiter than snow  
 There's power in the blood  
 Power in the blood  
 Sin's stains are washed  
 In its life-giving flow  
 There's wonderful power in the blood

Would you do service for Jesus our King  
 There's power in the blood  
 Power in the blood  
 Would you live daily His praises to sing  
 There's wonderful power in the blood

**Nobody But You Lord**

F

Nobody but You Lord, nobody but You  
 Can keep me happy, can keep me true  
 All through life's journey  
 Who'll carry me through  
 Nobody but You Lord, nobody but You

**Unity Of The One God**

F

The unity of the one God in the one church  
 United by one language  
 United under one headship  
 Together we are building the New Jerusalem  
 Together we shall see this city  
 Come to its completion

**When The Redeemed Are Gathering In**

F

I am thinking of the rapture  
 In our blessed home on high  
 When the redeemed are gathering in  
 How we'll raise the heavenly anthem  
 In that city in the sky  
 When the redeemed are gathering in

*CHORUS*

When the redeemed are gathering in  
 Washed like snow and free from all sin  
 How we'll shout and how we'll sing  
 When the redeemed are gathering in

There will be a great procession  
 Over on the streets of gold  
 When the redeemed are gathering in  
 Oh what music, oh what singing  
 O'er the city will be rolled  
 When the redeemed are gathering in

Saints will sing redemption's story  
 With their voices clear and strong  
 When the redeemed are gathering in  
 Then the angels all will listen  
 For they cannot join that song  
 When the redeemed are gathering in

Then the Saviour will give orders  
 To prepare the banquet board  
 When the redeemed are gathering in  
 And we'll hear His invitation  
 Come, ye blessed of the Lord  
 When the redeemed are gathering in

**Praise Him, Praise Him**

G

Praise Him, praise Him  
 Praise Him in the morning  
 Praise Him in the end time  
 Praise Him, praise Him  
 Praise Him when the sun goes down

Love Him, love Him  
 Love Him in the morning  
 Love Him in the end time  
 Love Him, love Him  
 Love Him when the sun goes down

Worship, worship  
 Worship in the morning  
 Worship in the end time  
 Worship, worship  
 Worship when the sun goes down

I love the old time singing, shouting  
 I love the old time way  
 I love the old time singing, shouting  
 Preaching, praying  
 I love the old time way

I'll talk about my Saviour  
 Everywhere I go  
 Everywhere I go, everywhere I go  
 I'll talk about my Saviour  
 Everywhere I go  
 Singing joy, joy, joy to my soul

My burdens have rolled away  
 My burdens have rolled away  
 I'm at the feet of Jesus  
 He heals all diseases  
 My burdens have rolled away

**Every Promise In The Book**

F

Every promise in the book is mine  
 Every chapter, every verse, every line  
 I am trusting in His love divine  
 Every promise in the book is mine

**Oh I Want To See Him**

G

As I journey through the land  
 Singing as I go  
 Pointing souls to Calvary  
 To the crimson flow  
 Many arrows pierce my soul  
 From without, within  
 But my Lord leads me on  
 Through Him I must win

*CHORUS*

Oh I want to see Him  
 Look upon His face  
 There to sing forever  
 Of His saving grace  
 On the streets of Glory  
 Let me lift my voice  
 Cares all past, home at last  
 Ever to rejoice

When in service for my Lord  
 Dark may be the night  
 But I'll cling more close to Him  
 He will give me light  
 Satan's snares may vex my soul  
 Turn my thoughts aside  
 But my Lord goes ahead  
 Leads whate'er betide

When in valleys low I look  
 Toward the mountain height  
 And behold my Saviour there  
 Leading in the fight  
 With a tender hand outstretched  
 Toward the valley low  
 Guiding me, I can see  
 As I onward go

When before me billows rise  
 From the mighty deep  
 Then my Lord directs my barque  
 He doth safely keep  
 And He leads me gently on  
 Through this world below  
 He's a real Friend to me  
 Oh I love Him so

**Fire, Fire, Fire**

F

Fire, fire, fire, fire fell on me  
 Fire, fire, fire, fire fell on me  
 On the day of Pentecost  
 Fire fell on me  
 On the day of Pentecost  
 Fire fell on me

**123****Changing Robes**

G

Have faith don't worry now  
 Everything's gonna be alright  
 This mortal shall put on immortality  
 We'll no longer be earth-bound  
 But we'll be heaven bound  
 We'll slip from time into eternity  
 That's why

*CHORUS*

I'm laying aside the old man  
 Putting on the new man  
 I'm changing robes  
 For another dimension  
 (Repeat)

I'm making all my wrongs right  
 Got to have my lamp trimmed  
 And my fire burning so bright  
 You see, I don't want no trouble  
 Down by the river  
 I want to be ready to cross on over

I've heard the Bridegroom call  
 And I've received my invitation  
 This robe is so snowy white  
 It fits me just right, because it was  
 Furnished by the Bridegroom  
 Now is set before me an open door  
 To the wedding supper

## (Bridge)

The shout was heard  
 We're in the voice now  
 And very soon the trumpet shall sound

Now I'm ascending into a higher order  
 Far above all principalities and Powers  
 Far above corruption into incorruption  
 Far above mortal into immortality

**124****Mine Eyes Have Seen The Glory**

Bb

Mine eyes have seen the glory  
 Of the coming of the Lord  
 He is tramping out the vintage  
 Where the grapes of wrath are stored  
 He hath loosed the fateful lightning  
 Of His terrible swift sword  
 His truth is marching on

*CHORUS*

Glory! Glory, hallelujah  
 Glory! Glory, hallelujah  
 Glory! Glory, hallelujah  
 His truth is marching on

I have seen Him in the watch fires  
 Of a hundred circling camps  
 They have builded Him an altar  
 In the evening dews and damps  
 I can read His righteous sentence  
 By the dim and flaring lamps  
 His day is marching on

He has sounded forth the trumpet  
 That shall never sound retreat  
 He is sifting out the hearts of men  
 Before His judgment seat  
 Oh be swift, my soul to answer Him  
 Be jubilant, my feet  
 Our God is marching on

In the beauty of the lilies  
 Christ was born across the sea  
 With a glory in His bosom  
 That transfigures you and me  
 As He died to make men holy  
 Let us die to make men free  
 While God is marching on

125

**Praise Adonai** Am

---

Who is like Him the Lion and the Lamb  
Seated on the throne  
Mountains bow down every ocean roars  
To the Lord of hosts

Praise Adonai from the rising of the sun  
To the end of every day  
Praise Adonai all the nations of the earth  
All the angels and the saints  
Sing praise

126

**We Are Able To Go Up** G

---

We are able to go up  
And take the country  
To possess the land  
From Jordan to the sea  
Though the giants may be there  
Our way to hinder  
God will surely give the victory

Sons of God, march forward  
In the power of the Saviour's name  
Sons of God march forward  
For Jesus is ever the same  
Sons of God march forward  
We are more than conquerors  
In His name  
Sons of God march forward  
In the power of the Saviour's name

127

**Blessed Are You** F

---

Like the hart pursued by his evil foe  
He knows well to stay near that brook  
Where living waters flow  
So panteth my soul  
After You, the living Word  
I know well to stay near that river  
Where living waters flow

CHORUS

Blessed are you who hunger and thirst  
After righteousness  
Blessed are you for you shall be filled  
Blessed are you  
When men persecute you  
For My name's sake, you see  
Blessed are you, blessed are you  
Blessed are you

Where there's a deep  
There is a deep to respond  
For unto this end were you born  
To be a child of God  
A child of I Am  
Know that the great I Am  
Now dwelleth in you  
And through you He'll display  
He's just as great today  
As He was yesterday

In the midst of the night  
We saw an amber-coloured light  
That light of yellowish - green  
Is Jesus on the scene  
Come to lead His elected genes  
Beyond the riven veil  
On peaceful waters the ship now sails  
No more tossed to and fro  
By stormy winds that blow  
He has anchored our soul

128

**I Lift Up Mine Eyes** G

---

I lift up mine eyes (I lift up mine eyes)  
I lift up my cry (I lift up my cry)  
To the hills around Jerusalem  
To the God of all the earth  
I lift up mine eyes, I lift up mine eyes

Who is our helper, the Lord of heaven  
He will deliver, God of all the earth  
Who will preserve us  
The mighty God will save  
He will deliver, God of all the earth

**I Was Glad When They Said To Me** F

I was glad when they said to me  
 Come to the house of the Lord  
 Standing here in Your gates again  
 Up to Jerusalem, up to Jerusalem  
 Up to Jerusalem

Jerusalem peace, Adonai Sasha Lord  
 Blessings be yours  
 God's peace within your walls  
 City of praise  
 Where the tribes shout, Halum  
 We lift our voice to the God of Israel

**130****Lord We Are Your People** G

Oh Lord we are Your people  
 Chosen by Your grace  
 You took us from the heathen  
 To be a super race  
 And as the children of the King of kings  
 We have all reason to shout and sing  
 You've given us joy, joy, joy  
 (Repeat)

If you should mark iniquity  
 Which of us could stand  
 How could we get through this life  
 Without Your guiding hand  
 So Lord we ask You forgive our failures  
 And deliver us from temptation  
 And make us strong, strong, strong  
 (Repeat)

We know we're not deserving  
 Of all Your graciousness  
 We know we fail You daily  
 And sometimes misbehave  
 But Lord we love You  
 We want to serve You  
 Yes Lord we need You  
 And we believe You  
 Will help us overcome  
 (Repeat)

Oh yes You have redeemed us  
 By Your precious blood  
 Your power brought deliverance  
 When Satan came like a flood  
 And Lord we see You strong in battle  
 Yes Lord we see You  
 Breaking the shackles  
 And giving us joy, joy, joy  
 And make us strong, strong, strong  
 Will help us overcome  
 And giving us joy, joy, joy

**131****No Turning Back** C

I have decided to follow Jesus  
 (Repeat 3 times)  
 No turning back, no turning back

The cross before me, the world behind me  
 (Repeat 3 times)  
 No turning back, no turning back

Take this whole world but give me Jesus  
 (Repeat 3 times)  
 I won't turn back, I won't turn back

I have started for the Kingdom  
 (Repeat 3 times)  
 I won't turn back, I won't turn back

Though none go with me, still will I follow  
 (Repeat 3 times)  
 No turning back, no turning back

**132****Is Everybody Happy** Eb

Is everybody happy, is everybody glad  
 I don't want to see you looking weary  
 I don't want to see you looking sad  
 I just want to see you keep on smiling  
 For Jesus is at the door  
 So keep on shouting hallelujah  
 Till we meet on the golden shore

**J-O-Y, Joy**

G

J-O-Y, joy, joy in the Holy Ghost  
 J-O-Y, joy, joy in the Lord  
 (Repeat)

Don't let nobody steal your joy  
 (Repeat 3 times)  
 Joy in the Lord

I won't let nobody steal my joy  
 (Repeat 3 times)  
 Joy in the Lord

**134****Spirit Sons**

F

Elohim this is what I see  
 The blood-washed saints of God  
 Elohim's attributes  
 Expressed in flesh again

*CHORUS*

Everybody now  
 Spirit sons of a spirit God  
 Living in a fleshly body  
 We came from God  
 We go back to God  
 To live eternally

(Sing this song now)

Spirit daughters of a spirit God  
 Living in a fleshly body  
 We came from God  
 We go back to God  
 To live eternally

Not just an ordinary housewife  
 Not just an ordinary teacher  
 Not just an ordinary carpenter  
 Or an ordinary cleaner  
 But through our lives and occupations  
 God has revealed to us  
 Our eternal destination  
 In the home of the church

What achievement in this day  
 Is to take a people  
 Up from this earth into heaven  
 To sup around His table  
 And as we partake of the tree of life  
 We are adding to our faith, virtue  
 Knowledge, temperance  
 Patience, godliness  
 And brotherly kindness

**135****Blow The Trumpet In Zion**

Cm

Blow the trumpet in Zion, Zion  
 Sound the alarm on My holy mountain  
 Blow the trumpet in Zion, Zion  
 Sound the alarm  
 (Repeat)

They rush in the city, they run on the walls  
 Great is the army that carries out His word  
 (Repeat)

The Lord utters His voice before His army  
 (Repeat)

**136****Walking In The Light**

G

It's a great day to serve the Lord  
 (Repeat 3 times)  
 Walking in the light of the Lord

*CHORUS*

Walk, walk, walk, walk in the light  
 (Repeat 3 times)  
 Walking in the light of the Lord

It's a great day to love the Lord  
 (Repeat 3 times)  
 Walking in the light of the Lord

It's a great day to praise the Lord  
 (Repeat 3 times)  
 Walking in the light of the Lord

**Living Epistles**

G

We are eyewitnesses of His Majesty  
 We have seen the Lord  
 Fulfilling His Word  
 And we know we are Gods' characters  
 In this great symphony  
 As we act on the things  
 That we have seen and we have heard

*CHORUS*

How else can we live  
 Forever praising Him  
 For we are living epistles  
 Read of all men  
 You are to me  
 Almighty God in flesh again  
 That's who we are  
 Living epistles, read of all men  
 You are to me  
 Almighty God in flesh again

We've been made a spectacle  
 To this world today  
 The life of Jesus being on display  
 Our resurrected Christ  
 Awaken Jesus to the scene again  
 As He glorifies His name once again  
 In His children

Let's press on daily  
 With the Kings' sword in our hand  
 Defeating the enemy on every hand  
 So ride on Thy Majesty  
 To Thy rightful place  
 On the throne of our hearts  
 Of this kingdom, He rose us up  
 To be a part

We know that today  
 The Word is in the Bride  
 It's Jesus again on His second ride  
 Let's bring our King, our rejected King  
 A cool fresh drink  
 By living worthy of this gospel  
 We worship Him

**Live Right**

G

Blessed is the man  
 Whom the Lord will find  
 Doing His perfect will, all the time  
 Though mortal strength faileth  
 He's not weary yet  
 His labours of love  
 The Lord will never forget

*CHORUS*

We've got to live right everyday  
 Cause Jesus may come now  
 Just any day

Blessed are your eyes  
 For the things that they see  
 Many prophets of old  
 Have enquired diligently  
 For no more darkly do we see  
 But face to face  
 So lift your hands and praise the Lord  
 For amazing grace

Blessed are your ears  
 For the things that they hear  
 Many uncertain sounds are everywhere  
 For the gospel trumpet  
 Sounded sweet jubilee  
 Lift your hands and praise the Lord  
 Who has set you free

Gird up your loins  
 You mighty men of war  
 Full obedience to God's Word  
 And victory is sure  
 For perfect faith is strong  
 And knows no defeat  
 For the god of this world  
 Must wriggle under our feet

Punish with vengeance all iniquity  
 By confessing your faults with sincerity  
 You must say  
 Satan you have no place in me  
 Let the royal vesture be now put on me

**Blessed Be The Name Of My Rock** C

Blessed be the name of my Rock  
 Who trains my hands for war  
 Causes me to walk in overcoming  
 Power forevermore  
 Blessed be the name of my Rock  
 Blessed be the name of my Shield  
 Blessed be the Lamb  
 Who's opened the scroll  
 And loosed the Seven Seals

If you're happy and you know it  
 Say Amen (Amen)  
 (Repeat)  
 If you're happy and you know it  
 Then your life will surely show it  
 If you're happy and you know it  
 Say Amen

If you're happy and you know it

 If you're happy and you know it  
 Clap your hands

If you're happy and you know it  
 Stamp your feet (Stamp, stamp)

 If you're happy and you know it  
 Stamp your feet

If you're happy and you know it  
 Come to church  
 (Repeat)

If you're happy and you know it  
 Then your life will surely show it  
 If you're happy and you know it  
 Come to church

If you're happy and you know it  
 Do all four (Amen, clap, clap  
 Stamp, stamp Come to church)  
 (Repeat)  
 If you're happy and you know it  
 Then your life will surely show it  
 If you're happy and you know it  
 Do all four

**There's Going To Be  
A Meeting In The Air** C

There's going to be a meeting in the air  
 In the sweet, sweet by and by  
 And oh I long to meet you over there  
 Away beyond the sky  
 Such singing we will hear  
 Never heard by mortal ear  
 Twill be glorious I do declare  
 And God's own Son will be the leading One  
 In that meeting in the air

**Where Could I Go**

F

Living below in this old sinful world  
 Hardly a comfort can afford  
 Striving alone to face temptations sore  
 Where could I go but to the Lord

*CHORUS*

Where could I go Where could I go  
 Seeking a refuge for my soul  
 Needing a friend to help me in the end  
 Where could I go, but to the Lord

Neighbours are kind  
 I love them everyone  
 We get along in sweet accord  
 But when my soul  
 Needs manna from above  
 Where could I go, but to the Lord

Life here is grand with friends  
 I love so dear  
 Comfort I get from God's own Word  
 Yet when I face  
 The chilling hand of death  
 Where could I go, but to the Lord

**The Steps Of A Good Man**

F

The steps of a good man  
 Are ordered by the Lord  
 And he delighteth in His way  
 Though he fall, though he fall  
 He shall not be cast down  
 For the Lord upholdeth him  
 With His hand

With His hand, with His hand  
 For the Lord upholdeth him  
 With His hand  
 Though he fall, though he fall  
 He shall not be cast down  
 For the Lord upholdeth him  
 With His hand

**There's A River Of Life**

G

There's a river of life

 Sets the captives free  
 There's a river of life  
 Flowing out from me

**I'll Say Yes**

 Sweet honey in the rock  
 For He tastes like honey in the rock  
 Oh taste and see, that the Lord is good  
 For He tastes like honey in the rock

**I Am One Of The Few** Bb

I am one of the few, one of the few  
 And by faith in God's word I can claim it  
 Though the way may seem long  
 Though the opposition is strong  
 For the Bride there's a way provided

If I plan to go through  
 Just to hope will not do  
 I must be firmly decided  
 To follow the Lord by obeying His Word  
 And believe that I'm one of the few

## 150

**I'm A New Creation** C

 Old things are passed away

Like you came, in Jesus Name

By the power of the Holy Ghost

Deep inside of me  
As I look into the mirror  
I know it's Him I see

**All Heavens Declare**

D

All heavens declare  
The glory of the risen Lord  
Who can compare  
With the beauty of the Lord  
Forever He will be  
The Lamb upon the throne  
And I'll gladly bend my knees  
To worship You alone

I will proclaim  
The glory of the risen Lamb  
Who once was slain  
To reconcile man to God  
Forever He will be  
The Lamb upon the throne  
And I'll gladly bend my knees  
To worship You alone

Father in heaven how we love You  
We lift Your name in all the earth  
May Your kingdom be established  
In our praises  
May Your people  
Declare Your mighty Word

Who reigns forever more

**170****He That Dwelleth  
In The Secret Place**

D

He that dwelleth in the secret place  
Of the most High  
Shall abide under  
The shadow of the Almighty

And I will say of the Lord  
He is my refuge, my fortress  
And my God  
In Him will I trust

**Oh He's A Wonder**

C

Oh He's a wonder, this Christ within  
Oh He's a wonder, this Christ within  
He makes my eyes to see  
He gives me liberty  
Oh He's a wonder, this Christ within

And He's so wonderful, this Christ within  
And He's so wonderful, this Christ within  
He makes the storms to cease  
He is my Prince of Peace  
For He's so wonderful, this Christ within

**172****Be My Guide**

F

Like the prophet in the woods  
I thought I couldn't be lost  
And I tried so hard to prove my point  
Until You came and showed me  
That I could not lead the way  
Then I humbly bent my knees  
And I confessed that I couldn't find my way

*CHORUS*

Be my guide Lord, You lead the way  
For I am lost and I can't find my home  
It was my selfish pride that kept me From  
holding to Your hand  
Lord please lead me all the way

When I confessed my condition  
The Holy Ghost came  
And He led the path  
For me to walk along  
And still today I am following  
In the footprints in the sand  
Lord please take me all the way

Now if you met a light  
That is showing you the way  
And leading you through  
From faith unto faith  
Never ever one time desire to depart  
Vow that you'll always say

**I Will Keep You**

G

Temptations great  
 But the Lord has given us faith  
 To overcome, the battle's won  
 Depends on how you see yourself From day  
 to day  
 Full of guilt, condemnations and shame  
 But God don't see you that way  
 You just have to confess to him  
 He'll never leave you  
 He'll stay with you all the way

*CHORUS*

I will keep you in your times of trouble  
 I will keep you in your times of need  
 I will keep you for I'm your refuge  
 I will keep you for you are part of me

Keep your eyes on the prize  
 Refuse to compromise  
 It won't be long for this final ride  
 Rise up and complete the work  
 That He's bestowed on you  
 And just forget what you're going through  
 You just do his work and he'll do yours  
 We're fighting a battle, fighting a cause  
 To get all the souls that we have to find  
 God's determined  
 Not one hope will be left behind  
 God's determined  
 Not one hope will be left behind

Lord at these junctions  
 Lord how we need more of your unction  
 To function the way you want us to  
 As prophesied, the bride of Christ  
 Will know what God wants  
 Done to fulfill this word, this eternal truth  
 For we are the mystery being revealed  
 The Seven Seals of our lives  
 Are no longer sealed  
 We are the word made plain Manifested in  
 flesh again  
 We are the word made plain Manifested in  
 flesh again

**Strengthen My Hands For War**

G

*CHORUS*

Strengthen my hands for war  
 I want to be an overcomer  
 Strengthen my hands for war  
 I want to fulfil this word with power

For though two hundred  
 Million is gathered against me  
 In this I'll be confident  
 If God before me  
 Tell me who could be against me  
 For they are more with us than with them

For there remaineth  
 Much land yet to be possessed  
 Many promises to be fulfill  
 Can't let circumstances  
 Or conditions get us down  
 For we must fulfill his will

For the mark of this age is perfection  
 And to miss that mark saints is sin  
 For Alpha must become Omega  
 The word made flesh again

For we know that walls  
 Will be built in troublous times  
 In a time of scoffers and mockers  
 But we are determined  
 That the House of God will live again  
 Heavenly Jerusalem

**Give Thanks With A Grateful Heart**

G

Give thanks, with a grateful heart  
 Give thanks to the Holy One  
 Give thanks for He has given  
 Jesus Christ His son

And now, let the weak say I am strong  
 Let the poor say I am rich  
 Because of what the Lord has done for us  
 Give thanks

**Never Grow Old**

D

I have heard of a land  
 On a far away strand  
 Tis a beautiful home of the soul  
 Built by Jesus on high  
 There we never shall die  
 Tis a land where  
 We'll never grow old

*CHORUS*

Never grow old, never grow old  
 In a land where we'll never grow old  
 Never grow old, never grow old  
 In a land where we'll never grow old

In that beautiful home  
 Where we'll never more roam  
 We shall be in the sweet by and by  
 Happy praise to the King  
 Through eternity ring  
 Tis a land where we never shall die

When our work here is done  
 And our life crown is won  
 And our troubles and trials are o'er  
 All our sorrows will end  
 And our voices will blend  
 With the loved ones  
 Who've gone on before

**Thou Art Worthy**

Bb

Thou art worthy, thou art worthy  
 Thou art worthy oh Lord  
 To receive glory, glory and honour  
 Glory and honour and power

For Thou hast created  
 Hast all things created  
 Thou hast created all things  
 And for Thy pleasure  
 They are created  
 Thou art worthy oh Lord

**I Want To Go**

Em/Am

A burning desire in me, to be more like thee  
 Is growing stronger everyday  
 I'm burdened in my soul  
 Perfection is my goal  
 To walk with You in perfect harmony

*CHORUS*

I want to go where you want me to  
 Send me Lord to do the things You do  
 My Lord, I want to go  
 I want to feel Your presence near  
 Perfect love, casting out all fears  
 My Lord, I want to feel

You've taken away my shame  
 Given me a part of Your name  
 Set Your holy seal upon me  
 I'm thankful for Your grace  
 You've made me a winner in life's race  
 Now I give myself to You unreservedly

I'm casting my reasoning down  
 Listening for that certain sound  
 That still small voice deep in my soul  
 To lead me where I should go  
 Perfect will to daily know  
 That unto You my works be fulfilled

Let Your anointing flow  
 Keeping my light aglow  
 Amidst this world of darkness  
 Sin and shame  
 Keep pouring Your latter rain  
 Faith to use Your power again  
 That I may return to You  
 From whence I came

I want to go to that place  
 Prepared for me  
 Oh, that mansion, my theophany  
 My Lord, I want to go  
 I want to feel greater realities  
 Perfect love throughout eternity  
 My Lord, I want to feel

**Oh, Tell Me**

F

The earth is like a woman ravaged by men  
 Seeds of corruption have been sown  
 Throughout her land  
 But the harvest time has come  
 The Master's sickle is in his hand  
 To pluck up and destroy  
 All the evil works of men

Oh tell me, of a new civilization  
 Oh tell me, of my journey back to Eden  
 Oh tell me, of Boaz and redemption  
 Oh tell me, of a virtuous woman  
 God's Bride

Like a woman in travail  
 The earth groans under iniquity  
 Science has ravished her virtues  
 To produce lying vanities  
 Her birth pains are increasing  
 The signs are clear to see  
 Earthquakes are in divers places  
 Volcanoes erupting suddenly

Oh tell me, of a glorious resurrection  
 Oh tell me, the desert shall bloom  
 Like a rose  
 Oh tell me, of the wonderful millennium  
 Oh tell me, of glorious Mt. Zion  
 My future home

Like a woman that's perverted  
 Sin has stripped her to her hair  
 Man has cut down all her forests  
 She's almost naked everywhere  
 She's polluted in her rivers  
 The land, the air and sea  
 She must burn with the holy fire of God  
 To restore her purity

But tell me  
 What's under those seven trumpets  
 Oh tell me, of God's three-fold mystery  
 Oh tell me, of the greatest love story  
 Oh tell me, about a man called Jesus  
 Who died for me

Oh tell me, where will I go  
 When the fire starts burning  
 Oh tell me, about my theophany  
 Oh tell me, of the great wedding super  
 Oh tell me, of my Lord  
 Who's yet a little higher  
 My eyes shall see

Oh tell me  
 What's under those 7 trumpets  
 Oh tell me, that the cycle has returned  
 Oh tell me, why it had to be  
 Little shepherds  
 Oh tell me, of the inside life with Jesus  
 Who died for me

Oh tell me  
 That my troubles have all gone  
 Oh tell me, that it's only six inches long  
 Oh tell me, of the Catalina Mountains  
 Oh tell me, the 7th dove has descended  
 To lead me home

**Hallowed Be Your Name**

Eb

Holy, holy, Lord You're worthy  
 And I'm honoured  
 To sing Your praise  
 King of glory, God almighty  
 Hallowed be Your name  
 Hallowed be Your name

*CHORUS*

Hallowed be Your name  
 Hallowed be Your name  
 Hallowed be Your name  
 Lord and Majesty  
 Divine authority  
 Hallowed be Your name

All creation, every nation  
 Has its being by Your Word  
 As it is done up in heaven  
 Let it be done here on earth  
 Let it be done here on earth

**I Love You Lord**

G

I love You Lord and I lift my voice  
To worship You  
Oh my soul rejoice  
Take joy my King in what You hear  
Let it be a sweet, sweet sound  
In Your ear

**Soldier**

Eb

Soldier, standing on the battle line  
Finding comfort  
In the water and the wine  
Your armour still so shiny and so new  
Yet you're dirty, worn and tired  
From the battles you've been through

Soldier, keep your eyes straight ahead  
Help the wounded and though it hurts  
You leave the dead  
Keep your weapons and your spirit  
At the ready all the time  
Be of courage and conviction  
Hit the mark, toe the line

*CHORUS*

And tonight when all the lights go out  
You lie down to rest  
Know that I'm proud of you  
And I know you've done your best  
Let me give you peace  
Let me hold you for a while  
Oh yes, you are a mighty warrior  
But don't forget, don't forget  
You're still My child

Soldier, standing on the battle line  
Finding comfort  
In My water and the wine  
Know I am with you  
While the world keeps a-charging in  
And I'll be with you  
I'll see you through to the very end

Soldier, keep my flag flying high  
Don't let it fall in battle  
Or be stolen in the night  
And above all else dear soldier  
Don't you lose your battle cry  
'Cause My army's fighting with you  
And I'm standing by your side

A mighty warrior, You're still My child  
Commissioned warrior, You're still My child  
Keep drinking warrior, You're still My child  
Take courage warrior, You're still My child  
My chosen warrior  
Oh yes, you are a mighty warrior  
But don't forget, don't forget  
You're still My child

**Amazing Grace****(He Looked Beyond My Fault)**

C

Amazing grace shall always be  
My song of praise  
For it was grace that bought my liberty  
I do not know just why He came  
To love me so  
He looked beyond my faults  
And saw my need

*CHORUS*

I shall forever lift mine eyes to Calvary  
To view the cross  
Where Jesus died for me  
How marvelous the grace  
That caught my falling soul  
He looked beyond my faults  
And saw my needs

It was God's grace  
That brought me out of darkness  
And to the light where I can clearly see  
I'll shout it from  
The mountains and the valleys  
He looked beyond my faults  
And saw my needs

184

**God Is Moving**

F

God is moving by His spirit  
Moving through all the earth  
Signs and wonders  
When God moveth  
Move, oh Lord, in me

185

**Just Once More**

Spiritually stripped, morally broken  
With his eyes plucked out  
Here stands a man with all of his stature  
But with no power in his life  
Raised up by God and given power  
To put to flight the armies of the enemy  
But gave away all of his secrets  
Was now bound and in captivity

In the book of His remembrance  
Were all the great victories He had won  
But realised in his present condition  
From deep down inside this cry began

*CHORUS*

Just once more Lord (Repeat)  
So we can feel the spirit  
Moving once again  
Just once more Lord  
Just once more Lord (Repeat)  
So we can feel Your power  
Moving once again  
Just once more Lord

Repenting of all mistakes and failures  
Praying in his heart Lord let me die  
Not considering what it would cost him  
Should God hear and would  
Answer his sincere cry  
For he could feel his locks had grown out  
And he was thinking is there a possibility  
Of the power of God coming back  
Began to cry more earnestly  
Inaugurated at Pentecost  
Signs and wonders

Manifestations of the name  
But then at the council of Nicea  
The early church had its locks shaved  
With the promise of restoration  
We have seen God's church  
Rise in power through each age  
Until God sent to us a prophet  
And we have seen  
The fullness of God's life on display

But it's been so long  
Since the locks have grown now  
And there is a new crop  
That is coming forth  
For greater works and dynamic power  
To be displayed  
May we, the Samsons of God cry  
Just once more Lord

**Send Down The Holy Ghost Revival**

The land is laying barren  
Desolation every where  
The Harvest that we longed for  
We looked, but it's not there  
The devil shows his evil seed  
Thwarts the Master's plan  
But tired and so weary  
God's servants work as fast as they can

Send down the Holy Ghost revival  
Revive us Lord  
Send the rain from heaven  
Flood our thirsty souls  
We need the Holy Ghost revival  
Revive us Lord  
Open up the heavens, take control

Now the skies seem brass above us  
As we look for the promised rain  
God's servants sow  
The seed of precious truth  
Just to reap a golden grain  
But the Spirit's power is what we need  
To see the harvest come  
So, Lord send the Holy Spirit  
Come and glorify Your Son

**Onward, Christian Soldiers**

F

Onward, Christian soldiers  
 Marching as to war  
 With the cross of Jesus going on before  
 Christ, the royal Master  
 Leads against the foe  
 Forward into battle see His banners go

*CHORUS*

Onward, Christian soldiers  
 Marching as to war  
 With the cross of Jesus going on before

Like a mighty army  
 Moves the Church of God  
 Brothers, we are treading  
 Where the saints have trod  
 We are not divided, all one body we  
 One in hope and doctrine  
 One in charity

Crowns and thrones may perish  
 Kingdoms rise and wane  
 But the Church of Jesus  
 Constant will remain  
 Gates of hell can never  
 Against that Church prevail  
 We have Christ's own promise  
 Which can never fail

At the sign of triumph  
 Satan's host doth flee  
 Oh then, Christian Soldiers on to victory  
 Hell's foundations quiver  
 At the shout of praise  
 Brothers lift your voices  
 Loud your anthems raise

Onward, then ye people  
 Join our happy throng  
 Blend with ours your voices  
 In the triumph song  
 Glory, laud, and honor  
 Unto Christ the King  
 This through countless ages  
 Men and angels sing

**All That Thrills My Soul**

G

Who can cheer the heart like Jesus  
 By His presence all divine  
 True and tender, pure and precious  
 Oh how blest to call Him mine

*CHORUS*

All that thrills my soul is Jesus  
 He is more than life to me  
 And the fairest of ten thousand  
 In my blessed Lord I see

Love of Christ so freely given  
 Grace of God beyond degree  
 Mercy higher than the heaven  
 Deeper than the deepest sea

What a wonderful redemption  
 Never can a mortal know  
 How my sin though red like crimson  
 Can be whiter than the snow

Every need His hand supplying  
 Every good in Him I see  
 On His strength divine relying  
 He is all in all to me

By the crystal flowing river  
 With the ransomed I will sing  
 And forever and forever  
 Praise and glorify the King

**Hear My Prayer Oh Lord**

F

Hear my prayer oh Lord  
 From the ends of the earth I cry  
 Your peace will lead me to  
 The Rock that is higher than I

For You have been my strength  
 In times of trouble  
 A tower above my enemies  
 And Lord I will abide with You forever  
 In the shelter of Your wings

**Bless The Lord Oh My Soul**

F

Bless the Lord oh my soul  
 And all that is within me  
 Bless His holy name  
 (Repeat)

For He hath done great things  
 He hath done great things  
 He hath done great things  
 Bless His holy name

**191****Hide Me Rock Of Ages**

Gm/Am

I beheld the night vision  
 O'er the great sea of humanity  
 Creeping things, detestable things  
 Rising and gathering around me  
 From my soul came a desperate cry  
 Lord hide me from this hell I see  
 I want to live with You eternally

*CHORUS*

I cried, Hide me, Rock of ages  
 Separate me from the evils of this life  
 Cover me, with Thy robe of purity  
 Be Lord of my life

Then I lifted my eyes towards heaven  
 Lo, a mighty Angel came down  
 One foot on the land and one on the sea  
 And His face shone like the sun  
 When He spoke  
 His voice was like thunder  
 And a mystery was made clear  
 For the voice that thundered judgment  
 Whispered freedom in my ear

I considered the voice of the Angel  
 Whose sayings were faithful and true  
 Saying, I Jesus am the Word of God  
 Who has come to redeem you  
 Through the angel in the pulpit  
 Cause this man to understand  
 He would live and reign eternally

I cried, Thank Thee, Rock of ages  
 You've separated me  
 From the evils of this life  
 You have covered me  
 With Thy robe of purity  
 You are Lord of my life

I was lifted amidst a great multitude  
 In the air above the sea  
 A new song they sang no man could learn  
 Shouting praise for victory  
 Saying, Worthy is the Lamb  
 Who has given us power to overcome  
 We now live and we'll reign eternally

I heard a great voice saying Come up hither  
 To the great supper of the Lamb  
 Prepared by God for those He foreknew  
 Before the world began  
 Saying, enter the joys of the Lord  
 My beloved Bride  
 Come sit with Me  
 I just want you at my side

**192****God's Got It All In Control**

G

Gods got it all in control  
 He's got it all in control  
 You know He put that reassurance  
 Way down in my soul  
 (Oh yes He did)  
 He's got it all in control

Now I put my life in God's hands  
 Yes I put my life in His hands  
 For every road that I walk down  
 I'm sure it's in God's holy plan  
 (Oh yes it is)  
 Now I put my life in God's hands

He holds the stars in the sky  
 He holds the land back from the sea  
 And if He can do all of that  
 Surely He can take good care of  
 You and me, yeah

**With My Hands Lifted Up** G

With my hands lifted up  
 And my mouth filled with praise  
 With a heart of thanksgiving  
 We bless Thee oh Lord

We bless Thee oh Lord (x2)  
 With a heart of thanksgiving  
 We bless Thee oh Lord

## 194

**We Are A Link** F

We are listening for the trumpet  
 To give a certain sound  
 Gathering the Bride for war (for war)  
 We will look to the Holy Spirit  
 To set the battle in array  
 Go forward my people  
 Confuse them with your praise  
 (With your praise, with your praise, oh)

*CHORUS*

We are a link in a strong chain  
 Reaching round the world  
 Reaching round the world  
 We are a torch lifted high, flaming bright  
 Shining round the world (x2)

We are claiming every promise  
 Moving as one man  
 Sword and shield flashing  
 In our hand (in our hand)  
 We must not take one step backward  
 He will give the battle cry  
 Listen to My Word and stay in line  
 (Stay in line, stay in line, oh)

We are conquering the mountain  
 Taking back the land  
 Marching our vessels into war (into war)  
 We are binding in the wounded  
 They will live to fight again  
 Advancing from the ocean  
 Back to the shore (To the shore)

(Bridge)  
 We must carefully learn our strategy  
 Confusing the enemy  
 We're doing it all through unity  
 (Unity, unity, oh)

## 195

**Thanks, Thanks** F

Thank You Lord for the strength  
 You give, to simply carry on  
 Through the scolds and the tests  
 And the worst and the best  
 I'm never left alone  
 You're always right beside me  
 You hear me when I pray  
 Since I first began  
 You've been my dearest Friend  
 I give You all the praise

*CHORUS*

Thanks, thanks, I give You thanks  
 For all You have done  
 I am so blessed, my soul has found rest  
 Oh Lord, I give You thanks

I give You thanks this moment  
 And I will continually  
 For each day I live, Your grace You give  
 I am blessed abundantly  
 And I won't forget that moment  
 When in my life You made such a change  
 Since the Spirit came  
 I've not been the same  
 'Cos I just want to give You the praise

Even in the battles  
 When everything's going wrong  
 Even on that mountain  
 Your love and presence makes me strong  
 Each and every moment  
 Each and every day  
 I'm gonna sing and shout  
 Don't let the rocks cry out  
 I give You all the praise

**Now Is The Time**

From a world of unbelief  
 You have separated me  
 To walk in a world of perfect faith  
 I am washed in Your blood  
 Now clothed in Your righteousness  
 Standing as Your witness in this day  
 And though all hell is against me  
 Yet You promised they'll be under  
 My feet  
 And wherever I may go  
 I must let the whole world know  
 That You're not dead but alive in me

*CHORUS*

For now's the time to rise up  
 Now is the time to stand  
 Declare His name to a dying world  
 And now's the time to shine forth  
 In the glory of the Lord revealed in you

You will shine forth like stars  
 In this end-time  
 You will fulfill all that the prophet said  
 But your self-will must die  
 That in you He'll be glorified  
 That all men will see it's not you  
 But it's Christ

*Bridge*

Can't you hear the cry  
 Of souls in bondage  
 My harvest is ripe  
 But the labourers are few  
 It is you I want to work through  
 It is you that I have given my Word  
 To set the captives free

**Shalom, Shalom, Jerusalem**

G

Shalom, Shalom, Jerusalem  
 Peace be to you  
 When Messiah comes to take us home  
 May His grace be found in you

**Only To Be**

G

Only to be what He wants me to be  
 Every moment of everyday  
 Yielded completely to Jesus alone  
 Every step of this pilgrim way  
 Just to be clay in the Potter's hands  
 Ready to do what His Word commands  
 Only to be what He wants me to be  
 Every moment of every day

**Down From His Glory**

Eb

Down from His glory  
 Ever living story  
 My God and Saviour came  
 And Jesus was His name  
 Born in a manger  
 To His own a stranger  
 A man of sorrows  
 Tears and agony

*CHORUS*

Oh how I love Him, how I adore Him  
 My breath, my sunshine, my all and all  
 The great Creator became my Saviour  
 And all God's fullness dwelleth in Him

What condescension  
 Bringing us redemption  
 That in the dead of night  
 Not one faint hope in sight  
 God gracious tender  
 Laid aside His splendour  
 Stooping to woo, to win  
 To save my soul

Without reluctance  
 Flesh and blood His substance  
 He took the form of man  
 Revealed His hidden plan  
 Oh glorious victory  
 Sacrifice of Calvary  
 And now I know  
 Thou wert the great I Am

**In The Midst Of It All**

Bb

“What have you done to deserve all this  
Curse God and die”  
What advice for a man who had Trusted  
God most of his life  
Then Job spake as he stood amongst  
His broken down domain  
“In the midst of it all  
I shall stand and not fall  
And bless His name”

*CHORUS*

In the midst of it all  
In the midst of it all, I've found hope  
That would never let me fall  
Jesus heard my call  
And in me stood tall  
Now in Him I stand complete  
In the midst of it all

The time has come for all to see  
Afflictions great no more  
God's dying Lamb hung on Calvary  
Destroying all our enemies  
Our feet now stand upon ten kings  
To bruise Satan once again  
Our enemy is dead he cannot rise again  
So give God the praise

**201****I Exalt Thee**

F

For Thou oh Lord, Thou art high  
Above all the earth  
Thou art exalted high above, oh God  
Thou high oh Lord, so very high  
Above all the earth  
Thou art exalted high above, oh God

*CHORUS*

I exalt Thee, I exalt Thee  
I exalt Thee, oh Lord  
I lift my hands to You  
I sing a song for You  
I exalt Thee, oh Lord

**Heavenly Father I Appreciate You**

Bb

Heavenly Father, I appreciate You  
Heavenly Father, I appreciate You  
I love You, adore You  
Bow down before You  
Heavenly Father, I appreciate You  
  
Son of God, what a wonder You are  
Son of God, what a wonder You are  
You saved my life from sin  
Placed the Holy Ghost within  
Son of God, what a wonder You are

Holy Spirit, You're a comfort to me  
Holy Spirit, You're a comfort to me  
You lead me, You guide me  
You're dwelling inside me  
Holy Spirit, You're a comfort to me

**203****I Just Want To Be Where You Are**

G

I just want to be where You are  
Dwelling daily in Your presence  
I don't want to worship from afar  
Draw me near to where You are

*CHORUS*

I want to be where You are  
Dwelling in Your presence  
Feasting at Your table  
Surrounded by Your glory  
In Your presence  
That's where I always want to be  
I just want to be, I just want to be with You

I just want to be where You are  
In Your dwelling place forever  
Take me to the place where You are  
I just want to be with You

Oh my God  
You are my strength and my song  
And when I'm in Your presence  
Though I'm weak you're always strong

**Have Thine Own Way Lord** F

Have Thine own way, Lord  
 Have Thine own way  
 Thou art the potter, I am the clay  
 Mould me and make me after Thy will  
 While I am waiting yielded and still

Have Thine own way, Lord  
 Have Thine own way  
 Search me and try me, Master today  
 Whiter than snow Lord wash me just now  
 As in Thy presence, humbly I bow

Have Thine own way, Lord  
 Have Thine own way  
 Wounded and weary, help me I pray  
 Power, all power, surely is Thine  
 Touch me and heal me, Saviour divine

Have Thine own way, Lord  
 Have thine own way  
 Hold o'er my being, absolute sway  
 Fill with Thy spirit, till all shall see  
 Christ only always living in me

**205****God Will Make A Way** G

God will make a way  
 When there seems to be no way  
 He works in ways we cannot see  
 He will make a way for me  
 He will be my guide  
 Hold me closely to His side  
 With love and strength  
 For each new day  
 He will make a way  
 He will make a way

By a roadway in the wilderness  
 He leads me  
 Rivers in the desert will I see  
 Heaven and earth will fail  
 But His Word will still remain  
 And He will do something new today

**Never Failed Me Yet** F

Never failed me yet, never failed me yet  
 Jesus love has never failed me yet  
 This one thing I know  
 That where ever I may go  
 Jesus love has never failed me yet

**207****Come To The Waters**

He said "Come to the waters  
 And stand by my side  
 And drink from the fountain  
 You won't be denied  
 I've seen every teardrop  
 That fell from your eyes  
 And I rose to tell you  
 For your sins I died"

He's calling for the sinners  
 And the backsliders too  
 If you need deliverance  
 He'll do it for you  
 He died on the cross  
 Oh but now He, He's alive  
 And He rose to tell you  
 For your sins He died

He's calling for the sick  
 And He's calling for the lame  
 If you don't be healed  
 Well He's not to blame  
 He died on the cross  
 Oh but now He, He's alive  
 And He rose to tell you  
 For your pain He died

He's calling for the motherless  
 And the fatherless too  
 No sister or no brother  
 To care, care for you  
 He died on the cross  
 Oh but now He, He's alive  
 And He rose to tell you  
 For your sins He died

**My God Can Do Anything** C

My God can do anything  
 Anything, anything  
 My God can do anything  
 He made the earth and all its fullness  
 And all that time shall bring  
 My God can do anything

## 209

**He Was Wounded** Eb

On the cross crucified  
 In great sorrow He died  
 The giver of life was He  
 Yet my Lord was despised  
 And rejected of men  
 This Jesus of Calvary

*CHORUS*

He was wounded  
 For our transgressions  
 He was bruised for our iniquities  
 Surely He bore our sorrows  
 And by His stripes we are healed

Price for healing was paid  
 As those cruel stripes were made  
 Within Pilate's judgment hall  
 Now His suffering affords  
 Perfect healing for all  
 This wonderful healer's mine

Came the leper to Christ  
 Saying, Surely I know  
 That Thou Lord canst make me whole  
 When his great faith was seen  
 Jesus said, Yes I will  
 And touched him and made him clean

He has healed my sick soul  
 Made me every whit whole  
 And He'll do the same for you  
 He's the same yesterday  
 And today and forever  
 This healer of men today

**Be Strong In The Lord** Eb

We're not wrestling with flesh and blood  
 Contending with physical things  
 But we're standing by faith  
 Against the rulers of this world  
 Empowered by His Spirit  
 In the authority of His name

*CHORUS*

Be strong in the Lord, be empowered  
 Through your union with Him  
 Draw all your strength  
 Put on the armour that God supplies  
 That you, you may be able to stand

Having shod your feet  
 With the good news of peace  
 Girded your loins with His truth  
 The breastplate of righteousness  
 And the helmet of salvation  
 The shield of faith and  
 The sword of His spirit

Now standing complete in His image  
 Refusing to be shaken from your place  
 Praying at all times in the Spirit of the Lord  
 Interceding on behalf of all the saints

## 211

**As I Look Into Your Holiness** D

As I look into Your holiness  
 As I gaze into Your loveliness  
 When all things that surround me  
 Become shadows in the light of You  
 And when I find the joy  
 That reaches Your heart  
 And my will becomes  
 Enthroned in Your love  
 When all things that surround me  
 Become shadows in the light of You

*CHORUS*

I worship You, I worship You, oh my Lord  
 And the reason I live is to worship You

**I Saw Love Mercy And Grace** C

I saw love, mercy and grace  
 I saw love, mercy and grace  
 I envisioned His beauty  
 I looked on His face  
 I saw love, mercy and grace

I received love, joy and rest  
 I received love, joy and rest  
 I surrendered my soul  
 To His spirits control  
 I received love, joy and rest

**In Times Like These** G

In times like these  
 You need a Saviour  
 In times like these  
 You need an anchor  
 Be very sure, be very sure  
 Your anchor holds  
 And grips that solid Rock

*CHORUS*

This Rock is Jesus, He's the One  
 This Rock is Jesus, the only One  
 Be very sure, be very sure  
 Your anchor holds  
 And grips that solid Rock

In times like these  
 You need the Bible  
 In times like these, oh be not idle  
 Be very sure, be very sure  
 Your anchor holds  
 And grips that solid Rock

In times like these  
 I have a Saviour  
 In times like these  
 I have an anchor  
 I'm very sure, I'm very sure  
 My anchor holds  
 And grips that solid Rock

**I Pledge Allegiance** G

I have heard of Christians long ago  
 They were brought before  
 A tyrant's throne  
 They were told that he would  
 Spare their lives  
 If they would renounce  
 The name of Christ  
 And one by one they chose to die  
 The Son of God they would not deny  
 Like a great angelic choir sing  
 I can almost hear their voices ring

*CHORUS*

I pledge allegiance to the Lamb  
 With all my strength, with all I am  
 I will seek to honour His command  
 I pledge allegiance to the Lamb

Now the years have come  
 And the years have gone  
 But the cause of Jesus still goes on  
 Now the time has come to count the cost  
 To reject this world to embrace the cross  
 And one by one let us give our lives  
 For the One who died to give us life  
 Till the trumpet sounds on that final day  
 Let us proudly stand and boldly say

To the Lamb of God who wore my pain  
 Who took my place who wore my shame  
 I will seek to honour His command  
 I pledge allegiance to the Lamb

**Flow Through Me** C

Flow through me Holy Spirit  
 Flow through me  
 Flow through me Holy Spirit  
 Flow through me  
 As I lift my hands to worship  
 And to magnify Thy name  
 Flow through me Holy Spirit  
 Flow through me

**Remember Me**

Dmj7

Take this bread I give to you  
 And as you do, remember Me  
 For this bread is My body  
 Which is broken just for you  
 Take it, eat it, each time you do  
 Remember Me

Take this cup I give for you  
 And as you do, remember Me  
 For this cup is the new covenant  
 I make with you  
 Take it, drink it, each time you do  
 Remember Me

## 217

**It Is Well With My Soul**

D

When peace like a river  
 Attendeth my way  
 When sorrows like sea billows roll  
 Whatever my lot  
 Thou hast taught me to know  
 It is well, it is well with my soul

*CHORUS*

It is well (it is well)  
 With my soul (with my soul)  
 It is well, it is well with my soul

Though Satan should buffet  
 If trials should come  
 Let this blest assurance control  
 That Christ hath regarded  
 My helpless estate  
 And hath shed His own blood  
 For my soul

My sin, oh the bliss  
 Of this glorious thought  
 My sin, not the part but the whole  
 Is nailed to His cross  
 And I bear it no more  
 Praise the Lord, praise the Lord  
 Oh my soul

For me, be it Christ, be it Christ  
 Hence to live  
 If Jordan above me shall roll  
 No pang shall be mine  
 For in death as in life  
 Thou wilt whisper  
 Thy peace to my soul

But Lord 'tis for Thee  
 For Thy coming we wait  
 The sky, not the grave is our goal  
 Oh trump of the angel  
 Oh voice of the Lord  
 Blessed hope, blessed rest  
 Of my soul

## 218

**All Is Well**

G

There's a story in the Bible of Elisha  
 The Shunamite woman and her son  
 The woman found favour with God  
 And He gave her a son  
 While working in the fields  
 The little boy had died  
 But the woman's faith never failed  
 Even in death she testified  
 That all is well

*CHORUS*

All is well, all is well  
 We have heard the message Shalom  
 And all is well  
 There is a place of perfect rest  
 Behind the inner veil  
 So rest little Bride, rest  
 For all is well

Now things have not worked out  
 Like God's people thought  
 For we're still here fighting  
 The greatest battle ever fought  
 We must have the faith of Abraham  
 Knowing God's Word never fails  
 If we trust in Him we'll find  
 That all is well

**You Are The Rock Of My Salvation** F

You are the rock of my salvation  
 You are the strength of my life  
 You are my hope and my inspiration  
 Lord unto you will I cry

I believe in you, believe in you  
 For you're faithful unto me  
 You have been my strength  
 In time of need  
 Lord unto you will I plea

**220****I Need Thee Every Hour** Ab

I need Thee every hour  
 Most gracious Lord  
 No tender voice like Thine  
 Can peace afford

*CHORUS*

I need Thee, oh, I need Thee  
 Every hour I need Thee  
 Oh, bless me now, my Saviour  
 I come to Thee

I need Thee every hour  
 Stay Thou near by  
 Temptations lose their power  
 When Thou art nigh

I need Thee every hour  
 In joy or pain  
 Come quickly and abide  
 Or life is vain

I need Thee every hour  
 Teach me Thy will  
 And Thy rich promises  
 In me fulfill

I need Thee every hour  
 Most holy One  
 Oh, make me Thine indeed  
 Thou blessed Son

**I Surrender All** G

All to Jesus I surrender  
 All to Him I freely give  
 I will ever love and trust Him  
 In His presence daily live

*CHORUS*

I surrender all, I surrender all  
 All to Thee my blessed Saviour  
 I surrender all

All to Jesus I surrender  
 Humbly at His feet I bow  
 Worldly pleasures all forsaken  
 Take me Jesus, take me now

All to Jesus I surrender  
 Make me, Saviour, wholly Thine  
 Let me feel the Holy Spirit  
 Truly know that Thou art mine

All to Jesus I surrender  
 Lord, I give myself to Thee  
 Fill me with Thy love and power  
 Let Thy blessing fall on me

All to Jesus I surrender  
 Now I feel the sacred flame  
 Oh the joy of full salvation  
 Glory, glory to His name

**222****Anointing Fall On Me** G

Anointing fall on me, anointing fall on me  
 Let the power of the Holy Ghost  
 Fall on me  
 Anointing fall on me  
 (Repeat)

Touch my hands, my mouth and my heart  
 Fill my life Lord every part  
 Let the power of the Holy Ghost  
 Fall on me  
 Anointing fall on me

**All Hail King Jesus**

F

All hail King Jesus  
 All hail Emmanuel  
 King of kings, Lord of lords  
 Bright morning star  
 And throughout eternity  
 I'll sing Your praises  
 And I'll reign with You  
 Throughout eternity

**224****Can't You Hear**

C

A new day has dawned  
 And I know not what it brings  
 But somehow I feel I'm almost home  
 Not turning back to yesterday  
 But pressing towards  
 My calling in Christ  
 I can hear, yes I can hear  
 My theophany calling me

*CHORUS*

So can't you hear  
 Your theophany calling you  
 It's a sign, it's almost home time  
 And I'm just waiting  
 For my promised body change  
 For soon I know I'll be with Him on high

The whole earth is groaning  
 And travailing in pain  
 But we as the Bride  
 Have been glorified in Him  
 And saints, even though we may suffer  
 Stand and gird your loins  
 For your perfection is drawing near

My God knows overtime is drawing near  
 And very soon the dead  
 In Christ shall rise again  
 There'll be no more sickness  
 No more crying over there  
 But for now, Christian soldiers  
 Keep on pressing

**We've Been Made  
 More Than Conquerors**

G

*CHORUS*

We've been made more than conquerors  
 Overcomers in this life  
 We've been made victorious  
 Through the blood of Jesus Christ

When trouble  
 Comes knocking at your door  
 Don't be afraid  
 You know it's not like before  
 Don't you give in  
 Don't let it bring you down  
 You don't have to worry anymore

Jesus said, there'll be tribulations  
 And He said that I have overcome  
 Brothers and sisters  
 Well now's the time to stand  
 Don't you know  
 These battles are all won

Hold on, we're getting stronger everyday  
 There's no reason for you to go astray  
 Don't be leaning to your understanding  
 Lean on Him and we'll say

**226****It Won't Be Long**

Am

It won't be long, before we're gone  
 Only the bride will see  
 The rapturing of me unto my Lord  
 (Repeat)

Trust in the Lord and you'll be alright  
 Trust in Him the manifested light  
 It doesn't matter what the situation  
 You are in  
 (Repeat)

People get ready, get ready  
 For the coming of the Lord  
 (Repeat)

**This Is The Evening Time**

F

The god of this evil age  
 Has blinded their eyes today  
 A people who walk their own way  
 Not according to God's Word  
 They're denying the things He's done  
 Rejecting His only Son  
 And accepting the creeds of man  
 Oh, this is the evening time

*CHORUS*

This is the evening time  
 It's later than you think  
 The bride is preparing now  
 For the Lord to meet  
 All things are ready now  
 The combine is here  
 He that hath an ear to hear  
 The evening time is here

Gross darkness throughout the land  
 And people can't understand  
 God's prophet has warned the land  
 Proclaiming the Word to men  
 So if you'll be saved today  
 Just follow that way He gave  
 That's accepting the Word of God  
 Oh, this is the evening time

Seven thunders they don't believe  
 How else could the Seals be revealed  
 To give the Bride rapturing faith  
 Sleeping saints and our Lord to meet  
 If you want to be raptured today  
 Follow Ephesians 4:11's way  
 It's the anointed Word today  
 Oh, this is the evening time

**Lord You're Beautiful**

D

Lord You're beautiful  
 Your face is all I see  
 And when Your eyes are on this child  
 Your grace abound to me

**I'm Going To Live**

F

I'm going to live  
 The way He wants me to live  
 I'm going to give  
 Until there's just no more to give  
 I'm going to love  
 Love till there's just no more love  
 I could never ever out love the Lord

**Things That Are To Be**

F

What is this strange feeling I feel in the air  
 I feel that there're Theophanies everywhere  
 The heavenly host and the earthly host  
 Uniting  
 There's going to be a rapture in the air  
 What an atmosphere

*CHORUS*

Things that are to be  
 What we feel in our hearts  
 What we see in our midst  
 Are things that are to be  
 (Repeat)  
 Modern events being made clear  
 By vindicated prophecy  
 (Repeat)  
 Things that are to be

The Capstone came shouting  
 Grace, grace, grace  
 To cap off the pyramid of our lives  
 Here we stand in God's image  
 And likeness  
 We are flesh of His flesh  
 And bone of His bone  
 There's never been a people like this

The dove of Agape love flew into  
 Our hearts  
 Bringing comfort, peace, joy and love  
 This mortal shall put on immortality  
 This corruptible shall be incorruptible  
 For all eternity

**What A Friend We Have In Jesus** F

What a friend we have in Jesus  
 All our sins and griefs to bear  
 What a privilege to carry  
 Everything to God in prayer  
 O what peace we often forfeit  
 O what needless pain we bear  
 All because we do not carry  
 Everything to God in prayer

Have we trials and temptations  
 Is there trouble any where  
 We should never be discouraged  
 Take it to the Lord in prayer  
 Can we find a friend so faithful  
 Who will all our sorrows share  
 Jesus knows our every weakness  
 Take it to the Lord in prayer

Are we weak and heavy laden  
 Cumbered with a load of care  
 Precious Saviour, still our refuge  
 Take it to the Lord in prayer  
 Do thy friends despise, forsake thee  
 Take it to the Lord in prayer  
 In His arms He'll take and shield thee  
 Thou wilt find a solace there

**Surely Goodness And Mercy** F

Surely goodness and mercy  
 Shall follow me  
 All the days, all the days of my life  
 Surely goodness and mercy  
 Shall follow me, all the days  
 All the days of my life

And I shall dwell  
 In the house of the Lord forever  
 And I shall feast at the table  
 Prepared for me  
 Surely goodness and mercy  
 Shall follow me all the days  
 All the days of my life

**One Thing  
Have I Desired Of The Lord** G

One thing have I desired of the Lord  
 That will I seek after  
 That I may dwell in the house of the Lord  
 All the days of my life

To behold the beauty  
 The beauty of the Lord  
 To enquire in His temple  
 The temple of the Lord

**Our God Is An Awesome God** D

When the sky was starless  
 In the void of the night  
 Our God is an awesome God  
 He spoke into the darkness  
 And created the light  
 Our God is an awesome God  
 Man's created in God's image  
 From His side came His wife  
 Deceived into believing  
 God's Word was a lie  
 A bloody Lamb paid the price  
 To cover their sins  
 Yes our God is an awesome God

*CHORUS*

Our God is an awesome God  
 He reigns from heaven above  
 With wisdom, power and love  
 Our God is an awesome God

From the Garden of Eden  
 Through the ages, even now  
 Our God is an awesome God  
 There's progressive revelation  
 How the price for sin is paid  
 Our God is an awesome God  
 Moses a lamb, Rahab a scarlet thread  
 Repent and be baptised in Jesus name  
 Now it's Revelation 10:7 to 11  
 Our God is an awesome God

**The Peace Of God**

F

There's a peace to know that you're saved  
 And that all your sins are washed away  
 But then there's a peace  
 That passeth all understanding  
 A peace that cannot easily be disturbed

*CHORUS*

For it's good to know You're justified  
 Your sins are in the blood  
 It's good to know You cannot be lost  
 Under no circumstance  
 But when the perils of this life  
 Befall you every day  
 There is a peace with God  
 But most of all you need  
 The peace of God

The Father comes and shows us  
 Our standing  
 And that all we've ever done wrong  
 He doesn't remember  
 But to face our everyday trials  
 We need something  
 That will give us settled peace and  
 Cause worrying to cease

236

**Swing Low, Sweet Chariot**

F

I looked over Jordan and what did I see  
 Coming for to carry me home  
 I saw a band of angels coming after me  
 Coming for to carry me home

*CHORUS*

Swing low, sweet chariot  
 Coming for to carry me home  
 Swing low, sweet chariot  
 Coming for to carry me home

If you get there before I do  
 Coming for to carry me home  
 Tell all my friends that I'm a-coming too  
 Coming for to carry me home

**Holy Spirit Thou Art Welcome**

Ab

Holy Spirit Thou art welcome in this place  
 (Repeat)  
 Omnipotent Father of mercy and grace  
 Thou art welcome in this place

Lord in Thy presence there's healing divine  
 No other power can save Lord but Thine  
 Holy Spirit Thou art welcome in this place  
 Thou art welcome in this place

Fill all the hungry and empty within  
 Restore us oh Father, revive us again  
 Holy Spirit Thou art welcome in this place  
 Thou art welcome in this place

238

**We Are Standing On Holy Ground**

D

As I walk through the door  
 I sense His presence  
 And I know that this is the place  
 Where love abounds  
 For this is the temple  
 Of Jehovah God almighty  
 For we are standing in His presence  
 On holy ground

*CHORUS*

We are standing on holy ground  
 And I know that there  
 Are angels all around  
 Let us praise Jesus now  
 For we are standing in His presence  
 On holy ground

In His presence there is peace  
 Beyond all measure  
 Where peace, sweet love and joy  
 Can be found  
 So if you have a need  
 I know He has the answer  
 So reach out and touch Him  
 For we are standing  
 On holy ground

**Power of Your Love**

Bb

Lord I come to You  
 Let my heart be changed, renewed  
 Flowing from the grace  
 That I've found In You  
 And Lord I've come to know  
 The weaknesses I see in me  
 Will be stripped away  
 By the power of Your love

*CHORUS*

Hold me close  
 Let Your love surround me  
 Bring me near  
 Draw me to Your side  
 And as I wait  
 I'll rise up like an eagle  
 And I will soar with You  
 Your Spirit leads me on  
 By the power of Your love

Lord unveil my eyes  
 Let me see You face to face  
 The knowledge of Your love  
 As You live in me  
 (As You live in me)  
 Lord renew my mind  
 As Your will unfolds in my life  
 In living every day  
 By the power of Your love

**The Tomb Now Is Empty**

C

The tomb now is empty  
 The stone's been rolled away  
 And Christ is alive in my heart  
 And death which He conquered  
 In me it has no part  
 For Christ is alive in my heart

Can't you see why I'm happy  
 I've accepted the Word of the Lord  
 The revealed Word that was spoken  
 By the prophet of Malachi 4

**Order My Steps**

Order my steps in Your Word, dear Lord  
 Lead me, guide me everyday  
 Send Your anointing Father I pray  
 Order my steps in Your Word  
 Please, order my steps in Your Word

Humble I ask thee teach me Your will  
 While You are working help me be still  
 Though Satan is deceiving  
 Oh God he's real  
 Order my steps in Your Word  
 Please, order my steps in Your Word

Bridle my tongue, let my words edify  
 Let the words of my mouth  
 Be acceptable in Thy sight  
 Take charge in my fort both day and night  
 Order my steps in Your Word  
 Please, order my steps in Your Word

242

**Amazing Grace**

G

Amazing grace how sweet the sound  
 That saved a wretch like me  
 I once was lost but now I'm found  
 Was blind but now I see

'Twas grace that taught my heart to fear  
 And grace my fears relieved  
 How precious did that grace appear  
 The hour I first believed

Through many dangers toils and snares  
 I have already come  
 'Tis grace hath brought me safe thus far  
 And grace will lead me home

When we've been there ten thousand years  
 Bright shining as the sun  
 We've no less days to sing God's praise  
 Than when we first begun

Praise God, praise God....

**The Old Rugged Cross**

Bb

On a hill far away  
 Stood an old rugged cross  
 The emblem of suffering and shame  
 And I love that old cross  
 Where the dearest and best  
 For a world of lost sinners was slain

*CHORUS*

So I'll cherish the old rugged cross  
 Till my trophies at last I lay down  
 I will cling to the old rugged cross  
 And exchange it someday for a crown

Oh that old rugged cross  
 So despised by the world  
 Has a wondrous attraction for me  
 For the dear Lamb of God  
 Left His glory above  
 To bear it to dark Calvary

In the old rugged cross  
 Stained with blood so divine  
 A wondrous beauty I see  
 For 'twas on that old cross  
 Jesus suffered and died  
 To pardon and sanctify me

To the old rugged cross  
 I will ever be true  
 Its shame and reproach gladly bear  
 Then He'll call me someday  
 To my home far away  
 Where His glory forever I'll share

**With A Willing Heart**

D

With a willing heart I give to You Lord  
 Knowing that all riches  
 And honour come from Thee  
 And in Thy hand it's to make great  
 And to give strength unto all  
 So with a perfect heart  
 I offer unto You

**There's Never Been A Day**

F

There's never been a day  
 Like this day to me  
 There's never been a day  
 Like this day I see  
 There never was a light  
 That shineth so bright  
 As this day, this glorious day

For Christ is revealing Himself to me  
 He opened my eyes so now I can see  
 His Word is becoming a reality  
 In this day, this glorious day

**We'll Walk In The Light**

F

All ye saints of light proclaim  
 Jesus, the light of the world  
 Life and mercy in His name  
 Jesus, the light of the world

*CHORUS*

We'll walk in the light  
 The beautiful light  
 Walk where the dewdrops  
 Of mercy are bright  
 Shine all around us  
 By day and by night  
 Jesus, the light of the world

Hear the Saviour's earnest call  
 Jesus, the light of the world  
 Send the gospel truth to all  
 Jesus, the light of the world

Why not seek Him then today  
 Jesus, the light of the world  
 Go with truth the narrow way  
 Jesus, the light of the world

Come, confess Him as your King  
 Jesus, the light of the world  
 Then the bells of heaven will ring  
 Jesus, the light of the world

## I Keep Listening For A Different Sound

Bb

We hear about the wars  
See famine in the land  
There's questions in the children's eyes  
Trouble in the east again  
The whole world is shaking  
There's no sure place to stand  
And mournful sounds  
Are heard throughout the land

### CHORUS

And I keep listening  
For a different sound  
The sound of the city  
That John saw coming down  
The sound of the Bride  
Being united with the Groom  
I keep listening, I keep listening  
I keep listening for a different sound

I remember the preacher saying  
Son it shall come to pass  
There will be a generation  
That will be the last  
I now believe we're standing here  
Seeing the end of time  
And the preacher's voice  
Echoing in my mind

## This Is My Desire

G

This is my desire to honour You  
Lord with all my heart I worship You  
All I have within me, I give You praise  
All that I adore is in You

### CHORUS

Lord I give You my heart  
I give You my soul  
I live for You alone  
Every breath that I take  
Every moment I'm awake  
Lord have Your way in me

## He Touched Me

F

Shackled by a heavy burden  
Neath a load of guilt and shame  
Then the hand of Jesus touched me  
And now I am no longer the same

### CHORUS

He touched me, yes He touched me  
And oh, the joy that floods my soul  
Something happened and now I know  
He touched me and made me whole

Since I met this blessed Saviour  
Since He cleansed and made me whole  
I shall never cease to praise Him  
I'll shout it while eternity rolls

250

## Grace, Grace, God's Grace

Grace, grace, God's grace  
Grace that will pardon and cleanse within  
Grace, grace, God's grace  
Grace that is greater than all my sin

251

## Living He Loved Me

Living, He loved me, dying, He saved me  
Buried, He carried my sins far away  
Rising He justified freely forever  
One day He's coming, oh glorious day

252

## Peace I Leave With You

Peace I leave with you  
My peace I give unto you  
Not as the world giveth give I unto you  
Let not your heart be troubled  
Neither let it be afraid  
Peace I leave with you

**The Anchor Holds**

G

I have journeyed  
Through the long dark night  
Out on the open sea  
By faith alone, sight unknown  
And yet His eyes were watching me

*CHORUS*

The anchor holds  
Though the ship is battered  
The anchor holds  
Though the sails are torn  
I have fallen on my knees  
As I faced the raging sea  
But the anchor holds  
(The anchor holds)  
In spite of the storm

I've had visions and I've had dreams  
And I've even held them in my hand  
But I never knew those dreams  
Could slip right through  
Like they were only grains of sand

I have been young but I'm older now  
And there has been beauty  
These eyes have seen  
But it was in the night  
I faced the storms of my life  
And that's where God proved  
His love to me

**You Are Holy**

F

You are holy, holy  
Lord, there is none like You  
You are holy, holy  
Glory to You alone

I'll sing Your praises forever  
Deeper in love with You  
Here in Your courts  
Where I'm close to Your throne  
I've found where I belong

**Jerusalem (Lift Up Your Gates)**

G

Jerusalem, Jerusalem  
Lift up your gates and sing  
Hosannah, in the highest  
Hosannah forever more

Jerusalem, Jerusalem  
Hear how the angels sing  
Hosannah, in the highest  
Hosannah to the King

Jerusalem, Jerusalem  
Lift up your gates and sing  
Hosannah, in the highest  
Hosannah to the King

**El Shaddai, El Shaddai**

G

Through your love and through the ram  
You saved the son of Abraham  
Through the power of Your hand  
Turned the sea into dry land  
To the outcast on her knees  
You were the God who really sees  
And by Your might You set Your children free

*CHORUS*

El Shaddai, El Shaddai  
El el yon na Adonai  
Age to age You're still the same  
By the power of Your name  
El Shaddai, El Shaddai  
Er kamka na Adonai  
We will praise and lift You high  
El Shaddai

Through the years You made it clear  
That the time of Christ was near  
Though the people couldn't see  
What Messiah ought to be  
Though Your Word contained the plan  
They just couldn't understand  
Your most awesome work was done  
Through the frailty of Your Son

**In the Cross**

F

Jesus keep me near the cross  
 There a precious fountain  
 Free to all a healing stream  
 Flows from Calvary's mountain

*CHORUS*

In the cross, in the cross  
 Be my glory ever  
 Till my raptured soul shall find  
 Rest beyond the river

Near the cross, a trembling soul  
 Love and mercy found me  
 There the bright and morning star  
 Shed its beams around me

Near the cross, oh Lamb of God  
 Bring its scenes before me  
 Help me walk from day to day  
 With its shadow o'er me

Near the cross, I'll watch and wait  
 Hoping, trusting ever  
 Till I reach the golden strand  
 Just beyond the river

258

**I'm So Lonesome**

G

I'm so lonesome, oh so lonesome  
 For my theophany  
 A perfect grown up body  
 But it will still be me

The world can't understand it  
 Or ever hope to see  
 This body that I'm longing for  
 Is my theophany  
 When I'm caught up in that realm  
 You hear me shout, I'm free  
 Oh hallelujah I've stepped on into  
 My theophany  
 Oh hallelujah I've stepped on into  
 My theophany

**As We Gather**

G

As we gather may Your Spirit dwell within us  
 As we gather may we glorify Your name  
 Knowing well that as  
 Our hearts begin to worship  
 We will be blessed because we came  
 We will be blessed because we came

The steadfast love  
 Of the Lord never ceases  
 His mercies never come to an end  
 They are new every morning  
 New every morning  
 Great is Thy faithfulness, oh Lord  
 Great is Thy faithfulness

260

**Yea Behold I Stand**

F

Yea behold I stand  
 In the midst of My people  
 With a host of angels  
 Compassed round about  
 Yea behold, behold  
 I am the glorious Lamb of God  
 That was slain

I come to prepare My people  
 That is without blemish or without sin  
 For I delight to do My Father's will  
 He sent Me from above  
 You are to be My chosen people  
 With God's anointing  
 Bestowed from heaven above  
 Yea behold, behold  
 I am the glorious Lamb of God  
 That was slain

There is no other besides Me  
 For My name extends  
 From the heavens to the earth  
 And My glory is above  
 What man can see  
 Truly far above all others  
 I am majesty, I am majesty

**I Want More, More, More** G

When I have been all used up  
 Fill me like an empty cup  
 And when it seems I have had enough  
 I still need more, more, more  
 The hunger inside of me  
 My spirit and soul agree  
 I've tasted and now I see  
 I need more of You

*CHORUS*

I want more, more, more  
 Jesus more of You  
 I need so much more  
 Jesus more, more, more

If I'm in the desert place  
 Or dry as an empty vase  
 Fill me up till it's to the top  
 I still need more, more, more  
 Like numbers go to infinity  
 Or an endless eternity  
 Like the universe goes on and on  
 I need more, more, more

**Because Of Who You Are** C

Because of who You are  
 I give You glory  
 Because of who You are  
 I give You praise  
 Because of who You are  
 I will lift my voice and sing  
 Lord I worship You  
 Because of who You are  
 Lord I worship You  
 Because of who You are

Jehovah Jireh, my provider  
 Jehovah Nissi, Lord You reign in victory  
 Jehovah Shalom, my Prince of peace  
 And I worship You  
 Because of who You are

**I Want To Go (In Your Presence)** G

I want to go where the rivers cannot  
 Overflow me  
 Where my feet are on the Rock  
 I want to hide where the blazing fire  
 Cannot burn me  
 In Your presence oh God

*CHORUS*

In Your presence  
 That's where I am strong  
 In Your presence, Oh Lord my God  
 In Your presence that's where I belong  
 Seeking Your face, touching Your grace  
 In the cleft of the Rock  
 In Your presence oh God

I want to hide where the flood of evil  
 Cannot reach me  
 Where I'm covered by the blood  
 I want to be where the schemes  
 Of darkness cannot touch me  
 In Your presence oh God

**Give Me Water From The Well** D

Give me water from the well  
 That never runs dry  
 Give me water from the well  
 That gives me hope when I die  
 Give me water from the well  
 That never runs dry  
 And I will thirst no more

Living water, flowing from above  
 Through the spirit of never ending love  
 And I'm the first to declare my longing thirst  
 For the water that comes from above

Living water, leads me to my goal  
 Now refreshing and cleansing to my soul  
 Truly I'm alive and I know I can't survive  
 Without it, less pure waters flow

**I Feel The Pull**

A

At night I lay in bed and I begin to cry  
 And my mind just fails to know  
 Exactly why  
 I can't explain with tongue or pen  
 The spirit's groaning deep within  
 It must be God, here in my soul  
 'Cos I feel the Pull

*CHORUS*

I feel the pull, I hear the call  
 I know His Spirit's moving me  
 To give my all  
 He speaks to me and I agree  
 Lord please come and take control  
 I feel the pull

I want to hear the Word  
 And with each line and phrase  
 He is drawing me to give  
 A higher praise  
 There's a deep call to the deep  
 Like a great magnet pulling me  
 I know for sure that I'll reach the goal  
 'Cos I feel the pull

**Father I Love You**

G

Father, I love You  
 My heart is filled with desire to see  
 Your power and glory  
 Cover the earth  
 As the waters cover the sea  
 I am surrounded by a fortress oh God  
 Totally surrendered to You

Lord, I lift up my hands  
 Standing not ashamed  
 I worship You, Father  
 Exalting Your name  
 You've captured my heart  
 Now my life is changed  
 Lord, I lift up my hands  
 Lord, I lift up my hands

**Some Just See These Ministers**

The sickle in Jesus Hand  
 Will harvest the ripened grain  
 Also cut and bundle the tares to burn  
 But first the threshing gifts Grain

*CHORUS*

Some just see these ministers  
 And say they need no man  
 But don't just see my brother  
 But see the fan in Jesus name

The fan in Jesus hand  
 The chaff gets blown away  
 The winnowed grain into the Garner  
 Is raptured in Jesus name

**Now I Belong To Jesus**

Ab

Jesus my Lord will love me forever  
 From Him no power of evil can sever  
 He gave His life to ransom my soul  
 Now I belong to Him

*CHORUS*

Now I belong to Jesus  
 Jesus belongs to me  
 Not for the years of time alone  
 But for eternity

Once I was lost in sin's degradation  
 Jesus came down  
 To bring me salvation  
 He lifted me up  
 From my sorrow and shame  
 Now I belong to Him

Joy floods my soul  
 For Jesus has saved me  
 Freed me from sin  
 That long had enslaved me  
 His precious blood  
 He gave to redeem  
 Now I belong to Him

**Yes, Jesus Loves Me**

G

Jesus loves me, this I know  
 For the Bible tells me so  
 Little ones to Him belong  
 They are weak but He is strong

*CHORUS*

Yes, Jesus loves me  
 Yes, Jesus loves me  
 Yes, Jesus loves me  
 The Bible tells me so

Jesus loves me, He who died  
 Heaven's gate to open wide  
 He will wash away my sin  
 Let His little child come in

Jesus loves me, loves me still  
 Though I'm very weak and ill  
 From His shining throne on high  
 Comes to watch me where I lie

Jesus loves me, He will stay  
 Close beside me all the way  
 If I love Him, when I die  
 He will take me home on high

270

**You Mean Everything To Me**

G

You mean everything to me  
 Lord, You are so faithful  
 Where I want to be is in Your presence  
 (Repeat)

That's where I belong  
 When Your grace is upon me  
 That's where I feel strong  
 When Your Spirit's falling on me  
 You've given me a song  
 And now I want to worship  
 In Your presence

Lord, I only want to live for You  
 Giving You glory in all that I do

**Teach Me Thy Way**

F

Teach me Thy way oh Lord  
 I will walk in Thy truth  
 Unite my heart to fear Thy name  
 (Repeat)

Oh yes I will praise Thee oh Lord  
 My God with all my heart  
 Oh yes I will glorify Thy name  
 Forever more, forever more

For great is Thy mercy  
 Thy mercy oh Lord  
 Thou hast delivered my soul  
 From the lowest hell  
 Thou hast shown me a token  
 A token for good  
 Great is Thy love  
 Thy mercy endureth forever  
 Great is Thy love  
 Thy mercy endureth forever

272

**As The Deer Panteth**

E

As the deer panteth for the water  
 So my soul longeth after Thee  
 You alone are my heart's desire  
 And I long to worship Thee

*CHORUS*

You alone are my strength, my shield  
 To You alone may my spirit yield  
 You alone are my heart's desire  
 And I long to worship Thee

You're my friend and You are my brother  
 Even though You are the King  
 I love You more than any other  
 So much more than anything

I want You more than Gold or silver  
 Only You can satisfy  
 You alone are the real joy giver  
 And the apple of my eye

**Sweep Over My Soul**

F

Sweep over my soul  
 Sweep over my soul  
 Sweet Spirit, sweep over my soul  
 My rest is complete as I sit at Thy feet  
 Sweet Spirit, sweep over my soul

## 274

**More Love**

Am

More love, more love  
 More power, more power  
 More of You in my life  
 (Repeat)

I will worship You with all of my heart  
 I will worship You with all of my mind  
 I will worship You with all of my strength  
 You are my Lord, You are my God

More love, more love  
 More power, more power  
 More of You in our lives  
 (Repeat)

We will worship You  
 With all of our hearts  
 We will worship You  
 With all of our minds  
 We will worship You  
 With all of our strength  
 You are our Lord, You are our God

## 275

**It's Your Blood That Cleanses Me**

C

It's Your blood that cleanses me  
 It's Your blood that gives me life  
 It's Your blood that took my place  
 Redeeming sacrifice  
 Washes me whiter than the snow  
 Than the snow  
 My Jesus, God's precious sacrifice

**Jesus I Love You So**

C

I know a man who's like no other man  
 He died so I could live again  
 And I dedicate my life to serving Him  
 He died, so I could live

*CHORUS*

And Jesus I love You so  
 And I want You to know  
 What You've done for me is not in vain  
 And I will stake my claim  
 On Your holy name  
 Oh how I love, I love You so

When I think about how You took my place  
 I marvel at the wonders of Your grace  
 Your sacrifice for me I can't erase  
 Oh what a gift You gave to me

## 277

**It's A Name Above All Names**

F

It's a name above all names  
 And we will declare it, we will declare it  
 It's a name above all names  
 And we will shout it to a dying world

Who will declare My name  
 Who will shout My name  
 In the middle of a nation  
 Who will take the shield of faith  
 And the sword of My mouth  
 And declare My name to a dying world

He who hath declared Me thus far  
 Will walk in a greater power  
 For the sands of time are running out  
 But My name will be declared  
 In this final hour

I am Jehovah, I Am that I Am  
 And My trumpet shall soon sound out  
 I formed the world with a whisper  
 But this generation, this generation  
 This generation heard Me shout

**Into The Chamber** C

Into the Chamber, be free Holy Spirit  
 Speak to me gently as I close the door  
 Heavenly lover let thy presence cover  
 Shekinah unending is all I long for

## 279

**Jerusalem, Jerusalem  
(We're Going Up)** F

The road is long and dusty  
 The stones they bruise my feet  
 My feet are parched and burnt  
 And are weary from the heat  
 But I won't lay my burdens down  
 Until my journey is complete  
 And I pass beneath the gates  
 Unto the city of Your praise

*CHORUS*

Jerusalem, Jerusalem  
 We're going up to Jerusalem  
 (Repeat)

Perfection and beauty  
 The joy of all the earth, is my Jerusalem  
 Her gates are filled with elders  
 And her courts with praise  
 She is my city of truth and holiness

By the rivers of Babylon, there we sat down  
 And wept when we remembered Zion  
 But how can I forget thee, my Jerusalem  
 Oh My city of truth and holiness

## 280

**Emmanuel** C

Emmanuel, Emmanuel  
 His name is called Emmanuel  
 He's God with us  
 Revealed in us  
 His name is called Emmanuel

**I'd Rather Have Jesus** D

I'd rather have Jesus than silver or gold  
 I'd rather be His than have riches untold  
 I'd rather have Jesus than houses or lands  
 I'd rather be led by His nail-pierced hand

*CHORUS*

Than to be the king of a vast domain  
 And be held in sin's dread sway  
 I'd rather have Jesus than anything  
 This world affords today

I'd rather have Jesus than men's applause  
 I'd rather be faithful to His dear cause  
 I'd rather have Jesus than world-wide fame  
 I'd rather be true to His holy name

He's fairer than lilies of rarest bloom  
 He's sweeter than honey  
 From out of the comb  
 He's all that my hungering Spirit needs  
 I'd rather have Jesus and let Him lead

## 282

**Nations Are Breaking** F

Nations are breaking, Israel's awakening  
 The signs that the prophets foretold  
 The Gentile days numbered  
 With horrors encumbered  
 Return oh dispersed to your own

*CHORUS*

The day of redemption is near  
 Men's hearts are failing for fear  
 Be filled with the Spirit  
 Your lamps trimmed and clear  
 Look up your redemption is near

False prophets are lying  
 God's truth they're denying  
 That Jesus the Christ is our God  
 This generation spurns God's revelation  
 But we'll walk where the apostles have trod

**Can You Wonder** C

Can you wonder, can you wonder  
 Can you wonder why it is I love Him so  
 When I think of all He's done  
 And for me the guilty one  
 Can you wonder why it is I love Him so

## 284

**Nearer, Still Nearer** D

Nearer, still nearer close to Thy heart  
 Draw me, my Saviour, so precious Thou art  
 Hold me, oh hold me  
 Close to Thy breast  
 Shelter me safe in that haven of rest

Nearer, still nearer nothing I bring  
 Naught as an offering to Jesus my King  
 Only my sinful now contrite heart  
 Grant me the cleansing  
 Thy blood doth impart

Nearer, still nearer Lord, to be Thine  
 Sin, with its follies I gladly resign  
 All of its pleasures pomp and its pride  
 Give me but Jesus, my Lord crucified

Nearer, still nearer while life shall last  
 Till all its struggles and trials are past  
 Then through eternity ever I'll be  
 Nearer, my Saviour still nearer to Thee

## 285

**He Became Me** G

He became me  
 That I might become Him by grace  
 Oh He became me  
 That I might become Him by grace  
 Oh He took my place  
 That I through His love could take His  
 Oh He became me  
 That I might become Him by grace

**Above All** C

Above all kingdoms  
 Above all thrones  
 Above all powers  
 The world has ever known  
 Above all nations  
 And all the ways of man  
 You were here before the world began

*CHORUS*

Crucified, laid behind the stone  
 You lived to die, rejected and alone  
 Like a rose trampled on the ground  
 You took the fall and thought of me  
 Above all

Above all rulers  
 Above all kings  
 Above all nature  
 And all created things  
 Above all wealth  
 And treasures of the earth  
 There's no way  
 To measure what You're worth

## 287

**Extol The Name Of Him** F

Extol the name of Him  
 Who rides the heavens  
 He is our God  
 He is our God, He is our God  
 (Repeat)

 Who rides the heavens  
 He is our God  
 He is our God, He is our God

We lift up Your name, oh Lord  
 You ride the heavens  
 You are our God  
 You are our God, You are our God  
 (Repeat)

288

**He Alone Is Worthy**

---

He is worthy

289

**Shout To The Lord**

---

D

My Jesus, my Saviour  
Lord there is none like You  
All of my days I want to praise  
The wonders of Your mighty love  
My comfort, my shelter  
Tower of refuge and strength  
Let every breath, all that I am  
Never cease to worship You

*CHORUS*

Shout to the Lord  
All the earth let us sing  
Power and majesty, praise to the King  
Mountains bow down  
And the seas will roar  
At the sound of Your name  
I'll sing for joy at the  
Works of Your hand  
Forever I'll love You, forever I'll stand  
Nothing compares to  
The promise I have in You

Now breathe on me

Because He lives all my fear is gone  
Because I know (yes, I know)  
He holds my future  
This life is worth the living  
Just because He lives

292

**Jehovah Jireh  
(You Are More Than Enough)**

Jehovah Jireh, my provider  
You are more than enough for me  
Jehovah Rapha, You're my healer

You supply all my needs  
You are more than enough  
So much more than enough  
You are more than enough for me

Jehovah Nissi, You're my victory

Jehovah Tsidkenu  
You're my righteousness  
All You are I now can be  
Jehovah Raah, You're my shepherd  
Shalom, You are my peace  
You are more than enough  
So much more than enough  
You are more than enough for me

293

**Surely The Presence**

---

D

Surely the presence of the Lord  
Is in this place  
I can feel His mighty power and His grace  
I can feel the brush of angels' wings  
I see glory on each face  
Surely the presence of the Lord  
Is in this place

294

**He Came To Me**

Bb

He came to me, He came to me  
When I could not go, to where He was  
He came to me  
That's why He died on Calvary  
When I could not go, to where He was  
He came to me

295

**Purify My Heart**

G

Purify my heart, let me be as gold  
And precious silver  
Purify my heart, let me be as gold  
Pure gold

*CHORUS*

Refiner's fire  
My heart's one desire  
Is to be holy  
Set apart for You, Lord  
I choose to be holy  
Set apart for You my Master  
Ready to do Your will

Purify my heart  
Cleanse me from within  
And make me holy  
Purify my heart  
Cleanse me from my sin  
Deep within

296

**In The Name Of Jesus**

F

In the name of Jesus (x2)  
We have the victory  
In the name of Jesus (x2)  
Demons will have to flee  
When we stand on the name of Jesus  
Tell me who can stand before  
In the mighty name of Jesus  
We have the victory

297

**Touching Jesus**

G

A woman tried so many physicians  
Yet grew worse so to Jesus she came  
And when that crowd tried to restrain her  
She whispered these words  
Through her pain

*CHORUS*

Touching Jesus is all that really matters  
Then your life will never be the same  
There's only one way to touch Him  
Just believe when you call on His name

I was bound when I knelt at the altar  
They said, Jesus will meet your every need  
When this prisoner finally touched Jesus  
He made me free  
Oh praise His name I'm free indeed

298

All that I have, all that I am  
All I shall ever be

O'er death and diseases  
O'er Satan and sin  
Nothing shall conquer Thy power within

**Learning To Lean** G

---

Learning to lean, I'm learning to lean  
I'm learning to lean on Jesus  
Finding more power than I ever dreamed  
I'm learning to lean on Jesus

Sad broken hearted at an altar I knelt  
I found peace that is so serene  
And all that He asks is a child-like trust  
And a heart that is learning to lean

## The Rising of the Son

---

I saw the S-u-n go down yesterday  
 And in its place darkness appeared  
 I saw the grains of wheat  
 Awaiting the Sun's return  
 Without the promise of the Sun light  
 They known they'll surely die  
 And after time and time had passed  
 I saw a little sunlight at last  
 A little more, then a little more  
 Then a little more sunlight than before  
 But at the breaking of a brand new dawn  
 I saw the fullness, the risen Son  
 I remember what God had done for me  
 When He took my sins to Calvary  
 Thank you for a faithful resurrection  
 Oh what a blessed consolation  
 When I found nothing worth in me  
 You broke the seals of Calvary

### CHORUS

Amazing grace, how sweet the song  
 I was lost but now I'm found  
 And there is nothing going wrong  
 Thank You Lord for the rising of the Son

I saw the S-o-n go down at Nicea Rome  
 Before Paul left at Ephesus  
 He said there'll appear grievous wolves  
 The serpent found a way to break  
 The Son's influence  
 He preached his doctrines of lies  
 So down and down the gospel went  
 He showed a light in Smyrna  
 And many saw Him at Pergamos  
 But less light in Thyatira age  
 And Luther saw Him in Sardis age  
 It was 1750  
 A man by the name John Wesley  
 He saw a little sunlight in Philadelphia  
 And many saw it at Laodicea  
 But at the breaking of a brand new dawn  
 The Son came clothed in a cloud  
 With one foot on sea and one on land  
 The fullness of the Son  
 Was in the Son of man

Thanks for Revelation 10:7  
 That man called William Branham  
 He took the mystery of the risen Son  
 To every kindred and nation

Amazing grace how sweet the song  
 They that were lost they then were found  
 He gave the blind the eyes to see  
 And they were thankful  
 For the rising of the Son

The Son rose in Moerewa one day  
 What good thing could come from here  
 They say  
 To God's servant and at evening time  
 The fullness of the sunlight began to shine  
 Saying it's no longer a one-man ministry  
 The Son has risen in you and me  
 Revelation 10:8 to 11  
 To you the Son light was given  
 And at the breaking of a brand new dawn  
 We were called out by the risen Son  
 We have the Son in reality  
 We have our own testimony  
 We saw the Sun rose in Burma  
 In Vietnam and Papua New Guinea  
 Tinopai, Russia and Lithuania  
 And someday it will rise in New Caledonia

Amazing grace how sweet the song  
 We were lost but now we're found  
 He broke the bondage upon our lives  
 And present us as the Lambs wife

Amazing grace how sweet the song  
 We were lost but now we're found  
 He's given us the eyes to see  
 That we're the Son's beneficiaries

Oh, thank you Lord, thank you Jesus  
 Oh, thank You Father  
 For Your mercy and Your grace  
 Oh, thank You Lord, thank You Jesus  
 You alone are so worthy  
 You took the book and showed us our name  
 Oh, thank You Lord, thank you Jesus  
 Oh, thank You Father  
 For the rising, the rising of the Son

**My Tent Is No More There**

---

My tent is no more there  
Down there in Egypt's land  
You'll see me no more there  
I'm living in another land

Hallelujah, hallelujah  
Hallelujah, hallelujah

**316****Satan, You're Conquered**

---

Satan you have no place in our lives  
We're true sons of God  
We've got to stand for our rights  
There is no enemy that can  
Stand before us  
If God be for us tell me  
Who can be against us

*CHORUS 1*

Fear, you're conquered  
Doubt, you're conquered  
Confusion, you're conquered  
Conquered by the Word of God  
Women, you're conquered  
Money, you're conquered  
Popularity, you're conquered  
Conquered by the Word of God

Every day there's an enemy to face  
Whether if it be home, school  
Even at your work place  
Please remain conscious  
And don't lose your focus  
Keep your confidence in Him  
And don't lose your trust

Oh saints of like precious faith  
Take your positions for the hour is late  
And though the enemy  
Has posed many threats  
We've been made  
More than conquerors  
Let's stand and take our place

Sometimes in our lives  
Things for years that we fight  
There seems to be no way  
To end all this strife  
Resist the enemy and he'll flee from you  
He's only a bluffer  
And that's all he can do

Now it's time for  
The Mount Zion showdown  
David fought for Israel  
Slew Goliath to the ground  
Michael and Lucifer at war now to end  
We've got the victory  
We crown Christ King of kings  
We've got the victory  
We crown Christ King of kings

*CHORUS 2*

Hate, you're conquered  
Malice, you're conquered  
Envy, you're conquered  
Conquered by the word of God  
Sickness, you're conquered  
Death, you're conquered  
Unbelief, you're conquered  
Conquered by the word of God  
Satan you're conquered  
You're conquered  
Satan you are conquered

**317****My Lord Knows The Way**

---

F

My Lord knows the way  
Through the wilderness  
All I have to do is follow  
My Lord knows the way  
Through the wilderness  
All I have to do is follow

Strength for today is mine all the way  
And all that I need for tomorrow  
My Lord knows the way  
Through the wilderness  
All I have to do is follow

## Jesus Blood Will Never Lose Its Power

And will never lose its power

## Stone By Stone

### MONOLOGUE

Babylon, we know types the flesh  
Our worst enemy, who always tries  
Go get in the way  
When God wants to do something for us  
Jerusalem we know types the soul  
It is the soul that God contacts  
It is the city that God chose to dwell And  
identify Himself in  
And though she's been mocked  
And scarred, laughed at, trodden down And  
buried  
Deep under heaps of rubbish  
God chose her and He loved her  
And we know that Jerusalem  
Oh Jerusalem  
Stone by stone, by stone,  
She shall rise and never fall again.

Babylon has fallen, Jerusalem shall rise  
God has promised  
She shall be built in perilous times  
This is the age God thought to place us in  
To fight the fight and to build the house  
For our Jerusalem shall rise

Some through the fire  
But those walls are rebuilding  
With brotherly love  
Those breaches are mending  
We shall not cease  
Until we hear that last trump sound  
Until the capstone comes  
And crown the work of the Lord  
Jerusalem shall rise

### CHORUS

Stone by stone, }  
Jerusalem shall rise } (3x)  
From her filthy clothing  
To her glorious white robe  
From the dust to the stars

Jerusalem shall rise  
[Stone by stone, by stone, by stone]  
We're putting down our Faith stone  
[Stone by stone...]  
Our virtue and Knowledge stone  
[Stone by stone...]  
Temperance and Patience stone  
[Stone by stone...]  
Godliness and Brotherly kindness stone  
[Stone by stone...]  
Our Chief stone and our Love stone  
[Stone by stone...]  
Building a dwelling place for our God  
[Stone by stone...]  
We're building our Jerusalem  
[Stone by stone...]

## 320

## Thy King Cometh Unto Thee

---

Rejoice, oh Jerusalem  
Thy King cometh unto thee  
Hosannah, He's in the city  
Thy King cometh unto thee

Rejoice, oh people of Zion  
Make a joyful noise unto Him  
Thy King cometh unto thee  
When coming into the city  
With sincerity and truth

Your words shall be full of joy  
He has entered  
Your gates with peace  
Bring forth to praise  
Singing unto the one  
Melchisedec, King and Priest  
Thy King cometh unto thee  
Rejoice unto Him

**After All**

C

After all this life is over  
 And our burdens have been lifted  
 And we stand upon  
 The mountain top so tall  
 Looking over in that city  
 That the Saviour is preparing  
 Gives me faith  
 That I can make it after all

## 322

**He Still Loves Me**

(Male)  
 It took me a while but I'm finally here  
 So I just want to testify  
 Make it crystal clear (Take your time)  
 See I've been picked out  
 To be picked on  
 Talked about out of my friend's mouth  
 I've been beat down  
 Till He turned my life around

(MALES CHORUS)  
 Seems like I always fall short  
 Of being worthy  
 'Cause I ain't good enough  
 But he still loves me  
 I ain't no superstar  
 The spot light ain't shining on me  
 'Cause I ain't good enough  
 But he still loves me  
 (Loves me)

(FEMALE CHORUS)  
 I used to wake up some days  
 And wished I had stayed asleep  
 'Cause I went to bed  
 On top of the world  
 Today the world's on top of me  
 Everybody's got opinions (They share)  
 They ain't been in my position  
 (They don't care)  
 But it breaks my heart when I hear  
 What they have to say about me

**CHORUS**

Seems like I always fall short  
 Of Being worthy  
 Cause I ain't good enough  
 But He still loves me  
 I ain't no superstar  
 The spot light ain't shining on me  
 Cause I ain't good enough  
 But He still loves me

I'm not perfect  
 Yes, I do wrong  
 I'm trying my best  
 But it ain't good enough  
 Shunned by the world  
 If I don't succeed  
 Cause I ain't good enough  
 But He still loves me

(Bridge)  
 If you ain't worthy  
 Just raise your hands  
 And let me know  
 That you understand  
 That we are so blessed  
 To be loved, loved (Ooh, aah)  
 Stand for Him and fall for anything  
 Cause through His eyes  
 We all look the same  
 What would we do without blame

No, I ain't good enough  
 But He still loves me  
 (Repeat 3x)

## 323

**I'm Reaching Out To You Dear Lord** C

I'm reaching out to You dear Lord  
 I'm reaching out to You  
 I know Your arm is not too short  
 And it can reach me too  
 And as I pray and press my way  
 Into Your Kingdom true  
 I'll grow to be more like You  
 Just by reaching out to You

### **He Owns The Cattle On A Thousand Hills**

---

He owns the cattle on a thousand hills  
The wealth in every mine  
He owns the rivers  
And the rooks and the rills  
The sun and stars that shine  
Wonderful riches  
More than tongue can tell  
He is my Father, so they're mine as well  
He owns the cattle on a thousand hills  
And so I know He cares for me

## 325

### **Judging Him Faithful**

---

You said in Your Father's house  
Are many mansions  
If it was not so you would have told me  
So You've gone  
To prepare a place for me  
That where You are  
There I'm also going to be

*CHORUS*

So, I'm judging You faithful  
(Repeat)  
Faithful who promised me

You said whatsoever I stand praying  
Go away, go away believing  
For whatsoever  
You ask the Father in My name  
He will give it to you  
For my God is forever the same

You said no gates will  
Ever stand before me  
And that old devil  
He will be powerless before me  
For in Your name sin will have  
No dominion over me  
And I believe, yes, I believe  
That's the way  
That's the way it's going to be

When You left these shores  
Two thousand years ago  
(Taken up in a cloud)  
There stood two angels saying  
"Men and brethren  
Why stand ye here gazing  
For this same Jesus  
Which is taken up from you  
Shall so return in like manner"  
And I know it's true

You said no gates  
Will ever stand before me  
And that old devil  
He will be powerless before me  
For in Your name sin will have  
No dominion over me  
And I believe, yes, I believe  
That's the way  
That's the way it's going to be

### **In The Presence Of Jehovah**

---

In and out of situations that tug of war in me  
The whole day long I struggle  
For the answers that I need  
And then I come into His presence  
And all my questions become clear  
And for that sacred moment  
No doubt can interfere

*CHORUS*

In the presence of Jehovah  
God almighty, Prince of Peace  
Troubles vanish, hearts are mended  
In the presence of the King

Through His love the Lord provided  
A place for us to rest  
A place to find the answers  
In the hour of distress  
Now, there's never any reason  
For you to give up in despair  
Just look away and breathe His name  
He will surely meet you there

**Look What He's Made**

---

A lonely manger, a humble birth  
 The king of heaven  
 Came down to fallen earth  
 Despised, rejected, disdained by men  
 Oh this child was born  
 To save men from their sin

*CHORUS*

Look what He's made out of nothing  
 Look what He's formed out of clay  
 Look what He gave to the world  
 That was dying  
 Look what He's done through His name  
 Think back to the night  
 When He found you  
 Consider the life that He gave  
 Remember the love and the peace  
 That He showed you  
 Look what He's done through His grace  
 Look what He's done through His grace

An undefiled and spotless life  
 He gave Himself up as a final sacrifice  
 But on the third day  
 He rose from the dead  
 Fulfilling that which all  
 The scriptures had said  
 And now He lives to give us of His life  
 And now He reigns to lift us up on high

A broken vessel, a wayward heart  
 Not a likely place for His kingdom to start  
 But the great Redeemer, Saviour of men  
 Oh my Father came down  
 And brought me home again  
 And now we live to thank Him for each day  
 And here I stand singing of His praise

You don't have to search very far  
 To find evidence of amazing grace  
 And you don't have to look very far  
 To see what God can do  
 For He remains so faithful  
 And He remains so true

**The Tender Hand Of Jehovah**

---

Joseph lived a life of hurt and hatred  
 And even his own family  
 Brought him pain  
 And when his brothers thought  
 That he would surely seek revenge  
 He said, I have seen God's  
 Purpose now made plain

*CHORUS*

It was the tender hand of Jehovah  
 I look back and see  
 He was always leading me  
 And what was meant for evil  
 God has used to show me his great love  
 I now understand  
 The tender hand of Jehovah

Many Jews were killed  
 And sawn asunder  
 And it seemed that God  
 Had left His very own  
 Oh, but through it all God had a plan  
 Little did they know  
 That He would lead all of  
 His Children on back home

Oh, so how can I deny  
 His hand of mercy  
 Oh, when troubles came  
 And left no reason why  
 I just stand and say that everything  
 Has worked out for my good

**He's The Oak And I'm The Ivy**

---

C

He's the oak and I'm the ivy  
 He's the potter and I'm the clay  
 He's the oil and I'm the vessel  
 I'm the traveler He's the way  
 I'm the flower and He's the fragrance  
 I'm the lamp and He's the flame  
 He's the words and I'm the music  
 I'm the Bride who takes His name

**The Longer I Serve Him**

F

The longer I serve Him  
 The sweeter He grows  
 The more that I love Him  
 More love He bestows  
 Each day is like heaven  
 My heart over flows  
 The longer I serve Him  
 The sweeter He grows

**331****One Day**

One day when heaven  
 Was filled with His praises  
 One day when sin  
 Was as black as could be  
 Jesus came forth to be born of a virgin  
 Dwelt amongst men my example is He

*CHORUS*

Living, He loved me  
 Dying, He saved me  
 Buried, He carried my sins far away  
 Rising, He justified freely forever  
 One day He's coming, oh, glorious day

One day they led Him up Calvary's mountain  
 One day they nailed Him to die on the tree  
 Suffering anguish, despised and rejected  
 Bearing our sins, my Redeemer is He

One day they left Him alone in the garden  
 One day He rested from suffering free  
 Angels came down  
 O'er His tomb to keep vigil  
 Hope of the hopeless, my Saviour is He

One day the grave could  
 Conceal Him no longer  
 One day the stone rolled  
 Away from the door  
 Then He arose over death  
 He had conquered  
 Now is ascended my Lord evermore

One day the trumpet will  
 Sound for His coming  
 One day the skies with  
 His glory will shine  
 Wonderful day my beloved ones bringing  
 Glorious Saviour, this Jesus is mine

**332****Oh I Love That Man From Galilee**

G

In a manger long ago, I know it's really so  
 A babe was born to save men from their sin  
 John saw Him on the shore  
 The Lamb forever more  
 Oh the Christ, the crucified of Calvary

*CHORUS*

Oh I love that man from Galilee  
 For He's done so very much for me  
 He's forgiven all my sins  
 Placed the Holy Ghost within  
 Oh yes I love that man from Galilee

The publican went to pray  
 In the temple there one day  
 He cried, oh Lord, be merciful to me  
 He was forgiven of every sin  
 And a deep peace placed within  
 He said, Come see  
 This man from Galilee

The lame was made to walk  
 The dumb was made to talk  
 That power was spoken  
 With love upon the sea  
 The blind was made to see  
 I know it could only be  
 The mercy of that man from Galilee

The woman at the well  
 He all her sins did tell  
 How five husbands she had at that time  
 She was forgiven of every sin  
 And a deep peace came within  
 She cried, come see  
 That man from Galilee

**Overcoming Power**

---

Overcoming power  
 Is what we have today  
 Overcoming power  
 To keep the devil away  
 Overcoming power  
 Till we become the Word  
 That's when we'll leave  
 This sinful earth  
 To go and meet the Lord

334

**The Eleazar Call**

---

Ab

It was early in the morning  
 By an ancient wayside well  
 Eleazar stopped to rest his camel train  
 He had found a bride for Isaac  
 He had found Rebekah fair  
 And his weary journey  
 Had not been in vain

*CHORUS*

So get ready, evening shadows fall  
 Can't you hear the Eleazar call  
 There has been a wedding  
 Our joy has begun in the evening  
 As the camel train comes in

Now the blessed Holy Spirit  
 From the Father God above  
 Has come down to earth  
 To claim His worthy Bride  
 And our Isaac over yonder  
 Has prepared His tents of love  
 And He wants His fair Rebekah  
 By His side

We have left our kin folks gladly  
 We have bid the world good-bye  
 We are going to the land beyond the sea  
 We shall soon behold our Isaac  
 In our home beyond the sky  
 What a happy, happy wedding  
 That will be

That will be a joyful meeting  
 When the camel train comes in  
 Where our Isaac waits  
 To meet His happy Bride  
 What a holy consummation  
 What a glorious jubilee  
 When we see the fair Rebekah  
 By His side

335

**To God Be The Glory**

---

F

To God be the glory  
 Great things He hath done  
 So loved He the world  
 That He gave us His Son  
 Who yielded His life  
 An atonement for sin  
 And opened the Life Gate  
 That all may go in

*CHORUS*

Praise the Lord, praise the Lord  
 Let the earth hear His voice  
 Praise the Lord, praise the Lord  
 Let the people rejoice  
 Oh, come to the Father  
 Through Jesus the Son  
 And give Him the glory  
 Great things He hath done

Oh, perfect redemption  
 The purchase of blood  
 To every believer the promise of God  
 The vilest offender who truly believes  
 That moment from Jesus  
 A pardon receives

Great things He hath taught us  
 Great things He hath done  
 And great our rejoicing  
 Through Jesus the Son  
 But purer, and higher and greater will be  
 Our wonder, our transport  
 When Jesus we see

**The Old, Old Story**

F

The old, old story, it is ever new  
 The old, old story  
 Praise the Lord it's true  
 That Jesus died for me as well as you  
 I love the old, old story

When the roll is called up yonder  
 I'll be walking on the King's highway  
 Tell me the old, old story  
 I love Him better everyday, hallelujah  
 I will make you fishers of men  
 If you'll only follow Me  
 There's none but Christ can satisfy  
 There is no other name for me

337

**I'm Looking Ahead***CHORUS*

I'm looking ahead to that glorious city  
 Where I'll shake the hands  
 Of those gone on before me  
 For I can feel that the tender hand That's  
 carrying me, will lead me home  
 So Lord I'm looking ahead

Living in a world of insanity  
 We're surrounded by the dead  
 They are all asleep  
 But under the Easter seal thank God We're  
 quickened and awakened  
 Now the Master is here the sun is risen  
 He's no longer the hidden Messiah  
 But He has appeared  
 Now to the promise of a second coming  
 I'm looking ahead

*CHORUS*

I'm looking ahead to that glorious city  
 Where I'll shake the hands  
 Of those gone on before me  
 For I can feel that the tender hand That's  
 carrying me, will lead me home  
 So Lord I'm looking ahead

So many among us are hurting  
 They're wounded in the battle  
 Lord they are dying  
 Brothers take each other's hands Sisters do  
 the same thing too  
 Lift each other in prayer  
 We will make it through  
 And though skin worms destroy this body  
 I've got another one waiting for me  
 So Lord fill my soul with your holy ghost  
 Cleanse me and make me whole

I'm looking ahead  
 I am looking to my perfect sacrifice  
 To my redeemer my Lord Jesus Christ  
 No more sickness no more trials for me  
 God has provided a place  
 Where Jesus died for me  
 My fate is settled, my theophany  
 To the provided place  
 That Jesus made for me

338

**But Until Then**

C

My heart can sing  
 When I pause to remember  
 A heartache here  
 Is but a stepping stone  
 Along the trail  
 That's winding always upward  
 This troubled world  
 Is not my final home

*CHORUS*

But until then my heart will go on singing  
 Until then with joy I'll carry on  
 Until the day my eyes behold the city  
 Until the day God calls me home

The things of earth  
 Will dim and lose their value  
 If we recall, they're borrowed for a while  
 And things of earth  
 That caused the heart to tremble  
 Remember they will only bring a smile

**Be Thou My Vision**

---

Be Thou my vision  
 Oh Lord of my heart  
 Nought be all else to me  
 Save that Thou art  
 Thou my best thought  
 By day or by night  
 Waking or sleeping  
 My presence, my light

Be Thou my wisdom  
 And Thou my true Word  
 I ever with Thee  
 And Thou with me, Lord  
 Thou my great Father  
 I Thy true son  
 Thou in me dwelling  
 And I with Thee one

Riches I heed not  
 Nor man's empty praise  
 Thou mine inheritance  
 Now and always  
 Thou and Thou only  
 First in my heart  
 High King of heaven  
 My treasure Thou art

High King of heaven  
 My victory won  
 May I reach heaven's joys  
 Oh bright heaven's Son  
 Heart of my own heart  
 Whatever befall  
 Still be my vision  
 Oh Ruler of all

Be Thou my breast-plate  
 My sword for the fight  
 Be Thou my armour  
 And be Thou my might  
 Thou my soul's shelter  
 And Thou my high tower  
 Raise Thou me heavenward  
 Oh Power of my power

**For I Was Born To Be**

---

G

For I was born to be Thy dwelling place  
 A home for the presence of the Lord  
 So let my life now be  
 Separated unto Thee  
 That I might be what I was born to be

**341****Into The Sea Of Forgetfulness**

---

I stand before you guilty and unworthy  
 How can I be forgiven and holy  
 And I know I break Your heart  
 But You promised I could start all over  
 And all the things I've done  
 You've placed them each and every one

*CHORUS*

Into the sea of forgetfulness  
 You've placed all of my sins  
 For I'm the one  
 Who keeps reminding You  
 Over and over again  
 Into the sea of forgetfulness  
 As far as the east is from the west  
 Seventy times seven  
 You've forgiven me  
 And You keep cleansing me  
 And placing my sins  
 Into the sea of forgetfulness

You welcome me  
 With open arms of mercy  
 In spite of all I've done  
 You still keep loving me  
 And I only need to ask  
 And You erase all my past forever  
 My debts have all been paid  
 And they have all been washed away

It's Your unfailing love that covers me  
 And all my multitude of sins  
 It's Your steadfast love  
 That keeps reminding me  
 That I'm forgiven

**Greater Is He That Is Within You**

---

Greater is He that is within you  
 Than he that is in the world  
 Greater is He that is within you  
 Than he that is in the world  
 Greater than angels or powers  
 Greater than this life or death  
 Greater is He, greater is He  
 Greater far is Christ our Lord

**343****There's Within My Heart A Melody**

---

There's within my heart a melody  
 Jesus whispers sweet and low  
 Fear not, I am with you, peace be still  
 In all of life's ebb and flow

*CHORUS*

Jesus, Jesus, Jesus  
 Sweetest name I know  
 Fills my every longing  
 Keeps me singing as I go

All my life was wrecked by sin and strife  
 Discord filled my heart with pain  
 Jesus swept across the broken strings  
 Stirred the slumbering chords again

Feasting on the riches of His grace  
 Resting 'neath His sheltering wing  
 Always looking on His smiling face  
 That is why I shout and sing

Though sometimes He leads  
 Through waters deep  
 Trials fall across the way  
 Though sometimes  
 The path seems rough and steep  
 See His footprints all the way

Soon He's coming back to welcome me  
 Far beyond the starry sky  
 I shall wing my flight to worlds unknown  
 I shall reign with Him on high

**We Will Stand**

---

Sometimes it's hard for me to understand  
 Why we pull away from each other  
 So easily  
 But no, we're all walking the same road  
 Build dividing walls  
 Between our brothers and ourselves  
 But today, tonight I don't care  
 What label you choose to wear  
 If you believe in Jesus  
 You belong with me  
 The bond we share is all I care to see  
 We can change the world forever  
 If you would join with me  
 Join and sing

*CHORUS*

You're my brother, you're my sister  
 So take me by the hand  
 Together we will work until He comes  
 There's no foe that can defeat us  
 When we're walking side by side  
 As long as there is love  
 We will stand

I know the day will soon come  
 When we will be as one  
 With a mighty voice together  
 We will proclaim that Jesus  
 Jesus Christ is King  
 It's gonna echo through this whole earth  
 It will shake the nations  
 And all the world will sing

**345****He Gives Me Satisfying Peace**

---

D

He gives me satisfying peace  
 This wonderful Saviour  
 He gives me joys that never cease  
 This wonderful Lord  
 'Tis only Jesus who can bless  
 With everlasting happiness  
 And He's my Saviour  
 This wonderful Lord

**My Feet Are On The Pathway** C

My feet are on the pathway  
 The oil is on my head  
 I'm drinking at the fountain  
 Feasting on the bread  
 My mouth is filled with laughter  
 My heart is filled with song  
 I'll praise my Saviour all day long

Hallelujah, hallelujah  
 I'll praise my Saviour all day long  
 Hallelujah, hallelujah  
 I'll praise my Saviour all day long

## 347

**Even So, Come, Lord Jesus**

Modern events have become clear  
 By vindicated prophecies  
 History is repeating itself on the earth  
 God and man are being united  
 Ahab and Jezebel they are married  
 Church and politics mixed together  
 As written in the 4th seal  
 The world has rejected the voice  
 Of its messenger for the last days  
 They have sat and drank  
 And eaten the food  
 Served from Jezebel Rome  
 But in the days when the towers fell  
 When God judged Ahab for his sins  
 Who is able to make war against Jezebel's  
 false religion  
 There must be a people like Micaiah  
 Who'll look back to Elijah's word  
 And though the system comes  
 To steal their lives  
 They can't deny God's word  
 And they will say

*CHORUS*

Even so, come, Lord Jesus  
 Even so, come, Lord  
 Even so, come, Lord Jesus  
 Even so, come, Lord Jesus

The world again is falling apart  
 And the signs are everywhere  
 Signs of famine, war and pestilence  
 As men's hearts fail for fear  
 Disobedience brought their judgment  
 And rejection brought their curse  
 Yet once again men crucify  
 The seed of God on earth  
 And there shall be another performance  
 Of all diabolical cunningness and cruelty  
 As the venture drips with blood  
 Yet the word must be fulfilled  
 And in the days when the towers fell  
 And the white horse rider rides  
 And the beast is given power  
 To steal, kill, and destroy  
 Yet there is a mighty people  
 Walking with the faith of God  
 With faith for healing, faith for power  
 And translation in this hour

## 348

**Beyond The Sunset**

Beyond the sunset oh blissful morning  
 When with our Saviour heaven is begun  
 Earth's toiling ended oh glorious dawning  
 Beyond the sunset when day is done

Beyond the sunset no clouds will gather  
 No storms will threaten, no fears annoy  
 Oh day of gladness, oh day unending  
 Beyond the sunset, eternal joy

Beyond the sunset a hand will guide me  
 To God, the Father whom I adore  
 His glorious presence  
 His words of welcome  
 Will be my portion on that fair shore

Beyond the sunset Oh glad reunion  
 With our dear loved ones  
 Who've gone before  
 In that fair homeland  
 We'll know no parting  
 Beyond the sunset forevermore

**In His Presence  
There's Fullness Of Joy**

G

In His presence  
There's fullness of joy  
At His right hand  
Pleasures forever more  
Oh what fellowship divine  
I am His and He is mine  
In the presence of the Lord  
There's fullness of joy

## 350

**Overcomers**

Seasons change new life springs forth  
Showing signs of resurrection  
The germ of faith  
Lay dormant in your soul  
It's now growing to perfection  
The challenges you face  
Are not worthy to be compared  
With the glory He sees in you  
Because you've kept the faith  
A stranger did not follow  
You believe in who was sent

*CHORUS*

Over-comers, over-comers  
You've wrestled with the angel  
Till He changed your name  
Over-comers, over-comers  
Your life depict the scriptures  
See God is still the same  
As He was yesterday

Living epistles read of all men  
Prisoners for Jesus  
You hold this mystery  
So dare to your heart  
It's now becoming tangible  
No longer words on a page  
But a living reality God express in you  
Because you know who you are  
You'll triumph over darkness  
You'll triumph over fear

*BRIDGE*

And as you're walking  
your life depict the scripture  
We know the mystery  
Of God is Christ in you  
And when you're speaking  
You speak with revelation  
Revelation 10: 8 to11  
That's who you are

Over-comers, over-comers  
Refuse to let the devil rise  
And shake you from your place  
Over-comers, over-comers  
Your life depicts the scriptures  
See God is still the same  
As he was yesterday

## 351

**I Am Bound For The Promised Land** F

On Jordan's stormy banks I stand  
And cast a wishful eye  
Toward Canaan's fair and happy land  
Where my possessions lie

*CHORUS*

I am bound for the promised land  
I am bound for the promised land  
Oh who will come and go with me  
I am bound for the promised land

O'er all those wide extended plains  
Shines one eternal day  
There God the Son forever reigns  
And scatters night away

No chilling winds, nor pois'nous breath  
Can reach that healthful shore  
Sickness and sorrow, pain and death  
Are feared and felt no more

When shall I reach that happy place  
And be forever blest  
When shall I see my Father's face  
And in His bosom rest

**Let The Dove Lead**

---

Precious Lord take my hands  
 Lead me on, let me stand  
 For I'm tired, I'm weak, I worn  
 Through the storm and through the night  
 Lead me on to the light  
 Precious Lord lead me home

*CHORUS*

There's a message coming forth  
 Father I pray You'll let the Dove lead  
 As we listen now  
 To the Message of the Lord  
 Father, I pray, Your way we follow

Here I stand in need of You  
 This day and this hour  
 How can I, how can I go on Lord  
 If You don't go before  
 Here I am in the wilderness on my own  
 I'm depending on Your Message  
 Lord alone, to take me home

As a prophet stood that day  
 Being out on his own  
 Realising that he could not  
 Find his way alone  
 He had to give up, even though he tried  
 To get out of the wilderness  
 He depended on the Guide

Lead us on Lord  
 As we go through this trail  
 To reveal Your Word Lord  
 You have not failed  
 All those messages  
 You brought all along  
 Harmony between Lion and Lamb  
 The End-time message  
 And Elisha Ministry  
 Prophetic Insight, The Vials  
 And My Time is at Hand  
 To Live or Die by the Sword  
 Rediscovering our Transforming Power  
 Our Boundaries are set in the Word  
 And Conspiracy is Strong

So take my hand Precious Dove  
 Lead me home, lead me home

353

**This Is My Prayer**

---

History is repeating  
 But it's much greater now  
 For a greater than Ruth is uniting  
 With her Kinsman Redeemer  
 This is the harvest time  
 We've seen the Lord of the harvest  
 Appear  
 But to come into full union with Him  
 This is my prayer

*CHORUS*

This is my prayer, this is my cry  
 I want more of You, no matter the price  
 Total separation Lord  
 Not my will but Thine  
 Take me up those seven steps  
 Till in Your image I stand  
 Take me up those seven steps  
 Till in Your image I stand

Thresh the chaff around my life  
 So I'll be a pure grain  
 With no hidden sin deep within  
 To hinder You from coming in  
 All I want is You my Lord  
 So please empty me I pray  
 Because I know the more I empty out  
 Is the more that You can fill

*CHORUS**BRIDGE*

Wash me, anoint me  
 Lord take full control  
 Separate my soul  
 So I can be  
 A true eagle Nazarite in this hour  
 The new crop that has grown out  
 With Your power

**I Can Never Tell**

---

I can never tell how much I love Him  
 I can never tell His love for me  
 For it passeth human measure  
 Like a deep unfathomed sea  
 Tis redeeming love  
 In Christ my Saviour  
 In my soul the heavenly joys begin  
 And I live for Jesus only since  
 The fullness of His love shone in

355

**One Language**

---

Am

One more time the Lord descended Unto  
 men  
 And spake in a language  
 It takes the token to understand  
 What do you think about Melchizedek's  
 Bread and wine  
 Serving to Abraham's Royal seed  
 In this evening time

## CHORUS

The Capstone of love shouting "Grace"  
 Bringing man back to that place  
 One more time  
 Man will see God's super race

Enoch's Pyramid testifying  
 In Egypt's land  
 Oh what reality it is to you and me  
 God coming down with feet  
 On land and sea  
 Enoch seven steps  
 To the King's chamber  
 Oh what a language it is  
 To us in this hour

Arise my people and see this reality  
 Under one headship, one language  
 In this evening time  
 Buy of him eye salve that you may see  
 That super sign spoken of  
 Is you and me

The eagles following the dove  
 From faith to perfect love  
 What a language it is  
 From the dust to the stars above  
 One more time man will see  
 God's super race

356

**My Heart's Desire**

---

My heart's desire is for  
 The Lord to be made real in me  
 So I can stand for Him  
 In these last days

I must be strong and carry on  
 'Cause I know I don't belong in this World  
 I know I must be strong and carry on  
 I know I must be strong and carry on

We have to trim our lamps  
 To keep our light aglow  
 Doing our ABCs  
 To know Him as our own

We should seek Him more night and day  
 Cause I know I just need Him as my own  
 We need Him as our own, as our own  
 We need Him as our own

Trials can bring you down  
 They can bend your knees  
 They bring character  
 So God can work through you  
 Through me

(With His spirit)

My heart's desire is for  
 (There's peace and no shame)  
 The Lord to be made real in me  
 So I can stand for Him in these last days

I must be strong and carry on  
 'Cause I know I don't belong in this world  
 I know I must be strong and carry on  
 I know I must be strong and carry on

**Jesus Breaks Every Fetter**

C

Jesus breaks every fetter  
(Repeat 3 times)  
And He sets me free

I will sing hallelujah  
(Repeat 3 times)  
For He sets me free

**358****Victory Ahead**

When the hosts of Israel  
Led by God round the walls  
Of Jericho softly trod  
Trusting in the Lord  
They felt the conqueror's tread  
By faith they saw the victory ahead

*CHORUS*

Victory ahead, victory ahead  
Through the blood of Jesus  
Victory ahead, trusting in the Lord  
I hear the conqueror's tread  
By faith I see the victory ahead

David, with a shepherd's sling  
And five stones  
Met the giant on the field all alone  
Trusting in the Lord  
He knew what God had said  
By faith he saw the victory ahead

Daniel prayed unto the Lord  
Thrice each day  
Then unto the lion's den led the way  
Trusting in the Lord  
He did not fear or dread  
By faith he saw the victory ahead

Often with the carnal mind I was tried  
Asking for deliverance oft I cried  
Trusting in the Lord  
I reckoned I was dead  
By faith I saw the victory ahead

When like those who've gone before  
To that land  
By death's river cold and dark  
I shall stand  
Trusting in the Lord  
I will not fear or dread  
By faith I see the victory ahead

**359****Take Time To Be Holy**

Take time to be holy  
Speak oft with thy Lord  
Abide in Him always  
And feed on His Word  
Make friends of God's children  
Help those who are weak  
Forgetting in nothing  
His blessing to seek

Take time to be holy  
The world rushes on  
Spend much time in secret  
With Jesus alone  
By looking to Jesus  
Like Him thou shalt be  
Thy friends in thy conduct  
His likeness shall see

Take time to be holy  
Let Him be thy Guide  
And run not before Him  
Whatever betide  
In joy or in sorrow  
Still follow thy Lord  
And, looking to Jesus  
Still trust in His word

Take time to be holy  
Be calm in thy soul  
Each thought and each temper  
Beneath His control  
Thus led by His Spirit  
To fountains of love  
Thou soon shalt be fitted  
For service above

**As We Drink This Cup**

A

As we drink this cup we worship You  
 As we eat this bread we honour You  
 And we offer You our lives  
 As You have offered Yours for us

We remember all You've done for us  
 We remember Your Covenant with us  
 We remember and worship You Oh Lord  
 (Repeat)

**361****Channels Only**

A

How I praise Thee precious Saviour  
 That Thy love laid hold of me  
 Thou hast saved and cleansed  
 And filled me  
 That I might Thy channel be

*CHORUS*

Channels only blessed Master  
 But with all Thy wondrous power  
 Flowing through us Thou canst use us  
 Every day and every hour

Just a channel full of blessing  
 To the thirsty hearts around  
 To tell out Thy full salvation  
 All Thy loving message sound

Emptied that Thou shouldest fill me  
 A clean vessel in Thy hand  
 With no power but as Thou givest  
 Graciously with each command

Witnessing Thy power to save me  
 Setting free from self and sin  
 Thou hast bought me to possess me  
 In Thy fullness Lord come in

Jesus fill now with Thy Spirit  
 Hearts that full surrender know  
 That the streams of living water  
 From our inner man may flow

**Our Lord Is Coming Back**

G

I am waiting for the coming  
 Of the glad millennial day  
 When our blessed Lord shall come  
 And catch His waiting Bride away  
 Oh my heart is filled with rapture  
 As I labour, watch and pray  
 For our Lord is coming back  
 To earth again

*CHORUS*

Oh our Lord is coming back  
 To earth again  
 Yes, our Lord is coming back  
 To earth again  
 Satan will be bound a thousand years  
 We'll have no tempter then  
 After Jesus shall come back  
 To earth again

Jesus' coming back will be the answer  
 To earth's sorrowing cry  
 For the knowledge of the Lord shall fill  
 The earth, and sea and sky  
 God shall take away all sickness and  
 The sufferer's tears will dry  
 When our Saviour shall come  
 Back to earth again

Yes, the ransomed of the Lord  
 Shall come to Zion  
 Then with joy and in all His holy mountain  
 Nothing hurts or shall destroy  
 Perfect peace shall reign in every heart  
 And love without alloy  
 After Jesus shall come back  
 To earth again

Then the sin and sorrow, pain and death  
 Of this dark world shall cease  
 In a glorious reign with Jesus  
 Of a thousand years of peace  
 All the earth is groaning  
 Crying for that day of sweet release  
 For our Lord is coming back  
 To earth again

**Yesterday, Today, Forever**

---

Oh, how sweet the glorious message  
 Simple faith may claim  
 Yesterday, today, forever  
 Jesus is the same  
 Still He loves to save the sinful  
 Heal the sick and lame  
 Cheer the mourner, still the tempest  
 Glory to His name

*CHORUS*

Yesterday, today, forever  
 Jesus is the same  
 All may change, but Jesus never  
 Glory to His name  
 Glory to His name  
 Glory to his name  
 All may change but Jesus never  
 Glory to His name

He who was the friend of sinners  
 Seeks thee, lost one, now  
 Sinner, come, and at His footstool  
 Penitently bow  
 He who said "I'll not condemn thee  
 Go and sin no more"  
 Speaks to thee that word of pardon  
 As in days of yore

Oft on earth He healed the sufferer  
 By His mighty hand  
 Still our sicknesses and sorrows  
 Go at His command  
 He who gave His healing virtue  
 To a woman's touch  
 To the faith that claims His fullness  
 Still will give as much

As of old He walked to Emmaus  
 With them to abide  
 So through all life's way He walketh  
 Ever near our side  
 Soon again we shall behold Him  
 Hasten, Lord, the day  
 But 'twill still be this same Jesus  
 As He went away

**A Child Of The King**

---

My Father is rich in houses and lands  
 He holdeth the wealth of  
 The world in His hands  
 Of rubies and diamonds of silver and gold  
 His coffers are full, He has riches untold

*CHORUS*

I'm a child of the King  
 A child of the King  
 With Jesus my Saviour  
 I'm a child of the King

My Father's own Son, the Saviour of men  
 Once wandered o'er earth  
 As the poorest of them  
 But now He is reigning forever on high  
 And will give me a home  
 In heav'n by and by

I once was an outcast, stranger on earth  
 A sinner by choice and an alien by birth  
 But I've been adopted  
 My name's written down  
 An heir to a mansion, a robe and a crown

A tent or a cottage why should I care  
 They're building a palace for me over there  
 Though exiled from home yet still I may sing  
 All glory to God, I'm a child of the King

**Burn On**

---

Burn on, burn on  
 Oh, fire of God burn on  
 Till all my dross is burned away  
 Prepare me for the testing day  
 Oh, fire of God burn on

Burn on, Burn on  
 Oh, fire of God, burn on  
 Till all my soul Christ's image bears  
 His holy, heavenly nature wears  
 Oh, fire of God, burn on

**It's Dripping With Blood**

The first one to die for  
 This Holy Ghost plan  
 Was John the Baptist  
 But he died like a man  
 Then came the Lord Jesus  
 They crucified Him  
 He taught that the Spirit  
 Would save men from sin

*CHORUS*

It's dripping with blood  
 Yes it's dripping with blood  
 This Holy Ghost gospel  
 Is dripping with blood  
 The blood of disciples  
 Who died for the truth  
 This Holy Ghost gospel  
 Is dripping with blood

There was Peter and Paul  
 And John the divine  
 They gave up their lives so  
 This gospel could shine  
 They mingled their blood  
 Like the prophets of old  
 So the true Word of God  
 Could honest be told

Then they stoned Stephen  
 He preached against sin  
 He made them so angry  
 They dashed his head in  
 But he died in the Spirit  
 And gave up the ghost  
 And went to join others  
 In that life-giving host

There's souls under the altar  
 Crying, How long  
 For the Lord to punish  
 Those who've done wrong  
 But there's going to be more  
 Who'll give their life's blood  
 For this Holy Ghost gospel  
 And its crimson flood

**It'll Be Worth It All**

C

It'll be worth it all  
 Just to see His face  
 When He calls us  
 To our home in the sky  
 There's no sorrows there  
 And no burdens to bear  
 It'll be worth it all  
 When we get home

There's no sad farewell  
 And no tears to cry in that city  
 That the Lord has prepared  
 When He calls us home  
 We will never more roam  
 It'll be worth it all  
 When we get home

**368****Drinking At The Springs**

G

I thirsted in a barren land of sin and shame  
 And nothing satisfying there I found  
 But to the blessed cross of Christ  
 One day I came  
 Where springs of living water did abound

*CHORUS*

Drinking at the springs of living water  
 Happy now am I, my soul is satisfied  
 Drinking at the springs of living water  
 O wonderful and bountiful supply

How sweet the living water  
 From the hills of God  
 It makes me glad and happy all the way  
 Now glory, grace and blessing  
 Mark the path I've trod  
 I'm shouting hallelujah every day

Oh sinner won't you come today to Calvary  
 A fountain there is flowing deep and wide  
 The Saviour now invites you  
 To the water free  
 Where thirsting spirits can be satisfied

**Blest Be The Tie That Binds**

F

Blest be the tie that binds  
Our hearts in Christian love  
The fellowship of kindred minds  
Is like to that above

Before our Father's throne  
We pour our ardent prayers  
Our fears, our hopes  
Our aims are one  
Our comforts and our cares

We share our mutual woes  
Our mutual burdens bear  
And often for each other flows  
The sympathising tear

When we asunder part  
It gives us inward pain  
But we shall still be joined in heart  
And hope to meet again

This glorious hope revives  
Our courage by the way  
While each in expectation lives  
And longs to see the day

From sorrow, toil, and pain  
And sin we shall be free  
And perfect love and friendship reign  
Throughout eternity

**370****Oh I Love To Hear His Voice**

Bb

Oh I love to hear His voice  
Saying you belong to me  
You are not your own  
With a price you're bought  
And you're Mine eternally  
And I love to hear Him say  
I have saved you by My grace  
And when I get to glory  
It will then be grander still  
For I shall see His face

**Let Not Your Heart Be Troubled**

G

Let not your heart be troubled  
Ye believe in God, believe also in Me  
In My Father's house are many mansions  
If it were not so I would have told you

I go to prepare a place for you  
And if I go and prepare a place for you  
I will come again  
And receive you unto Myself  
That where I am there ye may be also

**372****Righteousness, Peace And Joy**

G

Righteousness, peace and joy  
In the Holy Ghost  
(Repeat)  
That's the Kingdom of God

Don't you want to be a part  
Of the kingdom  
(Repeat 3 times)  
Come on, come on everybody

There's love in the kingdom  
So much love in the kingdom  
There is love in the kingdom  
Come on, come on everybody

There is joy in the Kingdom  
So much joy in the kingdom  
There is joy in the kingdom  
Come on, come on everybody

There is peace in the kingdom  
So much peace in the kingdom  
There is peace in the kingdom  
Come on, come on everybody

I'm an heir of the kingdom  
So glad I'm an heir of the kingdom  
Don't you want to be an heir  
Of the kingdom  
Come on, come on everybody

**A New Commandment I Give To You**

---

A new commandment  
I give unto you  
That ye love one another  
As I have loved you  
That ye love one another  
As I have loved you

By this shall all men know  
That ye are My disciples  
If ye have love one for another  
By this shall all men know  
That ye are My disciples  
If ye have love one for another

**374****Into A Supernatural Atmosphere**

---

You have seen what I did  
To the Egyptians  
How I have destroyed them  
How I bear you on eagles' wings  
And brought you to Myself  
For you are a part of Me  
My peculiar treasure  
Unto you I give my holy covenant

*CHORUS*

Into a supernatural atmosphere  
God has raised His Bride  
She's now a bright shining star  
And true reflection of Him  
We'll manifest the authority  
Of His name, fulfill all His Word  
That all the world may know  
That we are supernatural beings

Lord You've shown us our position  
The way to come to Your presence  
You have clothed us in Your Word  
And now we have access to Your throne  
For we only want Your desire  
For with You we've found favour  
And whatsoever we ask of You  
You will grant it to us

Lord You've shown us  
Haman's evil schemes  
But You made a way of escape  
We've had Mordecai's  
Words of life to us  
Through Your faithful Servant Hatach  
For such a time as this  
We came into Your kingdom  
Now we are the ones  
Through whom You'll deliver  
Your people in bondage

**375****Blessed Be The Fountain**

---

Blessed be the fountain of blood  
To a world of sinners revealed  
Blessed be the dear Son of God  
Only by His stripes we are healed  
Though I've wandered far from His fold  
Bringing to my heart pain and woe  
Wash me in the blood of the Lamb  
And I shall be whiter than snow

*CHORUS*

Whiter than the snow, whiter than the snow  
Wash me in the blood of the Lamb  
And I shall be whiter than snow

Thorny was the crown that He wore  
And the cross His body o'ercame  
Grievous were the sorrows he bore  
But He suffered thus not in vain  
May I to that fountain be led  
Made to cleanse my sins here below  
Wash me in the blood that He shed  
And I shall be whiter than snow

Father, I have wandered from Thee  
Often has my heart gone astray  
Crimson do my sins seem to me  
Water cannot wash them away  
Jesus, to that fountain of Thine  
Leaning on Thy promise, I go  
Cleanse me by thy washing divine  
And I shall be whiter than snow

**I Am The Way, The Truth  
And The Life**

G

I am the way, the truth and the life  
That's what Jesus said  
(Repeat)

Without the way there is no going  
Without the truth there is no Knowing  
Without the life there is no living  
I am the way, the truth and the life  
That's what Jesus said

## 377

**Hark The Herald Angels**

Hark, the herald angels sing  
Glory to the newborn King  
Peace on earth, and mercy mild  
God and sinners reconciled  
Joyful all ye nations rise  
Join the triumph of the skies  
With angelic hosts proclaim  
Christ is born in Bethlehem

*CHORUS*

Hark, the herald angels sing  
Glory to the newborn King

Christ, by highest heav'n adored  
Christ, the everlasting Lord  
Late in time behold Him come  
Off-spring of a virgin's womb  
Veiled in flesh the Godhead see  
Hail the incarnate Deity  
Pleased as man with men to appear Jesus  
our Immanuel here

Hail the heav'n-born prince of peace  
Hail the Sun of righteousness  
Light and life to all He brings  
Risen with healing in His wings  
Mild He lays His glory by  
Born that man no more may die  
Born to raise the sons of earth  
Born to give them second birth

Come, Desire of nations, come  
Fix in us Thy humble home  
Rise the woman's conquering seed  
Bruise in us the serpent's head  
Adam's likeness now efface  
Stamp Thine image in its place  
Second Adam from above  
Reinstate us in Thy love

## 378

**Draw Me Nearer Blessed Lord**

D

I am Thine, oh Lord  
I have heard Thy voice  
And it told Thy love to me  
But I long to rise  
In the arms of faith  
And be closer drawn to Thee

*CHORUS*

Draw me nearer  
Nearer blessed Lord  
To the cross where Thou hast died  
Draw me nearer, nearer  
Nearer, blessed Lord  
To Thy precious, bleeding side

Consecrate me now  
To Thy service, Lord  
By the power of grace divine  
Let my soul look up  
With a steadfast hope  
And my will be lost in Thine

Oh the pure delight of a single hour  
That before Thy throne I spend  
When I kneel in prayer  
And with Thee my God  
I commune as friend with friend

There are depths of love  
That I cannot know  
Till I cross the narrow sea  
There are heights of joy  
That I may not reach  
Till I rest in peace with Thee

**Jesus Is The Joy Of Living**

D

Jesus is the joy of living  
 He's the King of life to me  
 Unto Him my all I'm giving  
 His forevermore to be

I will do what He commands me  
 Anywhere He leads I'll go  
 Jesus is the joy of living  
 He's the dearest Friend I know

380

**Thirst**

As we set our face towards Jerusalem  
 Knowing that very soon  
 The squeeze will come  
 As the days draw nearer  
 As the days draw closer  
 There's such a faithful desire  
 To be like our Saviour

*CHORUS*

Oh, Jesus, my Lord Jesus  
 Only You, only You can quench  
 This thirst in my soul  
 Jesus, my Lord Jesus  
 Only You, only You can quench  
 This thirst in my soul

Many nights I can't sleep  
 Everyday my soul groans in me  
 Waiting for the redemption of this body  
 No matter what the world may say  
 No matter what the world may do  
 It's a fact that I can't rest  
 Until I'm perfect

Before the Masterpiece can speak  
 It must be smitten, by the  
 Determinate council of our God  
 What shall we say then  
 Father take this cup from me  
 But never the less, not my will  
 But Thine be done

The signs of the times  
 Are quickly approaching  
 We can see the whole creation  
 Is groaning, but for this purpose  
 We came into this world, to fulfill  
 That which is written, of us

381

**Jesus Opened Up The Way**

Jesus Christ the Lord  
 Opened up the way to glory  
 When He died to save us  
 From our ruined state  
 And He asks that we shall go  
 Tell the world the story  
 How His blood will save them  
 From their awful fate

*CHORUS*

Jesus opened up the way  
 To heaven's gate  
 When He died on the cross  
 To redeem all the lost  
 He prepared the road  
 That leads to His abode  
 'Tis a road marked by blood  
 But it leads us home to God

And the way is marked  
 By the footprints of the Saviour  
 With His blood He made it  
 Made it plain and straight  
 If you walk that way  
 It will lead you into heaven  
 Lead you safely into  
 Glory's golden gate

Sinner, will you come and join  
 In this heav'nly journey  
 Walk the bloody pathway  
 That the Saviour trod  
 Then when life is over  
 And all the sheaves are garnered  
 You will meet the Saviour  
 And be not afraid

**This Is The Hour**

---

Bride of Christ  
 For so long we've been waiting  
 For a promised King has come  
 And we await His appearing  
 We've been tested we've been tried  
 We've cried and we've sighed  
 Since 1962 we've heard  
 These things aren't new  
 But first the squeeze must come  
 A quick short ride and then it's done  
 This is the hour

*CHORUS*

This is the hour  
 That we've all been waiting for  
 This is the hour  
 The Bridegroom is at the door  
 This is the hour of His appearing  
 The trumpet shall sound  
 And we'll all go home  
 This is the hour

End-time Daniels you'll rise  
 This is the time of the evening  
 The king of Babylon has come  
 He's thundering and devouring  
 He's causing them to bow  
 Passing laws even now  
 But prayer's the only way out  
 Daniels trust and don't you doubt  
 That Michael your prince will stand  
 And in the fire you meet the Son of Man  
 This is the hour

End-time Esthers you awake  
 The seven thunders are sounding  
 For Hatach has brought the news  
 Of the genocide that's coming  
 It's time to intercede for our people  
 We must plead in the spirit of sacrifice  
 Be willing to give your lives  
 But the sceptre's in the King's Hand  
 And our desire is His command  
 In this hour

**Such Love**

---

D

That God should love a sinner such as I  
 Should yearn to change my sorrow into bliss  
 Nor rest till He had planned to bring me nigh  
 How wonderful is love like this

*CHORUS*

Such love, such wondrous love  
 Such love, such wondrous love  
 That God should love a sinner such as I  
 How wonderful is love like this

That Christ should join  
 So freely in the scheme  
 Although it meant His death on Calvary  
 Did ever human tongue find nobler theme  
 Than love divine that ransomed me

That for a willful outcast such as I  
 The Father planned  
 The Saviour bled and died  
 Redemption for a worthless slave to buy  
 Who long had law and grace defied

And now He takes me to His heart, a son  
 He asks me not to fill a servant's place  
 The far-off country  
 Wanderings all are done  
 Wide open are His arms of grace

**384****His Name Is Higher**

---

F

His name is higher than any other  
 His name is Jesus  
 His name is Lord  
 (Repeat)

His name is Wonderful  
 His name is Counselor  
 His name is Prince of Peace  
 The mighty God  
 His name is higher than any other  
 His name is Jesus  
 His name is Lord

**Are You Looking For Him**

A

There was a man in Jerusalem  
 Simeon by name  
 Awaiting for the consolation of Israel  
 And it was revealed to Him  
 By the Holy Ghost  
 That he would not see death  
 Till he see the Lord's Christ  
 The anointed Word  
 Led by the Spirit he came into  
 The temple one day  
 And Jesus was brought in  
 As was the custom of the law  
 Simeon took him up in his arms  
 And he blessed, yes, he blessed  
 The God of heaven  
 Cause, what he had been looking for  
 He now held in his possession

*CHORUS*

Are you looking for Him  
 He hath appeared and yet will appear  
 To us who look for Him  
 He'll appear another time

After the denominational ages  
 Seven, to be precise  
 We saw a vision of angels  
 And it testified of a risen Christ  
 It's been about two thousand years  
 Since He gave us that Word  
 That as He ascended  
 In like manner, He will return  
 'Twas February 28 1963  
 A cloud appeared 27 miles high  
 Thirty miles across  
 This truly fulfilled Hebrews 9 and 28  
 He appeared again having attained  
 A full redemption for you and me

(Monologue)

Our prophet suffered 42 long years  
 For deliverance, he prayed  
 He cried, he was so distressed  
 The doctors told him he'd never be well  
 But that was as far

As medical science could tell  
 He once saw a vision of what went wrong  
 But he also heard a voice saying  
 It's only six inches long  
 Mama's dreams showed six doves  
 But that was incomplete  
 For it was the seventh dove  
 He really, really longed to see  
 And it was early one morning when he awoke  
 And he saw his deliverance  
 In a vision that broke  
 He went up the Catalina  
 In obedience to that Voice  
 Where he saw his dead enemy  
 And that seventh dove  
 And this is what he said

As a son of Abraham  
 I consider not what the doctor said  
 We know, surely God gave him  
 His full deliverance

Brethren, think about that situation  
 You are faced with even now  
 Call to remembrance the Word of God  
 Spoke through His servant  
 Your enemy is dead, he's still dead  
 Redemption's message of grace  
 Has come to us  
 On the wings of that seventh dove  
 Now exercise thy faith for  
 There's power in true confession  
 Break through all hindrances  
 In the supernatural  
 And experience the results  
 That follows angelic visitations  
 For surely He's here to meet  
 Your great expectation

386

**Welcome**

F

Welcome, welcome, welcome  
 Holy Ghost we welcome Thee  
 Come with power this very hour  
 Holy Ghost we welcome Thee

**Lead Me On**

C

Lead me on Holy Spirit  
 Fill my heart, come flood my soul  
 Lead me on into Your presence  
 Touch me Lord Jesus I need You

*CHORUS*

Cause I can't live without You  
 I can't walk this road alone  
 In my heart I need You  
 Holy One come take my hand

**The Return Of The Spring Sun**

The Bible opens with the 7th seal  
 Though it took such a long time  
 To be revealed in the earth  
 There as seed  
 God called for light and said let there be  
 The seeds were quickened  
 And they sprang forth  
 Out of a darkened earth  
 They were called  
 To manifest the life that laid within  
 Their Creator was glorified in them

*CHORUS*

At the rising of the sun  
 Life springs forth

When Jesus died  
 They laid His body away  
 But He was destined to rise again  
 And on the third day  
 A mighty angel descended from heaven  
 To give witness  
 He was the new creation  
 Twas the first sun and the first sunrise  
 Quickening power  
 Brought His body to life  
 In victory He marched  
 Through death's door  
 The saints of old arose  
 And walked on earth once more

As in the beginning so is it in the end  
 We are now walking in Revelation 10  
 We heard the Shout  
 We're now in the Voice  
 Evening time resurrection surely is on  
 He's now unveiled and to us He appears  
 Manifestations show  
 His personal presence is here  
 We're waiting for  
 The sounding of the last trump  
 The sleeping saints will rise  
 And we'll be raptured up

**Fill My Cup Lord**

F

Like the woman at the well  
 I was seeking  
 For things that could not satisfy  
 And then I heard my Saviour speaking  
 Draw from My well  
 That never shall run dry

*CHORUS*

Fill my cup Lord, I lift it up Lord  
 Come and quench  
 This thirsting of my soul  
 Bread of heaven  
 Fill me till I want no more  
 Fill my cup, fill it up  
 And make me whole

There are millions in this world  
 Who are seeking the pleasures  
 Earthly things afford  
 But none can match  
 The wondrous treasure  
 That I find in Jesus Christ my Lord

So my brother, if the things  
 This world gave you  
 Leave a hunger  
 That just won't pass away  
 My blessed Lord will come  
 And save you  
 If you'll kneel to Him and humbly pray

**Jesus, Jesus, Jesus**

---

Jesus, Jesus, Jesus  
 There's just something about that name  
 Master, Saviour, Jesus  
 Like the fragrance after the rain  
 Jesus, Jesus, Jesus  
 Let all heaven and earth proclaim  
 Kings and kingdoms will all pass away  
 But there's something about that name

**391****The Windows Of Heaven Are Open** C

---

The windows of heaven are open  
 The blessings are falling tonight  
 There's joy, joy, joy in my heart  
 Since Jesus made everything right

I gave Him my old tattered garment  
 He gave me a robe of pure white  
 I'm feasting on manna from heaven  
 And that's why I'm happy tonight

**392****In The Twinkling Of An Eye**

---

When the trump of the great archangel  
 Its mighty tones shall sound  
 And, the end of the world proclaiming  
 Shall pierce the depths profound  
 When the Son of man  
 Shall come in His glory  
 With all the saints on high  
 What a shouting in the skies  
 From the multitudes that rise  
 Changed in the twinkling of an eye

*CHORUS*

Changed in the twinkling of an eye  
 Changed in the twinkling of an eye  
 The trumpet shall sound  
 The dead shall be raised  
 Changed in the twinkling of an eye

When He comes in the clouds descending  
 And they who loved Him here  
 From their graves  
 Shall awake and praise Him  
 With joy and not with fear  
 When the body and the soul are united  
 And clothed no more to die  
 What a shouting there will be  
 When each other's face we see  
 Changed in the twinkling of an eye

Oh the seed that was sown in weakness  
 Shall then be raised in power  
 And the songs of the blood-bought millions  
 Shall hail that blissful hour  
 When we gather safely home  
 In the morning and night's dark shadows fly  
 What a shouting on the shore  
 When we meet to part no more  
 Changed in the twinkling of an eye

**393****The Song In Our Heart**

---

We've got the Son of Man Ministry  
 Watching out for His little Bride  
 Standing in the watch tower  
 Watching the scenes come to pass

*CHORUS*

We don't fear because our God is here  
 Mystery Babylon has been made clear  
 The entire plan of God has drawn us near  
 To the Word of the hour  
 The song in our heart

This little Bride won't be deceived  
 Because inside is elected seed  
 So go forth shouting victory  
 Just worship God and believe

This cosmos is at an end  
 Prophecies bring on the destroying wind  
 With tongues of fire  
 You have been made clean  
 The Spoken Word has made you free

**I'm Depending On You Lord** F

I'm depending on You Lord  
To take me through  
(Repeat 3 times)  
Take me through Lord  
Oh take me through

I'm trusting in You Lord  
To take me through  
(Repeat 3 times)  
Take me through Lord  
Oh take me through

My faith is in You Lord  
Oh take me through  
(Repeat 3 times)  
Take me through Lord  
Oh take me through

395

**I Shall Know Him**

When my life work is ended  
And I cross the swelling tide  
When the bright and glorious morning  
I shall see  
I shall know my Redeemer  
When I reach the other side  
And His smile will be the first to Welcome  
me

*CHORUS*

I shall know Him, I shall know Him  
As redeemed by His side  
I shall stand, I shall know Him  
I shall know Him  
By the print of the nails in His hand

Oh the soul thrilling rapture  
When I view His blessed face  
And the lustre of His kindly beaming eye  
How my full heart will praise Him  
For the mercy, love and grace  
That prepares for me  
A mansion in the sky

Oh the dear ones in glory  
How they beckon me to come  
And our parting at the river I recall  
To the sweet vales of Eden  
They will sing my welcome home  
But I long to meet my Saviour first of all

Through the gates to the city  
In a robe of spotless white  
He will lead me where no tears  
Shall ever fall  
In the glad song of ages  
I shall mingle with delight  
But I long to meet my Saviour first

396

**All In All**

Of Jesus love I'm singing  
I praise Him every day  
He is my all in all, all in all  
He frees my soul from bondage  
He takes my guilt away  
Jesus is my all in all

*CHORUS*

All in all, all in all  
A strength in time of weariness  
A light when shadows fall  
All in all, all in all  
Jesus is my all in all

He's patient and so tender  
So loving and so kind  
He is my all in all, all in all  
Another Friend so faithful  
My soul will never find  
Jesus is my all in all

In time of need no other  
To me can prove so dear  
He is my all in all, all in all  
He hears me though I whisper  
To help me He is near  
Jesus is my all in all

**God Will Make This Trial A Blessing**

---

I've just come into a valley  
 One like I've never been before  
 I keep searching for a way out  
 Seems like padlocks are on the doors  
 Oh, there must be another sunrise  
 Another sunset that I'll see  
 God will make this trial a blessing  
 Just be patient you will see

*CHORUS*

God will make this trial a blessing  
 Though it sends me to my knees  
 Though my tears flow like a river  
 Yet in Him there's sweet release  
 There's no need to get discouraged  
 There's no need to talk defeat  
 God will make this trial a blessing  
 And the whole wide world will see

I was not the first one  
 To come into this place  
 You see, every child of God  
 This test he must face  
 It is here that God will mould you  
 And make you what you ought to be  
 God will make this trial a blessing  
 Just be patient you will see

I am standing on the mountain  
 Looking back, I can see  
 When I was in my lowest valley  
 His strong hand was leading me  
 Oh, it's good to see the sunrise  
 And to taste sweet victory  
 God has made this trial a blessing  
 Oh, the love He has for me

398

**He Saves, He Keeps**

---

G

He saves, He keeps, He satisfies  
 This wonderful Friend of mine  
 Someday I'll meet Him in the sky  
 This wonderful Friend of mine

**Tears Will Never Stain  
The Streets Of That City**

---

If I could count the tears that have fallen  
 It would seem like an ocean to me  
 And I guess if my heart was a window  
 And the whole wide world looked through  
 Oh, the pain and scars you would see

*CHORUS*

Tears will never stain  
 The streets of that city  
 No wreaths of death  
 On my mansion's door  
 Tear drops aren't welcome  
 Beyond the gates of glory  
 For the heart will never break anymore

I questioned the loss of a loved one  
 The grave seemed so final and cold  
 Oh, but we'll meet again  
 Where death has no victory  
 In a land where we'll never grow old

I'd never meet a man without sorrow  
 Never looked into eyes with no pain  
 But I know a land  
 Where grief is a total stranger  
 And songs of joy are the only songs  
 We're gonna sing

400

**Come And Let Us Go**

---

G

Come and let us go  
 Up to the mountain of the Lord  
 And to the house of our God  
 Come and let us go  
 Up to the mountain of the Lord  
 And to the house of our God

And He will teach us of His ways  
 And we will walk in His paths  
 For the law shall go forth from Zion  
 And the Word of the Lord from Jerusalem

**It's Setting Me Free**

---

It's setting me free  
 This Holy Ghost power  
 It's setting me free, this very hour  
 It's down in my soul  
 It's making me whole  
 It's setting me free, free, free  
 This Holy Ghost power

**On That Bright And Golden Morning** C

---

Oh that bright and golden morning  
 When the Son of God shall come  
 And the beauty of His glory we shall see  
 When from every tribe and nation  
 He shall call His people home  
 What a gathering of the ransomed  
 That will be

*CHORUS*

What a gathering, what a gathering  
 What a gathering of the ransomed  
 In that summer land of love  
 What a gathering, what a gathering  
 What a gathering of the ransomed  
 Of that happy home above

When the blest who sleep in Jesus  
 At His bidding shall rise  
 From the silence of the grave  
 And from the sea  
 And with bodies all celestial  
 They shall meet Him in the skies  
 What a gathering and rejoicing  
 There will be

When our eyes behold the city  
 With its many mansions bright  
 And its river calm and restful  
 Flowing free  
 When the friends that death has parted  
 Shall in bliss again unite  
 What a gathering  
 And a greeting there will be

Oh the King is surely coming  
 And the time is drawing nigh  
 When the blessed day  
 Of promise we shall see  
 Then the changing in a moment  
 In the twinkling of an eye  
 And forever in His presence  
 We shall be

## 403

**Take A Look**

---

Take a look at His hands and His feet  
 See the tears in His eyes  
 Tell me what do you see  
 Just look at the crown on His head  
 It's not made of gold, but thorns instead  
 His beard has been torn from His face Still  
 shining with mercy and grace  
 But He still loves us all the same  
 As He hung on the cross without blame  
 What kind of man do you see  
 The kind that still loves you and me  
 What kind of love is so true  
 That He gave up His life just for you

*CHORUS*

Tell me, how do you say  
 I love you, can you show me  
 The way you can  
 If He knocked on the door  
 Will it open, can you hear  
 What God wants to say

Tell me, how do you say I love you  
 Can you show me the way that you can  
 God loves you so much  
 That He gave up His son  
 Can you hear what He's trying to say  
 He loves you, oh, always  
 Even if you don't love Him today  
 He's gonna be there anyway  
 Even if you don't love Him today  
 He's gonna be there anyway  
 Even if you don't love Him anyway

**I've Got Peace Like A River**

---

I've got peace like a river  
 I've got peace like a river  
 I've got peace like a river  
 In my soul  
 (Repeat)

I've got joy like a fountain  
 I've got joy like a fountain  
 I've got joy like a fountain  
 In my soul  
 (Repeat)

I can shout hallelujah  
 I can shout hallelujah  
 I can shout hallelujah  
 From my soul  
 (Repeat)

**405****I Love To Tell The Story**

---

I love to tell the story  
 Of unseen things above  
 Of Jesus and His glory  
 Of Jesus and His love  
 I love to tell the story  
 Because I know 'tis true  
 It satisfies my longings  
 As nothing else can do

*CHORUS*

I love to tell the story  
 Twill be my theme in glory  
 To tell the old, old story  
 Of Jesus and His love

I love to tell the story  
 More wonderful it seems  
 Than all the golden fancies  
 Of all our golden dreams  
 I love to tell the story  
 It did so much for me  
 And that is just the reason  
 I tell it now to thee

I love to tell the story  
 Tis pleasant to repeat  
 What seems each time I tell it  
 More wonderfully sweet  
 I love to tell the story  
 For some have never heard  
 The message of salvation  
 From God's own holy Word

I love to tell the story  
 For those who know it best  
 Seem hungering and thirsting  
 To hear it like the rest  
 And when, in scenes of glory  
 I sing the new, new song  
 Twill be the old, old story  
 That I have loved so long

**406****Break Thou The Bread Of Life**

---

Break Thou the bread of life  
 Dear Lord to me  
 As Thou didst break  
 The loaves beside the sea  
 Beyond the sacred page  
 I seek Thee Lord  
 My spirit pants for Thee  
 Oh living Word

Bless Thou the truth, dear Lord  
 To me, to me  
 As Thou didst bless  
 The bread by Galilee  
 Then shall all bondage cease  
 All fetters fall  
 And I shall find my peace  
 My all in all

Teach me to live, dear Lord  
 Only for Thee  
 As Thy disciples lived in Galilee  
 Then, all my struggles o'er  
 Then, victory won  
 I shall behold Thee, Lord  
 The living One

**His Name Is Wonderful**

F

His name is Wonderful  
 His name is Wonderful  
 His name is Wonderful  
 Jesus my Lord  
 He is the mighty King  
 Master of everything  
 His name is Wonderful  
 Jesus my Lord

He's the great Shepherd  
 The Rock of all ages  
 Almighty God is He  
 Bow down before Him  
 Love and adore Him  
 His name is Wonderful  
 Jesus my Lord

**The Seven Steps Of Worship**

The hour will come and the hour is now  
 When God the Father seeks  
 Those who worship our Father  
 In spirit and truth  
 Like a child before His throne  
 Like a child before His throne  
 Not in this mountain or Jerusalem  
 But in His name alone  
 Jesus came down  
 And pardoned my sins  
 And made me acceptable  
 And made me acceptable

He broke the seal like He tore the veil  
 And brought God into plain view  
 He wiped my tears and said don't weep  
 And filled my heart with joy  
 And filled my heart with joy  
 The hour is here, the Master has come  
 The trumpet is sounding clear  
 That Jesus seeks  
 Those that worship Him  
 Like a child before His throne  
 Like a child before His throne

I will sing Yadah  
 Coming to God Like a child  
 And Towdah  
 Stand before God as a child  
 Lifting up holy hands  
 To our Father who art in heaven  
 I will sing Halaal  
 Open your Mouth verbally  
 And Shaback  
 Praise and dance with stamping feet  
 And Barak  
 With inspiration and stimulation  
 I will sing Zamaar  
 Praise with holy instruments  
 And Tahilla  
 Praise with songs and adoration  
 And power to our God forever more

**Hear My Song Lord**

A

Hear my song Lord  
 You fill me with worship  
 Hear my words Lord  
 You fill me with praise  
 Take this moment  
 I just can't waste it  
 This one is Yours Lord  
 I give You my life

*CHORUS*

Hear Your children oh Lord  
 We are lifting our praise to You  
 Let singing like incense  
 Now rise to Your throne  
 Come dwell in the place  
 Hallowed out for Your spirit  
 Come make of our praises  
 Your temple, Your throne

When I am hungry  
 You feed me living Word  
 When I am thirsty waters of life  
 I will not fear Lord  
 You're always with me  
 Every need I have You satisfy

**It's A New And Living Way** G

It's a new and living way, walk ye in it  
 It's a new and living way  
 God has planned  
 It's a new and living way  
 I am walking day by day  
 I am guided and led by His right hand

**411****Trust And Obey** G

When we walk with the Lord  
 In the light of His Word  
 What a glory He sheds on our way  
 While we do His good will  
 He abides with us still  
 And with all who will trust and obey

*CHORUS*

Trust and obey  
 For there's no other way  
 To be happy in Jesus  
 But to trust and obey

Not a shadow can rise  
 Not a cloud in the skies  
 But His smile quickly  
 Drives it away  
 Not a doubt or a fear  
 Not a sigh nor a tear  
 Can abide while we trust and obey

Not a burden we bear  
 Not a sorrow we share  
 But our toil He doth richly repay  
 Not a grief nor a loss  
 Not a frown or a cross  
 But is blest if we trust and obey

But we never can prove  
 The delights of His love  
 Until all on the altar we lay  
 For the favour He shows  
 And the joy He bestows  
 Are for them who will trust and obey

Then in fellowship sweet  
 We will sit at His feet  
 Or we'll walk by His side in the way  
 What He says we will do  
 Where He sends we will go  
 Never fear, only trust and obey

**412****Just As I Am Without One Plea**

Just as I am, without one plea  
 But that Thy blood was shed for me  
 And that Thou bidst me, come to Thee  
 Lamb of God, I come

Just as I am, and waiting not  
 To rid my soul of one dark blot  
 To Thee, whose blood  
 Can cleanse each spot  
 Lamb of God, I come

Just as I am, though tossed about  
 With many a conflict, many a doubt  
 Fightings and fears within, without  
 Lamb of God, I come

Just as I am-poor, wretched, blind  
 Sight, riches, healing of the mind  
 Yea, all I need, in Thee to find  
 Lamb of God, I come

Just as I am, Thou wilt receive  
 Wilt welcome, pardon, cleanse, relieve  
 Because Thy promise I believe  
 Lamb of God, I come

Just as I am, Thy love unknown  
 Has broken every barrier down  
 Now to be Thine, yea, Thine alone  
 Lamb of God, I come

Just as I am, of that free love  
 The breadth, length  
 Depth and height to prove  
 Here for a season, then above  
 Lamb of God, I come

**Wondrous Love Of God To Me** C

Wondrous love of God to me  
 Love that led to Calvary  
 Love that paid sin's penalty  
 God's wondrous love  
 Like a mighty ocean's tide  
 From the cross where Jesus died  
 Flows to sinners far and wide  
 God's wondrous love

## 414

**Wonderful Peace**

Far away in the depths  
 Of my spirit tonight  
 Rolls a melody sweeter than psalm  
 In celestial like strains it unceasingly falls  
 O'er my soul like an infinite calm

*CHORUS*

Peace, peace, wonderful peace  
 Coming down from the Father above  
 Sweep over my spirit forever, I pray  
 In fathomless billows of love

What a treasure I have  
 In this wonderful peace  
 Buried deep in the heart of my soul  
 So secure that no power  
 Can mine it away  
 While the years of eternity roll

I am resting tonight  
 In this wonderful peace  
 Resting sweetly in Jesus' control  
 For I'm kept from all danger  
 By night and by day  
 And His glory is flooding my soul

And me thinks when I rise  
 To that city of peace  
 Where the author of peace I shall see  
 That one strain of the song  
 Which the ransomed will sing  
 In that heavenly kingdom shall be

Ah soul, are you here  
 Without comfort or rest  
 Marching down the rough  
 Pathway of time  
 Make Jesus your friend  
 Ere the shadows grow dark  
 Oh, accept this sweet peace so sublime

## 415

**God Leads Us Along** G

In shady green pastures so rich and sweet  
 God leads His dear children along  
 Where the water's cool flow  
 Bathes the weary one's feet  
 God leads His dear children along

*CHORUS*

Some through the waters  
 Some through the flood  
 Some through the fire  
 But all through the blood  
 Some through great sorrow  
 But God gives a song  
 In the night season  
 And all the day long

Sometimes on the mount  
 Where the sun shines so bright  
 God leads His dear children along  
 Sometimes in the valley  
 In the darkest of night  
 God leads His dear children along

Though sorrows befall us  
 And Satan oppose  
 God leads His dear children along  
 Through grace we can conquer  
 Defeat all our foes  
 God leads His dear children along

Away from the mire  
 And away from the clay  
 God leads His dear children along  
 Away up in glory, eternity's day  
 God leads His dear children along

**I'm Looking For A City**

---

I'm looking for a city  
 The one not made by hands  
 I'm looking over Jordan  
 I see the promised land  
 The waters will be parted  
 And I'll be on my way  
 As we're crossing over Jordan  
 I can say

*CHORUS*

Now I have that everlasting joy within  
 Since He came and took away my sin  
 The moment that He blessed me  
 He made me fully whole  
 With that everlasting joy within my soul

I'm drinking from the fountain  
 That floweth from on high  
 A well of blessed waters  
 That never shall run dry  
 I'm feasting on God's manna  
 I'm praying day by day  
 And that everlasting joy is here to stay

I've heard the prophet's message  
 I've placed it in my heart  
 I've got the revelation  
 That never shall depart  
 The rapture is upon us  
 The stage is set to go  
 We have this precious promise  
 We all know

417

**Sing unto the Lord**

---

G

*CHORUS*

Sing unto the Lord, shout His praises  
 He's our Conqueror  
 Our Deliverer of strength  
 Sing unto the Lord, He's your Redeemer  
 From the ends of the earth  
 We lift up our voices and praise

Lord it was You who rescued me  
 You saved our souls  
 Provided our every needs  
 Lord we were lost  
 But by grace we were found  
 That's why today  
 We can stand on holy ground  
 An though the world  
 May never ever understand  
 Why we sing, why we lift up our hands  
 And there's so many  
 Many fail to see that it's not us  
 But Jesus in you and me

Lord it is You who comforts me  
 In pain and suffering  
 Tender mercies we see  
 We'll not complain  
 All we can do is praise  
 With our hands and our lips  
 Our voices to You we praise  
 We know that demons flee  
 At the mention of Your holy name  
 Let's shout to the Lord  
 Let us His name proclaim  
 Now with one voice  
 We will march, we will sing  
 All Jericho walls will fall  
 Never to rise again

418

**And Can It Be**

---

And can it be, that I should gain  
 An interest in the Saviour's blood  
 Died He for me who caused His pain  
 For me, who Him to death pursued  
 Amazing love, how can it be  
 That Thou, my God shouldst die for me

Tis mystery all the immortal dies  
 Who can explore His strange design  
 In vain the first born seraph tries  
 To sound the depth of love divine  
 Tis mercy all let earth adore  
 Let angel minds inquire

**Oh To Be Like Thee**

---

Oh to be like Thee, blessed Redeemer  
 This is my constant longing and prayer  
 Gladly I'll forfeit all of earth's treasures  
 Jesus, Thy perfect likeness to wear

*CHORUS*

Oh to be like Thee  
 Oh to be like Thee  
 Blessed Redeemer pure as Thou art  
 Come in Thy sweetness  
 Come in Thy fullness  
 Stamp Thine own image  
 Deep on my heart

Oh to be like Thee, full of compassion  
 Loving, forgiving, tender and kind  
 Helping the helpless  
 Cheering the fainting  
 Seeking the wandering  
 Sinner to find

Oh to be like Thee, lowly in spirit  
 Holy and harmless, patient and brave  
 Meekly enduring cruel reproaches  
 Willing to suffer, others to save

Oh to be like Thee, Lord, I am coming  
 Now to receive the anointing divine  
 All that I am and have I am bringing  
 Lord, from this moment  
 All shall be Thine

Oh to be like Thee while I am pleading  
 Pour out Thy Spirit, fill with Thy love  
 Make me a temple meet for Thy dwelling  
 Fit me for life and heaven above

**He Careth For You**

---

G

He careth for you  
 He careth for you  
 Through sunshine or shadow  
 He careth for you

**Seek Ye The Lord**

---

Seek ye the Lord while He may be found  
 Call ye upon Him while He is near  
 Seek ye the Lord  
 While He may be found  
 Call ye upon Him while He is near

Let the wicked forsake his way  
 And the unrighteous man his thoughts  
 And let him return unto the Lord  
 And He will have mercy upon him  
 And to our God  
 For He will abundantly pardon

**God Be With You**

---

F/Bb

God be with you till we meet again  
 By His counsel's guide  
 Uphold you with His sheep  
 Securely fold you  
 God be with you till we meet again

*CHORUS*

Till we meet, till we meet  
 Till we meet at Jesus' feet  
 Till we meet, till we meet  
 God be with you till we meet again

God be with you till we meet again  
 'Neath His wings  
 Securely hide you  
 Daily manna still provide you  
 God be with you till we meet again

God be with you till we meet again  
 When life's perils thick confound you  
 Put His arms unfailing 'round you  
 God be with you till we meet again

God be with you till we meet again  
 Keep love's banner floating o'er you  
 Smite death's  
 Threat'ning wave before you  
 God be with you till we meet again

**Cause Me To Come**

G

Cause me to come  
To Thy river, oh Lord  
(Repeat 3 times)  
Cause me to come  
Cause me to drink  
Cause me to live

Cause me to drink  
At Thy river, oh Lord  
(Repeat 3 times)  
Cause me to come  
Cause me to drink  
Cause me to live

Cause me to live  
At Thy river, oh Lord  
(Repeat 3 times)  
Cause me to come  
Cause me to drink  
Cause me to live

Cause me to live  
In Thy presence, oh Lord  
(Repeat 3 times)  
Cause me to come  
Cause me to drink  
Cause me to live

**424****I'm Following Jesus**

Eb

I'm following Jesus one step at a time  
I live for the moment in His love divine  
Why think of tomorrow just, live for today  
I'm following Jesus each step of the way

The pathway is narrow  
But He leads me on  
I walk in His shadow  
My fears are all gone  
My spirit grows stronger  
Each moment each day  
For Jesus is leading  
Each step of the way

**My Jesus Saves**

C

My Jesus saves  
I know it for He saved me  
My Jesus heals and takes away all pain  
My Jesus fills me with the Holy Spirit  
And one day He is coming back again

Oh, yes, I know I'm saved oh hallelujah  
And baptised too oh glory to His name  
And now my all I give to Him in service  
The wondrous gospel  
Of salvation to proclaim

**426****He Hideth My Soul**

C

A wonderful Saviour is Jesus my Lord  
A wonderful Saviour to me  
He hideth my soul in the cleft of the rock  
Where rivers of pleasures I see

*CHORUS*

He hideth my soul in the cleft of the rock  
That shadows a dry thirsty land  
He hideth my life  
In the depths of His love  
And covers me there with His hand

A wonderful Saviour is Jesus my Lord  
He taketh my burden away  
He holdeth me up  
And I shall not be moved  
He giveth me strength as my day

With numberless blessings  
Each moment He crowns  
And filled with His fullness divine  
I sing in my rapture oh glory to God  
For such a redeemer as mine

When clothed in His brightness  
Transported I rise  
To meet Him in the clouds of the sky  
His perfect salvation, His wonderful love  
I'll shout with the millions on high

**Bringing In The Sheaves**

F

Sowing in the morning  
 Sowing seeds of kindness  
 Sowing in the noontide  
 And the dewy eve  
 Waiting for the harvest  
 And the time of reaping  
 We shall come rejoicing  
 Bringing in the sheaves

*CHORUS*

Bringing in the sheaves  
 Bringing in the sheaves  
 We shall come rejoicing  
 Bringing in the sheaves  
 (Repeat 2 times)

Sowing in the sunshine  
 Sowing in the shadows  
 Fearing neither clouds  
 Nor winter's chilling breeze  
 By and by the harvest  
 And the labour ended  
 We shall come rejoicing  
 Bringing in the sheaves

Going forth with weeping  
 Sowing for the Master  
 Though the loss sustained  
 Our spirit often grieves  
 When our weeping's over  
 He will bid us welcome  
 We shall come rejoicing  
 Bringing in the sheaves

**Longing, Longing For Jesus**

C

Longing, longing for Jesus  
 I have a longing  
 In my heart for Him  
 Just to be near Him  
 To feel His presence  
 I have a longing  
 In my heart for Him

**He Is All I Need**

C

He is all I need, He is all I need  
 Jesus is all I need  
 He is all I need, He is all I need  
 Jesus is all I need

I worship Him, I worship Him  
 In Spirit and in truth  
 I worship Him, I worship Him  
 In Spirit and in truth

I take Him now, I take Him now  
 For all that I need  
 I take Him now, I take Him now  
 For all that I need

**Since I Have Been Redeemed**

I have a song I love to sing  
 Since I have been redeemed  
 Of my Redeemer, Saviour, King  
 Since I have been redeemed

*CHORUS*

Since I have been redeemed  
 Since I have been redeemed  
 I will glory in His name  
 Since I have been redeemed  
 I will glory in my Saviour's name

I have a Christ that satisfies  
 Since I have been redeemed  
 To do His will my highest prize  
 Since I have been redeemed

I have a witness bright and clear  
 Since I have been redeemed  
 Dispelling every doubt and fear  
 Since I have been redeemed

I have a home prepared for me  
 Since I have been redeemed  
 Where I shall dwell eternally  
 Since I have been redeemed

**Thus Saith The Lord**

A storm behind me is blowing  
 A flood before me is rising  
 The Word that is in me is quickening  
 Go forth with Thus saith the Lord  
 Go forth with Thus saith the Lord

There will be no shortcuts in this way  
 The straight and narrow way is the truth  
 My strength, my source, my only life  
 I'll go forth with 'Thus saith the Lord'  
 Go forth with 'Thus saith the Lord'

Arise let's go forth from this place  
 Let's go empowered by His grace  
 With hearts ablaze, Son of God faith  
 Let's go forth with 'Thus saith the Lord'  
 Let's go forth with 'Thus saith the Lord'

Oh Lord be glorified this is our plea  
 Our lives to You Lord  
 As worship we yield  
 Our reasonable service this we believe  
 We'll go forth with 'Thus saith the Lord'  
 We'll go forth with 'Thus saith the Lord'

These new songs He gives  
 Are for such times as these  
 The spirit of prophecy, our Jesus lives  
 Now eat then speak the Word  
 That He gives  
 And go forth with 'Thus saith the Lord'  
 Go forth with 'Thus saith the Lord'

**For Unto Us**

G

For unto us a child is born  
 Unto us a son is given  
 And the government  
 Shall be upon His shoulders  
 And His name shall be called  
 Wonderful, Counselor, the mighty God  
 The everlasting Father and  
 The Prince of Peace

**What A Wonderful Thing**

F

What a wonderful thing  
 A wonderful thing  
 To be saved from sin  
 And have peace within  
 To be made a joint heir  
 With Jesus my King  
 What a wonderful, wonderful thing

**His Power Can Make You**

F

Would you walk with Jesus  
 And be always pure and good  
 Would you walk with Him  
 Within the narrow road  
 Would you have Him bear your burden  
 Carry all your load  
 Let Him have His way with thee

*CHORUS*

His power can make you  
 What you ought to be  
 His blood can cleanse your heart  
 And make you free  
 His love can fill your soul and  
 You will see t'was best for Him  
 To have His way with thee

Would you have Him make you free  
 And follow at His call  
 Would you know the peace  
 That comes by giving all  
 Would you have Him save you  
 So that you need never fall  
 Let Him have His way with thee

Would you in His kingdom  
 Find a place of constant rest  
 Would you prove Him true  
 In providential test  
 Would you in His service  
 Labour always at your best  
 Let Him have His way with thee

## How Sweet The Name Of Jesus Sounds

---

How sweet the name of Jesus sounds  
In a believer's ear  
It soothes his sorrows, heals his wounds  
And drives away his fear

It makes the wounded spirit whole  
And calms the troubled breast  
Tis manna to the hungry soul  
And to the weary rest

Dear name the Rock on which I build  
My shield and hiding place  
My never-failing treasury filled  
With boundless stores of grace

Jesus, my Shepherd, Saviour, Friend  
My Prophet, Priest and King  
My Lord, my Life, my Way, my End  
Accept the praise I bring

Weak is the effort of my heart  
And cold my warmest thought  
But when I see Thee as Thou art  
I'll praise Thee as I ought

I would Thy boundless 'ove proclaim  
With every fleeting breath  
So shall the music of Thy name  
Refresh my soul in death

## To Get A Touch From The Lord

---

F

To get a touch from the Lord is so real  
To get a touch from the Lord is so real  
If you draw nigh to Him  
He will draw nigh to you  
To get a touch from the Lord is so real

Hallelujah, hallelujah  
Jesus is coming, He's coming again  
Hallelujah, hallelujah  
Jesus is coming again

Break me, melt me, mould me, fill me  
Spirit of the living God fall afresh on me

## My Sins Are Gone

---

C

You ask me why I'm happy  
So I'll just tell you why  
Because my sins are gone  
And when I meet the scoffers  
Who ask me where they are  
I say, My sins are gone

### CHORUS

They're underneath the blood  
On the cross of Calvary  
As far removed  
As darkness is from dawn  
In the Sea of God's Forgetfulness  
That's good enough for me  
Praise God my sins are gone

Twat at the old-time altar  
Where God came in my heart  
And now my sins are gone  
The Lord took full possession  
The devil did depart  
I'm glad my sins are gone

When Satan comes to tempt me  
And tries to make me doubt  
I say, My sins are gone  
You got me into trouble  
But Jesus got me out  
I'm glad my sins are gone

I'm living now for Jesus  
I'm happy night and day  
Because my sins are gone  
My soul is filled with music  
With all my heart I say  
I know my sins are gone

**I Know It Was The Blood** F

I know it was the blood  
 I know it was the blood  
 I know it was the blood for me  
 One day when I was lost  
 He died upon the cross  
 I know it was the blood for me

440

**It's Your Precious Blood** C

It's Your precious blood that flows  
 From the spotless Lamb of God  
 It ushers me in to the presence  
 Of my deepest love  
 He meets my every need  
 Helps me to start all over again  
 It's Your precious blood  
 That Jesus shed for me

441

**I Know The Lord  
Will Make A Way For Me** F

I know the Lord will make a way for me  
 I know the Lord will make a way for me  
 If I live a holy life  
 Shun the wrong and do the right  
 I know the Lord will make a way for me

442

**Reach Out And Touch The Lord** C

Reach out and touch the Lord  
 As He passes by  
 You'll find He's not too busy  
 To answer your cry  
 He's passing by this moment  
 Your needs to supply  
 Reach out and touch the Lord  
 As He passes by

**Worthy, Worthy** F

Worthy, worthy, worthy  
 The Lamb that was slain

Jesus, Jesus, Jesus  
 The Lamb that was slain

Praise Him, praise Him, praise Him  
 The Lamb that was slain

444

**Wonderful Name He Bears**

Wonderful birth to a manger He came  
 Made in the likeness of man, proclaim  
 To God's boundless love  
 For a world sick with sin  
 Pleading with sinners to let Him come in

*CHORUS*

Wonderful name He bears  
 Wonderful crown He wears  
 Wonderful blessings His triumphs afford  
 Wonderful Calvary  
 Wonderful grace for me  
 Wonderful love of my wonderful Lord

Wonderful life full of service so free  
 Friend to the poor  
 And the needy was He  
 Unfailing goodness on all He bestowed  
 Undying faith in the vilest He showed

Wonderful death for it meant not defeat  
 Calvary made His  
 Great mission complete  
 Wrought our redemption  
 And when He arose  
 Banished for ever the last of our foes

Wonderful hope He is coming again  
 Coming as King o'er the nations to reign  
 Glorious promise His Word cannot fail  
 His righteous kingdom  
 At last must prevail

**Softly And Tenderly**

A

Softly and tenderly Jesus is calling  
 Calling for you and for me  
 See, on the portals  
 He's waiting and watching  
 Watching for you and for me

*CHORUS*

Come home, come home  
 Ye who are weary, come home  
 Earnestly, tenderly Jesus is calling  
 Calling, Oh sinner, come home

Why should we tarry  
 When Jesus is pleading  
 Pleading for you and for me  
 Why should we linger  
 And heed not His mercies  
 Mercies for you and for me

Time is now fleeting  
 The moments are passing  
 Passing from you and from me  
 Shadows are gathering  
 Jesus is coming  
 Coming for you and for me

Oh, for the wonderful  
 Love He has promised  
 Promised for you and for me  
 Though we have sinned  
 He has mercy and pardon  
 Pardon for you and for me

**Holy Is The Lord**

F

Holy is the Lord  
 And mighty is His name  
 King of all heaven  
 Yet down to earth He came  
 Angels sing His praise  
 All earth shall do the same  
 Holy is the Lord  
 And mighty is His name

**Until You Know The Loving Hand**

G

Until you know the loving hand  
 That reaches down to fallen man  
 And lifts him up above the plane  
 Where he has trod  
 Until you know just how it feels  
 To know that God is really real  
 Well you know nothing  
 Until you know the love of God

**Love Lifted Me**

Bb

I was sinking deep in sin  
 Sinking to rise no more  
 Overwhelmed by guilt within  
 Mercy I did implore  
 Then the Master of the sea  
 Heard my despairing cry  
 Christ my Saviour lifted me  
 Now safe am I

*CHORUS*

Love lifted me, love lifted me  
 When no one else but Christ could help  
 Love lifted me  
 (Repeat)

Souls in danger look above  
 Jesus completely saves  
 He will lift you by His love  
 Out of the angry waves  
 He's the Master of the sea  
 Billows His will obey  
 He your Saviour wants to be  
 Be saved today

When the waves of sorrow roll  
 When I am in distress  
 Jesus takes my hand in His  
 Ever He loves to bless  
 He will every fear dispel  
 Satisfy every need  
 All who heed His loving call  
 Find rest indeed

**Take My Life And Let It Be**

F

Take my life, and let it be  
 Consecrated, Lord, to Thee  
 Take my moments and my days  
 Let them flow in ceaseless praise

Take my hands and let them move  
 At the impulse of Thy love  
 Take my feet, and let them be  
 Swift and beautiful for Thee

Take my voice and let me sing  
 Always, only, for my King  
 Take my lips and let them be  
 Filled with messages from Thee

Take my silver and my gold  
 Not a mite would I withhold  
 Take my intellect, and use  
 Every power as Thou shalt choose

Take my will and make it Thine  
 It shall be no longer mine  
 Take my heart, it is Thine own  
 It shall be Thy royal throne

Take my love, my Lord, I pour  
 At Thy feet its treasure-store  
 Take myself, and I will be  
 Ever, only, all for Thee

450

**Great Is The Lord**

F

Great is the Lord  
 And greatly to be praised  
 In the city of our God  
 In the mountain of His holiness  
 Beautiful for situation  
 The joy of the whole earth

Is Mount Zion  
 On the sides of the north  
 The city of the great King  
 (Repeat)

**My Lord Loves Me**

My Lord loves me  
 And all His wonders I see  
 A rainbow shines through my window  
 My Lord loves me

He died for me on a cross at Calvary  
 He bore my sins and my shame  
 When He died for me

I love my Lord because  
 He first loved me  
 I'll sing His praises  
 Through time and eternity

452

**Separate Me Lord**

Too long we have lived our lives  
 In a cushion of worldly comfort  
 Trying to save ourselves from the Coming  
 certain destruction  
 Lord we want to touch Your sceptre  
 With You awe want to find favour  
 Only through self sacrifice  
 Can we enter in Your presence

*CHORUS*

So separate me Lord  
 From this world of sin  
 For rapturing condition  
 Lord Please cleanse me from within  
 I don't want self reservation  
 But total separation  
 And You anoint me Lord, You separate

We want to see full power  
 Restored in the church again  
 And in our lives we can see  
 The third pull manifest  
 And we will see the sick healed  
 It's the church fulfilling prophecy  
 Lord we want to rise  
 And live in our inheritance

**My Faith Looks Up To Thee**

---

My faith looks up to Thee  
 Thou Lamb of Calvary, Saviour divine  
 Now hear me while I pray  
 Take all my guilt away  
 Oh let me from this day be wholly Thine

By Thy rich grace impart  
 Strength to my fainting heart  
 My zeal inspire as  
 Thou hast died for me  
 Oh may my love to Thee  
 Pure, warm and changeless be  
 A living fire

While life's dark maze I tread  
 And grief around me spreads  
 Be Thou my guide  
 Bid darkness turn to day  
 Wipe sorrow's tears away  
 Nor ever let me stray  
 From Thee aside

When Jesus comes for me  
 In power and majesty  
 To take me home  
 Blest Saviour, then in love  
 Fear and distrust remove  
 Oh bear me safe above  
 A ransomed soul

454

**I Will Bless The Lord**

---

F

I will bless the Lord at all times  
 His praise shall continually  
 Be in my mouth  
 My soul shall make  
 Her boast in Thee, Lord  
 The humble shall hear thereof  
 And be glad  
 Oh magnify the Lord with me  
 And let us exalt His name together  
 I sought the Lord and He heard me  
 And delivered me from all my fears

**Let There Be A Canopy**

---

F

Let there be a canopy  
 Stretched forth to Thy praise  
 A tent for the glory of God  
 Make it great by lifting hands  
 Stretched forth to Thy praise  
 A tent for the glory of God

That Thy grace may abide  
 That Thy glory reside  
 In this place where we pause on our way  
 Lord we raise our hands in praise  
 And ask You to dwell in this tent  
 For the glory of God

456

**He's The Same God Who's Living In Me**

---

He's the same God who's living in me

*CHORUS*

The same God who spoke to  
 The woman at the well  
 The same God whose wonders  
 Too many to tell  
 The same God who parted  
 The raging Red Sea  
 He's the same God who's living in me

I look back on history  
 See the mighty God unveil  
 Proving over and over  
 That His Word can never fail  
 But I can't keep on dwelling  
 On some past memory  
 Cause He's the same God  
 Who's living in me

The same God who created  
 All the heavens and all the earth  
 Who came down living in Jesus  
 There was power in His Word  
 But now in these last days  
 I'm beginning to see  
 That it's that same God who's living in me

**Nothing But The Blood**

F

What can wash away my sin  
 Nothing but the blood of Jesus  
 What can make me whole again  
 Nothing but the blood of Jesus

*CHORUS*

Oh precious is the flow  
 That makes me white as snow  
 No other fount' I know  
 Nothing but the blood of Jesus

Nothing can for sin atone  
 Nothing but the blood of Jesus  
 Naught of good that I have done  
 Nothing but the blood of Jesus

This is all my hope and peace  
 Nothing but the blood of Jesus  
 This is all my righteousness  
 Nothing but the blood of Jesus

Now by this I'll overcome  
 Nothing but the blood of Jesus  
 Now by this I'll reach my home  
 Nothing but the blood of Jesus

Glory, glory thus I sing  
 Nothing but the blood of Jesus  
 All my praise for this I bring  
 Nothing but the blood of Jesus

**The Trumpet Shall Sound**

F

Glory, glory, glory, glory  
 Hallelujah to His name  
 Yesterday, today and forever  
 Our Lord Jesus is still the same

And the trumpet shall sound  
 And the dead shall rise  
 And our Lord will be waiting in the sky  
 And we who remain shall be changed  
 In the twinkling of an eye

**The Well Is Deep**

The well is deep and I require  
 A draught of the water of life  
 But none can quench my soul's desire  
 For a draught of the water of life  
 Till One draws near  
 Who the cry will heed  
 Helper of men in their time of need  
 And I believing, find indeed  
 That Christ is the Water of Life

**It's A Lovely, Lovely Name**

F

It's a lovely, lovely name  
 The name of Jesus  
 It's a lovely, lovely name  
 From heaven above  
 Dispelling the clouds of doubt and fear  
 Filling the saddest heart with cheer  
 It's a lovely, lovely name  
 The name I love

**Too Much To Gain To Lose**

A

Too many miles behind me  
 Too many trails are through  
 Too many tears help me to remember  
 There's just too much to gain to lose

*CHORUS*

Too many sunsets lie behind the mountain  
 Too many rivers  
 My feet have walked through  
 Too many treasures waiting over yonder  
 There's just too much to gain to lose

I crossed the hot burning desert  
 Struggling the right road to choose  
 Somewhere up ahead  
 There's cool clear waters  
 And defeat is one word I just don't use

**Sweet Hour Of Prayer**

D

Sweet hour of prayer  
 Sweet hour of prayer  
 That calls me from a world of care  
 And bids me at my Father's throne  
 Make all my wants and wishes known  
 In seasons of distress and grief  
 My soul has often found relief  
 And oft escaped the tempter's snare  
 By Thy return, sweet hour of prayer

Sweet hour of prayer  
 Sweet hour of prayer  
 The joy I feel, the bliss I share  
 Of those whose anxious spirits burn  
 With strong desires for Thy return  
 With such I hasten to the place  
 Where God, my Saviour shows His face  
 And gladly take my station there  
 And wait for Thee, sweet hour of prayer

Sweet hour of prayer  
 Sweet hour of prayer  
 Thy wings shall my petition bear  
 To Him whose truth and faithfulness  
 Engage the waiting soul to bless  
 And since He bids me seek His face  
 Believe His Word and trust His Grace  
 I'll cast on him my every care  
 And wait for thee, sweet hour of prayer

**463****Thy Loving Kindness**

Thy loving kindness is better than life  
 Thy loving kindness is better than life  
 My lips shall praise Thee  
 Thus will I bless Thee  
 I will lift up my hands in Thy name

I lift my hands Lord unto Thy name  
 I lift my hands Lord unto Thy name  
 My lips shall praise Thee  
 Thus will I bless Thee  
 I will lift up my hands in Thy name

**In My Heart There Rings A Melody**

G

I have a song that Jesus gave me  
 It was sent from heav'n above  
 There never was a sweeter melody  
 'Tis a melody of love

*CHORUS*

In my heart there rings a melody  
 There rings a melody  
 With heaven's harmony  
 In my heart there rings a melody  
 There rings a melody of love

I love the Christ that died on Calv'ry  
 For He washed my sins away  
 He put within my heart a melody  
 And I know it's there to stay

'Twill be my endless theme  
 In glory with the angels I will sing  
 'Twill be a song with glorious harmony  
 When the courts of heaven ring

**465****I Am Coming Lord**

G

I hear Thy welcome voice  
 That calls me, Lord, to Thee  
 For cleansing in Thy precious blood  
 That flowed on Calvary

*CHORUS*

I am coming Lord, coming now to Thee  
 Wash me, cleanse me in the blood  
 That flowed on Calvary

Though coming weak and vile  
 Thou dost my strength assure  
 Thou dost my vileness fully cleanse  
 Till spotless all and pure

'Tis Jesus calls me on  
 To perfect faith and love  
 To perfect hope and peace, and trust  
 For earth and heaven above

**He Paid A Debt**

C

He paid a debt He did not owe  
 I owed a debt I could not pay  
 I needed someone  
 To wash my sins away  
 And now I sing a brand new song  
 Amazing grace all day long  
 Christ Jesus paid a debt  
 That I could never pay

He paid a debt at Calvary  
 He cleansed my soul and set me free  
 I'm glad that Jesus did all my sins erase  
 I now can sing a brand new song  
 Amazing grace all day long  
 Christ Jesus paid a debt  
 That I could never pay

One day He's coming back for me  
 To live with Him eternally  
 Won't it be glory to see Him on that day  
 I then will sing a brand new song  
 Amazing grace all day long  
 Christ Jesus paid a debt  
 That I could never pay

**467****All The Earth**

Father into Your courts I will enter  
 Maker of heaven and earth  
 I tremble in Your holy presence  
 Glory in Your sanctuary  
 Splendour and majesty Lord  
 Before You all I've adored You

All the earth will declare  
 That Your love is everywhere  
 The fields will exalt, seas will sound  
 Hear the trees joyful sound  
 Praising You and so will I  
 A new song I'll sing

Lord I will glorify and bless  
 Your holy name, Father

**Hosannah, Blessed Be The Rock**

C

Hosannah, blessed be the Rock  
 Blessed be the Rock of my salvation  
 (Repeat)

Oh magnify the Lord with me  
 For He is worthy to be praised  
 (Repeat)

Glory, glory to His name  
 He lives and reigns forever more  
 (Repeat)

Jehovah Jireh is His name  
 For He provideth all my needs  
 (Repeat)

**469****Everybody Ought To Know**

F

Everybody ought to know  
 Everybody ought to know  
 Everybody ought to know  
 Who Jesus is

He's the Lily of the Valley  
 He's the bright and Morning Star  
 He's the fairest of ten thousand  
 Everybody ought to know

Everybody ought to tell  
 Everybody ought to tell  
 Everybody ought to tell  
 What Jesus did

Everybody ought to tell  
 Everybody ought to tell  
 Everybody ought to tell  
 What Jesus did

He's the One who died to save me  
 He's the One who set me free  
 He's the One who sealed my pardon  
 On the cross of Calvary

**It Is No Secret**

G

The chimes of time ring out the news  
 Another day is through  
 Someone slipped and fell  
 Was that someone you  
 You may have tried for added strength  
 Your courage to renew  
 Do not be disheartened  
 For I have news for you

*CHORUS*

It is no secret, what God can do  
 What He's done for others  
 He'll do for you  
 With arms wide open He'll pardon you  
 It is no secret, what God can do

There is no night for in His sight  
 You'll never walk alone  
 Always feel at home  
 Wherever you may roam  
 There is no power can conquer you  
 While God is on your side  
 Just take Him at His promise  
 Don't run away and hide

471

**If You Know The Lord**

F

If you know the Lord  
 You'll need nobody else  
 To see you through the darkest night  
 You can walk alone  
 You'll only need the Lord  
 To see you on the road  
 That's right

Take time to pray, every day  
 And as you're heading home  
 He'll show you the way  
 If you know the Lord  
 You'll need nobody else  
 You'll see the light  
 His wonderful light

**God Is Not A Man**

G

God is not a man that He should lie  
 Neither the son of man  
 That He should repent  
 Hath He said and shall He not do it  
 Or hath He spoken  
 And shall He not make it good

Behold I have received  
 Commandment to bless  
 And He hath blessed  
 And I cannot reverse it  
 For God is not a man that He should lie  
 Neither the son of man  
 That He should repent

473

**Higher Ground**

I'm pressing on the upward way  
 New heights I'm gaining every day  
 Still praying as I'm onward bound  
 Lord, plant my feet on higher ground

*CHORUS*

Lord, lift me up and let me stand  
 By faith on heaven's table land  
 A higher plane than I have found  
 Lord, plant my feet on higher ground

My heart has no desire to stay  
 Where doubts arise and fears dismay  
 Though some may dwell  
 Where these abound  
 My prayer, my aim is higher ground

I want to live above the world  
 Though Satan's darts at me are hurled  
 For faith has caught the joyful sound  
 The song of saints on higher ground

I want to scale the utmost height  
 And catch a gleam of glory bright  
 But still I'll pray till heaven I've found  
 Lord, lead me on to higher ground

**I Am Marked**

G

I have lost my reputation  
 Since I turned my back on sin  
 And a lot of friends went from me  
 Since I let my Saviour in  
 Now they pass me by unknown  
 When they once passed with a smile  
 Now they say I'm very foolish  
 And they say I'm out of style

*CHORUS*

I am marked, marked, marked  
 I am marked, now wherever I go  
 I am marked, marked, marked  
 Just what I am everyone seems to know  
 I am sealed, sealed, sealed  
 I am sealed by His spirit divine  
 Oh glory to God, hallelujah, amen  
 I am His and I know that He is mine

Well, they say my life is ruined  
 And my talent thrown away  
 And they cannot understand it  
 For I had such plans one day  
 But I know what I surrendered  
 When I promised I'd go through  
 And I gained far more glory  
 Since God made me over new

475

**When The Battle's Over**

When the battle's over  
 We shall wear a crown  
 We shall wear a crown  
 We shall wear a crown  
 And when the battle's over  
 We shall wear a crown  
 In the New Jerusalem

Wear a crown, wear a crown  
 Wear a bright and shining crown  
 And when the battle's over  
 We shall wear a crown  
 In the New Jerusalem

**On Christ The Solid Rock I Stand**

My hope is built on nothing less  
 Than Jesus' blood and righteousness  
 I dare not trust the sweetest frame  
 But wholly lean on Jesus name

*CHORUS*

On Christ the solid rock, I stand  
 All other ground is sinking sand  
 All other ground is sinking sand

When darkness seems to veil His face  
 I rest on His unchanging grace  
 In every high and stormy gale  
 My anchor holds within the veil

His oath, His covenant, His blood  
 Support me in the whelming flood  
 When all around my soul gives way  
 He then is all my hope and stay

477

**The Eastern Gate**

I will meet you in the morning  
 Just inside the eastern gate  
 Then be ready, faithful pilgrim  
 Lest with you it be too late

*CHORUS*

I will meet you, I will meet you  
 Just inside the eastern gate, over there  
 I will meet you, I will meet you  
 Just inside the eastern gate, over there

If you hasten off to Glory  
 Linger near the eastern gate  
 For I'm coming in the morning  
 So you'll not have long to wait

Keep your lamps all  
 Trimmed and burning  
 For the Bridegroom watch and wait  
 He'll be with us at the meeting  
 Just inside the eastern gate

**His Yoke Is Easy**

The Lord is my Shepherd I shall not want  
 He maketh me down to lie  
 In pastures green He leadeth me  
 The quiet waters by

*CHORUS*

His yoke is easy, His burden is light  
 I've found it so, I've found it so  
 He leadeth me by day and by night  
 Where living waters flow

My soul crieth out "restore me again  
 And give me the strength to take  
 The narrow path of righteousness  
 E'en for Thine own name's sake"

Yea, though I should walk  
 The valley of death  
 Yet what should I fear from ill  
 For Thou art with me and  
 Thy rod and staff support me still

**Draw Me Deeper**

F

Draw me from fear into faithfulness  
 Lead me along Your way  
 Draw me from sin into Your holiness  
 That I might be a living praise

*CHORUS*

Draw me deeper, deeper  
 Into Your Word of truth  
 Deeper and deeper  
 To prove my love for You  
 Deeper, deeper  
 To the place where You are  
 Draw me deeper and deeper  
 That I may know Your heart

Draw me from hate into charity  
 From restlessness into Your peace  
 Draw me from anger into gentleness  
 Till every storm in my life shall cease

**Hold To God's Unchanging Hand**

D

Time is filled with swift transition  
 Naught of earth unmoved can stand  
 Build your hopes on things eternal  
 Hold to God's unchanging hand

*CHORUS*

Hold to God's unchanging hand  
 Hold to God's unchanging hand  
 Build your hopes on things eternal  
 Hold to God's unchanging hand

Trust in Him who will not leave you  
 Whatsoever years may bring  
 If by earthly friends forsaken  
 Still more closely to Him cling

Covet not this world's vain riches  
 That so rapidly decays  
 Seek to gain the heavenly treasures  
 They will never pass away

When your journey is completed  
 If to God you have been true  
 Fair and bright the home in glory  
 Your enraptured soul will view

**The Great Emancipator**

Once my heart and soul were fettered  
 By the binding chains of sin  
 But the great Emancipator  
 Set me free to worship Him

*CHORUS*

Glory, glory, hallelujah  
 Blessed be His holy name  
 He's the great Emancipator  
 That's the song of the Redeemed

Like a lost lamb I was drifting  
 Oh so helpless and alone  
 But the seeking Shepherd found me  
 Led me to my Father's home

**He's The Saviour Of My Soul**

F

He's the Saviour of my soul  
 Jesus, my Jesus  
 He's the Saviour of my soul  
 He's the Saviour of my soul

Jesus, Jesus, Jesus, Jesus  
 He's the Saviour of my soul  
 He's the Saviour of my soul

**483****The Love Of God**

Eb

The love of God is greater far  
 Than tongue or pen can ever tell  
 It goes beyond the highest star  
 And reaches to the lowest hell  
 The guilty pair bowed down with care  
 God gave His Son to win  
 His erring child He reconciled  
 And pardoned from his sin

*CHORUS*

Oh, love of God, how rich and pure  
 How measureless and strong  
 It shall forevermore endure  
 The saints and angels song

When hoary time shall pass away  
 And earthly thrones and kingdoms fall  
 When men who here refuse to pray  
 On rocks and hills and mountains call  
 God's love, so sure shall still endure  
 All measureless and strong  
 Redeeming grace to Adam's race  
 The saints and angels' song

Could we with ink the ocean fill  
 And were the skies of parchment made  
 Were every stalk on Earth a quill  
 And every man a scribe by trade  
 To write the love of God above  
 Would drain the ocean dry  
 Nor could the scroll contain the whole  
 Though stretched from sky to sky

**Precious To Me**

D

Peace like a river is flooding my soul  
 Since Jesus my Saviour  
 Maketh me whole  
 Sweet peace abiding my portion shall be  
 Jesus, my Saviour is precious to me

*CHORUS*

Precious to me, precious is He  
 Jesus shall ever be precious to me

Joy is abounding, my heart gaily sings  
 Cleave I the heavens  
 Mount up on eagles' wings  
 Christ hath exalted, my soul He set free  
 Jesus, my Saviour is precious to me

Oh precious Jesus how lovely Thou art  
 Come and abiding rule in my heart  
 Break every fetter Thy face let me see  
 Then Thou shalt ever be precious to me

**485****You Are The Love Of My Life**

I couldn't live one day without You  
 I could never go on  
 I wouldn't take one step without You  
 I don't have the strength  
 To make it on my own

*CHORUS*

You are the love of my life  
 You are the hope that I cling to  
 You mean more than this world to me  
 I wouldn't trade You for silver or gold  
 I wouldn't trade You for riches untold  
 You are, You are my everything

Until the world stops turning  
 Until the stars fade from the sky  
 Until the sun stops rising  
 I'll need You in my life  
 And here's the reason why

**Spirit Come**

E

Only You can mend a broken heart  
 Spirit come  
 Free the sinner  
 Make them whole again  
 Spirit Come

You give beauty for ashes  
 Joy for mourning  
 Freedom in the song of praise

Pour out your spirit over us  
 Like the falling rain  
 Open the heavens over us  
 Fill us once again

487

**Holy, Holy, Holy**

Worthy is the Lamb who was slain  
 Holy, Holy, is He  
 Sing a new song, to Him who sits on  
 Heaven's Mercy Seat  
 [Repeat 2x]

(Chorus)  
 Holy, Holy, Holy  
 Is the Lord God Almighty  
 Who was, and is, and is to come  
 With all creation I sing:  
 Praise to the King of Kings!  
 You are my everything,  
 And I will adore You...!

Clothed in rainbows, of living color  
 Flashes of lightning, rolls of thunder  
 Blessing and honor, strength and  
 Glory and power be  
 To You the Only Wise King,

Filled with wonder, awestruck wonder  
 At the mention of Your Name  
 Jesus, Your Name is Power  
 Breath, and Living Water  
 Such a marvelous mystery

**Jesus Is Alive**

G

Jesus is alive, Jesus is alive  
 Sin and death must go  
 They are conquered foe  
 For Jesus is alive

489

**I'll See You In The Rapture**

Bb

I'll see you in the rapture  
 See you in the rapture  
 I'll see you at that meeting in the air  
 There with our blessed Saviour  
 We'll live and reign forever  
 I'll see you in the rapture  
 Some sweet day

If we never meet again  
 On this earth my precious friend  
 If to God you have been true  
 And lived above all sin  
 Then for us there'll be a greeting  
 For there's going to be a meeting  
 I'll see you in the rapture  
 Some sweet day

To my loved ones let me say  
 There will surely come a day  
 When the Lord will come again  
 And catch His Bride away  
 So get ready now to meet Him  
 And with hallelujahs greet Him  
 I'll see you in the rapture  
 Some sweet day

490

**He Hath Shewed Thee  
Oh Man What Is Good**

He hath shewed thee, oh man what is good  
 And what doth the Lord require of thee  
 But to do justly, and to love mercy  
 And to walk humbly with thy God

**I See A Crimson Stream Of Blood**

---

I see a crimson stream of blood  
 It flows from Calvary  
 The waves that reach the throne of God  
 Are sweeping over me

**Hear The Battle Cry** G

---

The weapons of our warfare  
 Are not made with human hands  
 And the enemy we face is not the  
 Flesh and blood of man  
 But we serve a mighty Captain  
 And with His battle plan  
 He's already won the victory  
 Yet He calls us now to stand

*CHORUS*

Hear the battle cry put your armour on  
 We must occupy the land  
 Until the Kingdom come  
 (Repeat)

Take the sword of the Spirit  
 Bind the truth about your waist  
 Keep the breast-plate of righteousness  
 Firmly in its place  
 Fit your feet with the gospel  
 Raise the mighty shield of faith  
 Wear the helmet of salvation  
 By the power of His grace  
 Free the captives of the night  
 Invade the evil strongholds  
 With the light, with the light

**Into Thy Presence We Come**

---

Into Thy presence we come  
 Not by the works we have done  
 But by grace, Thy grace alone  
 Into Thy presence we come

**Oh That Will Be Glory For Me**

---

When all my labours and trials are o'er  
 And I am safe on that beautiful shore  
 Just to be near the dear Lord I adore  
 Will through the ages be glory for me

*CHORUS*

Oh that will be glory for me  
 Glory for me, glory for me  
 When by His grace, I shall look on His face  
 That will be glory, be glory for me

When by the gift of His infinite grace  
 I am accorded in heaven a place  
 Just to be there and to look on His face  
 Will through the ages be glory for me

Friends will be there, I have loved long ago  
 Joy like a river around me will flow  
 Yet, just a smile from my Saviour, I know  
 Will through the ages be glory for me

**When I Survey The Wondrous Cross**

---

When I survey the wondrous cross  
 On which the Prince of glory died  
 My richest gain I count but loss  
 And pour contempt on all my pride

Forbid it, Lord, that I should boast  
 Save in the death of Christ my God  
 All the vain things that charm me most  
 I sacrifice them to His blood

See, from His head, His hands, His feet  
 Sorrow and love flow mingled down  
 Did e'er such love and sorrow meet  
 Or thorns compose so rich a crown

Were the whole realm of nature mine  
 That were an offering far too small  
 Love so amazing, so divine  
 Demands my soul, my life, my all

**I Don't Know What I'd Do**

F

I don't know what I'd do  
 I don't know what I'd do  
 I don't know what I'd do without the Lord  
 When I look around and see  
 All that He has done for me  
 I don't know what I'd do  
 Without the Lord

Without Him I can do nothing  
 Without Him I'd surely fail  
 Without Him I would be drifting  
 Like a ship without a sail

So I've asked Him to be my pilot  
 His word my compass and guide  
 Till I've anchored safely in glory  
 For without Him I'd drift with the tide

Jesus, my Jesus  
 Do you know Him today  
 Please don't turn Him away  
 Oh Jesus, my Jesus  
 Without Him how lost I would be

497

**Lead Me To The Waters**

G

Lead me to the waters  
 Lead me to the waters  
 Lead me to the waters  
 To be baptised

Jesus will be there, Jesus will be there  
 My Jesus will be there  
 To see you through

Come on and praise His name  
 Come on and praise His name  
 Come on and praise His name  
 He's worthy to be praised

Jesus is here, Jesus is here  
 My Jesus is here to speak to you

**I Will Bless Thee Oh Lord**

I will bless thee oh Lord  
 I will bless thee oh Lord  
 With a heart of thanksgiving  
 I will bless thee oh Lord

With my hands lifted up  
 And my mouth filled with praise  
 With a heart of thanksgiving  
 I will bless thee oh Lord

499

**Undefined**

It's a world of compromise  
 Standards have lowered  
 Making lives so devalued  
 Till all moral codes are lost  
 But in the midst of all the sin  
 We have virtues that's within  
 God wants displayed  
 No matter what the cost

*CHORUS*

Undefined, real pure lives  
 Walking holy and upright  
 Keep that flag flying high  
 By living clean and undefined

And when we walk down the streets  
 All the people that we meet  
 Will see we can't be sold out cheap  
 We're worth much more  
 When temptation's drawing near  
 Let's turn and run from the evil snare  
 For our bodies are  
 The temple of the Lord

Seems like our species  
 Is fast becoming extinct  
 Survival in earth's atmosphere  
 Gets harder every day  
 But the same God who saved our souls  
 Is more than able to keep us whole  
 And present us before Christ undefined

**The Beauty Of Jesus**

---

Let the beauty of Jesus be seen in me  
 All His wonderful passion and purity  
 Oh Thou Spirit divine, all my nature refine  
 Till the beauty of Jesus be seen in me

501

**Away In A Manger**

---

Away in a manger no crib for a bed  
 The little Lord Jesus  
 Laid down His sweet head  
 The stars in the bright sky  
 Looked down where He lay  
 The little Lord Jesus  
 Asleep on the hay

The cattle are lowing  
 The Baby awakes  
 But little Lord Jesus  
 No crying He makes  
 I love Thee, Lord Jesus  
 Look down from the sky  
 And stay by my cradle  
 Til morning is nigh

Be near me, Lord Jesus  
 I ask Thee to stay  
 Close by me forever  
 And love me, I pray  
 Bless all the dear children  
 In Thy tender care  
 And take us to heaven  
 To live with Thee there

502

**Whoso Offereth Praise**

---

Whoso offereth praise glorifieth Me  
 Whoso offereth praise glorifieth Me  
 And to him that ordereth  
 His conversation aright  
 Will I shew the salvation of God

**When I Saw The Cleansing Fountain**

---

When I saw the cleansing fountain  
 Open wide for all my sin  
 I obeyed the Spirit's wooing  
 When He said, wilt thou be clean

*CHORUS*

I will praise Him, I will praise Him  
 Praise the Lamb for sinners slain  
 Give Him glory, all ye people  
 For His blood has washed away each stain

Though the way seems straight and narrow  
 All I claimed was swept away  
 My ambitions, plans, and wishes  
 At my feet in ashes lay

Then God's fire upon the altar  
 Of my heart was set aflame  
 I shall never cease to praise Him  
 Glory, glory to His name

Blessed be the name of Jesus  
 I'm so glad He took me in  
 He's forgiven my transgressions  
 He has cleansed my heart from sin

504

**Tis Burning In My Soul**

---

C

Tis burning in my soul  
 Tis burning in my soul  
 The fire of heavenly love  
 Is burning in my soul  
 The Holy Spirit came  
 All glory to His name  
 The fire of heavenly love  
 Is burning in my soul

Let the fire burn, hallelujah  
 Let the fire burn  
 In this heart of mine, in this heart of mine  
 Let the fire burn, hallelujah  
 Let the fire burn  
 Bringing joy, joy, joy

**The Love Of Jesus**

G

The love of my Jesus is so wonderful  
(Repeat 3 times)  
Oh wonderful love

It's so high you can't get over it  
So low you can't get under it  
So wide you can't get 'round it  
Oh wonderful love

**506****Tell Me The Old, Old Story**

F

Tell me the old, old story  
Of unseen things above  
Of Jesus and His glory  
Of Jesus and His love  
Tell me the story simply  
As to a little child  
For I am weak and weary  
And helpless and defiled

*CHORUS*

Tell me the old, old story  
Tell me the old, old story  
Tell me the old, old story  
Of Jesus and His love

Tell me the story softly  
That I may take it in  
That wonderful redemption  
God's remedy for sin  
Tell me the story often  
For I forget so soon  
The early dew of morning  
Has passed away at noon

Tell me the same old story  
When you have cause to fear  
That this world's empty glory  
Is costing me too dear  
Yes, and when that world's glory  
Is dawning on my soul,  
Tell me the old, old story  
Christ Jesus makes thee whole

**I Am Blessed**

F

I am blessed, I am blessed  
Every day that I live I am blessed  
When I wake up in the morning  
When I lay my head to rest  
I am blessed, I am blessed

**508****If Heaven Never Was Promised To Me**

You may ask me why I serve the Lord  
Is it just for heaven's gain  
Or just to walk those  
Mighty streets of gold  
And to hear the angels sing  
Or is it just to drink from that fountain  
That never shall run dry  
Or just to live forever, ever and ever  
In that sweet old by and by

*CHORUS*

But if heaven never was promised to me  
Neither God's promise to live eternally  
It's been worth  
Just having the Lord in my life  
Living in a world of darkness  
He came along and brought me the light

If there were never any streets of gold  
Neither a land where we'll never grow old  
It's been worth  
Just having the Lord in my life  
Living in a world of darkness  
He came along and brought me the light

**509****I Can, I Will, I Do Believe**

I can, I will, I do believe  
I can, I will, I do believe  
I can, I will, I do believe  
That Jesus heals me now  
(I'm trusting only in the Lord...)

**Tell Them I'm Coming Soon**

---

If I had a song to sing  
 If I could tell the world one thing  
 From my Lord and King  
 What would I tell them  
 As the seasons slip away  
 I can almost hear them say  
 Won't you touch someone's heart today  
 Here's what to tell them

*CHORUS*

Tell them I'm coming soon  
 Tell them I'm coming real soon  
 Tell them with your song  
 It won't be very long  
 Until I take them home  
 Oh won't you tell them  
 Tell them I love them  
 And I'm coming soon

All the signs have made it clear  
 The time of the Lord is drawing near  
 It's His gentle sweet voice that I hear  
 I want you to tell them  
 He that hath an ear let him hear  
 What the Spirit is saying loud and clear  
 Though many may say  
 I've heard it before  
 Tell them just once more

**He's All I Need**

---

He's all I need, He's all I need  
 Jesus is all I need  
 (Repeat)

I take Him now, I take Him now  
 For all that I need  
 (Repeat)

We worship Thee, we worship Thee  
 In spirit and in truth  
 (Repeat)

**Lord I Need You Right Now**

---

G

Lord, I need You right now  
 Oh Lord, I need You right now  
 I want all of my life  
 In Your keeping somehow  
 Oh Lord, I need You right now

**There's Room At The Cross For You**

---

The cross upon which Jesus died  
 Is a shelter in which we can hide  
 And its grace so free is sufficient for me  
 And deep is its fountain  
 As wide as the sea

*CHORUS*

There's room at the cross for you  
 There's room at the cross for you  
 Though millions have come  
 There's still room for one  
 Yes, there's room at the cross for you

Though millions have found Him a friend  
 And have turned from the sins  
 They have sinned  
 The Saviour still waits to open the gates  
 And welcome a sinner before it's too late

The hand of my Saviour is strong  
 And the love of my Saviour is long  
 Through sunshine or rain  
 Through loss or in gain  
 The blood flows from Calvary  
 To cleanse every stain

**I Love Him**

---

C

I love Him, I love Him  
 Because He first loved me  
 And purchased my salvation  
 On Calvary's tree

**Jesus, I Just Want To Thank You**

---

Jesus, I just want to thank You  
 Jesus, I just want to thank You  
 Jesus, I just want to thank You  
 Thank You for being so good

**Oh My Loving Brother**

---

Oh the judgment day is coming  
 What an awful day twill be  
 Christ forever is my refuge  
 Rock of ages, cleft for me

*CHORUS*

Oh my loving brother  
 When the world's on fire  
 Don't you want God's bosom  
 To be your pillow  
 Hide me over in the Rock of ages  
 Rock of ages, cleft for me

At the sounding of the trumpet  
 At the dawning of the day  
 Worldly pleasures  
 With their treasures  
 Shall forever pass away

Poor lost sinners will be crying  
 For the home they'll never see  
 But the ransomed will be singing  
 Rock of ages, cleft for me

**He Cannot Fail**

---

Bb

He cannot fail, for He is God  
 He cannot fail  
 He's pledged His Word  
 He cannot fail  
 He'll see you through  
 He cannot fail, He'll answer you

**I'm Happy Because I Love Jesus**

---

I'm happy because I love Jesus  
 I'm happy because He is mine  
 I love Him because He first loved me  
 And He died on the cross for my sin

Come one, come all, to Jesus  
 For Jesus is ever the same  
 Yesterday, today and forever  
 Christ Jesus is ever the same

**Thank God I Am Free**

---

F

For a long time I travelled  
 Down a long lonely road  
 My heart was so heavy  
 in sin I sank low  
 Then I heard about Jesus  
 What a wonderful hour  
 I'm so glad that I found out  
 He could bring me out  
 Through His saving power

*CHORUS*

Thank God I am free, free, free  
 From this world of sin  
 I've been washed  
 in the blood of Jesus  
 I've been born again  
 Hallelujah, I'm saved  
 Saved, saved by His wonderful grace  
 I'm so glad that I found out  
 He could bring me out  
 And show me the way

Like a bird out of prison  
 That's taken its flight  
 Like a blind man that God  
 Gave back his sight  
 Like a poor wretched beggar  
 That's found fortune and fame  
 I'm so glad that I found out  
 He could bring me out  
 Through His holy name

**From The Earthly To The Heavenly**

---

If our earthly house  
Of this tabernacle be dissolved  
We have another one waiting  
Eternal in the heavens  
He said I go to prepare a place for you  
That where I am there you may be also

**CHORUS**

From the earthly to the heavenly  
From the body to our theophany  
From this old pest house  
To our Father's house  
That's the mansion  
He's built for you and me

In this body we groan  
Desiring to be clothed upon  
With our new body  
Celestial in the heavens  
So when this corruption  
Shall put on incorruption  
Then mortality  
Shall be swallowed up of life

Soon we'll lay aside  
This old ragged robe of flesh  
In exchange for a glorious one  
Prepared in the heavens  
And at the resurrection  
At the sounding of the trump  
Our bodies will be glorified  
Just like Jesus

**Somewhere Beyond The Blue**

---

G

Somewhere beyond the blue  
There's a mansion for me  
Somewhere beyond the blue  
I am longing to be  
I'll see my Saviour's face  
And sing of saving grace  
Somewhere beyond the blue  
Some day

**I'm Running**

---

Satan is dead and I'm so glad  
I know I'm gonna make it to the other side  
He lost a soul that he thought he had  
I know I'm gonna make it to the other side  
One thing children that I done wrong  
I know I'm gonna make it to the other side  
Is that I stayed with Satan  
Much, much to long  
I know I'm gonna make it to the other side

I'm running, I'm running  
My running days will soon be over  
I'm running, I've got to get in a hurry  
'Cause I know I've got to make it  
To the other side

One of these days it won't be long now  
You're going to look for me and I'll be gone  
When I get to heaven shall I look for you  
If you want to get there  
You better run too

One of these days  
Down here in Babylon  
We're going to see  
The saints that are sleeping  
All raise as one  
One of these mornings  
In the twinkling of an eye  
We're going to leave with my Jesus  
For the supper in the sky

**I Love Him For He Is Mine**

---

Eb

I love Him for He is mine  
I love Him for He is divine  
I've loved Him forever it seems  
This Jesus the Nazarene

I wonder just where I'd be  
If not for the Nazarene  
I know I'd still be in my sins  
O blessed be the Nazarene

**Living For Jesus**

C

Living for Jesus is the best life of all  
 Serving and following Him  
 Living the worldly life is no life at all  
 I know it since Jesus came in  
 Nothing can satisfy like Jesus within  
 He makes my happy heart sing  
 Walking the Saviour's way  
 Happy in modern days  
 Living for Jesus my King

525

**Most Holy One**

We are living in a time  
 Of investigation judgment  
 The wrath of God  
 Has been revealed from heaven  
 The world is heading  
 For total destruction  
 Soon the righteous shall walk  
 On the ashes of wicked men

For they with wicked hands  
 Have crucified the most Holy One  
 In a most cruel way they have rejected  
 The greatest light that has ever shone  
 Since creation

Men's hearts are failing for fear  
 Seeing that coming destruction  
 Is drawing near  
 They have sinned  
 And sinned their day of grace  
 Loving their religious works  
 More than the revealed word

Now he that has ears to hear  
 Let him hear  
 What the Spirit is saying  
 The token must be on display  
 So we won't be a castaway  
 For this world has been  
 Indicted and put on trial  
 And have become souls in prison

**I Can't Give Up Now**

There will be mountains  
 That I will have to climb  
 And there will be battles  
 That I will have to fight  
 But victory or defeat  
 It's up to me to decide  
 But how can I expect to win  
 If I never try

*CHORUS*

I just can't give up now  
 I've come too far  
 From where I've started from  
 Nobody told me the road will be easy  
 And I don't believe  
 He brought me this far to leave me

He never said there will be trials  
 He never said I wouldn't fall  
 He never said that everything would go  
 The way we want them to go  
 But when my back is against the wall  
 And I feel all hope is gone  
 I just lift my head up to the sky  
 And say help me to be strong

No He didn't bring me  
 Out here to leave me lonely  
 Even when I can't see clearly  
 I know that You are with me  
 So I can't

527

**If You Want Joy**

If you want joy, real joy, wonderful joy  
 Let Jesus come into your heart  
 (Repeat)

Your sins He'll wash away  
 Your heart He'll turn today  
 Your life He'll make it over anew  
 If you want joy, real joy, wonderful joy  
 Let Jesus come into your heart

**We'll Talk It Over**

---

Though shadows deepen  
 And my heart bleeds  
 I will not question the way He leads  
 This side of heaven we know in part  
 I will not question a broken heart

*CHORUS*

We'll talk it over, in the by and by  
 We'll talk it over, my Lord and I  
 I'll ask the reasons, He'll tell me why  
 When we talk it over in the by and by

I'll trust His leading, He'll never fail  
 Through darkest tunnels of misty vale  
 Obey His bidding and faithful be  
 Though only one step ahead I see

I'll hide my heart ache behind a smile  
 And wait for reasons till after a while  
 And though He try me, I know I'll find  
 That all my burdens are silver lined

**The Holy Hills**

---

The holy hills of heaven call me  
 To mansions bright across the sea  
 Where loved ones wait  
 And crowns are given  
 And the hills of hope keep calling me

*CHORUS*

This house of flesh is but a prison  
 Bars of bone hold my soul  
 But the doors of clay  
 Are going to burst wide open  
 When the angel sets my spirit free  
 I'll take my flight like a mighty eagle  
 When the hills of hope start calling me

I see loved ones over yonder  
 Their tears are gone, their hearts are free  
 And from one throne King Jesus beckons  
 Oh the hills of hope are calling me

**A Merry Heart**

---

A merry heart doeth good like a medicine  
 Like a medicine is a merry heart  
 A broken spirit drieth the bones  
 But a merry heart is the joy of the Lord

**'Tis So Sweet To Trust In Jesus** Ab

---

'Tis so sweet to trust in Jesus  
 Just to take Him at His Word  
 Just to rest upon His promise  
 Just to know, thus saith the Lord

*CHORUS*

Jesus, Jesus, how I trust Him  
 How I've proved Him o'er and o'er  
 Jesus, Jesus, precious Jesus  
 Oh, for grace to trust Him more

Oh, how sweet to trust in Jesus  
 Just to trust His cleansing blood  
 Just in simple faith to plunge me  
 'Neath the healing, cleansing flood

Yes, 'tis sweet to trust in Jesus  
 Just from sin and self to cease  
 Just from Jesus simply taking  
 Life and rest, and joy and peace

I'm so glad I learned to trust Thee  
 Precious Jesus, Saviour, Friend  
 And I know that Thou art with me  
 Wilt be with me to the end

**To Be Like Jesus**

---

To be like Jesus, to be like Jesus  
 All that I ask, to be like Him  
 All through life's journey  
 From earth to glory  
 All that I ask, to be like Him

**Where He Leads Me**

F

I can hear my Saviour calling  
 I can hear my Saviour calling  
 I can hear my Saviour calling  
 Take thy cross and follow  
 Follow Me

*CHORUS*

Where He leads me I will follow  
 Where He leads me I will follow  
 Where He leads me I will follow  
 I'll go with Him, with Him  
 All the way

I'll go with Him through the garden  
 I'll go with Him through the garden  
 I'll go with Him through the garden  
 I'll go with Him, with Him  
 All the way

He will give me grace and glory  
 He will give me grace and glory  
 He will give me grace and glory  
 And go with me, with me  
 All the way

534

**It Must Be Love**

Why would You the God of greatness  
 Simply love someone like me  
 And how could You so pure and perfect  
 Know my faults yet meet my every need  
 I'll never know or understand  
 Just what You see in me  
 My mind is amazed to think Your plan  
 Includes me for eternity

*CHORUS*

It must be love, it must be love  
 In spite of who I am  
 You still came to where I was  
 Although my life is torn and scared  
 There's room for me inside Your heart  
 I find no other reason but this one  
 It must be love

You keep turning  
 My curses into blessings  
 That's Your love and nothing else  
 Forgiving my sin and then forgetting  
 That's Your love and nothing less  
 If I could give my everything  
 It wouldn't be enough  
 For every good and perfect gift  
 Is more than I deserve

535

**The Lord's My Shepherd**

The Lord's my Shepherd, I shall not want  
 He makes me down to lie  
 In pastures green  
 He leadeth me the quiet waters by

My soul He doth restore again  
 And me to walk doth make  
 Within the paths of righteousness  
 E'en for His own name's sake

Yea, though I walk in death's dark vale  
 Yet will I fear no ill  
 For Thou art with me and Thy rod  
 And staff me comfort still

My table Thou hast furnished  
 In presence of my foes  
 My head Thou dost with oil anoint  
 And my cup overflows

Goodness and mercy all my life  
 Shall surely follow me  
 And in God's house forevermore  
 My dwelling place shall be

536

**When I Die**

When I die, gonna live again  
 Singing glory, hallelujah  
 Sanctified, holy, on my way to glory  
 When I die, gonna live again

**He's Coming Soon**

F

In these, the closing days of time  
 What joy the glorious hope affords  
 That soon oh wondrous truth sublime  
 He shall reign  
 King of kings and Lord of lords

*CHORUS*

He's coming soon, He's coming soon  
 With joy we welcome His returning  
 It may be morn, it may be night or noon  
 We know He's coming soon

The signs around in earth and air  
 Or painted on the starlit sky  
 God's faithful witnesses declare  
 That the coming of the Saviour  
 Draweth nigh

The dead in Christ who 'neath us lie  
 In countless numbers all shall rise  
 When through the portals of the sky  
 He shall come to prepare our paradise

And we who living yet remain  
 Caught up, shall meet our faithful Lord  
 This hope we cherish not in vain  
 But we comfort one another  
 By this Word

538

**When I See The Blood**

A

Christ our Redeemer died on the cross  
 Died for the sinner paid all His due  
 Sprinkle your soul  
 With the blood of the Lamb  
 And I will pass, will pass over you

*CHORUS*

When I see the blood  
 When I see the blood  
 When I see the blood  
 I will pass, I will pass over you

Chiefest of sinners Jesus will save  
 All He has promised that will He do  
 Wash in the fountain opened for sin  
 And I will pass, will pass over you.

Judgment is coming all will be there  
 Each one receiving justly his due  
 Hide in the saving sin-cleansing blood  
 And I will pass, will pass over you.

Oh great compassion Oh boundless love  
 Oh loving kindness Faithful and true  
 Find peace and shelter under the blood  
 And I will pass, will pass over you

539

**Trust His Heart**

All things work for our good  
 Though sometimes we don't  
 See how they could  
 Struggles that break our hearts in two  
 Sometimes blind us to the truth  
 Our Father knows what's best for us  
 His ways are not our own  
 So when your pathway grows dim  
 And you just don't see Him  
 Remember, you're never alone

*CHORUS*

God is too wise to be mistaken  
 God is too good to be unkind  
 So when you don't understand  
 When you don't see His plan  
 When you can't trace His hand  
 Trust His heart

He sees the Master plan  
 And He holds our future in His hand  
 So don't live as those who have no hope  
 All our hope is found in Him  
 We see the present clearly  
 But He sees the first and the last  
 And like a tapestry  
 He's weaving you and me  
 To someday be just like Him

**We're Marching To Zion**

---

Come ye that love the Lord  
 And let your joys be known  
 Join in the song with sweet accord  
 And thus surround the throne

*CHORUS*

We're marching to Zion  
 Beautiful, beautiful Zion  
 We're marching upward to Zion  
 The beautiful city of God

Let those refuse to sing  
 Who never knew our God  
 But children of the heavenly King  
 Shall speak their joys abroad

The hill of Zion yields  
 A thousand scared sweets  
 Before we reach the heavenly Fields  
 Or walk the golden streets

Then let our songs abound  
 And every tear be dry  
 We're marching through  
 Emmanuel's ground  
 To fairer worlds on high

541

**That's The Day  
 That I've Been Waiting For**

---

Sometimes I carry  
 My burdens every day  
 Sometimes it makes me want to cry  
 Hopeless feeling hovered  
 Deep inside my heart  
 And I find it hard  
 To hold my head up high  
 But in the middle  
 Of the darkness in my life  
 I find the strength to carry on  
 I'm holding to a promise Jesus made  
 And I know it won't be long  
 Till we'll be gone

In a while we'll be gone  
 And we won't have to cry anymore  
 All of the sorrows left behind  
 But that's the day that I am waiting for  
 And that's the day I am longing for

If you feel there's no meaning in your life  
 And it seems you've lost your way  
 Listen closely to  
 Those voices deep inside  
 And remember what  
 Our Saviour had to say

542

**Thank You Lord**

---

F

I've walked down some narrow roads  
 Carried some heavy loads  
 But I've never been alone  
 In spite of how dark maybe the days  
 I see His loving in so many ways  
 And my heart is filled with praise

*CHORUS*

Thank You Lord for Calvary  
 Thank You Lord for loving me  
 Thank You Lord for the things  
 You do, I'm so in love with You  
 Thank You Lord for Your saving grace  
 And for Your presence in this place  
 For all the time Your love  
 Has brought me through  
 Lord, I thank You

I can thank Him for the raising dawn  
 I can thank Him till the day is done  
 And I've only just begun  
 No, there is nothing I could ever say  
 That could ever express the way  
 I am longing to give Him praise

There is no greater thanks  
 That I could ever give  
 Than show my thanks  
 In the way that I live

**Heart Of Worship**

---

When the music fades  
 All is stripped away  
 And I simply come longing just to bring  
 Something that's so worthy  
 That will bless Your heart

*CHORUS*

I'm coming back  
 To the heart of worship  
 And it's all about You  
 It's all about You, Jesus  
 I'm sorry Lord for the thing  
 I have made it  
 When it's all about You  
 All about You Jesus

I'll bring You more than a song  
 For a song in itself  
 Is not what You have required  
 You search much deeper within  
 Than the way things appear  
 You're looking into my heart

King of endless worth  
 No one could express  
 How much you deserve  
 Though I'm weak and poor  
 All I have is Yours  
 Every single breath

544

**I Come To The Garden Alone** D

---

I come to the garden alone  
 While the dew is still on the roses  
 And the voice I hear falling on my ear  
 The Son of God discloses

*CHORUS*

And He walks with me  
 And He talks with me  
 And He tells me I am His own  
 And the joy we share as we tarry there  
 None other has ever known

He speaks and the sound of  
 His voice is so sweet  
 The birds hush their singing  
 And the melody that He gave to me  
 Within my heart is ringing

I'd stay in the garden with Him  
 Though the night around me be falling  
 But He bids me go  
 Through the voice of woe  
 His voice to me is calling

545

**It Took A Miracle** G

---

My Father is omnipotent  
 And that you can't deny  
 A God of might and miracles  
 Tis written in the sky

*CHORUS*

It took a miracle to put the stars in place  
 It took a miracle to hang the world in space  
 But when He saved my soul  
 Cleansed and made me whole  
 It took a miracle of love and grace

Though here His glory Has been shown  
 We still can't fully see  
 The wonders of His might, His throne  
 Twill take eternity

The Bible tells us of His power  
 And wisdom all way through  
 And every little bird and flower  
 Are testimonies too

546

**Don't Lose Your Vision** F

---

Don't lose your vision of Jesus  
 Keep your eyes ever on Him  
 Many friends and dear loved ones  
 Have lost their way  
 They have lost their vision of Him

**Never Been So Homesick**

D

There's a light in the window  
 The table's spread in splendour  
 Someone's standing  
 At the open door  
 I can see the crystal river  
 So I must be near forever  
 Lord, I've never been  
 This homesick before

*CHORUS*

I see the bright light shine  
 It's just about home time  
 I can see my Father  
 Standing at the door  
 This world's been a wilderness  
 But I'm ready for deliverance  
 Lord, I've never been  
 This homesick before

I can see my family gather  
 Sweet faces all familiar  
 No one's old or feeble anymore  
 This lonesome heart is crying  
 Gonna spread my wings for flying  
 Lord I've never been  
 This homesick before

548

**Is Your All On The Altar**

F

You have longed for sweet peace  
 And for faith to increase  
 And have earnestly fervently prayed  
 But you cannot have rest  
 Or be perfectly blessed  
 Until your all on the altar is laid

*CHORUS*

Is your all on the altar of sacrifice laid  
 Your heart does the Spirit control  
 You can only be blessed  
 And have peace and sweet rest  
 As you yield Him Your body and soul

Would you walk with the Lord  
 In the light of His Word  
 And have peace and contentment always  
 You must do His sweet will  
 To be free from all ill  
 On the altar your all you must lay

Oh, we never can know  
 What the Lord will bestow  
 Of the blessings  
 For which we have prayed  
 Till our body and soul  
 He doth fully control  
 And our all on the altar is laid

549

**Tomorrow**

Jesus said, Here I stand  
 Won't you please let me in  
 And you said, I will tomorrow  
 Jesus said, I am He  
 Who supplies all your needs  
 And you said  
 I know but tomorrow

Oh, tomorrow, I'll give my life tomorrow  
 I thought about today  
 But it's so much easier to say  
 Tomorrow, who promised you tomorrow  
 You better choose the Lord today  
 For tomorrow very well might be too late

And who said tomorrow  
 Would ever come for you  
 Still you laugh and play  
 And continue on to say  
 Tomorrow, forget about tomorrow  
 Won't you give your life today  
 Oh please  
 Don't just turn and walk away  
 Tomorrow, tomorrow is not promised  
 Don't let this moment slip away  
 Your tomorrow  
 Could very well begin today

**My Redeemer**

---

I will sing of my Redeemer  
 And His wondrous love to me  
 On the cruel cross He suffered  
 From the curse to set me free

*CHORUS*

Sing, oh, sing, of my Redeemer  
 With His blood He purchased me  
 On the cross He sealed my pardon  
 Paid the debt, and made me free

I will tell the wondrous story  
 How my lost estate to save  
 In His boundless love and mercy  
 He the ransom freely gave

I will praise my dear Redeemer  
 His triumphant power I'll tell  
 How the victory He giveth  
 Over sin and death and hell

I will sing of my Redeemer  
 And His heavenly love to me  
 He from death to life hath brought me  
 Son of God, with Him to be

551

**Face To Face Shall I Behold Him**

---

Face to face with Christ my Saviour  
 Face to face, what will it be  
 When with rapture I behold Him  
 Jesus Christ who died for me

*CHORUS*

Face to face shall I behold Him  
 Far beyond the starry sky  
 Face to face in all His glory  
 I shall see Him by and by

Only faintly now I see Him  
 With the darkling veil between  
 But a blessed day is coming  
 When His glory shall be seen

What rejoicing in His presence  
 When are banished grief and pain  
 When the crooked ways  
 Are straightened  
 And the dark things shall be plain

Face to face, oh blissful moment  
 Face to face to see and know  
 Face to face with my Redeemer  
 Jesus Christ who loves me so

552

**More Than Anyone Else**

---

Bb

More than anyone else, I want to see Jesus  
 I want to see Him who suffered for me  
 Safe in His arms I'll praise and adore Him  
 And tell Him that I love Him  
 More than anyone else

553

**Walk With Me Lord**

---

C

Walk with me Lord, come walk with me  
 (Repeat)  
 All along life's pilgrim journey  
 I want Jesus to walk with me

Here's my hand Lord  
 Come walk with me  
 (Repeat)  
 All along life's pilgrim journey  
 I want Jesus to walk with me

Here's my life Lord  
 Come walk through me  
 (Repeat)  
 All along life's pilgrim journey  
 I want Jesus to walk with me

Here's my mouth Lord  
 Come talk through me  
 (Repeat)  
 All along life's pilgrim journey  
 I want Jesus to walk with me

**There Is A Fountain Filled** F

There is a fountain filled with blood  
 Drawn from Emmanuel's veins  
 And sinners plunged beneath that flood  
 Lose all their guilty stains

The dying thief rejoiced to see  
 That fountain in his day  
 And there may I, though vile as he  
 Wash all my sins away

I do believe, I will believe  
 That Jesus died for me  
 That on the cross He shed His blood  
 From sin to set us free

Dear dying Lamb Thy precious blood  
 Shall never lose its power  
 Till all the ransomed church of God  
 Be saved to sin no more

E'er since by faith I saw the stream  
 Thy flowing wounds supply  
 Redeeming love has been my theme  
 And shall be till I die

## 555

**Sing The Wondrous Love Of Jesus** C

Sing the wondrous love of Jesus  
 Sing His mercy and His grace  
 In the mansions bright and blessed  
 He'll prepare for us a place

*CHORUS*

When we all get to heaven  
 What a day of rejoicing that will be  
 When we all see Jesus  
 We'll sing and shout the victory

While we walk the pilgrim pathway  
 Clouds will overspread the sky  
 But when traveling days are over  
 Not a shadow, not a sigh

Let us then, be true and faithful  
 Trusting, serving every day  
 Just one glimpse of Him in glory  
 Will the toils of life repay

Onward to the prize before us  
 Soon His beauty we'll behold  
 Soon the pearly gates will open  
 We shall tread the streets of gold

## 556

**Something Keeps Holding Me**

The trials of this world were getting closer  
 The pull I felt was more than I could bear  
 And I was on the verge of just giving over  
 The strength within myself  
 Just wasn't there

*CHORUS*

Something keeps holding me  
 Every day I see  
 He's helping me faithfully  
 To overcome my trials  
 He's guiding me constantly  
 Giving me victory  
 He's a reality  
 Something keeps holding me

Satan laid before me  
 His temptation of his desire  
 To steal away my faith  
 But I have found in time  
 The revelation, the strength  
 I need to keep me by His grace

## 557

**Within The Veil**

Within the veil I now would come  
 Into the holy place to look upon His face  
 I see such beauty there  
 None other can compare  
 I worship Thee, my Lord  
 Within the veil

**The Great Physician**

Eb

The great Physician now is near  
 The sympathising Jesus  
 He speaks the drooping heart to cheer  
 Oh hear the voice of Jesus

*CHORUS*

Sweetest note in seraph song  
 Sweetest name on mortal tongue  
 Sweetest carol ever sung  
 Jesus, blessed Jesus

Your many sins are all forgiven  
 Oh, hear the voice of Jesus  
 Go on your way in peace to heaven  
 And wear a crown with Jesus

All glory to the dying Lamb  
 I now believe in Jesus  
 I love the blessed Saviour's name  
 I love the name of Jesus

His name dispels my guilt and fear  
 No other name but Jesus  
 Oh how my soul delights to hear  
 The charming name of Jesus

559

**Revive Us Again**

We praise Thee, oh God  
 For the Son of Thy love  
 For Jesus who died  
 And is now gone above

*CHORUS*

Hallelujah, Thine the glory  
 Hallelujah, amen  
 Hallelujah, Thine the glory  
 Revive us again

We praise Thee, oh God  
 For Thy spirit of light  
 Who has shown us our Saviour  
 And scattered our night

All glory and praise  
 To the Lamb that was slain  
 Who has borne all our sins  
 And has cleansed every stain

Revive us again  
 Fill each heart with Thy love  
 May each soul be rekindled  
 With fire from above

560

**What A Fellowship**

What a fellowship, what a joy divine  
 Leaning on the everlasting arms  
 What a blessedness what a peace is mine  
 Leaning on the everlasting arms

*CHORUS*

Leaning, leaning  
 Safe and secure from all alarms  
 Leaning, leaning  
 Leaning on the everlasting arms

Oh how sweet to walk in this pilgrim way  
 Leaning on the everlasting arms  
 Oh how bright the path  
 Grows from day to day  
 Leaning on the everlasting arms

What have I to dread  
 What have I to fear  
 Leaning on the everlasting arms  
 I have blessed peace  
 With my Lord so near  
 Leaning on the everlasting arms

561

**Keep Me Jesus As The Apple**

C

Keep me Jesus as the apple of Thine eye  
 Hide me under the shadow of Thy wing  
 Thou alone can save me lest I die  
 Keep me Jesus as the apple of Thine eye

### **Sitting At The Feet Of Jesus**

---

Sitting at the feet of Jesus  
 Oh what words I hear Him say  
 Happy place, so near, so precious  
 May it find me there each day  
 Sitting at the feet of Jesus  
 I would look upon the past  
 For His love has been so gracious  
 It has won my heart at last

Sitting at the feet of Jesus  
 Where can mortal be more blest  
 There I lay my sins and sorrows  
 And, when weary, find sweet rest  
 Sitting at the feet of Jesus  
 There I love to weep and pray  
 While I from His fullness gather  
 Grace and comfort every day

Bless me, oh my Saviour, bless me  
 As I sit low at Thy feet  
 Oh look down in love upon me  
 Let me see Thy face so sweet  
 Give me, Lord, the mind of Jesus  
 Make me holy as He is  
 May I prove I've been with Jesus  
 Who is all my righteousness

563

### **Be Thou Strong**

---

The battle is almost over  
 The victory's almost won  
 The Captain of Host  
 Just had to lead the way  
 And these are the words  
 We hear Him say

#### *CHORUS*

Be thou strong and be thou courageous  
 Be not afraid of the enemy around  
 For I'm the one that will fight for you  
 Be thou strong and be thou courageous  
 For the victory is yours to be won

There is no enemy  
 That puts death before you  
 So long as I am with you  
 Be not afraid or be dismayed  
 For I will not fail nor forsake you

Be strong in the Lord  
 And the power of His might  
 Believe His Word and don't doubt now  
 For by His word  
 You shall conquer your enemies  
 And by His Word You will have Victory

### **We're Gonna Walk Along With Jesus**

---

Well we may not be able to preach  
 And we may not be able to sing  
 We may not be able to do very much  
 For our Lord and King  
 But of this one thing be persuaded  
 That's why we sing this song  
 For by the help and the grace of God  
 We're gonna keep walking along

#### *CHORUS*

Well, we're gonna walk along with Jesus  
 We're gonna keep walking along  
 And if we keep telling the story  
 Ain't nothing gonna ever go wrong  
 And when the Bride  
 Goes marching in there  
 She'll sing a victory song  
 For by the help and the grace of God  
 We're gonna keep walking along

When we reach our home in glory  
 The sweet realms up above  
 We're gonna sing redemption story  
 We're gonna praise Him for His love  
 And when we all get caught up in there  
 And sing a hallelujah song  
 Oh yes, by the help and the grace of God  
 We're gonna keep walking along

**Teach Me, Lord, To Wait**

---

Teach me Lord, to wait  
 Down on my knees  
 Till in Your own good time  
 You answer my pleas  
 Teach me not to rely  
 On what others do  
 But to wait in prayer  
 For an answer from You

*CHORUS*

They that wait upon the Lord  
 Shall renew their strength  
 They shall mount up  
 With wings as eagles  
 They shall run and not be weary  
 They shall walk and not faint  
 Teach me Lord  
 Teach me Lord, to wait

Teach me Lord, to wait  
 While hearts are aflame  
 Help me humble my pride  
 And call on Your Name  
 Keep my faith renewed  
 Keep my eyes on Thee  
 Help me be on this earth  
 What You want me to be

566

**Rock Of Ages, Cleft For Me**

---

F

Rock of Ages, cleft for me  
 Let me hide myself in Thee  
 Let the water and the blood  
 From Thy riven side which flowed  
 Be of sin the double cure  
 Cleanse me from its guilt and power

Not the labours of my hands  
 Can fulfill Thy law's demands  
 Could my zeal no respite know  
 Could my tears for ever flow  
 All for sin could not atone  
 Thou must save and Thou alone

Nothing in my hand I bring  
 Simply to Thy Cross I cling  
 Naked, come to Thee for dress  
 Helpless, look to Thee for grace  
 Foul, I to the fountain fly  
 Wash me, Saviour, or I die

While I draw this fleeting breath  
 When my eyelids close in death  
 When I soar to worlds unknown  
 See Thee on Thy judgment throne  
 Rock of Ages, cleft for me  
 Let me hide myself in Thee

567

**Look Away To Jesus**

---

For many years  
 He called my name  
 Told me all I had to gain  
 But each time He gave the call  
 I just looked away  
 Then He turned my eyes around  
 He set my feet on higher ground  
 No Satan's power that very hour  
 I looked away

*CHORUS*

Look away to Jesus look away  
 There is a beauty of Jesus Christ  
 On display  
 Just feast your eyes upon  
 The Word of life today  
 From fear and dread  
 Just turn your head  
 And look away

In this day we look and learn  
 Sin is everywhere we turn  
 But there is a message  
 Sons of God, just look away  
 If He asked us to turn our heads  
 He'll give us something to see instead  
 The Word of life is Jesus Christ  
 Come look away

568

**His Eye Is On The Sparrow**

---

Why should I feel discouraged  
Why should the shadows come  
Why should my heart feel lonely  
And long for heaven's door  
For Jesus is my portion  
A constant friend is He  
His eye is on the sparrow  
And I know He watches over me

Let not your heart be troubled  
His tender words I hear  
And resting on His goodness  
I will lose all my doubts and all my fears  
For by His path He leadeth  
Though just one step ahead  
His eye is on the sparrow  
And I know He watches over me

I sing because I'm happy  
And I sing because I'm free  
His eye is on the sparrow  
And I know He watches me  
His eye is on the sparrow  
And I know He watches me  
I know He watches me, He watches me

569

**He's Everything To Me**

---

Eb

He's everything, He's everything to me  
(Repeat)  
He's my father, my mother  
My sister and my brother  
He's everything to me

570

**I Will Never Be The Same**

---

I will never be the same again  
I will never return, I've closed the door  
I will walk the path, I'll run this race  
And I will never be the same again

571

**Just To Be His Hand**

---

Just to be His hand extended  
Reaching out to the oppressed  
Let me touch Him, let me touch Jesus  
So that others may know and be blessed

572

**One More Mile Left To Go**

---

When I'm tossed on life's sea  
And the waves cover me  
And the dark clouds  
Won't let the sun shine through  
Then the voice seems to say  
Child there'll be a brighter day  
Don't allow the storms  
To hide sweet heaven's view

*CHORUS*

Cause you've got  
One more valley, one more hill  
And you've got  
One more trail, one more tear  
One more curve in life's road  
One more mile left to go  
Well you can lay down your heavy load  
When you get home

Now don't let Satan see your tears  
Learn to smile through your tears  
Hold your head up high  
And give the world a smile  
You just be grateful every day  
It's going to be worth it all one day  
Cause it'll all be over after a while

573

**Jesus, Name Above All Names**

---

Jesus, name above all names  
Beautiful Saviour, glorious Lord of lords  
Emmanuel, God is with us  
Blessed Redeemer, living Word

### Jesus, Just The Mention Of Your Name

---

Jesus, just the mention of Your name  
Flowers grow, the desert blooms again  
Like fire in winter's cold  
Like pure precious gold  
Jesus, just the mention of Your name

575

### He's On The Inside

---

He's on the inside of those pearly gates  
He's on the inside of heaven  
There He waits  
He'll call for me by name  
I'll answer and I'll go  
To be with Him who died  
And lives to love me so

576

### It's The Life Behind The Name

---

C

It's the life behind the name  
That makes the demons tremble  
It's the life behind the name  
That makes the proud heart humble  
It was God who devised a plan  
That in all things like a man  
He would live so He could give  
To us the life behind the name

577

### Jesus Took My Burden

---

Yes, Jesus took my burden  
I could no longer bear  
Yes, Jesus took my burden  
In answer to my prayer  
My anxious fears subsided  
My spirit was made strong  
For Jesus took my burden  
And left me with a song

### Whom The Son Has Set Free

---

Now I remember standing  
On the auction block of sin  
Satan he controlled me  
He had the highest bid  
Then Jesus died on Calvary  
So that I could be set free  
And He whispered, child I bought you  
Now you belong to me

### CHORUS

He that the Son has set free  
Is free indeed  
No more chains of slavery  
All through my trials there's liberty  
He that the Son has set free  
Is free indeed

Now I belong to Jesus  
I'm a child of the King  
I've traded my filthy garments  
For robes of royalty  
Those chains that used to bind me  
Are now laying at my feet  
You see the devil he lost his claim  
When Jesus rose again

579

### Praise The Name Of Jesus

---

Praise the name of Jesus  
Praise the name of Jesus  
He is my Rock, He is my Fortress  
He is my Deliverer, in Him will I trust  
Praise the name of Jesus

580

### His Name Is Jesus

---

His name is Jesus, wonderful Jesus  
His name is Jesus and I love Him so  
Bow down before Him, love and adore Him  
His name is Jesus and I love Him so

581

**Faith Turns The Night Into The Day** F

---

Faith turns the night into the day  
Love drives the doubts and fears away  
And my heart is singing  
With the joy-bells ringing  
Listen to the pealing of its chimes  
Faith wins the victory every time  
Hallelujah, what a Saviour  
And just to know that He is mine

582

**He Lifted Me Out** C

---

He lifted me out of the deep miry clay  
And He planted my feet  
On the rock to stay  
And that is the reason I sing and I shout  
For Jesus came down  
And He lifted me out

583

**Leave It There** F

---

Leave it there, leave it there  
Take your burden to the Lord  
And leave it there  
If you trust and never doubt  
He will surely bring you out  
Take your burden to the Lord  
And leave it there

584

**I Keep In Touch With Jesus** C

---

I keep in touch with Jesus  
And He keeps in touch with me  
And so we walk together  
In perfect harmony  
There's not a day that passes  
There's not an hour goes by  
But that we have sweet fellowship  
My precious Lord and I

585

**So Glad I'm Yours, Lord** G

---

So glad I'm Yours, Lord  
So glad I'm Yours  
So glad Your mercy  
Has followed me  
So glad You found me  
And set me free  
So glad I'm Yours, Lord  
So glad I'm Yours

586

**I'm So Glad, I'm A Part** F

---

I'm so glad I'm a part  
Of the family of God  
I've been washed in the fountain  
Cleansed by His blood  
Joint heirs with Jesus  
As we travel this sod  
I'm so glad I'm a part  
Of the family of God

587

**The Spirit Of The Lord**

---

The Spirit of the Lord is now upon me  
To heal the broken heart  
And set the captive free  
To open prison doors  
And make the blind to see  
The Spirit of the Lord is now on me

588

**Jesus Is The Sweetest Name I Know** G

---

Jesus is the sweetest name I know  
And He's just the same  
As His lovely name  
That's the reason why I love Him so  
For Jesus is the sweetest name I know

589

**The Lord Reigneth** G

---

The Lord reigneth, the Lord reigneth  
Blessed be the name of our God  
(Repeat)

Let the heavens be glad  
And the earth rejoice  
Let men say among the nations  
The Lord reigneth, the Lord reigneth  
Blessed be the name of our God

590

**Got Any Rivers**

---

Got any rivers you think are uncrossable  
Got any mountains  
You can't tunnel through  
God specialises in things  
Thought impossible  
And He will do what  
No other power can do

591

**I Love Him Too Much** G

---

I love Him too much to fail Him now  
I love Him too much to break my vow  
For I promised the Lord that  
I would make it somehow  
And now I love Him too much  
To fail Him now

592

**Ain't God Good** G

---

Ain't God good  
To give us so many blessings  
Undeserving, that's what we are  
We ought to thank Him  
Love and praise Him  
A little more today  
And a whole lot more tomorrow

593

**Silver And Gold Have I None** F

---

Silver and gold have I none  
But such as I have give I thee  
In the name of Jesus Christ  
Of Nazareth rise up and walk  
Walking and leaping and praising God  
Walking and leaping and praising God  
In the name of Jesus Christ  
Of Nazareth rise up and walk

594

**I Love My Jesus**

---

I love my Jesus for He's my Saviour  
And He has brought me  
Unto the fountain  
The blessed fountain of living water  
The crystal fountain  
That never shall run dry

595

**For God So Loved The World**

---

For God so loved the world  
He gave His only Son  
To die on Calvary's tree  
From sin to set me free  
Someday He's coming back  
What glory that will be  
Wonderful, His love to me

596

**That Sounds Like Home To Me** G

---

That sounds like home to me  
Like where I want to be  
There'll be no tears  
To dim our eyes again  
The hills will echo with the story  
As we sing of His grace and glory  
Where the saints of God will be  
That sounds like home to me

**Touch Me Lord** G

Touch me Lord just one more time  
 With Your spirit touch me Lord  
 Just one more time with Your power  
 You've touched me so many times before  
 Now I'm asking You once more  
 To reach out and touch me  
 One more time

**My Redeemer Lives** F

Who taught the sun  
 Where to stand in the morning  
 And who told the ocean  
 You could only come this far  
 And who showed the moon  
 Where to hide till evening  
 Who's words alone  
 Can catch a falling star

I know my redeemer lives  
 I know my redeemer lives  
 All of creation testifies  
 That this life within me lies  
 I know my redeemer lives

The very same God  
 That spins things in orbit  
 Runs to the weary worn and the weak  
 And the same gentle hands  
 That holds me when I'm broken  
 They comfort and then bring me victory

I know my redeemer lives  
 I know my redeemer lives  
 Let all creation testify  
 That this life within me cries  
 I know my redeemer lives

He lives to take away my shame  
 And he lives forever I'll proclaim  
 Now the death that bought my sin  
 Is the precious life he gave; now  
 He's alive and there's an empty grave

**We'll Not Leave  
Our Little Ones Behind** F

We'll not leave our little ones behind  
 For our Father has them on His mind  
 Some are weak and some are weary  
 Others feel that they're not able  
 But we'll not leave our little ones behind

**Then He'll Say Peace, Peace**

Then He'll say, Peace, peace  
 Peace unto my lovely Bride  
 Shalom, Shalom  
 For a new day has been broken  
 From this sick and dying world  
 To God's life and immortality  
 All we can hear from His throne is  
 Good morning, good morning  
 To my Bride

**I Know Where God Is** F

I know where God is  
 He's here in my heart  
 I know where God is  
 He's here in my heart  
 I know where God is  
 He's here in my heart  
 Oh the love that fills me  
 He's here in my heart

**I'm Taking My Harp Down**

I'm taking my harp down  
 From off the willow tree  
 And now I am singing the victory  
 My past is forgiven, my home is in heaven  
 All sorrow is gone, the victory's won  
 And now I am free

603

**Let The Lord Have His Way** C

---

Let the Lord have His way  
In your heart everyday  
There's no rest, there's no peace  
Till the Lord has His way  
Place your life in His hands  
Rest secure in His plans  
Let the Lord, let the Lord have His way

604

**Behold I Live** A

---

John was in the Spirit on the Lord's day  
He heard a voice from heaven  
And this is what it said  
I'm the Alpha and Omega  
The beginning and the end  
Behold I live forever more

*CHORUS*

Behold I live, behold I live  
Behold I live forevermore  
(Repeat)

Among the seven candlesticks  
I saw a risen Lord  
His eyes were as a flame of fire  
And from His mouth a sword  
As the voice of many waters  
Sounded forth the living word  
Behold I live forevermore

605

**All Over The World** D

---

All over the world the Spirit is moving  
All over the world  
As the prophet said it would be  
All over the world  
There's a mighty revelation  
Of the glory of the Lord  
As the waters cover the sea

All over the Church the Spirit is moving  
All over the Church  
As the prophet said it would be  
All over the Church  
There's a mighty revelation  
Of the glory of the Lord  
As the waters cover the sea

Deep down in my heart  
The Spirit is moving  
Deep down in my heart  
As the prophet said it would be  
Deep down in my heart  
There's a mighty revelation  
Of the glory of the Lord  
As the waters cover the sea

606

**Down At The Cross** F

---

Down at the cross where my Saviour died  
Down where for cleansing from sin, I cried  
There to my heart was the blood applied  
Glory to His name

*CHORUS*

Glory to His name, Glory to His name  
There to my heart was the blood applied  
Glory to His name

I am so wondrously saved from sin  
Jesus so sweetly abides within  
There at the cross where He took me in  
Glory to His name

Oh precious fountain that saves from sin  
I am so glad I have entered in  
There Jesus saves me  
And keeps me clean  
Glory to His name

Come to this fountain so rich and sweet  
Cast thy poor soul at the Saviour's feet  
Plunge in today and be made complete  
Glory to His name

**More Than Conquerors We Are** F

The hour of shaking is now at hand  
 When many builders would realise  
 They've built on sinking sand  
 For the stone that the builders refused  
 They have rejected  
 The revelation of the Son of Man  
 But unto you He's been a treasure  
 And an anchor to your soul  
 All the evils of this world  
 We'll overcome

**CHORUS**

Now more than conquerors we are  
 Through the power of Jesus name  
 Priests and kings He has made us  
 And forever we shall reign  
 (Repeat)

Many pressures came  
 From outside and within  
 And temptations did arise  
 To take a look unto the other side  
 But by the grace of God  
 We resisted sin  
 And the devil was surprised  
 We knew by the Word of the Lord  
 We were tested and tried  
 But unto you who look above  
 Through the window of perfect love  
 God has sent to us His sign  
 On the wings of a dove

As the new ministry becomes reality  
 Now men will see with the eye  
 The works of God expressed  
 Through His little Bride  
 Every knee must bow  
 Every tongue confess  
 Men's folly be made manifest  
 The foolish man won't be able to stand  
 But unto the wise who understands  
 Great exploits are now at hand  
 For Michael's feet are on the sea  
 And on the land

**I've A Message From The Lord** F

I've a message from the Lord Hallelujah  
 The message unto you I'll give  
 Tis recorded in His Word Hallelujah  
 It is only that you look and live

**CHORUS**

Look and live my brother, live  
 Look to Jesus now and live  
 Tis recorded in His Word Hallelujah  
 It is only that you look and live

I've a message full of love Hallelujah  
 A message, oh my friend, for you  
 Tis a message, from above Hallelujah  
 Jesus said it, and I know tis true

Life is offered unto you, hallelujah  
 Eternal life your soul shall have  
 If you'll only look to Him hallelujah  
 Look to Jesus who alone can save

**There Is A River** F

There is a river  
 That flows from deep within  
 There is a fountain  
 That frees the soul from sin  
 Come to this water  
 There is a vast supply  
 There is a river  
 That never shall run dry

There is a river  
 That flows from God above  
 There is a fountain  
 That's filled with His great love  
 Come to this water  
 There is a vast supply  
 There is a river  
 That never shall run dry

**Looking For A City**

C

Here among the shadows  
 Living in a lonely land  
 We're strangers  
 We're a band of pilgrims on the move  
 Through dangers  
 Burdened down with sorrows  
 And we're shunned on every hand  
 But we are looking for a city built above

*CHORUS*

Oh yes we're looking for a city  
 Where we'll never die  
 Where the sainted millions  
 Never say goodbye  
 There we'll meet our Saviour  
 And our loved ones too  
 Come, oh Holy Spirit come  
 All our hopes renew

Here in disappointment often  
 We so sadly roam  
 And earthly friends no longer speak  
 One word of love  
 But truly we have found contentment  
 Jesus promised us home  
 So we are looking for a city built above

In this land of danger  
 We are going here and there  
 We're simply trusting  
 In the blessed Saviour's love  
 And mercy though we may be strangers  
 Living in this world of care  
 We're always looking for  
 A city built above

**I'm Pressing On The Upward Way**

F

I'm pressing on the upward way  
 New heights I'm gaining every day  
 Still praying as I'm onward bound  
 Lord, plant my feet on higher ground

*CHORUS*

Lord, lift me up and let me stand  
 By faith on heaven's table land  
 A higher plane than I have found  
 Lord, plant my feet on higher ground

My heart has no desire to stay  
 Where doubts arise and fears dismay  
 Though some may dwell  
 Where these abound  
 My prayer, my aim is higher ground

I want to live above the world  
 Though Satan's darts at me are hurled  
 For faith has caught the joyful sound  
 The song of saints on higher ground

I want to scale the utmost height  
 And catch a gleam of glory bright  
 But still I'll pray till heaven I've found  
 Lord, lead me on to higher ground

**Life Is Wonderful**

C

Life is wonderful, yes it's wonderful  
 Life is wonderful now to me  
 I let Jesus in, He changed everything  
 Life is wonderful now  
 Since His blessings came into my heart  
 Joy unspeakable fills every part  
 Now I want to live for my Lord  
 Life is wonderful now

Make my life to be, like a melody  
 Ever sounding out  
 The message of the cross  
 Saviour let me be, like a melody  
 Ever sounding out  
 The message of the cross  
 With Jesus in your heart  
 No discord can arise  
 For He can make  
 The saddest heart to harmonise  
 Saviour let me be, like a melody  
 Ever sounding out  
 The message of the cross

**Search Me, Oh God**

F

Search me, oh God  
 And know my heart today  
 Try me, oh Lord, and  
 Know my thoughts I pray  
 See if there be  
 Some wicked way in me  
 Cleanse me from every sin  
 And set me free

I praise Thee, Lord  
 For cleansing me from sin  
 Fulfill Thy Word, and  
 Make me pure within  
 Fill me with fire  
 Where once I burned with shame  
 Grant my desire  
 To magnify Thy name

Lord, take my life  
 And make it wholly Thine  
 Fill my poor heart with  
 Thy great love divine  
 Take all my will, my passion  
 Self and pride  
 I now surrender, Lord  
 In me abide

Oh Holy Ghost  
 Revival comes from Thee  
 Send a revival  
 Start the work in me  
 Thy Word declares  
 Thou wilt supply our need  
 For blessing now, oh Lord  
 I humbly plead

614

**At The Cross**

G

I'm not ashamed to own my Lord  
 Or to defend His cause  
 Maintain the honour of His Word  
 The glory of His cross

**CHORUS**

At the cross, at the cross  
 Where I first saw the light  
 And the burden  
 Of my heart rolled away  
 It was there by faith  
 I received my sight  
 And now I am happy all the day

Jesus, my Lord, I know His name  
 His name is all I trust  
 Nor will He put my soul to shame  
 Nor let my hope be lost

Firm as His throne  
 His promise stands  
 And He can well secure  
 What I've committed to His hands  
 Till the decisive hour

Then will He own  
 My worthless name  
 Before His Father's face  
 And in the New Jerusalem  
 Appoint my soul a place

615

**Once****My Hardened Soul Was Fettered**

Once my hardened soul was fettered  
 By the binding chains of sin  
 But the great Emancipator  
 Set me free to worship Him

**CHORUS**

Glory, glory, hallelujah  
 Blessed be His holy name  
 He's the great Emancipator  
 That's the song of the Redeemed

Like a lost lamb I was drifting  
 Oh so helpless and alone  
 But the seeking Shepherd found me  
 Led me to my Father's home

**This Is Like Heaven To Me** F

We find many people  
 Who can't understand  
 Why we are so happy and free  
 We've crossed over Jordan  
 To Canaan's fair land  
 And this is like heaven to me

*CHORUS*

Oh this is like heaven to me  
 Yes, this is like heaven to me  
 I've crossed over Jordan  
 To Canaan's fair land  
 And this is like heaven to me

So when we are happy  
 We sing and we shout  
 Some don't understand us  
 You see

We're filled with the Spirit  
 There is not a doubt  
 And this is like heaven to me

We've heard the sweet music  
 The heavenly chord  
 From glory land over the sea  
 A soul-thrilling message  
 From Jesus our Lord  
 And this is like heaven to me

## 617

**In The Presence**

I stand amazed in the presence  
 Of Jesus the Nazarene  
 And wonder how  
 He could love me  
 A sinner, condemned, unclean

*CHORUS*

How marvelous! How wonderful  
 And my song shall ever be  
 How marvelous! How wonderful  
 Is my Saviour's love for me

For me it was in the garden  
 He prayed: Not My will, but Thine  
 He had no tears for His own grief  
 But sweat drops of blood for mine

In pity angels beheld Him  
 And came from the world of light  
 To comfort Him in the sorrows  
 He bore for my soul that night

He took my sins and my sorrows  
 He made them His very own  
 He bore the burden to Calvary  
 And suffered, and died alone

When with the ransomed in glory  
 His face I at last shall see  
 'Twill be my joy through the ages  
 To sing of His love for me

## 618

**My Jesus, I Love Thee**

My Jesus, I love Thee, I know Thou art mine  
 For Thee all the pleasures of sin I resign  
 My gracious Redeemer, my Saviour art Thou  
 If ever I loved Thee my Jesus, 'tis now

I love Thee because Thou hast first loved me  
 And purchased my pardon  
 When nailed to the tree  
 I love Thee for wearing  
 The thorns on Thy brow  
 If ever I loved Thee my Jesus, 'tis now

I'll love Thee in life I will love Thee in death  
 And praise Thee as long  
 As Thou lendest me breath  
 And say, should the death-dew  
 Lie cold on my brow  
 If ever I loved Thee my Jesus, 'tis now

In mansions of glory and endless delight  
 I'll ever adore Thee in heaven so bright  
 I'll sing with the glittering  
 Crown on my brow  
 If ever I loved Thee my Jesus, 'tis now

**Standing On The Promises**

Bb

Standing on the promises  
Of Christ my King  
Through eternal ages  
Let His praises ring  
Glory in the highest I will shout and sing  
Standing on the promises of God

*CHORUS*

Standing, standing  
Standing on the promises  
Of God my Saviour  
Standing, standing  
I'm standing on the promises of God

Standing on the promises  
That cannot fail  
When the howling storms  
Of doubt and fear assail  
By the living Word of God I shall prevail  
Standing on the promises of God

Standing on the promises  
I now can see  
Perfect, present cleansing  
In the blood for me  
Standing in the liberty  
Where Christ makes free  
Standing on the promises of God

Standing on the promises  
Of Christ the Lord  
Bound to Him eternally  
By love's strong cord  
Overcoming daily  
With the Spirit's sword  
Standing on the promises of God

Standing on the promises  
I cannot fall  
Listening every moment  
To the Spirit's call  
Resting in my Saviour  
As my all in all  
Standing on the promises of God

**Bring Them In**

Hark, 'tis the Shepherd's voice I hear  
Out in the desert dark and drear  
Calling the sheep who've gone astray  
Far from the Shepherd's fold away

*CHORUS*

Bring them in, bring them in  
Bring them in from the fields of sin  
Bring them in, bring them in  
Bring the wandering ones to Jesus

Who'll go and help this Shepherd kind  
Help Him the wandering ones to find  
Who'll bring the lost ones to the Fold  
Where they'll be sheltered  
From the cold

Out in the desert hear their cry  
Out on the mountains wild and high  
Hark! 'tis the Master speaks to thee  
Go find My sheep where'er they be

**Blessed Assurance****D**

Blessed assurance, Jesus is mine  
Oh what a foretaste of glory divine  
Heir of salvation, purchase of God  
Born of His Spirit, washed in His blood

*CHORUS*

This is my story, this is my song  
Praising my Saviour all the day long  
(Repeat)

Perfect submission, perfect delight  
Visions of rapture, now burst on my sight  
Angels descending, bring from above  
Echoes of mercy, whispers of love

Perfect submission, all is at rest  
I in my Saviour am happy and blest  
Watching and waiting, looking above  
Filled with His goodness, lost in His love

**Oh Glory Be To God**

C

Oh glory be to God  
 He lifted me up  
 He lifted me up I know  
 He reached down His hand  
 And He lifted me up  
 And that's why I love Him so

I love Him more and more  
 I love Him more and more  
 And when I stand  
 Upon the other shore  
 I'll praise Him more and more

**623****They Come From The East And West** A

They come from the east and west  
 They come from the lands afar  
 To feast with our King  
 To dine as His guests  
 How blessed these pilgrims are  
 Beholding His hallowed face  
 Aglow with love divine  
 Blest partakers of His grace  
 As gems in His crown to shine

*CHORUS*

Since Jesus has set me free  
 I'm happy as heart can be  
 No longer I bear the burden of care  
 His yoke is so sweet to me  
 My soul was as black as night  
 But darkness has taken flight  
 Now I shout the victory  
 For Jesus has set me free

I look on the great White Throne  
 Before it the ransomed stand  
 No longer are tears, no sorrow is known  
 Nor death in that goodly land  
 My Saviour has gone before  
 Preparing the way for me  
 Soon we'll meet to part no more  
 Through time or eternity

The gates of that holy place  
 Stand open by night and day  
 Oh look to the Lord who giveth more grace  
 Whose love has prepared the way  
 A home in those mansions fair  
 His hand hath reserved for all  
 For the wedding feast prepare  
 Obeying the gracious call

Jesus is coming soon  
 Our trials will then be o'er  
 Oh what if our Lord  
 This moment should come  
 For those who are free from sin  
 Oh then would it bring you joy  
 Or sorrow and deep despair  
 When the Lord of glory comes  
 We'll meet Him up in the air

**624****Some Golden Daybreak**

Some glorious morning sorrow will cease  
 Some glorious morning all will be peace  
 Heartaches all ended, school days all done  
 Heaven will open, Jesus will come

*CHORUS*

Some golden daybreak  
 Jesus will come  
 Some golden daybreak  
 Battles all won  
 He'll shout the victory  
 Break through the blue  
 Some golden daybreak  
 For me, for you

Sad hearts will gladden all shall be bright  
 Goodbye forever to earth's dark night  
 Changed in a moment like Him to be  
 Oh glorious daybreak, Jesus I'll see

Oh, what a meeting there in the skies  
 No tears nor crying shall dim our eyes  
 Loved ones united eternally  
 Oh what a daybreak that morn' will be

**Keep The Flame Burning**

G

Lord I find myself needing you  
 Like I never have before  
 In all of the darkness around me  
 Everyday my hunger's growing more  
 It's clear to me now  
 You are my only refuge  
 My port in a troubled sea  
 Help to give my life completely to You  
 And make me only what  
 You want me to be

**CHORUS**

Lord just  
 Keep the flame burning in my heart  
 Light my way with the fire of Your Spirit  
 Keep the flame burning in my heart  
 And let it spread to  
 Whoever comes near it  
 Lord just keep the flame  
 Burning in my heart

Children, He knows  
 What you're going through  
 He's suffered more  
 Than you'll ever know  
 And He's drawing us closer  
 And closer to Him  
 He'll be back soon, woh, woh  
 You got to get ready to go  
 Well, there's no time for complacency  
 There's no room for compromise  
 Just walk straight and strong  
 Cause it won't be long  
 Till we see Him split the Eastern skies

626

**Lord I Thank You**

I've walked down some narrow roads  
 Carried some heavy loads  
 But I've never been alone  
 In spite of how dark maybe the days  
 I see His loving in so many ways  
 And my heart is filled with praise

**CHORUS**

Thank You Lord for Calvary  
 Thank You Lord for loving me  
 Thank You Lord for the things  
 You do, I'm so in love with You  
 Thank You Lord for Your saving grace  
 And for Your presence in this place  
 For all the time Your love  
 Has brought me through  
 Lord, I thank You

I can thank Him for the raising dawn  
 I can thank Him till the day is done  
 And I've only just begun  
 No, there is nothing I could ever say  
 That could ever express the way  
 I am longing to give Him praise

There is no greater thanks  
 That I could ever give  
 Than show my thanks  
 In the way that I live

627

**The Holy Ghost Power**

G

The Holy Ghost power is moving  
 Just like a magnet  
 The Holy Ghost power is moving  
 Just like a magnet  
 Moving here and moving there  
 Like in the days of Pentecost  
 The Holy Ghost power is moving  
 Just like a magnet

The Message of the Hour is moving  
 Just like a magnet  
 The Message of the Hour is moving  
 Just like a magnet  
 Moving here and moving there  
 Moving almost everywhere  
 The Message of the Hour is moving  
 Just like a magnet

**I Know Who Holds Tomorrow** F

I don't know about tomorrow  
 I just live from day to day  
 I don't borrow from its sunshine  
 For its skies may turn to grey  
 I don't worry o'er the future  
 For I know what Jesus said  
 And today I'll walk beside Him  
 For He knows what is ahead

**CHORUS**

Many things about tomorrow  
 I don't seem to understand  
 But I know who holds tomorrow  
 And I know who holds my hand

Every step is getting brighter  
 As the golden stairs I climb  
 Every burden's getting lighter  
 Every cloud is silver lined  
 There the sun is always shining  
 There no tear will dim the eye  
 At the ending of the rainbow  
 Where the mountains touch the sky

I don't know about tomorrow  
 It may bring me poverty  
 But the One who feeds the sparrow  
 Is the One who stands by me  
 And the path that be my portion  
 May be through the flame or flood  
 But His presence goes before me  
 And I'm covered with His blood

629

**He Lives, He Lives** Bb

I serve a risen Saviour  
 He's in the world today  
 I know that He is living  
 Whatever men may say  
 I see His hand of mercy  
 I hear His voice of cheer  
 And just the time I need Him  
 He's always near

**CHORUS**

He lives, He lives  
 Christ Jesus lives today  
 He walks with me, and talks with me  
 Along life's narrow way  
 He lives, He lives  
 Salvation to impart  
 You ask me how I know He lives  
 He lives within my heart

In all the world around me  
 I see His loving care  
 And though my heart grows weary  
 I never will despair  
 I know that He is leading  
 Through all the stormy blast  
 The day of His appearing  
 Will come at last

Rejoice, rejoice, oh Christian  
 Lift up your voice and sing  
 Eternal hallelujahs  
 To Jesus Christ the King  
 The hope of all who seek Him  
 The help of all who find  
 None other is so loving  
 So good and kind

630

**And That My Soul Knows Very Well** F

You make Your face to shine on me  
 And that my soul knows very well  
 You lift me up, I'm cleansed and free  
 And that my soul knows very well

**CHORUS**

When mountains fall, I'll stand  
 By the power of Your hand  
 In Your heart of hearts I'll dwell  
 And that my soul knows very well

Joy and strength each day I find  
 And that my soul knows very well  
 Forgiveness, peace I know is mine  
 And that my soul knows very well

**There's No Disappointment** F

There's no disappointment in heaven  
 No weariness, sorrow or pain  
 No hearts that are bleeding or broken  
 No song with a minor refrain  
 The clouds of our earthly horizon  
 Will never appear in the sky  
 For all will be sunshine and gladness  
 With never a sob nor a sigh

**CHORUS**

I'm bound for that beautiful city  
 My Lord has prepared for His own  
 Where all the redeemed of all ages  
 Sing glory around the white throne  
 Sometimes I grow homesick  
 For heaven  
 And the glories I there shall behold  
 What a joy that will be  
 When my Saviour I see  
 In that beautiful city of gold

We'll never pay rent for our mansion  
 The taxes will never come due  
 Our garments will never  
 Grow threadbare  
 But always be fadeless and new  
 We'll never be hungry nor thirsty  
 Nor languish in poverty there  
 For all the rich bounties of heaven  
 His sanctified children will share

## 632

**I've Anchored In Jesus** Bb

Upon life's boundless ocean  
 Where mighty billows roll  
 I've fixed my hope in Jesus  
 Blest anchor of my soul  
 When trials fierce assail me  
 As storms are gathering o'er  
 I rest upon His mercy  
 And trust Him more

**CHORUS**

I've anchored in Jesus  
 The storms of life I'll brave  
 I've anchored in Jesus  
 I fear no wind or wave  
 I've anchored in Jesus  
 For He hath power to save  
 I've anchored to the Rock of Ages

He keeps my soul from evil  
 And gives me blessed peace  
 His voice hath stilled the waters  
 And bid their tumult cease  
 My Pilot and Deliverer  
 To Him I all confide  
 For always when I need Him  
 He's at my side

He is my Friend and Saviour  
 In Him my anchor's cast  
 He drives away my sorrows  
 And shields me from the blast  
 By faith I'm looking upward  
 Beyond life's troubled sea  
 There I behold a haven  
 Prepared for me

## 633

**Born Again** G

Born again there's really  
 Been a change in me  
 Born again just like Jesus said  
 Born again and all because of Calvary  
 I'm glad, so glad  
 That I've been born again

I'm a new creation,  
 I'm a brand new man  
 Old things have passed away  
 I've been born again  
 More than a conqueror  
 That's what I am  
 I'm a new creation  
 I'm a brand new man

**I'm So Happy**

C

I'm so happy and here's the reason why  
 Jesus took my burdens all away  
 Now I'm singing as the days go by  
 Jesus took my burdens all away  
 Once my heart was heavy  
 With a load of care  
 Jesus took my burden  
 Gave me peace within my heart  
 And now I'm singing as the days go by  
 Jesus took my burdens all away

**635****Let Your Word Be Born**

T'was a tiny simple stable  
 All bent and in board  
 Hardly a place for a king to be born  
 He didn't choose some place special  
 To reveal His Majesty  
 So I always will give him control  
 He'll be born in me

**CHORUS**

Let your Word be born  
 In the manger of my heart  
 Let it live in me, let it start  
 Live inside this house of clay  
 And mould it every day  
 Let your Word be born  
 In the manger of my heart

Well I would be a nothing  
 Not much to behold  
 Unlikely the place  
 For His Word to unfold  
 But if I will yield this vessel  
 And let him have his way  
 From Glory unto Glory  
 He'll change me day by day

**Prodigal Son**

G

When I look back to yesterday  
 And all the many years I have wasted  
 And I think about  
 The many nights of hunger  
 I spent out in the cold  
 I remember warming by the fire  
 In my father's house  
 The food how it tasted  
 And knowing that the life  
 I'm leading is needing love  
 And love's back there at home

**CHORUS**

It's over now  
 It's over, I'm going home  
 It's over now  
 It won't be long  
 The prisons of the past  
 Couldn't hold me, I'm free at last  
 My father I see  
 His arms reaching out for me  
 It's all over now

I can hear my father saying  
 Go kill the fatted calf spread the table  
 Then go and tell the singers to prepare  
 To sing the welcome song  
 And bring the finest ring of gold and  
 With it bring the finest robe of sable  
 To place upon the  
 Tired and weary shoulders  
 Of my son who's coming home

**Tired Tramping On This Mountain**  
**(Ku Ngenge Au)** F

---

There's a deep and inward hunger  
 Within my soul  
 God has promised in His Word  
 That He'll make us whole  
 Now it's time for it to happen  
 That huge portion of heaven  
 It will make and bring to pass  
 That tremendous victory  
 In the love divine

**CHORUS**

For I'm tired of tramping  
 On this mountain  
 I'm heading down to the Jordan  
 And lo before me I see a vision breaking  
 A power that will bind that mamba  
 The third pull ministry

Now's my time for consecration  
 I must see a change in me  
 I will enter my secret closet  
 And close the door behind me  
 I'll keep the Feast of unleavened bread  
 With truth and sincerity  
 For I'm expecting Jehovah Jireh  
 My Lord to meet with me

Lord keep Thy holy fire burning  
 Deep in my soul  
 Change me from glory unto glory  
 Till Thy image You behold  
 Let's keep this holy convocation  
 Till we become a new creation  
 For it's the message in you and me  
 That will bring to pass  
 That tremendous victory

He pu-aroha hohonu kei roto,  
 I taku tinana  
 Te taurangi o te Atua,  
 Mana ka ora tatou  
 Ko te taima, mo tenei tupono

He wahi nui o te rangi  
 Ka mahia, ka pahemo,  
 Te tino wikitoria  
 Ma te aroha tapu

Kua ngenge au  
 I te takahi i tenei maunga  
 Kua heke au  
 Ki te Horana  
 A i mua nei  
 Kua whati mai he Kite  
 He mana hei here

 Me kite he rereke  
 Ka kuhu au ki te wahi huna  
 Katia te huaha i muri  
 Hapaitia te taro rewanakore  
 Ma taku ngakau pono  
 E tariana mo Ihowa  
 Hiere, kia tutaki mai ki au

Tahuna tonu To ahi tapu,  
 Roto i toku Wairua  
 Hikia au ma te kororia ki te kororia  
 Kia orite au kia Koe

**Storms Of Life**  
**(Nga Awha O Tenei Ora)**

---

The storms of Life will blow  
 You have to be prepared for them  
 By doing what God tells us to do  
 We hear the word that strengthens us  
 When the storms of life do come  
 Faith will arise to the occasion

Chorus  
 When the storms of life shake us  
 Let the anchor hold within the veil  
 Sent to test your revelation  
 Cause on the solid rock we stand  
 The storms of life will not shake us  
 Because the anchor holds  
 On the rock of revelation will stand

God wants mighty men of valour  
 You're here for mortal combat  
 You're God's mighty gentile warriors  
 When the storms of life do come  
 Just lift up your arms and praise God  
 For he has counted you worthy  
 To stand for him in this day

Ka pupuhi nga awha o te nei ora  
 Me whakareri tatou mo era  
 Me mahi nga tohu o Ihowa  
 Whakongohia nga kupu whakakaha  
 Kia haruru mai nga awha  
 Ka maranga mai te whakapono

Kia rui mai nga awha ia tatou  
 Ka U te haika, i roto i te aria  
 I tonoa hei tehi i o tatou kitenga  
 Ka tu tatou ki te toka tika  
 E kore nga awha tatou e rui  
 No temea kua U tonu  
 Ae kua tu te toka o te kitenga

Pirangi a Ihowa he Toa maia  
 I konei mo te whawhai tonu  
 Ko tatou nga Toa o Ihowa  
 Kia pehi mai nga awha  
 Hapaia o ringa hei mihi ki Aia  
 Nana i mea he totika tatou  
 Ki te tu Mona i tenei ra

**When The  
Roll Is Called Up Yonder Ab  
(Ko Reira Au I Taua Reo Karanga Mai)**

---

When the trumpet of the Lord shall sound  
And time shall be no more  
And the morning breaks eternal  
Bright and fair  
When the saved of earth shall gather  
Over on the other shore  
And the roll is called up yonder  
I'll be there

**CHORUS**

When the roll is called up yonder  
When the roll is called up yonder  
When the roll is called up yonder  
When the roll is called up yonder  
I'll be there

On that bright and cloudless morning  
When the dead in Christ shall rise  
And the glory of His resurrection share  
When His chosen ones shall gather  
To their home beyond the skies  
And the roll is called up yonder  
I'll be there

Let us labour for the Master  
From the dawn till setting sun  
Let us talk of all His  
Wondrous love and care  
Then when all of life is over  
And our work on earth is done  
And the roll is called up yonder  
I'll be there

A te wa e tangi ai te tetere i runga ra  
Ka tiaho mai te ata o te pa  
A te wa e ropu ai te hunga mo te orange  
Ko reira au i taua reo karanga mai

A te wa karangatanga

Ko reira au i taua reo karanga mai

**Majesty  
(Maru wehi)**

---

A

Majesty, worship His majesty  
Unto Jesus be all glory  
Power and praise  
Majesty, kingdom authority  
Flows from His throne unto His own  
His anthem raise

So exalt, lift up on high  
The name of Jesus  
Magnify, come glorify  
Christ Jesus the King  
Majesty, worship His majesty  
Jesus who died, now glorified  
King of all kings

Maru wehi, koropiko ki tona nui  
Kia Ihu te kororia me nga mana  
Maru wehi, kingitanga me  
Te tikanga  
Ko Ihu i mate, whakakororiatia nei

Hapaitia, whakateiteitia

**Pass Me Not  
(Tenei Hoki Au E Ihu)**

G

Pass me not oh gentle Saviour  
Hear my humble cry  
While on others Thou art calling  
Do not pass me by

## CHORUS

Saviour, Saviour  
Hear my humble cry  
While on others Thou art calling  
Do not pass me by

Let me at Thy throne of mercy  
Find a sweet relief  
Kneeling there in deep contrition  
Help my unbelief

Trusting only in Thy merit  
Would I seek Thy face  
Heal my wounded broken spirit  
Save me by Thy grace

Thou the spring of all my comfort  
More than life to me  
Whom have I on Earth besides Thee  
Whom in heaven but Thee

Tenei hoki au e Ihu  
Whakarongo mai  
I te mano e popoke  
Kei kapea ko au

E Ihu, e Ihu  
Whakarongo mai  
I te mano e popoke  
Kei kapea ko au

Kei te puna o t'aroha  
Toku marie nui  
Pa mai ko te ngakau pouri  
Awhinatia au

Nou anake ra te tika  
Rapua nei e au  
Rongoatia toku Wairua  
Whakaorangia

Nou nei ra katoa  
Ko Koe taku i te rangi

**Things Are Different Now  
(Kua Rereke Inaianei)**

F

Things are different now  
Something happened to me  
When I gave my heart to Jesus  
Things are different now  
I was changed, it must be  
When I gave my heart to Him

Things I loved before have passed away  
Things I love far more have come to stay  
Things are different now  
Something happened to me  
When I gave my heart to Him

Kua rereke inaianei  
Kua tukua toku ngakau

**How Great Thou Art**

Oh Lord my God  
 When I in awesome wonder  
 Consider all the works  
 Thine hands have made  
 I see the stars  
 I hear the mighty thunder  
 Thy power throughout  
 The universe displayed

*CHORUS*

Then sings my soul  
 My Saviour God to Thee  
 How great Thou art  
 How great Thou art  
 (Repeat)

And when I think  
 That God His son not sparing  
 Sent Him to die I scarce can take it in  
 That on the cross  
 My burdens gladly bearing  
 He bled and died to take away my sin

When Christ shall come  
 With shout of acclamation  
 And take me home  
 What joy shall fill my heart  
 Then I shall bow  
 With humble adoration  
 And there proclaim  
 My God, how great Thou art\

Whakaaria mai  
 Tōu rīpeka ki au  
 Tiaho mai  
 Nga roto i te pō  
 Hei kona au  
 Titiro atu ai.

 Hei au koe noho ai

**Doing Service For The Lord**

Written by Phil Evans

It doesn't matter anymore  
 Virtuous woman heard the call  
 To trust and obey  
 The commandments His way  
 Her price is far above rubies  
 Eating showbread everyday  
 It doesn't matter anymore  
 Doing service for the Lord

**The Eagle Anointing**

Written by Kathy Pomare

G

The wigged One sits upon His throne  
 He is ready for the judgment day  
 He's also seen what we have sown  
 Taking note of what we do or say  
 Yes, the garments of our sins are burned  
 By the fire of the Holy Ghost  
 Be not troubled nor concerned  
 We are a part of the heavenly host

**CHORUS**

Oh, hear the message of the hour  
 The eagle anointing receive  
 For Satan he has not the power  
 He is bound by prophecy  
 Back in our original condition  
 The Bride is glorified  
 Stand fast in your elect position  
 By His blood we are sanctified

(Bridge)

Shekinah Glory Tabernacle  
 Where the presence of the King  
 Comes to loose the shackles  
 Of Satan's deadly sting

Sheltered in His living Word  
 Influenced with love  
 Soaring like an eagle so high  
 Led only by the Dove  
 (Repeat)

Respect our appointed Pastor  
 He is predestinated by the Lord  
 To lead us to our Master  
 By the Word of the two-edged sword  
 A liberated people indeed  
 Going back to Eden again  
 No longer slaves of sin but freed  
 By the Lamb that was slain

The mystery of the Seventh Seal  
 Has been opened to His Bride  
 The Husband He will soon reveal  
 His wife standing by His side  
 Dressed in the clothes of immortality  
 At the wedding feast  
 Your eyes will see reality  
 You're the elect and not the least

**Through The Years**

Written by Peggy Henry

G

Through the years  
 God has brought us this far  
 And blessed us with the Message we hold  
 Through the good times and the bad  
 Through the happiest times and the sad

**CHORUS**

For we are the Bride of Christ  
 You are a gift that God gave to me  
 And I thank You Lord with all my heart  
 For the Word that You gave  
 You're our Prophet, Priest and King

Looking forward to the rapture to come  
 We know who and what we are  
 And what we do know is from our hearts  
 That in life God gave us special parts

According to the Word of the hour  
 We will reign in glory and power  
 When we hear that trumpet sound  
 The Bride will all receive her crown

**Present Evil Age**

Written by Teresa Wano

Like it was in the days of Abraham  
 When a people were trained  
 By his revelation  
 That Elohim came down  
 And revealed His mystery plan  
 He said, men have corrupted this world  
 And turned it into a vile and sinful state  
 Still the promised Son had come forth  
 But it will take a body change  
 And though judgment angels were sent  
 Oh, Abraham display the mercy seat  
 So Lord we can see that You sent  
 A deliverer in that present evil age

Like it was in the days of Esther  
 Seven chamberlains searching  
 For a virtuous bride  
 She's been brought up by Mordecai  
 He'll reveal to Hatach the reason why  
 Though Haman is given the ring  
 Mordecai refuses to bow  
 A law is set for a genocide  
 Hatach reveals to Esther why  
 She must go before the king  
 Oh, Esther to display the mercy seat  
 So Lord we can see that You sent  
 A deliverer for that present evil age

We have come to  
 This present world system  
 When sacrificial love  
 Brought spiritual adoption  
 He's called us to display His glory  
 That's what we've been raised up for  
 It's not a battle against flesh and blood  
 But principalities, spiritual powers  
 In high places

Traditions and customs  
 Have veiled your eyes  
 Caused you to bow in a prison  
 Hybrid seed that's the genocide  
 The 5 fold Ministry told you why  
 That His Gift in you

Displays the mercy seat  
 With the mind of Christ  
 The whole armour of God  
 That's deliverance from this  
 Present evil age

**A River Went Out From Eden**

Written by Malcolm Wano

F

From His thoughts  
 In the garden of Eden  
 Born in sin, iniquity, lies  
 Flowed by the tower of Babel  
 A drifting soul in the sea of life  
 Heard the voice  
 Of the Lord through Elijah  
 'Come out of her' he cried  
 Clear waters proceed  
 From the throne

**CHORUS**

A river went out from Eden  
 Pure river, the water of life  
 The course it wove  
 Through the scripture shows  
 The flow of the book of my life

The throne in the soul  
 Where the river runs by  
 Twelve inches between  
 The head and the heart  
 A thinking man's filter  
 Brought a holy man's taste  
 To change Euphrates to a fountain of life  
 Now clear waters proceed  
 From the throne

Then like our Lord at the well  
 Living waters proceed from the throne  
 The Bride will drink her cistern to break  
 Changing bitter to sweet again  
 Come see a man, was her cry  
 Who changed the flow of my life  
 Now living waters proceed  
 From the throne

**Hero**

Written by Margaret Prime

---

There are heroes  
 When you look inside the Word  
 They did not know defeat  
 When they knew who they were  
 In their position  
 They fought giants in their land  
 And brought back fruit so sweet  
 To our King

Today's hero comes along  
 With the strength to carry on  
 And He casts all fears aside  
 It is Christ in His Bride  
 And She knows who She is  
 She knows her place in the Word  
 And greater is He in Her  
 Than he that's in the world

It's a hard road to Bethlehem and back  
 But the wheat must be crushed  
 To make the bread  
 You have all you need  
 It is laying in gene seed  
 Go on, discover the truth  
 Of who you really are

And let the Hero come along  
 With the strength to carry on  
 And cast all fears aside  
 See Christ in His Bride  
 You've got to know who you are  
 And what you're raised up for  
 And greater is He in you  
 Than he that's in the world

The Lord knows the foes that you face  
 But don't let no demon tear you away  
 Just hold on to your vision in the Word  
 And by the Spirit you'll overcome

Let the Hero come along  
 With the strength to carry on  
 And cast your fears aside  
 See Christ in His Bride

Don't look at circumstances  
 Keep your eyes on the Word  
 And you'll finally see the truth  
 Today's hero now is you

**Break That Cycle**

Written by Teresa Wano

---

Summer, autumn, winter and spring  
 These are the natural cycles we can see  
 Elijah spoke, there'll be no dew nor rain  
 According to my word

## CHORUS

Are you tired of going round and round  
 That same cycle  
 That always gets you down  
 Only the Spoken Word  
 Can break that cycle  
 Why cry? Speak!  
 And go forward

What about the cycle  
 Of moaning and murmuring  
 God told Moses to speak to the rock  
 Instead of speaking his anger smote it  
 He broke the type instead of  
 Breaking the cycle

The natural cycle, the rising of the sun  
 Joshua commissioned  
 To go and take the land  
 The enemy running as it's setting  
 He cried, Sun stand still"  
 And broke the cycle

So break the cycle  
 Of restoring back to your old ways  
 Let this mind be in you  
 Which is in the Lord  
 Speak those thoughts  
 In Spoken Word form  
 Let them materialise and  
 Break that cycle

**God Is Love**

Written by Helen Dykstra

God is love the Bible tells us  
 And praise God, it's corrective too  
 I've spent some time  
 On the threshing floor  
 That's a work only God can do  
 The chaff was falling all around  
 When the fan came into play  
 With wind of the Holy Ghost  
 All the chaff's been blown away

**CHORUS**

With God's love as my weapon  
 I am walking with the heavenly Dove  
 My Kinsman's never lost a battle  
 And His strategy is love  
 With God's love as my weapon  
 I am walking with the heavenly Dove  
 My Kinsman He wins every battle  
 And my theme is God is love

All nature's tuned to the love of God  
 The charging bull lies down to rest  
 Angry hornets become oh so quiet  
 When God's love is manifest  
 See how sickness, cancer  
 Is completely healed  
 When the grace of God takes o'er  
 Those demons from hell  
 Once exposed turn and flee  
 Behold the Word, triumphant in power

Now we're standing in His image  
 Grains of wheat polished and complete  
 We'll be garnered in  
 When the work is o'er  
 As we wait at our Lord's feet  
 Our Kinsman Redeemer  
 He could not rest  
 Till redemption's work was done  
 From handfuls of grain  
 To a Wedding Feast  
 Then God's House, our heavenly home

**Harvest Time**

Written by Belinda Evans

Em

We are the seed sown in the field  
 Protected from the chaff and husk  
 We grow and ripen in the field  
 Till the harvest time is come  
 Then the Lord of the harvest  
 Will take those who are bowing down  
 Seeing that they are ripe enough  
 And mature

**CHORUS**

Precious Lord, Lord of the Harvest  
 Put Your sickle in  
 And take us out of the field  
 Precious Lord  
 Bring us to the threshing floor  
 Hit us on the rock named Jesus Christ  
 Precious Lord  
 Take the fan in Your hand  
 Blow away the chaff and husk  
 That seed may come into plain view

We know the field that is the world  
 Where we have been born into  
 And the chaff and husk is our carnality  
 Let us loosen the old nature  
 On the threshing floor  
 Let it blow away by the preaching of  
 The five-fold ministry

Before the seed can bring forth life  
 It must be buried and died  
 As Jesus Christ did for us on Calvary  
 So let us die to ourselves  
 And by the light of the S-O-N  
 We will grow into maturity

The book of Ruth is our type  
 Of Gentile Bride and Jesus Christ  
 There it is unfolded  
 The mystery of gene seed  
 Let us approach the Lord  
 Our Kinsman, the Word  
 In a faith relationship and love intimacy

**The Code Of Silence**Written by Mal Wark

---

Nothing's been written on high or on earth  
 To detail the scene, when  
 God's Sons come to birth  
 It's an event which happens  
 In an half-hour space  
 It's a time in heaven  
 When a silence takes place

**CHORUS**

It's been locked in a code of silence  
 And clad in mystery  
 For ages, never been Spoken  
 Sealed by Prophecy  
 But now is the revealing to all humanity  
 The Children of God appearing  
 To reflect His Majesty

Creation groans to witness the plan  
 Of God's Sons' manifestation  
 But the day and the hour knows no man  
 Nor the angels watching from heaven  
 Enoch stopped at 2004  
 Daniel was forbidden  
 Paul could only go so far  
 John's secrets were hidden

**CHORUS**

They were locked in a code of silence  
 And clad in mystery  
 For ages, never been Spoken  
 But sealed in Prophecy  
 But now is the revealing to all humanity  
 The Children of God appearing  
 To reveal His Majesty

So it's not for nothing at this time  
 That the world has lost control  
 For through this brief phase you will find  
 Displayed things never told  
 And this translation can be heard  
 Through the silence which thunders out  
 And set of actions louder than words  
 Do emphasise its Shout

**CHORUS**

Once locked in a code of silence  
 And clad in mystery  
 For ages, never been Spoken  
 But sealed in Prophecy  
 But now is the revealing to all humanity  
 The Children of God appearing  
 To reveal His Majesty

**Beholding You, Becoming You**Written by Margaret Prime

---

Beholding You, becoming You  
 Bestow further grace on me

That Your mystery be revealed in me  
 Reproducing You bodily  
 Continuing Your strategy  
 Bestow further grace on me

Oh Lord I give You pre-eminence  
 Expression of Christ is evidence  
 Progressing in my revelation  
 Reconciled by elevation  
 Of my thinking by inspiration  
 Into Your faith economy  
 Oh Lord, You're so gracious to me

From Satan's Eden to Your Eden Lord  
 Transition by simplicity  
 You manifest when I speak the Word  
 Once more in co-equality  
 No defeat, nor fear or anxiety  
 But safety in You and security  
 Grace, grace has come to me

That Your mystery be revealed in me  
 Reproducing You bodily  
 Continuing Your strategy  
 Bestow further grace on me

Beholding You, becoming You  
 Bestow further grace on me

**Inspiration Speaks**

Written by Malcolm Wano

The Prophets have foretold  
 Of prophecies that now unfold  
 Exposing Satan's plan  
 Designed to destroy all men  
 He's built his city on sinking sand  
 Just like the foolish man  
 And when the judgment falls  
 For condemnation or for reward  
 And when the judgment falls  
 For condemnation or for reward

**CHORUS**

Though the fourth beast devours  
 And the nations bow  
 Inspiration speaks forth to His Bride  
 Reconciliation  
 Back to a faith civilization  
 By His progressive revelation  
 Brings perfect submission  
 To raise us to a higher realm of thinking  
 We've come back to Edenic condition  
 Edenic condition

Human behaviour, Satan's strategy  
 Condemnation, fear and unbelief  
 Two hundred million demons  
 His resources to command  
 His objective now we can see  
 Nations forced to worship the Beast  
 He wants to be exalted  
 Above the stars of God  
 Nations forced to worship the Beast  
 He wants to be exalted  
 Above the stars of God

Instructions given  
 From the command post  
 Apply the strategy  
 Of the Captain of the Host  
 Eagle anointing  
 With the Word of the hour  
 Is overcoming power

Recording angel to the resource room  
 Bring to our remembrance  
 What He said we should do  
 And with the token on display  
 We'll raise to meet the challenge of the day  
 And with the token on display  
 We'll raise to meet the challenge of the day

**688****Mighty Swordsmen**

Written by Kathy Pomare

F

The mighty swordsman of the great I Am  
 Stand fast your position with sword in hand  
 Stay sharp your vision with eagle eyes  
 Exposing the enemy the father of lies

Break down the strong hold of deceit  
 Our Father has ordered His defeat  
 Stay dressed in the armour of our Lord  
 Till we reach Gilgal, the saints' reward

Chosen of this army are believers  
 Tramping down the forces of deceivers  
 Conquering with the Holy Spirit its power  
 Knowing we are the resource of this hour

Our Sergeant Major holds fast His post  
 He hears the voice of the heavenly host  
 Advance oh army over enemy lines  
 Have faith in Me, your Lord divine

Charge on through  
 The channel of the bleeding Word  
 Five-fold ministry that we have heard  
 Arms that equip us with the very best  
 To enter now into our seventh seal rest

The Son of Man ministry we now hear  
 An invincible army stands  
 Speaks with no fear  
 7 thunders on display in our lives  
 The last trumpet will sound  
 We'll meet our Lord in the air

**Country Cousin**

Written by Teresa Wano

God called us from the highways  
 And byways of sin  
 We came as we were  
 God did the work within  
 And through the prophet  
 Oh yes, we could see  
 What God had really ordained us to be  
 Pakaraka became our waiting place  
 For God's called servant  
 To come and take his place  
 Received his training in the wilderness  
 God ordained this man to see us through

So little country cousin so refined  
 The Son saw in you a virtuous Bride  
 He said, Make yourself ready  
 For soon you will hear  
 Galloping horses and the sound  
 Of the buckboard drawing near  
 Oh yeah, yeah  
 To catch away His faithful waiting Bride

They said, What good thing  
 Could come out of Moerewa  
 This was God's provided place  
 Of worship for us  
 The transformation that our building had  
 The many vessels  
 God had brought from afar  
 Shekinah Glory Tabernacle is it named  
 The inn for mighty Gentile warriors  
 To come in  
 The Spoken Word positionally placed  
 The Spirit casting lots, dividing the land

Down through the years  
 God's Word was now becoming flesh  
 Another book of Acts again  
 Being made manifest  
 And since the thundering of the  
 Sequence of events  
 The Bible's now become an open book  
 God called His servant

To the missionary fields  
 This caused us to activate  
 The 3rd pull ministry  
 Oh what the power of prayer can do  
 We speak the vision for him to walk into

This little country cousin's waiting for You  
 To ride this trail once more  
 Like You said You would do  
 I've made myself ready  
 And soon I shall hear  
 Galloping horses and the sound of  
 The Buckboard drawing near, oh yeah  
 To catch away this faithful waiting Bride

**Let The Dove Lead This Eagle**

Written by Des Brown

The Lord delivered me from enemy's lies  
 Of all the schemes that he tries  
 Faith and vision broke doubt and fear  
 Jehovah Shammah  
 Changed the atmosphere  
 Your token life must be on display  
 That will keep the death angel away  
 Now it's clear what we must do  
 Eat the I Am in haste and be ready to move

## CHORUS

Let the dove lead this eagle so high  
 To heavenly places no man can fly  
 I'm longing to be with You  
 Back in Your side as Bride and Groom

The tree of life we have access to  
 Hidden manna, a new name  
 To keep His Bride true  
 His Word has revealed we are His attributes  
 No longer I that liveth but the I Am in you  
 A Christ-like expression must be on display  
 That will keep the mamba at bay  
 We bind him with chains of  
 Circumstances too  
 Liberate Christ, that's living in you

**The Glory Of The Lord Is My Defence**

Written by Belinda Evans

G

## CHORUS

The glory of the Lord is my defence  
 (He's my Saviour)  
 I'm not tossed about  
 What circumstances bring  
 God's cloud upon me shows true Headship  
 and I make a stand  
 For the Glory of the Lord is my defence

Even when the whole world  
 Tries to bring me down  
 Great pressures are upon me heavy  
 The Lord says: "Look up  
 Your redemption is nigh  
 For the Glory of the Lord  
 Is your defence"

## CHORUS

The glory of the Lord is your defence...

Even like Moses in the wilderness  
 Confronted by Korah and Dathan  
 The earth opened her mouth  
 And swallowed them up  
 For the Glory of the Lord  
 Was Moses' defence

## CHORUS

The glory of the Lord  
 Was Moses' defence ...

Even like Queen Esther  
 Who went to see the king  
 About the plot against her people  
 This wicked Haman  
 Hung on his own gallow  
 For the Glory of the Lord  
 Was Esthers' defence

## CHORUS

The glory of the Lord  
 Was Esthers' defence...

We are manifested  
 Sons and daughters of God  
 We must take up our responsibility  
 And bring forth new life  
 Through our headship Jesus Christ  
 For the Glory of the Lord is our defence

## CHORUS

The glory of the Lord is our defence...

**Arise Shekinah**

Written by Helen Heta

Gm

Arise Shekinah, put on your armour  
 We are going to posses our land  
 We're moving by faith  
 Exercising faith muscles  
 To move into Canaan Land

## CHORUS

Oh hallelujah, oh hallelujah  
 Hallelujah, praise the Lord  
 Oh hallelujah, oh hallelujah  
 Hallelujah, praise the Lord

We're going back to Eden  
 To where Adam walked  
 To fulfill the mystery of His will  
 Expression, pre-eminence, reconciliation  
 To fulfill the mystery of God

We are applying the blood  
 On the tip of our right ear  
 Our right thumb and the tip of our right toe  
 So we can hear the Word  
 And grip the sword of the Lord  
 And to have the balance of His Word

We are applying the token  
 We've moved out the trash  
 To step over the brook Zered  
 We are His attributes  
 The mystery of Christ revealed  
 And our redemption draweth nigh

**Eagle Strike**

Written by Mal Wark

The lines are drawn precisely  
 The detail is clear  
 The timing and the moves  
 From start to end  
 Weapons are uncovered  
 Each one checks their gear  
 As the experts, to the final needs attend  
 In the closing moments  
 Of these lingering prophecies  
 Whilst the headsets are tuned  
 To the coded frequencies  
 Each command is briefed  
 On signals to be sent  
 Battle-stations are taken by every man

Chorus:

Sweeping low, moving fast  
 Beneath the radar zone  
 Miles behind enemy positions  
 Death-defying, first to last  
 Dropped, then left alone  
 To unfold another  
 3rd Pull mercy mission

Gliding through the shadows  
 To the mortal eye, unseen  
 Guided by precision prophecies  
 Spoken Word disarming  
 Every system in between  
 As they break in through  
 The Beast's security

That which is to be, has already been  
 And it's written that, they'll take captivity  
 For every door before them  
 They have the Master Key  
 And through hell-fire  
 They'll set the prisoners free

And as the rays of Dayspring  
 Streak through the pitch black sky  
 And dawn upon the Battle of Expression  
 Each squad steps out to regroup  
 The signal sent on high

For pick-up, at the end of operations  
 And closing in the distance  
 Thunder echoes by  
 While recovery crews move in  
 For recollection  
 Then lifting all to safety  
 Turn for home, and fly  
 As destroying angels unleash retribution

It's the 3rd part of  
 The 3rd Pull mercy missions  
 It's the closing moments  
 Of the 3rd Pull mercy missions

**A Battle Of Expression**

Written by Teresa Wano

Oh Bride of Christ  
 Though we're living in this sea  
 Of humanity  
 Goshen, our cleft of the rock  
 Covered by great eagle wings  
 It's a battle of expression  
 Influenced from realms above or below  
 By the fruits you produce  
 Indicates who had won the expression

For there's no excuse  
 That outshines eternal life  
 Not money, being popular  
 Flesh and blood  
 Even a three-fold cord united  
 Could justify, God who came  
 In the likeness of sinful flesh  
 A sacrificial love expressed

The conspiracy is strong  
 There's famine and sword  
 Great pestilence throughout the land  
 Truly the Word and fallen angels  
 Are being expressed again  
 Clothed with the sun, moon at your feet  
 Twelve stars in your crown  
 A painful desire, travailing in birth  
 To express that gift, Jesus Christ again

**Silver Trumpets**

Written by Malcolm Wano

I have surely seen  
 The afflictions of My people  
 And have heard their cry  
 By reason of their taskmasters  
 And I Am come down to deliver them

**CHORUS**

Hear the Levites sound forth  
 Those silver trumpets  
 To relay to God's people the battle plan  
 Preparing the people to cross over  
 To put in practice the lessons  
 That they have learned  
 For the battle they'd face  
 In Canaan Land

We were bound in slavery to sin  
 But God had placed Gene seed within  
 Called out by a token sign  
 Now we are justified  
 The death angel, he can now pass us by  
 The death angel, he can now pass us by

From Egypt to Canaan Land  
 The Spoken Word  
 Opened up the sea our journey  
 Through the wilderness of sin  
 Numbers identified hereditary genes  
 To break amnesia and positionally place  
 By knowing who they are  
 Satan can't prevail

The first battle was Baal-Peor  
 Destroying of that hybrid seed  
 They numbered that next generation  
 Instilling discipline  
 Obedience to the Word  
 Receive instruction  
 From the Captain of the Host  
 Divine strategy  
 From the Captain of the Host  
 Now we must possess our land  
 Destroy the enemy  
 With the sword in our hand

The gospel trumpet gives a certain sound  
 We respond from the position we've found  
 The gates of hell, they shall not prevail  
 The gates of hell, they shall not prevail

Hear the Levites  
 Sound forth the gospel trumpet  
 To relay to God's people the battle plan  
 After having done all we are able to stand  
 Lucifer defeated on every hand  
 (Repeat first 3 lines)  
 Our Lord and His Bride  
 With dominion again  
 Our Lord and His Bride  
 With dominion again

**Babylon System Falling**

Written by Larry Cotton

G

Babylon is falling, Jerusalem's rising  
 Death and plague outside of the word  
 Red Pyramid in the sky  
 Amongst the serpent  
 The Lord said: "Look up  
 You're redemption is nigh"  
 (Repeat)

Babylon system falling  
 Carnage and chaos all over  
 Palehorse rider is riding  
 Killing fourth part of the earth  
 Filth and sin is covering the earth  
 Judgment poised to strike

But there's still blood on the mercy seat  
 Blood of Jesus' cleansing  
 Eagle anointing brought prophecy  
 A vindicated son of man on the earth

Reality of the seals unveiled  
 Ezekiel on his side for 390 days  
 6 shekels for an asses head, 2 Kings 6  
 Jezebel's after Elijah's head  
 Malachi 4:5 opens the path  
 For the return of the Lord

**Watch Nature**

Written by Teresa Wano

Watch nature and see God's character  
 Expressed through the fowls of the air  
 And when the cold winds blow  
 There is the instinct to go  
 To heavenly places  
 Where the wheat overflows  
 Watch nature and see Gods' character  
 Expressed through  
 The four-footed beasts  
 And when the night time comes  
 There is a cry to its mate  
 That's the deep calling unto the deep

**CHORUS**

No man can serve two masters  
 He will hate the one and not the other  
 Behold the fowls of the air  
 Are ye not much better than they  
 But seek ye first the Kingdom of God  
 And His righteousness  
 And all these things  
 Shall be added unto you  
 And all these things  
 Shall be added unto you

Watch your nature, is it Gods' character  
 Is it on display like the apple tree  
 It grows by the sun and the rain  
 Atmosphere created, fruit manifested  
 Oh taste and see that the Lord is good  
 Watch your nature, is it God's character  
 Is it on display like the cactus tree  
 So prickly and hard  
 Dry from the lack of rain  
 Break that atmosphere  
 Drink in that Holy Ghost rain

Nature is God's calendar of signs  
 And when you see the fig tree  
 Putting forth its buds  
 The trumpets have sounded  
 Israel's back in their homeland  
 Two woes have passed  
 They're awaiting their

**Feast of Atonement**

Nature is God's calendar of signs  
 Earthquakes are sounding  
 On this creation  
 The winds and the storms  
 Push the Bride into position  
 To birth forth new life  
 Behold the Seventh Seal Revelation

**Returning To Our First Love**

Written by Belinda Evans

G

In great trials of affliction  
 The abundance of joy and deep poverty  
 Abounded unto riches of liberality  
 Beyond power thou art willing  
 To give thy own self first to the Lord  
 Yes, by the will of God

**CHORUS**

I know thy works and thy patience  
 For my name's sake  
 Thou hast laboured and not fainted  
 Nevertheless, I have somewhat  
 Against thee  
 Because thou hast left thy first love  
 Thy temple needed to be broken  
 Remember therefore  
 Whence thou art fallen  
 Repent and do the first works  
 Lest thy light be removed

In a time of restoration  
 The treasures that were laid up in Babylon  
 Let these vessels be restored to Zion  
 Everyone to his place  
 To shine for the Lord's Glory  
 Yes, in the house of God

But the Lord is with thee  
 Yes, He is the Mighty One  
 Therefore thy oppressors shall stumble  
 Their confusion is everlasting  
 But God, He has delivered thee  
 Yes, even thy soul

**Faithful Daughter-In-Law**

Written by Phil Evans

God's got a process, it's in the Word  
 5th dimension cycle, all to be burnt  
 Wheat baked into reality  
 Oh, thoroughly purged  
 The sickle comes  
 When the grain is mature  
 From stage of duty, to intimacy  
 Staying in continuity  
 God's got a process, it's in the Word

**CHORUS**

Oh virtuous woman  
 Seven thunders roar  
 From the sickle to the threshing floor  
 Anointed ones the Lord  
 Has heard our call

Blessed be he of the Lord  
 Recompense thy work and a full reward  
 Let me find favour in Thy sight  
 7 times brighter is the harvest light  
 At evening come, eat of the bread  
 And she did and left  
 And bowed her head  
 Let her glean amongst the sheaves  
 Standing fast by the five-fold ministries

As Boaz goes beyond  
 The requirements of the Lord  
 Gives her a handful  
 Reapers some have to fall  
 She took it up to her mother-in Law  
 Another part to the other  
 The mystery must unfold  
 Taking us from the garner  
 To our heavenly home  
 Gene-seed crushed by the corner stone

Wheat mixed with oil  
 Harvest loaf in the stove  
 Baked to perfection but not all alone  
 7th measure to Naomi waiting at home  
 Boaz a mighty man said  
 'Stop mucking around

Or you will be like stubble  
 Buried into the ground'  
 Trumpets blowing get over your troubles  
 Look to Him  
 Ruth and Boaz back to Bethlehem

**700****The Great I Am**

Written by Teresa Wano

Can You hear the Lord calling  
 My Bride where are you in my Word  
 You can't hide behind impersonations  
 There can be no private interpretation  
 Of who I Am  
 So examine yourself and see whether ye be  
 Holy consecrated unto the Lord

**CHORUS**

Be strong, hold on  
 Don't let the angel depart  
 You must prevail until He blesses You  
 You will never be the same  
 When you can see your name  
 The great 'I Am'

With the eyes of circumstances  
 And ears of unbelief  
 You will stay in 'I was'  
 Like Jacob, Abram and Sarai  
 The works of the flesh  
 Hindered not prophetic prophecy  
 Supernaturally they were walking  
 In the vision of God's plan  
 To bring forth their name change

There's no denying who is the 'I Am'  
 The Body Word of Jesus Christ  
 With a great ministry  
 Gifts that reveal Him, they show His power  
 He's in our midst  
 He's aware of all things  
 Because of our human ability  
 God did it supernaturally  
 That's the greater works  
 In a body Word ministry

**Lord, Reveal Yourself To Me**

Written by Belinda Evans

G

**CHORUS**

Lord, reveal yourself to me  
 Let me see what you see  
 Please take control of me  
 I desire to understand  
 All that you show  
 Lead me to the places  
 Where you want me to go  
 Give me wisdom and revelation  
 To raise above destruction  
 And come down  
 Upon a new creation

Lord, the time and season is right  
 Babylon is falling  
 Judgment is about to strike  
 I need more of you Lord  
 More of you in my life  
 Jerusalem's rising  
 And I'm a part of that Bride  
 As your Word unfolds I pray

Lord, I see  
 How Noah escaped the flood  
 He followed the Word  
 You asked him 'make thee an ark'  
 The mystery of Your will  
 Opened up to Him  
 This vision inspired faith he had within  
 Unfold yourself now to me

Lord I see  
 How Rahab escaped destruction  
 As the walls of Jericho  
 Came tumbling down  
 She knew what to do  
 By the Prophet's message she heard  
 The token sign showed her  
 Obedience to the Word  
 May I do what you require today

Lord, I see  
 You revealed yourself every time  
 Before the Babylon Kingdom

Had been destroyed  
 Your supernatural  
 Has always been made known  
 A way of escape to your elected  
 You have shown  
 You're still the same today

**702****Hear Ye Him**

Written by Teresa Wano

Church of the living God  
 You were born to reflect the Bride of Christ  
 Washed in the water of the Word  
 You moved through the light  
 Of the Church Ages  
 You understood the sequence of events  
 You're the voice with authority  
 That's how you took your inheritance

**CHORUS**

Through a sacrificial love  
 Between fallen man and God above  
 Brought a fellowship in unity and harmony  
 Christ in you, you could stand  
 In your lot you desire His command  
 Activating the teaching He gave  
 Now hear Him say: "This is my Son  
 In whom I'm pleased to dwell  
 Hear ye Him"

Stories Queen Sheba had heard  
 That a greater than Solomon is here  
 A cup bearer that tasted good wine  
 Called to His Bride come and dine  
 Stimulation that flowed from such revelation  
 And even behind the scenes  
 You were happy to stand in position

Let us prune off this branch  
 For there's so much work yet to be done  
 Let us help others conquer their land  
 To eat fruit from their inheritance  
 That's a fellowship in unity  
 Working in harmony  
 Now let us reach out our hand  
 To our brethren of other lands

**We Lift Up The Hands Of The Ministry**

Written by Helen Heta

We lift up the hands of the ministry  
Grant them the channel of inspiration  
A greater vision, a greater revelation  
We lift up the hands of the ministry

A higher learning, a higher teaching  
A higher economy  
The strategies and objectives  
Through Your Word  
Or whatever it may be  
We lift the hands of the ministry  
Or whatever it may be  
We lift the hands of the ministry

We lift up the people who are dying  
Through the ministry of a former age  
False doctrines and creeds  
Bondage and fear  
Have inspired no faith  
No revelation, bondage

Oh Lord, liberate Your ministers  
Oh Lord, liberate Your people  
To be under the inspiration  
Of Your Holy Spirit  
For Your people

Elevate their thinking Lord  
No more popularity, no more insecurity  
Death to politics  
Or whatever it may be  
We lift the hands of the ministry  
Or whatever it may be  
We lift the hands of the ministry

We raise up Agapo love  
We raise up faith  
We raise up the value of the Word  
The Seventh Seal  
Revelation on display  
Or whatever it may be  
We lift the hands of the ministry  
Or whatever it may be  
We lift the hands of the ministry

**Stay Up On The Wall**

Written by Teresa Wano

Stay up on the wall  
And don't come down  
We got to much work to do  
No time to turn around  
With a hammer in one hand  
And a weapon in the other  
Sister and Brother heed the call  
Stay up on the wall

In the book of Nehemiah  
The building had begun  
And they worked all day  
24/7 until the work was done  
Well I know that they got tired  
But they pressed on anyway  
And if they could still remain with us  
I believe we'd hear them say

Now the day is fast approaching  
We're living in a time  
When you must stand up  
And be counted  
If you're on the Lord's side  
Cause He's looking for an army  
Of true and faithful ones  
To be building up His kingdom  
Until His kingdom comes

Bridge  
So be bold be strong  
You got to hold fast  
You got to hold on  
For the enemy desires  
To conquer and destroy  
But greater is He that's in us  
Than he that's in the world

Stay up on the wall, yah all  
You got to much work to do  
And you can't come down  
24/7 night and day, keep on watching  
Fight and pray, heed the Word  
Sister and Brother

**The Contest**

Written by Mal Wark

While a stallion snuffs the battle  
 Its rider dipped in Blood  
 Points out a certain horse nearby  
 Its flanks disguised with mud  
 That single mount, surveys this scene  
 Its earthly colours blending  
 All Hell behind him, follows close  
 Their champion they are sending  
 The Captain of the Host, mounts up  
 The field of war elected  
 And turns to Shout His tactics clear  
 To those He has selected  
 For...The Contest

**CHORUS**

In the Evening Light  
 The Mighty Men, and Stars  
 Upon their ride  
 Turn as one, and charge the gap  
 No baulking in their stride  
 And glancing to each other's eye  
 The Battle Cry unfurls  
 The war is won, "It is done!"  
 Behold the Scarlet Token  
 All for one, and one for all  
 The Vision has been Spoken  
 Over the Contest

Death's eyeless gaze is fixed upon  
 The course he's bound to tread  
 The nations rage, the sides engage  
 The quick, and the living dead  
 All standards, and all weapons lock  
 The elements shaken hard  
 All is noise, and smoke, and flame  
 As darkness swirls around  
 The Trumpets sound  
 Who holds which ground  
 Will shortly be revealed  
 So fight the fight  
 Lay hold on that  
 Which once was Seven Sealed  
 This is the Contest

Then with a song, "Let there be Light!"  
 The haze all disappears  
 The brown horse naked, falls to earth  
 Death's hordes in disarray  
 And in dismay its rider views  
 Through armour now, undone  
 A steed of white, prancing through  
 The Vale of Decision  
 Behold the Contest

**CHORUS**

In the Evening Light  
 The Mighty Men, and Stars upon their ride  
 Turn as one, and charge the gap  
 No baulking in their stride  
 And glancing to each other's eye  
 The battle cry unfurls  
 The war is won, "It is done!"  
 Behold the Scarlet Token  
 All for one, and one for all  
 The Vision has been Spoken  
 We win the Contest

While a stallion snuffs the battle  
 Its rider dipped in Blood  
 Points out a certain horse nearby

**You Have Come**

Written by Margaret Prime

D

You have come and by the truth  
 You set us free  
 We worship You Lord in that liberty  
 With the anointing of the great I Am  
 To defeat the enemy on every hand

All glory and praise to You we bring  
 Overcoming power by the Word of the hour  
 Hallelujah! Hosannah to our King  
 Hallelujah! Hosannah to our King

Elohim, El Shaddai, Jehovah God, Adonai  
 Lord Jesus, You're the one we magnify  
 Lord Jesus, You're the one we glorify  
 Lord Jesus, You're the one we glorify

**Divine Revelation**

Written by Teresa Wano

In this time of economic siege  
 Many are struggling financially  
 Orchestrated to bring on a squeeze  
 As we enter into our New Ministry  
 Let's not reject the voice of Elijah  
 Kept alive through the five fold Ministry  
 Will it take a state of emergency  
 To bring a Supernatural Economy

**CHORUS**

For flesh and blood  
 Hath not revealed this to you  
 But my Father which is in Heaven  
 It's upon this rock, I'll build My Church  
 And the gates of hell  
 Cannot prevail against it  
 It's upon this rock of divine revelation  
 Of the Word made flesh  
 In it's time and season

We're building the breaches  
 In troublous times  
 Break down the Altars  
 Cast down the idols  
 Hezekiah cried  
 'Be strong and courageous  
 Breach for breach, raise up the towers  
 Go up to the mountain  
 Get revelation by prayer  
 To bring a powerful demonstration  
 Of the Holy Ghost

To Him that overcometh  
 Will I grant to sit with me  
 Oh Father let this cup, pass from me  
 Nevertheless not My will  
 But thine be done  
 If you continue in My Word  
 The truth shall set you free  
 Go up to the mountain  
 Receive the King's sword  
 This is the breach before  
 The opening of the seals

Go up to the mountain  
 Seven thunders are uttering  
 It's the return of the Glory of the Lord

**Two Mites**

Written by Phil Evans

Two widows on a homeward journey  
 Fellowship and sweet communion  
 Confession and cleansing  
 Staying off the highway  
 Signs are clear to see

**CHORUS**

Holy Spirit upon me  
 We've lifted out of poverty  
 Continuation of the family tree  
 Is our theophany

Entering into Bethlehem  
 The land that's surely mine  
 Defying all adversity  
 The Spoken Word divine  
 Call me now Mara  
 Bitterness lays within  
 I've walked the outer boundaries Through  
 ten years of sin

Husband and childless  
 I'm burdened in my soul  
 Washed and anointed  
 Perfection is my goal  
 Mark the place go in  
 For He's nearest of kin  
 Harvest wheat and oil  
 Invisible union, no sin

From emptiness to fullness  
 Redemption and reward  
 One body, one mind  
 Gene seed and new wine  
 The Bride, the bloodline  
 The servants of the Lord  
 From the lineage of David  
 A kinsman is born

## One People Are Stronger Than The Other

Written by Belinda Evans

C

Why is it that there is a struggle  
When the way I'm on is right  
Why is it that there's darkness coming  
As I'm walking in the light  
Why do I feel down and sad  
A cloud of circumstances  
Is filling my head  
Why, why, why  
Just keep your eyes on the Word

### CHORUS

One people are stronger than the other  
That's us the Bride  
My sister and my brother  
We are brave, determined, persistent  
We don't give in  
Because Jesus Christ is  
The living Word within

As in the Garden of Eden  
Twins had been born into the world  
One seed of God and one of Satan  
The devil always gets in first  
So our two natures  
Are spirit and flesh man  
They'll keep on fighting over  
If you let them, then they can  
But why, why, why  
Just keep your eyes on the Word

Abraham's two sons  
Are Ishmael and Isaac  
One was born after promise  
One after flesh  
They grew both up together  
The same father they both had  
Yet they were different  
For only one was true gene seed  
So let us recognise our blood line Through  
the calling which God did  
Why, why, why  
To keep our eyes on the Word

As it was with Jacob and Esau  
The birthright was for the younger one  
There's no time for a legal letter  
It all depends the way that we are born  
By water and blood so the Spirit can come in  
Predestination and adoption  
Through the veil we enter in  
Why, why, why  
To see ourselves in the Word

## The Preaching Of The Word

Written by Teresa Wano

There are times when I need  
The Preaching of the Word  
And there are times when I need to hear  
Encouraging Words  
There are times when I need to hear  
Those Melancholy songs  
Of what the Lord did for me  
That day on Calvary

But nothing can compare  
With the teaching of the Word  
Such incredible joy, Lord  
To see my Name written in Your Word  
Whether it's Esther, Ruth, David or Samson  
Yet Oh Lord we need to hear  
The preaching of the Word

There are times when I need to hear  
You'll get weary, wore and torn  
There are times when I need to hear  
The battles won't last to long  
There are times I need those songs  
Holy Ghost revival, He's a living reality  
He died for me

But nothing can compare  
With the teaching of the Word  
Such incredible Joy Oh Lord  
To see my Name written in Your Word  
Whether it's Mary, Rahab, Daniel or Joseph  
Yet Oh Lord we need to hear  
The Preaching of Your Word

**I'm A Believer**

Written by Helen Heta

Life is what you make it  
 At least that's what they say  
 Well I think I'm gonna make it  
 Fulfill my dreams one day  
 I feel this fire growing  
 Deep inside of me  
 I'm so inspired knowing  
 That it's my destiny

**CHORUS**

I breathe I'm a champion  
 I dream I'm a champion  
 I see I'm a champion  
 It's meant to be  
 My faith's getting stronger  
 I can't wait any longer  
 I'm singing a song  
 That's inside of me  
 'Cause I'm a believer  
 I know that I can make it  
 No matter what Satan says  
 'Cause I'm a believer  
 The future is now  
 And it starts inside of me

Everyday I'm waiting  
 Trying to find the patience  
 It's so close I can taste it  
 But sometimes it's so hard  
 But I'm gonna keep on praying  
 And I'm gonna keep on fighting  
 And I'm gonna keep on trying  
 Because He's brought me this far

**712****Seven Compound Names Of Jehovah**

Written by Peggy Henry

The Lord will provide Himself a sacrifice  
 God will provide Himself a lamb  
 For the burnt offering  
 The Lord our banner, the Lord our healer  
 The Lord our peace

**CHORUS**

And the book that the angel had in his hand  
 Was a book of redemption  
 It was the title deed for our soul  
 So lift up your eyes, I Am come down  
 To redeem us back to Eden  
 To redeem us back to Eden once again

The Lord is our great shepherd  
 He will feed the flock  
 I will fear no evil  
 The Lord our righteousness  
 Jehovah Shammah  
 The Lord is present

**713****Like Boaz to Ruth**

Written by Phil Evans

Lo I come, it is written of me  
 A new song we sing, many shall see  
 Oh my God we delight to do Thy will  
 Prophecy will be fulfilled

**CHORUS**

Out of the pit, oh Lord, out of the clay  
 Out of the lies of the Babylon way

Be pleased oh Lord, to deliver me  
 Mine ears hast Thou opened  
 Mine eyes to see  
 You set my feet upon the Rock  
 In the volume the scroll is unlocked

You have brought us up  
 You have heard our cries  
 Thy loving kindness, oh Lord  
 In the Spirit and truth  
 We rest in the Rest like Boaz to Ruth

Oh my God we delight to do Thy will  
 Prophecy will be fulfilled  
 You set my feet upon the Rock  
 In the volume the scroll is unlocked  
 In the Spirit and truth  
 We rest in the Rest like Boaz to Ruth

**Helpmate**

Written by Teresa Wano

And I just I want to say to you  
 That I'm glad I'm a helpmate  
 Living in this day and age  
 No one wants to be a helpmate  
 God has revealed to me  
 This is the place he foreordained for me  
 Lord, I pray you help me to stay  
 That sweet and humble helpmate

**CHORUS**

There's supernatural power  
 When I'm in my natural position  
 I too can break those strongholds  
 By the power of the spoken Word  
 There's supernatural power  
 When I'm in my natural position  
 By the spoken Word  
 Through this sweet humble helpmate

And I just want to say to you  
 That there's power in position  
 Treat your husband like the King  
 And as the Queen  
 You can ask what you will  
 And he will give unto you  
 All the needs of your heart  
 Just to be given that signing right  
 To a sweet and humble helpmate

And I just want to say to you  
 That I'm not just a helpmate  
 God has placed gifts within my life  
 To use for His delight  
 Lord, help me to yield unto You  
 All those things that belong to You  
 And I just want to say  
 Be it unto me according to Your Word

And I just want to say to you  
 That I'm a captain of the ten  
 I've seen the Seventh Seal on display  
 Never a man spake like this  
 Revelation lives in my home  
 I'll learn to master circumstances

And I just want to say  
 I'm happy to be His Bride

**715****The Lion And The Lamb**

Written by Mal Wark

What shall we say in this hour  
 Being weak in this world as we are  
 For thy sake killed all the day long  
 As we stand and defy Babylon  
 Not my will Lord, but Thine  
 Speak now from Your glory divine  
 Bring forth each kind from its seed  
 Let the Lion and the Lamb  
 Both show their deeds

**CHORUS**

The Lion and the Lamb  
 The I Am, that I am  
 Take now the Book from His hand  
 And make your eternal stand  
 Be who you really are  
 At one with our Bright Morning Star  
 The Godhead made real bodily  
 The coming of the Lord clearly seen

There's merit in an office of duty  
 But a hero has his own beauty  
 Blood-stained and out from the crowd  
 Displaying that his King is no coward  
 So stand with the strength of the day  
 Rather die before we give ground away  
 The prize for this fight's victory  
 Watch the enemy falter and flee

Watch now, a world without ending  
 Set in order by the Word He is sending  
 For His Throne room He now contains  
 In we who hold fast and remain  
 All kingdoms under the skies  
 Are ruled now by  
 The Sovereign Most High  
 From the hearts that He occupies  
 Where the Lion and the Lamb  
 Both do lie

**Keep Rank**

Written by Teresa Wano

Many a story has been told  
 The acts of bravery  
 When a man stood alone  
 To fight for land to set the captives free  
 Such bravery didn't come easily  
 A foot soldier trained  
 Under the eye of a captain  
 Scarred from the battle line  
 He's military-minded with such integrity  
 His vision has won many victories

**CHORUS**

Keep rank with a perfect heart  
 Pray and meditate on the Word of God  
 Keep rank in the heat of the battle  
 There's no armour for retreat  
 Be courageous and stand  
 This is the greatest battle every fought  
 With the helmet of salvation  
 We can overcome  
 Invincible army stand in battle array  
 Your two-edged sword  
 Is the Spoken Word

Though you have courage  
 Alone it can't stand  
 Training drills  
 Harden you for the battlefields  
 Faith muscles built by the Captain's plan  
 To decode the enemy's crafty schemes  
 Satan's incarnate in that man of sin  
 Governments, world council  
 The heads of state  
 Nations will bow and worship the beast  
 Through politics, religion  
 The anointing of unbelief

So strengthen your hands for war  
 Let's fight through the lines of the Philistines  
 To bring back our King a cool drink  
 That our lives will shine  
 As jewels in His crown  
 We'll lift Him to the throne of our heart  
 Our faith and vision will be sure

**The Rhythm Of The Word**

Written by William Barber

This is the end-time prophecy  
 When the types have all played out  
 We're called to be the final voice  
 Now it's time for us to sound  
 The last elect among the tares  
 We have united to bring them out  
 The glorious token has been applied  
 To free us of all this worldly trash

**CHORUS**

We're walking in the vision  
 To the rhythm of the Word  
 God has wrote this symphony  
 It's our privilege to fulfill  
 The cry of wounded all around us  
 Exploits of many inspire us on  
 Let's lift up our countenance  
 For victory's in our hand

We're fighting off the enemy  
 With our swords all day long  
 It's the Word that reveals our boundaries  
 It's the Word that makes us strong  
 Virtual state's all around us  
 The chime of sorrows have begun

Quickening power  
 Hid between the lines  
 Reveals the final chorus  
 To be sung

Scripture is unfolding  
 The battle before our eyes  
 200 million crying to their captain  
 Filling the air with their lies  
 The virtuous Bride has  
 The key of David  
 Now we got to realise  
 Heavenly beings unfold  
 The thoughts of God  
 He's ordained our very lives

**Learning To Rule  
In The Midst Of Mine Enemies**

Written by Teresa Wano

---

Would it help you to know  
I'm convinced by Prophetic Word  
Would it help you to know  
How it's caused me to be so concerned  
Would it help to know  
That cares of life say, it can't be so  
Would it help to know  
That there are battles raging in my mind

I'm learning to rule  
In the midst of mine enemies  
Until they're made my foot stool  
For I believe I'm the Bride of Christ  
Anointed by the Prophet  
And through meekness  
And thru sweetness  
I'm learning to prevail  
But like a Lamb to the slaughter  
He opened not His mouth

I should've roared like a Lion  
When I'm frustrated  
And don't go to church  
I should've roared like a Lion  
When I'm depressed  
And stuck in a hole  
I should've roared like a Lion  
When politics humanize the gift  
I should've roared like a Lion  
When I'm rejected and misunderstood

Take a look at Joseph  
Why trumpets sounded in His life  
From the pit to prison house  
Isn't that where we're at  
The Gift of Prophecy  
Now ready to interpret the dream  
We'll come into adoption  
In this time of Economic Squeeze

(Psalms 2:1-4)

Why do the heathen rage  
And the people imagine a vain thing  
The kings of the earth set themselves  
And the rulers take counsel together  
Against the LORD and against  
His anointed, saying  
Let us break their bands asunder  
And cast away their cords from us  
He that sitteth in the heavens shall laugh  
The Lord shall have them in derision

**Praise Ye The Lord**

Written by Belinda Evans

---

G

CHORUS

Praise ye the Lord  
Praise God in His sanctuary  
Let every thing that hath breath  
Praise the Lord  
Praise ye the Lord (Psalm 150)

Isaiah said: "I'm a man of unclean lips  
For my eyes have seen the Lord's glory  
Then a seraphim came unto me  
And touched my lips  
With a live coal of the altar  
My iniquity was taken  
And my sin was purged  
I shouted: Here I am Lord, send me" (Isaiah 6)

Jesus said: "I am the true vine  
Ye shall abide in me and bring forth fruit  
Ye have not chosen me  
But I have chosen you  
That my father might be glorified in you  
And that your fruit should remain  
That whatsoever ye shall ask in my name  
He will give it to you" (John 15)

**A House For God**

Written by Teresa Wano

God revealed himself to His Prophet  
 Came down in a cloud  
 Showed how to build a sanctuary  
 A house for God  
 We are the temples of God  
 And His spirit dwells in us  
 For if any man defiles this temple  
 God will destroy

**CHORUS**

For we are a chosen Generation  
 A Royal Priesthood  
 A Holy Nation, a peculiar people  
 That show forth the praises of God  
 For He brought us out of darkness  
 Into His marvelous light  
 Lord You said  
 "I've sanctified myself for you"

The Vessels of God in this temple  
 Uniquely, specifically designed  
 But the King of Babylon's thought's  
 To defile, dishonor, destroy  
 You must possess your vessel  
 In sanctification and honor  
 For there's seven steps  
 Back to oneness with God  
 To be a vessel of honor again

As Priests and Kings of His Temple  
 We're dressed and washed  
 Anointed by Malachi 4 verse 5  
 Taught by the High Priest  
 How to do service at each Altar  
 In its time and season  
 Vessels in position  
 Then the Glory of the Lord will return

**Engraved In The Palm Of His Hand**

Written by Phil Evans

**CHORUS**

Oh the glory of the Lord  
 Has come down  
 Take heed to be strong  
 Pure gold is found  
 In God's heart you stand  
 A stature of a perfect man  
 Your name is engraved  
 In the palm of His hands

Understanding what to use is simple  
 Priest and kings  
 Rejoiced in earthen vessels  
 Moses for the tabernacle  
 King David for the temple  
 The mysteries been told  
 You are pure gold  
 Engraved in the palm of His hands

For the pattern shows  
 Of treasures thereof  
 Between the laver  
 Altars of brass and gold  
 Shewbread is revelation  
 Something is fixing to happen  
 God's light in priestly vessels He keeps  
 The candlestick, ark and mercy seat

**Royal Priesthood**

Our new ministry been told  
 Stacte of Myrrh  
 Hardened drops of pure gold  
 The book as been found  
 Spread the good news around  
 Like silver and gold  
 Are the young and the old  
 Engraved in the palm of His hands

**Pray On**

Written by Teresa Wano

We see the nation of Israel  
They're encompassed about  
And we know by prophetic prophecy What  
will be, will be  
And so, oh spiritual Israel  
You're encompassed about too  
But we have eagle anointing  
Our power is the Spoken Word in prayer

**CHORUS**

Pray on, for you are who  
The Lord is looking for  
Pray on, for this will break  
Those mighty strongholds down  
Stay on your knees, for this is  
Where the battle is won  
Very soon you'll have the victory  
Pray on

When Daniel faced the lions  
For worshiping the Lord  
We could see  
The conspiracy was strong  
Used to change the law  
By the opening of the Word  
We've seen the political  
And religious scene  
How they'll try and hinder  
Our greatest weapon  
It's the power of the Spoken Word

You may say, I'm predestinated  
Or even play the blame game  
Keep rank with a perfect heart  
We can see the finish line  
Just rest assured  
There's mighty Gentile warriors  
Keeping demons at bay  
For together we can make it  
Come on Bride  
Let's finish the race

Pray on, for you are who  
The Lord is looking for  
Pray on, tear the mighty strongholds down  
Stay on your knees, for this is  
Where the battle is won  
There's no better place for you to be  
Then seeking the Lord prayerfully  
Very soon you'll win the victory  
Pray on, pray on

**Unity**

Written by Belinda Evans

C

Hearers of the Word you know  
That it is for you to go  
In all the lands to preach the gospel  
So prepare yourself and seek  
Unity

**CHORUS**

Unity, unity, unity, unity  
United by one body  
United by one mind  
United by one language  
United side by side  
United by one spirit  
United by one God  
United by the Word  
That's unity

Seek the Lord in all you do  
Always stay faithful and true  
Never loose the vision of the Word  
In every situation seek unity

Cast out all fear and doubt  
Keep all compromising out  
Remove all of your unbelief  
And receive the victory in unity

Love your brother and your sister  
As well as God's called minister  
Behind the veil you'll find the answer  
Love them unconditionally in unity

**Man Shall Not Live By Bread Alone**

Written by Teresa Wano

Deuteronomy 8:2-3

And thou shalt remember all the way  
Which the Lord God led thee  
These forty years in the wilderness  
To humble thee and to prove thee  
To know what was in thine heart  
Whether thou wouldest keep  
His commandments, or no  
And he humbled thee, and suffered thee  
To hunger, and fed thee with manna  
Which thou knewest not  
Neither did thy fathers know  
That he might make thee know that

Man shall not live by bread alone  
But by every Word that proceeds  
From the mouth of God  
In a time of economic hardships  
Jesus saw His people  
Under pressure, worried  
Full of anxiety, so He preached

Take no thought for your life  
What ye shall eat or drink, or be clothed  
For your Father knoweth that ye  
Have need of all these things  
But seek ye first the kingdom of God  
And His righteousness  
And all these things, shall be added  
Unto you

I hear the angel say,  
"Take the Book and Eat It Up  
It shall be sweet in thy mouth  
But bitter, in thy belly"  
Babylon's perverted  
What Joseph's interpreted  
He's using food as a weapon  
So eat the revealed Word  
That's being stored up  
It will help you to master  
Every circumstance by the Great I AM

Babylon is falling, is falling  
Come out of her my people  
Be not partakers of her sins  
Receive not her plaques  
They're against the Word  
Transgressors full of iniquities  
They'll eat by weight  
They'll drink by measure  
But see thou hurt not  
The oil and the wine

**Keep The Commandments Of The Lord**

Written by Belinda Evans

C

CHORUS

Keep the commandments of the Lord  
Keep the commandments of the Lord  
Proclaim His name  
Be a witness to Him  
Keep the commandments of the Lord

Behold, I come quickly  
And my reward is with me  
To give every man  
According as his work shall be  
Blessed are they  
That do My commandments  
Saith the Lord, God Almighty

A new commandment I give unto you  
That ye love one another  
As I have loved you  
By this shall all man  
Know ye are my disciples  
Saith the Lord: Love one another

Know ye not, Ye are the temple of God  
His chosen people  
That are sent from above  
Be obedient to the heavenly vision  
Not my will, Lord, but thine

**Harmony Between The Priesthood**

Written by Phil Evans

Action of the Priesthood  
 Ask what you will  
 The deacon cleans the temple  
 Pressing on until  
 The trustee has gone fishing  
 Gold, frankincense and myrrh  
 Order of the Priesthood  
 Deity, service and death

Writing in the sand, from the inner man  
 You know not what you ask  
 A testimony from the ark  
 A pearl of great price  
 Deep calling to the deep  
 Vessels over running water  
 Woman washing His feet

We are the king's Cupbearers  
 Enforcers of the Word  
 Like a star in the dark night  
 Reflecting His light  
 Lord who is like thee  
 Compassed about with infirmity  
 We are the royal priesthood  
 Faith, hope and charity

**God's Invincible Army**

Written by William Barber C

There is a people in this hour  
 Resting in Jehovah's strength and power  
 Though we may not be great in numbers  
 Only the Bride she will not slumber

**CHORUS**

We are the chosen ones of God  
 Yes we are the chosen ones of God  
 How can we go wrong  
 When we are resting in His arms  
 He will not let us down

Great eagle is crying from our home  
 His Word is keeping us healthy and strong  
 When we know and recognise who we are  
 Then we will crush those fallen stars

Jesus' Bride is an invincible army  
 The enemy is powerless before her  
 Though he may attack  
 With his three-fold cord  
 We will cut it to pieces  
 With our mighty sword

**End-Time Nazarites**

Written by Teresa Wano

We're just like Samson, a true Nazarite  
 Brought up under a certain light  
 And though he was such a gifted man  
 Yet his weakness  
 Hindered his true commission  
 This Babylon system  
 Will remove your vision  
 She'll cut off those seven thunders  
 She'll bind you in chains of circumstance  
 The Philistines be upon thee Samson

With child-like faith we will raise up  
 For on the table of our hearts  
 Is engrafted the Word of God  
 Although we're surrounded by unbelief  
 7 thunders still utter their voices  
 I feel the resurgence of Your Holy Spirit  
 Oh Lord, just once more

We're Eagle Nazarites of this end time  
 We have 7 candlesticks for light  
 We have a more sure Word of prophecy  
 Yet the Word in each other we fail to heed  
 These gifts would edify and keep us clean  
 Once you're a prisoner then you'll see  
 The strategy of how to possess your land  
 This Body Word will make her final stand  
 Then be raptured

**Going Beyond The Veil**

Written by Christina Torrey

C

I'm going beyond the Veil  
To view the promised land  
To possess my inheritance  
To conquer all that God has given me

I'm going beyond the veil  
Searching deep within  
To identify the colours of my enemy  
I'll cast him down, I'm moving on  
I'm going higher

**CHORUS**

Don't be afraid my brothers  
My sisters don't be afraid  
God will see us through to eternity  
(Repeat)

I'm going beyond the Veil  
Standing here in this trial  
The spirit's wrestling within  
To find the words to speak

I'm going beyond the veil  
Recognizing His truth  
Waiting patiently for God to come  
And take control  
What a wonderful peace  
Has filled my soul

I'm moving on, I'm going higher  
He's taking control  
What a wonderful peace  
Has filled my soul

**730****Crushed Wheat Mixed With Oil**

Written by Phil Evans

Your mine guide  
Your mine acquaintance  
Your mine equal  
Crushed wheat mixed with oil

Things that ought to be  
Walking in transforming power  
Things that are to be, re-discovering hour  
Be who you really are  
Crushed wheat mixed with oil

Your mine guide, You lead the way  
Your mine acquaintance  
On the wings of the dove of the hour  
Your mine equal  
Crushed wheat mixed with oil

We took sweet counsel together  
Be who you really are  
We took sweet counsel together  
Be who you really are  
Crushed wheat mixed with oil

Things that ought to be  
Things that are to be  
Be who you really are  
Crushed wheat mixed with oil

**731****Praise His Righteousness**

Written by Belinda Evans

G

I prayed to the Lord  
Please let me come to You  
I said to the Lord  
I want to be close to You  
He heard my prayers  
Believe me it is true  
So praising Him is all I want to do

**CHORUS**

Praise His righteousness, sing  
Hallelujah to the Lord  
Praise His righteousness, sing  
Hallelujah to the Lord  
Praise Him, praise Him, amen

Praying, preaching, Word receiving  
Strong succession, good believing  
Testify and live the Word  
Praising our Lord (2x)

**The Evidence Of The Holy Ghost**

Written by Teresa Wano

Oh Lord I went looking for You  
 Cause I couldn't see You  
 Behind the veil of flesh  
 Lead by the Spirit to a very good place  
 Where an atmosphere  
 Of love and compassion  
 Released the flood gates of revelation  
 And there on my knees  
 Under the power of prayer  
 I realised who I had been looking for  
 Appeared behind the flesh in me

**CHORUS**

So now no one not even our enemy  
 Can take this revelation from me  
 For it's an experience that I shall never  
 No, never forget  
 I now know why we were sitting  
 Under the harvest light  
 Because I see what the evidence  
 Of the Holy Ghost is  
 To have a clear understanding of  
 The Word made flesh in me

Here in Bethlehem  
 Under great expectations  
 After tasting such heavenly delights  
 In our house of prayer for all nations  
 Once again  
 7 thunders uttered their voices  
 Still eternity is trapped  
 In a temporal body  
 Just bars of bone that hold my soul  
 Oh how I long for these doors of clay  
 To burst wide open  
 To continue to manifest  
 The 3rd pull ministry

Our Kings desire for a greater unity  
 Those with a clear understanding  
 Didn't trap eternity  
 For there's an anointing on the soul  
 Lead by Joshua  
 Each tribe positionally placed

Supernaturally we were  
 Fulfilling the commission  
 We were walking in a part  
 Of the greater works

**733****The Mighty God Unveiled**

Written by Belinda Evans

Am

The veil is rent to reveal the Word  
 The seal is broke so we can see  
 The Book of Redemption in reality form  
 God's Character is on display  
 My Saviour was born to die  
 Humbly He took my sin and shame  
 He bought me with His blood to become  
 My redeemer, the mighty God unveiled

He sanctified Himself for my sake  
 Cleansed from humanity  
 He took hardship for my sake  
 To set me at liberty  
 He was mocked and rejected  
 Falsly accused, yet he held His peace  
 His own people cried for His blood  
 And they failed to see  
 The true mercy seat hung on Calvary  
 Yes they failed to see  
 The mighty God unveiled

Jesus, the anointed one for His day  
 All that was in God  
 He poured into Christ  
 The Bride, the anointed one for today, All  
 that was in Christ  
 He poured into His Church  
 Yes, the Bride is Christ  
 The anointed one today  
 She is the mighty God unveiled

The veil is rent to reveal the Word  
 The seal is broke so we can see  
 The Book of Redemption in reality form  
 God in you and me

**Judgment Or Mercy**

Written by Teresa Wano

The Word of the Lord  
 Came unto Zephaniah  
 In the days of Josiah King of Judah  
 I will utterly consume all things  
 From off the land, saith the Lord  
 I will utterly consume Man and Beast  
 The fowls and the fishes  
 The idols you place before me  
 I will stretch forth my hand  
 Upon false religion  
 Those that turn their backs  
 That do not seek me, nor require of me

It's Judgment or Mercy  
 In the day of the Lord  
 The Wicked One came down  
 In the opening of the Seals  
 In this time of Economic Recession  
 The Lord hath prepared a sacrifice  
 To unfold the Mystery of Redemption  
 And by faith to believe is to receive  
 The I AM in flesh  
 Uncovering hidden food

The Word of the Lord  
 Came unto Brother Branham  
 In the days of the Five Fold Ministry  
 Sent to perfect you and me  
 In the days of the voice  
 Of the Seventh Angel  
 When He shall begin to sound  
 The Mysteries are finished  
 Between 1965 to 2000 and 8  
 We've been eating  
 Spiritual food in due season  
 Go search through the archives  
 Before Judgment strikes  
 For it's there that you'll find  
 The secret of the sacrifice

It's time for coming in and going out  
 Like Elijah did before the drought  
 By the brook he stayed until God said  
 "Take this hidden food to my Bride

While the Judgment are falling teach her  
 How to bring forth, Thus saith the Lord

**735****Transforming Power From Within**

Written by Teresa Wano

A salutation by angelic visitation  
 In the evening time to a virtuous woman  
 The spoken Word activated  
 Gene seed within  
 He said thou shalt conceive  
 And bring forth the Son of God  
 Then began her greatest battle  
 Ever fought, she said  
 Be it unto me according to Thy Word  
 She's on a journey to discover  
 There's transforming power from within

Like Rahab we were locked in harlotry  
 In a Babylon system corrupt as can be  
 Then we heard about  
 Some healing campaigns  
 How God came down  
 In a supernatural way  
 We heard through the five fold ministry  
 That the Token sign  
 Was Christ living in me  
 We're on a journey to discover  
 There's transforming power from within

We like Joseph  
 Have our gifts on display  
 Before His bride was raptured away  
 In amateur form  
 The gift had been rejected  
 Transformed through a pit  
 And prison experience  
 Then God uttered 7 thunders  
 Only the gift could interpret the voices  
 This journey of self discovery  
 Has transforming power for my brother  
 This journey of self discovery  
 Has transforming for my sister  
 This journey of self discovery  
 Will transport us to the heavenlies

**Worshipping You Lord**

Written by Phil Evans

Lord You give us a place  
To worship unto Thee  
To set us aside, to let there be light

Worshipping You in spirit and truth  
Lord You give us a place  
So we can worship You

**CHORUS**

Worshipping You Lord  
Yes, worshipping You  
With all of our hearts  
You are our first love

Your words that are spoken  
Quieten the storms  
The blood is the token  
Transforming power the call

We are here to redeem  
The self-discovery seat  
To bring forth the twelve fruits  
So that we may all eat

**737****The Bridegroom Comes Soon**

Written by Belinda Evans

C

See this Bride standing there  
So virtuous and clean  
Waiting for her Groom  
To be picked up by Him  
See this Bridegroom there  
Ready to fulfill, what God has said  
According to His will

**CHORUS**

Thank You Jesus, thank You Jesus  
That the time is short  
You will come soon  
And take us as Your Bride back home

God You separated us  
From this evil world  
That we may obey You  
And live by all Your Word  
So we create a union  
To be Thy holy Bride  
That when the time is come  
We go back in Jesus side

Then when Your son has come  
And everything is in its place  
And we stand before You  
And see You face to face  
Then we vow unto You  
Like a husband and his wife  
Not just for until death  
But until eternal life

**738****That's Why I Love You Lord**

Written by Belinda Evans

C

In times of darkness, in times of need  
In times of great afflictions  
And deepest poverty  
You've come and showed me the way

In times of pressure and great trials  
In times of anxiousness  
And fearful times  
You've come and given me your peace

**CHORUS**

That's why I love You Lord

In times of sickness, in times of pain  
In times of suffering and great shame  
You've come and given me  
Joy and strength

In times of worries and unbelief  
In times of feeling lonely  
And having grief  
You've come to comfort me

**All I Want To Do**

Written by Eternity Wano

I got alot of things  
 I have to do  
 All these distractions  
 Our time is coming soon  
 Were being pulled  
 A hundred different directions  
 But whatever happens  
 I know I've got you  
 Through every up, through every down  
 I know He'll always be around  
 Through everything  
 You can count on him

*CHORUS*

All I want to do  
 Is serve my God, serve my God  
 I just want to praise him  
 For all that he's done  
 (All that he's done)  
 Theres nothing we can't do  
 Just want to be with Him, only God  
 Know matter where life takes us  
 Nothing can break us apart  
 You know it's true

You know how life can be  
 It changes over night  
 Sunny then raining  
 But it's alright  
 When God's in you  
 It'll always make it easy  
 I know that you get me everytime  
 Through every up, through every down  
 I know he'll always be around  
 Through everything  
 You can count on him

You know the sun will shine  
 In our place of peace  
 All these distractions  
 In Satans world  
 Our God can rule all of these nations  
 I know that He gets me everytime

Through every up, through every down  
 I know He'll always be around  
 Through everything  
 You can count on him

There's nothing we can't do  
 Just want to be with Him only God  
 (Only God)  
 (Repeat x3)

**740****We Are The Living Tabernacle**

Written by Belinda Evans

C

The tabernacle has one entry  
 Jesus said "I am the door"  
 The brasen altar to remember  
 "Behold the Lamb of God"  
 Laver for washing, Jesus said  
 "If I wash thee not"  
 That's the first part of the tabernacle  
 Of our God who has made us

*CHORUS*

We are the living tabernacle  
 We are going forth to  
 To our promised land  
 (Repeat)

The candlestick has 7 candles  
 Jesus said, "I am the light"  
 Shewbread means like Jesus said  
 "I am the bread of life"  
 Incense altar to redeem  
 'Cause Jesus said "I pray for them"  
 That's the second part He gave us  
 Our God who has made us

Through the veil that is to say His flesh  
 Mercy Seat, enter into the holiest  
 By the blood Of Jesus  
 Glory of God, we beheld His glory  
 Thank You Lord for making  
 This covenant with us

**We Are The Children Of Light**

Written by Belinda Evans

**CHORUS**

We are the children of light  
 Filled with Holy Spirit Power  
 A Star shining bright  
 In this dark evening time hour  
 We open our heart  
 And let the SON shine through  
 The reflection of the Great I AM  
 The Word made flesh in me and you

The Word of the hour  
 Gives us a clear understanding  
 Of things that were and things that are And  
 things that are to be  
 Events made clear  
 By vindicated prophecy  
 We're not afraid but by faith we see

Keep running the race  
 We are the King's Lightbearer  
 The Revealed Word of the hour  
 Is in His Bride Body  
 With our experience  
 And fighting on the battle front  
 We don't guess but know specifically

We take up our cross  
 And follow Him daily no matter what  
 Someone may think or  
 Someone may do, or someone may say  
 The token's applied  
 'Me and My household serve the Lord'  
 For living 'The Life'  
 Is showing others the way

**Followest Thou My Dove**

Written by Teresa Wano

G

Thy Word has transforming power  
 God Creator of all things  
 Twas laying in thine earth  
 Just awaiting the spring rain  
 Then seven thunders  
 Uttered their voices  
 Came forth the I Am  
 Twas sweet to sup the fruits  
 Of them that did bear

Hear ye the Lord  
 Hath thou all thine coins  
 Take heed, lest I come  
 As a thief in the night  
 For thou must slay enmity  
 Sellest all to obtain  
 This thine great treasure  
 That's hid in thine earth

Fear not My fair lady  
 Followest thou My Dove  
 Discard thine old coat  
 Robe thyself in pure white  
 Come let us rediscover  
 Thy transforming power  
 For I long to behold you  
 My Bride, My faithful Wife

Come my Wife, unite as one  
 Faithfully followest thou my Dove  
 Take heed mine Word  
 From thine keepers of mine flame  
 For then thy transforming power  
 Creates Eden again  
 We'll walk in mine garden  
 Amongst Mine trees again

**A Message Of Grace**

Written by Teresa Wano

Like in the days of Abraham  
 Before the vials destroyed Sodom  
 A Mighty Angel came down  
 Revealed the mystery of His will  
 Intercession through Abraham  
 7 thunders uttered their voices  
 God heard and on the wings of a Dove  
 Sent a message of Grace

Hear the message  
 Of Grace on the wings of a Dove  
 There is an appointed day  
 To be cleansed from leprosy  
 God said, I had to separate you  
 To keep sin out of the camp  
 For there's redemption  
 By running water  
 The blood and spirit of Jesus Christ

The inspiration from that prayer meeting  
 Sent out the message of Grace  
 Not just for those battle scarred  
 But for young and old to separate  
 God's mercy expressed  
 Through the trumpets  
 Come into the Ark  
 Before the judgments fall  
 God sent on the wings of a Dove  
 The message of Grace

Hear the message  
 Of Grace on the wings of a Dove  
 On the 7th day  
 All our rights must be shorn off  
 God said, 'Ye are Priests and Kings  
 Take eat that ye may speak'  
 That we can do the greater works  
 On the 8th Day

**The Power Of Transformation**

Written by Belinda Evans

C

You may have been able  
 To give your heart to the Lord  
 To forsake the pleasures of this world  
 You may have been able  
 To hang the old mantle up  
 And put the new garment on  
 You may have been able  
 To give God pre-eminence  
 And even to discover yourself

**CHORUS**

Find out your gifts, possess the land  
 Bring forth fruit at all times  
 Don't let circumstances come in  
 Don't lose your faith  
 Hear the Word and renew your mind

Be not conformed to this world  
 But, be ye transformed in Christ  
 (Let the dove lead you)  
 Renew your mind  
 Let Christ be your guide  
 Be ye transformed in Christ

We being many are one body in Christ  
 Having gifts according to His grace  
 By using our gifts we are a fruitful tree  
 Of whom everyone can eat  
 We edify the body  
 We are a blessing to each one  
 And a comfort as Bride to our Lord

And if you walked not all the way  
 Or you're fallen by the side  
 Restore your faith and pray  
 Rediscover yourself  
 And bring forth fruit again

**Use It Or Lose It**

Written by Teresa Wano

You know at times  
It seems like the responsibility  
Of the burden of the Word  
Is such a heavy load to bear  
But hey! We're not doing it alone  
I'm so glad for the Body Word ministry  
And especially the angel In the pulpit  
Who's ordained to see us through

It took Hatach to relay  
7 thunders to Esther  
Who then knew she was Queen  
She checked out  
All the rooms in her inheritance  
She sat in her nest of ease  
Not seeing the rising of a conspiracy  
Oh Esther don't you know  
The power you hold  
You've got to use it or you may Lose it

All that's in God He poured into Christ  
All that's in Christ  
He poured into the Church  
He gave us spiritual gifts  
And each one has a measure  
But to find your life in Christ  
You got to lose your old ways  
Oh Church, if you have only one talent  
Don't bury it, use it, or you may Lose it

Now that you've checked out  
All the rooms in your inheritance  
What doth hinder you  
It's the venom from that Locust invasion  
That's eating down the Bride Tree  
That's the mystery of iniquity  
Don't lose the joy of your salvation  
For I will restore, saith the Lord  
Oh Bride use that joy or you may  
Lose it

**It's The Knowing**

Written by Teresa Wano

Do you wonder why we go  
Through trials in our lives  
Why at times it seems  
We're put in circumstances that seem

Oh they seem to be made just for me  
Yet God in His omnipresence  
Orchestrated these tests to see  
If we have learnt to apply the  
Token sign in our lives

**CHORUS**

For it's the knowing  
That brings full redemption  
For we know in part  
And we prophesy in part  
But when that which is perfect is come Then  
that, which is in part  
Shall be done away with

For when I was a child  
I spoke and thought as a child  
But when I became a man  
I put away childish things  
Yes I should have  
Put away childish things  
Yet God in His omnipotence  
Orchestrated these times to see  
If we have learnt to apply the token  
Instructions for that hour

And though we have  
The gift of prophecy  
And understand all mysteries  
And though we have all faith  
That we can remove mountains  
And have not charity, we are nothing  
Yet God in his great omniscience  
Prophesied these things to be  
So we would desire to have  
A knowing that brings full redemption

**Faith To Follow The Dove**

Written by Teresa Wano

I remember that day  
 When the Dove flew into my heart  
 And when I looked through His eyes  
 And what I saw on the cross that day  
 Oh Lord, it completely changed my life  
 And when I rose from the water  
 Just to know my heavy load of sins  
 Had been removed  
 And when You sat in the throne  
 Of my heart  
 Then began our journey  
 Of self discovery

**CHORUS**

It takes faith to follow the Dove  
 No matter where He may go  
 No need to be afraid  
 He said He'll never leave you alone  
 For He's going to guide us back  
 Yes, He's going to take us back  
 To that faith civilization

You must keep your eyes on the dove  
 Especially in the wilderness  
 For it's there that you learn how to  
 Let the Teacher in the inside  
 Let the Teacher on the inside  
 Take full control  
 Wake up little Bride He's cooing  
 There's work to be done  
 Come speak the vision for my  
 Brother and sister to walk in  
 That they can rediscover  
 Their transforming power

Come let us move as one  
 We'll not leave our little ones  
 For He's broken those chains of enmity  
 The Dove has set you free  
 Let that gift step out by faith  
 And soar the heavenlies

**Can You Hear His Voice**

Written by Belinda Evans

C

**CHORUS**  
 Can you hear His voice  
 Cast all reasoning out  
 No more 'my will' or 'the will of man'  
 No more popularity  
 Find your favour with God  
 Be a servant of all and stand

Don't doubt your faith  
 God is always near  
 Just keep your eyes to the unseen  
 He'll lead you all the way  
 For He brought you thus far  
 All you need to do is hear His voice

Wait on the Lord  
 He'll answer your prayer  
 In dedication bow before Him  
 He'll give you what you need  
 You can rest in Him  
 All you need to do is hear His voice

**You Redeemed Me**

Written by Belinda Evans

C

You knew me before I was ever born  
 You loved me before I had ever been  
 You redeemed me before I fell in sin  
 And I'm here to testify what happened  
 Back then

You redeemed me  
 You've set me free  
 You took my sins upon You  
 And You showed me my liberty  
 (Repeat)

Oh lamb of God You redeemed me  
 Thank you for your mercy

**What About Me Saith The Lord**

Written by Belinda Evans

C

*Chorus*

What about me, saith the Lord  
 What about me  
 I've cleansed you and I've set you free  
 I gave you back your liberty  
 Besides, I meet your every need  
 What about me

But Lord, I really want to go  
 And help this people down the road  
 Just quickly going here and there  
 And being busy everywhere  
 With house, the children, man and wife  
 So many things to do in life  
 I'm running, I'm running to please everybody  
 Lord, I can't find the time to study

But Lord, my friends they need me there  
 I can't just say that I don't care  
 I know you want me to pray to you  
 But this thing here I first must do  
 My neighbours, work, community  
 I'm rushing and they are pleased with me  
 Time's running, time's running  
 I'm tired and weary  
 Lord, please help me to see clearly

**751****As I Look To The Cross**

Written by Hemi Harris

C

As I look to the cross I see you my Lord  
 Your blood that was poured out for many  
 For forgiveness of sin and healing divine  
 Salvation and life to bring

*Chorus*

I praise you my Lord for dying for me  
 I praise you my Lord for resurrecting me  
 I glorify you my Lord  
 For bringing your Word to me

I bow in abject humility  
 I give you the rest of my life  
 In total obedience to all you command  
 Forever I'll walk in your light

I invite you my Lord to dwell in my house  
 I'll carry you in me endearly  
 I'll always love you Lord Jesus Christ  
 Forever thy sanctuary I'll be

**752****Hail New Jerusalem**

Written by Hemi Harris

C

*Chorus*

Hail New Jerusalem  
 In the days of freedom cometh the Lord  
 Hallelujah Tis the end of sin  
 In the days of joy cometh the Lord  
 Praise and glory to His holy name

Out of bondage have we come  
 Crossed the Jordan to Gilgal  
 To God's promised land  
 And when we heard the trumpet call  
 All adhered to what it's for  
 Sufferings end is nigh  
 As we bend our knees and bow our head  
 God's present in our midst  
 We welcome back Jerusalem, Jerusalem  
 Jerusalem

Seek the highway undefiled  
 Named and paved "the sacred way"  
 All nations to welcome  
 To espy the Almighty one  
 In prayer and song  
 By grace we rejoice  
 Glory of your love be known  
 Thou art our God  
 We welcome back Jerusalem, Jerusalem  
 Jerusalem
